Plan Administrator
Immediate Health Employee Stock Ownership Plan
Westerville, Ohio

Attention: Kirk Hummer, CEO

We are pleased to present this report related to our audit of the financial statements of the Immediate Health Employee Stock Ownership Plan (the Plan) as of and for the year ended December 31, 2024. This report summarizes certain matters required by professional standards to be communicated to you in your oversight responsibility for the Plan's financial reporting process.

This report is intended solely for the information and use of the Plan Administrator and management, and is not intended to be, and should not be, used by anyone other than these specified parties. It will be our pleasure to respond to any questions you have about this report. We appreciate the opportunity to continue to be of service to the Plan.

Required Communications

The following required communications summarize our responsibilities regarding the financial statement audit as well as observations from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Our Responsibilities

We describe our responsibilities under auditing standards generally accepted in the United States of America to you in our engagement letter dated February 17, 2025. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

Planned Scope and Timing of the Audit

We have issued a separate communication dated February 17, 2025, regarding the planned scope and timing of our audit and identified significant risks.

Accounting Policies and Practices

Preferability of Accounting Policies and Practices

Under accounting principles generally accepted in the United States of America, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice.

Adoption of, or Change in, Accounting Policies

Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period.

Significant Accounting Policies

We did not identify any significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Unusual Transactions

We did not identify any significant unusual transactions.

Management's Judgments and Accounting Estimates

Management is responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. The methods and significant assumptions used to determine fair values of the financial instruments are as follows:

Common Stock: The fair value of the Company's common stock held by the Plan is valued at fair value based upon an independent appraisal. This appraisal was based upon a combination of the market and income valuation techniques. Unobservable inputs used by the appraiser with these valuation techniques included EBITDA, net income, weighted average cost of capital, discount rate, discount for lack of marketability and market comparables.

These valuation methodologies have been consistently applied by management from period to period. The methods and assumptions used result in a measure of fair value appropriate for financial statement measurement and disclosure purposes.

Audit Adjustments and Uncorrected Misstatements

There were no audit adjustments made to the original trial balance presented to us to begin our audit. We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

Form 5500 Filing

GAAS requires that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements, other than appropriate reconciling items with the draft Form 5500 as disclosed in the notes to the financial statements.

ERISA-Required Supplemental Schedule

We subjected the ERISA-required supplemental schedule to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedule is fairly stated in all material respects in relation to the financial statements as a whole, and whether the form and content of the ERISA-required supplemental schedule is presented in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA. We did not identify inconsistencies with the audited financial statements.

Observations About the Audit Process

Disagreements With Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

Consultations With Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Significant Issues Discussed With Management

No significant issues arising from the audit were discussed or were the subject of correspondence with management.

Significant Difficulties Encountered in Performing the Audit

We did not encounter any significant difficulties in dealing with management during the audit.

Difficult or Contentious Matters That Required Consultation

We did not encounter any significant and difficult or contentious matters that required consultation outside the engagement team.

Shared Responsibilities: AICPA Independence

The AICPA regularly emphasizes that auditor independence is a **joint responsibility** and is managed most effectively when management, audit committees, and audit firms work together in considering compliance with AICPA independence rules. For Rea & Associates, Inc. to fulfill its professional responsibility to maintain and monitor independence, management, the audit committee, and Rea & Associates, Inc. each play an important role.

Our Responsibilities

- AICPA rules require independence both of mind and in appearance when providing audit and other attestation services. Rea & Associates, Inc. is to ensure that the AICPA's General Requirements for performing non-attest services are adhered to and included in all letters of engagement.
- Maintain a system of quality control over compliance with independence rules and firm policies.

Your Responsibilities

- Timely inform Rea & Associates, Inc., before the effective date of transactions or other business changes, of the following:
 - New affiliates, directors, officers, or persons in financial reporting oversight roles.
 - New beneficial owners of the Plan Sponsor's equity securities that have significant influence.
 - Change in corporate structure impacting affiliates such as add-on acquisitions or exits.
- Provide necessary affiliate information such as new or updated investment structure charts, as well as financial information required to perform materiality calculations needed for making affiliate determinations.
- Understand and conclude on the permissibility, prior to the Plan and its affiliates, including the Plan Sponsor, and the officers, directors or persons in a decision-making capacity, engaging in business relationships with Rea & Associates, Inc.
- Not entering into relationships resulting in Rea & Associates, Inc., Rea & Associates, Inc. covered persons or their close family members, temporarily or permanently acting as an officer, director or person in an accounting or financial reporting oversight role at the Plan or Plan Sponsor.

Significant Written Communications Between Management and Our Firm

This representation letter is provided in connection with your audit of the financial statements of Immediate Health Employee Stock Ownership Plan (“ESOP”) (the Plan), an employee benefit plan subject to Employee Retirement Income Security Act 1974 (ERISA) sponsored by Immediate Health Associates, Inc. (the Plan Sponsor). The Plan’s financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023; the related statements of changes in net assets available for benefits for the years then ended; and the related notes to the financial statements.

The purpose of the audit is to express an opinion on whether the Plan’s financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

We confirm, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves, that as of the date of this letter:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated February 17, 2025, for the preparation and fair presentation of the financial statements referred to above in accordance with U.S. GAAP.
2. We acknowledge our responsibility for administering the plan and determining the plan’s transaction that are presented and disclosed in the ERISA plan financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
3. We acknowledge our responsibility for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. In addition, we are responsible for establishing and maintaining effective internal control over financial reporting to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in conformity with U.S. GAAP.
4. We acknowledge our responsibility for the design, implementation and maintenance of internal controls and programs to provide reasonable assurance that fraud is prevented and detected.
5. The methods, data and significant assumptions used by us in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement or disclosure that is reasonable in the context of U.S. GAAP and reflect our judgment based on our knowledge and experience about past and current events, and our assumptions about conditions we expect to exist and courses of action we expect to take.

6. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
7. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
8. Transactions with parties in interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements and guarantees, and amounts receivable from or payable to related parties have been appropriately accounted for and disclosed.
9. All events subsequent to the date of the financial statements, and for which U.S. GAAP requires adjustment or disclosure, have been adjusted or disclosed.
10. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
11. We have no intention to terminate the Plan.
12. We have properly reported and disclosed amendments to the Plan instrument, if any.
13. In accordance with the terms and conditions set forth in the audit engagement letter, we have:
 - a. Provided you with all information we are aware of with respect to current and potential affiliates, including ownership percentage and materiality assessments.
 - b. Notified you of all planned transactions involving (i) changes in control of the Plan Sponsor or an investor obtaining a 20% or greater ownership in the Plan Sponsor or representation on the Plan Sponsor's Board of Directors, or (ii) investments of 20% or greater in or acquisitions of other entities by the Plan Sponsor, sufficiently in advance of their effective dates to enable the Plan Sponsor and Rea & Associates to identify and eliminate potential impermissible services and relationships between Rea & Associates and those potential subsidiaries or equity-method investees, prior to the effective dates.
 - c. Made you aware, to the best of our knowledge and belief, of any nonaudit services that the Plan Sponsor or any of our affiliates has engaged Rea & Associates to perform.
14. We agree with the findings of the specialist in evaluating the valuation of Plan Sponsor stock and have adequately considered the qualifications of the specialist in determining the amounts and disclosures used in the financial statements and underlying accounting records. We did not give instructions, or cause any instructions to be given, to the specialist with respect to the values or amounts derived in an attempt to bias their work, and we are not otherwise aware of any matters that have had an impact on the independence or objectivity of the specialist.

15. In the audit engagement letter dated February 17, 2025, we requested that you perform the following accounting services in connection with your audit:

- a. Draft the financial statements

With respect to this service;

- a. We have made all management decisions and performed all management functions;
- b. We have assigned an appropriate individual to oversee the services who possesses suitable skills, knowledge, and/or expertise;
- c. We have evaluated the adequacy and results of the services performed, and made an informed judgement on the results of the services performed;
- d. We have accepted responsibility for the results of the services; and
- e. We have accepted responsibility for all significant judgements and decisions that were made.

16. We have no knowledge of any uncorrected misstatements in the financial statements.

17. We have requested an unsecured electronic copy of the auditor's report and financial statements and agree that the auditor's report and financial statements will not be modified in any manner.

Supplementary Information

18. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedule in accordance with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. In this regard:

- a. We believe that the schedule is fairly stated in all material respects to the financial statements, as a whole;
- b. We believe the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA;
- c. The methods of measurement or presentation have not changed from those used in the prior period.
- d. There are no underlying significant assumptions or interpretations regarding the measurement or presentation of such information.
- e. We will only present the ERISA-required supplemental schedule together with the audited financial statements and auditor's report thereon and will not separate the ERISA-required supplemental schedule from the audited financial statements and auditor's report thereon in any document that contains such information.

Information Provided

19. We have provided you with:

- a. Access to all information of which we are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters;
- b. Additional information that you have requested from us for the purpose of the audit;
- c. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence;
- d. The currently effective version of the Plan document, the trust agreement or insurance contracts, and all related amendments. The Plan was most recently amended on December 21, 2023, and effective as of January 1, 2023;
- e. A draft of the Form 5500 that is substantially complete;
- f. All correspondence, filings, reports and determinations with the Internal Revenue Service (IRS) and the DOL relating to the Plan's compliance with ERISA and the maintenance of its tax-exempt status;
- g. All Plan financial records and related data. In that regard, the payroll information we provided you covered all employees that were eligible to participate in the Plan; and
- h. All minutes of the meetings of the Plan's Trustee, or summaries of actions of recent meetings for which minutes have not yet been prepared.

20. All transactions have been recorded in the accounting records and are reflected in the financial statements. The Plan Sponsor's management designated an individual with sufficient skills, knowledge and experience to oversee the financial statement preparation process and take responsibility for the results of the financial statement preparation services. This individual performed a detailed review of the financial statements, consisting of the following procedures:

- Reconciliation of the trust activity and participant statements to the financial statements.
- Review and approval of all journal entries proposed by you, including the review of supporting documentation and explanations.
- Review of the adequacy of financial statement disclosures by review and approval of the disclosure checklist completed by you.
- Review and approval of schedules and calculations supporting the amounts included in the notes to the financial statements.
- Applying analytical procedures to financial statements.

21. We have disclosed to you the results of our assessment of risk that the financial statements may be materially misstated as a result of fraud.

22. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan involving:
 - a. Management.
 - b. Employees who have significant roles in internal control.
 - c. Others where the fraud could have a material effect on the financial statements.
23. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators or others.
24. We are not aware of any pending or threatened litigation, claims or assessments, or unasserted claims or assessments that our lawyer has advised us are probable of assertion and must be disclosed in accordance with the *Contingencies* Topic of the FASB ASC, violations or possible violations of laws and regulations, or other matters, including gain or loss contingencies, whose effects should be considered when preparing the financial statements, and neither we nor the Plan Sponsor, or others acting on behalf of the Plan, have consulted a lawyer concerning litigation, claims, assessments or other matters affecting the Plan.
25. We have disclosed to you the identity of all of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions of which we are aware.
26. We are aware of no deficiencies in internal control over financial reporting, including significant deficiencies or material weaknesses, in the design or operation of internal controls that could adversely affect the Plan's ability to record, process, summarize and report financial data.
27. We have no plans or intentions that may materially affect the carrying value or classification of assets or liabilities.
28. The Plan or trust has satisfactory title to all owned assets that are recorded at fair value, and all liens, encumbrances or security interests have been properly disclosed.
29. Concentrations of credit risk have been properly disclosed.
30. We have answered your questions about the Plan's tax compliance to the best of our knowledge and belief.
31. There have been no communications, whether written or oral, from regulatory agencies concerning noncompliance with, or deficiencies in, the operation of the Plan.
32. We have complied with (a) all aspects of debt and other contractual agreements, including provisions of the Plan, that would have a material effect on the financial statements in the event of noncompliance, including the release of unallocated shares held, (b) the fidelity bonding requirements of ERISA, (c) all participant eligibility and coverage requirements of the Plan, ERISA and the Internal Revenue Code (IRC), and (d) the filing requirements of appropriate agencies.
33. We have complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the Plan.
34. We have no knowledge of noncompliance or suspected noncompliance with laws and regulations.

35. The Plan and the trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code (IRC) and intend to continue as a qualified Plan and trust. We have operated the Plan and trust in a manner that did not jeopardize this tax status.
36. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for:
- a. Paychex, Inc. Payroll Processing System, dated September 30, 2024, for the period October 1, 2023 to September 30, 2024, the Gap Letter dated April 9, 2025; and
 - b. Paychex, Inc. Information Technology Services System, dated November 29, 2023, for the period October 1, 2023 to September 30, 2024, the Gap Letter dated December 20, 2024.
- We believe all applicable controls are properly designed and implemented and operating effectively.
37. There are no:
- a. Material period-end adjusting entries affecting prior annual periods.
 - b. Non-exempt (prohibited) party-in-interest transactions that were not disclosed in the financial statements or supplemental schedule.
 - c. Notes receivable from participants or other receivables or investments in default or considered to be uncollectible that were not disclosed in the financial statements or supplemental schedule.
 - d. Reportable transactions that were not disclosed in the supplemental schedule.
 - e. Guarantees, whether written or oral, under which the plan is contingently liable to a bank or another lending institution.
38. During the course of your audit, you may have accumulated records containing data that should be reflected in our books and records. All such data have been so reflected. Accordingly, copies of such records in your possession are no longer needed by us.
39. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
40. We acknowledge our responsibility for verifying appropriate control groups applied during the completion of annual compliance testing.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Plan Participants of
Immediate Health Employee Stock Ownership Plan
Westerville, Ohio

Opinion

We have audited the financial statements of Immediate Health Employee Stock Ownership Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule as outlined on the Table of Contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF PLAN

The following description of the Immediate Health Employee Stock Ownership Plan (the Plan) provides only general information. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan's provisions.

General

Immediate Health Associates, Inc. (the Company and the Plan Sponsor) established the Plan effective January 1, 2006. The Plan has been amended and restated twice with the latest restatement effective January 1, 2012. The Plan operates, in relevant part, as an employee stock ownership plan (ESOP) and is designed to comply with Sections 401(a) and 4975(e)(7) and the regulations thereunder of the Internal Revenue Code of 1986, as amended (IRC) and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is administered by an administrative committee, which is comprised of eight persons, appointed by the Company's Board of Directors. The Plan's trustee is an officer of the Company appointed by the Company's Board of Directors. The trustee is responsible for the Plan's assets and the execution of all Plan transactions in accordance with the Trust Agreement. The Company is the asset custodian and executes all of the Plan's transactions under the direction of the trustee. The records of the Plan are maintained by a third-party administrator.

The Securing a Strong Retirement Act (SECURE 2.0 Act) was signed into law on December 29, 2022. This legislation includes a vast array of both mandatory and optional provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management adopted mandatory provisions effective for the plan years ended December 31, 2024 and 2023. In addition, the Plan elected optional provisions for the 2024 plan year. In accordance with applicable laws and regulations, any required plan amendment made pursuant to the SECURE 2.0 Act provisions will be made by the December 31, 2026 deadline.

Eligibility

A non-leased employee of the Company becomes eligible as a participant in the Plan upon reaching age 21 with one year of service, and completing 1000 hours of service. Participation commences on the entry date, which is the first day of the plan year in which participant first becomes eligible.

Contributions

Contributions to the Plan are at the discretion of the Company's Board of Directors. The Plan does not provide for participant contributions. Contributions are subject to Internal Revenue Service limitations. Contributions to the Plan totaled \$929,478 and \$1,000,000 for the years ended December 31, 2024 and 2023, respectively.

Dividends

The Company declared dividends of \$0 and \$4,873,093 during the years ended December 31, 2024 and 2023, respectively.

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Individual accounts are maintained for each plan participant. Allocations of discretionary contributions, and forfeitures shall be allocated based upon the ratio of each participant's allocation points to the total allocation points at the end of each Plan year. A participant shall have allocation eligibility as to discretionary contributions and forfeitures for any plan year in which such participant completes 1,000 or more hours of service with the Company and is employed by the Company on the last day of such plan year. Each participant receives allocation points based on a formula determined by eligible compensation and years of service at the end of each Plan year.

Each participant's account is credited on the last day of each Plan year with an allocation of shares of the Company's common stock and forfeitures of terminated participants' non-vested accounts.

As of each valuation date, the Plan allocates to the applicable participant accounts the net appreciation based on the ratio of each participant's account balance to the total of all participant account balances.

Dividends, if declared, on the shares are allocated based on each participant's stock account balance to the total of all participant stock account balances.

Vesting

Accrued benefits in the Plan shall vest at the rate of zero percent (0%) upon completion of less than two vesting years, 20% upon completion of the second vesting year, 40% upon completion of the third, 60% upon completion of the fourth, 80% upon completion of the fifth and 100% upon completion of the sixth vesting year.

Participants who have less than five years of eligible service and are terminated due to death, disability or retirement at age 65 or over are 100% vested.

Dividends declared during the year ended December 31, 2023, included a \$4,500,000 "Special Dividend". The Plan was amended effective January 1, 2023, to allow participants receiving an allocation of the Special Dividend to be immediately 100% vested with respect to that allocation.

Payment of Benefits

Distributions on account of death, disability, or retirement are made in a lump sum up to \$50,000 in the Plan year following the event. Distributions for other separations from service may be delayed by the Plan Administrator up to an additional five Plan years after such termination of service. Distributions in excess of \$50,000 will be paid in substantially equal annual installments not to exceed five years.

Diversification and In-Service Distributions

Diversification is offered to participants close to retirement so that they may have the opportunity to move part of the value of their investment in company stock into investments which are more diversified. Participants who are at least age 55 with at least 10 years of participation in the plan may elect to diversify a portion of their account. Diversification is offered to each eligible participant over a six-year period. In each of the first five years, a participant may diversify up to 25 percent of the number of shares allocated to his or her account, less any shares previously diversified. In the sixth year, the percentage changes to 50 percent. Participants who elect to diversify receive a cash distribution.

In-service distributions are offered to participants who are at least 59.5 and have previously fully utilized any available diversification distributions. An eligible participant may request an in-service distribution up to 50% of their vested account balance after reduction for any diversification distributions. In-service distributions are subject to discretionary approval by the Plan Administrator on a non-discriminatory basis and certain other limitations.

Forfeitures

Forfeitures resulting from the termination of participants who are less than fully vested are used to reinstate previously forfeited accounts. Any remaining forfeitures are allocated to those participants who have completed 1,000 hours of service during the Plan year in which the forfeitures occurred, in the same manner as the Company contributions are allocated. Forfeitures of 355.48 and 224.71 shares were reallocated to participants in the years ended December 31, 2024 and 2023, respectively.

Voting Rights

The Plan Administrator has the right to direct the Trustee as to the voting of allocated and unallocated shares of Company Stock in any matter which any other shares of the Company may be voted, except that the Participants shall have the right to direct the Trustee as to the voting of stock allocated to their account in certain matters.

Put Option

Under federal income tax regulations, the employer stock that is held by the Plan and its participants and is not readily tradable on an established market, or is subject to trading limitations, includes a put option. The put option is a right to demand that the Company buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the fair market value of the stock. The purpose of the put option is to ensure that the participant has the ability to ultimately obtain cash.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

The Plan relies significantly on the use of estimates in determining the valuation of the Company's common stock, which is the primary Plan investment.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recognized when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain fees related to distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

Subsequent Events

Subsequent events have been evaluated through September 8, 2025, which is the date the financial statements were available to be issued.

NOTE 3: INVESTMENTS

The Plan provides that, to the extent the Plan's administrator and trustees (the Committee) deem practicable, the custodian shall use all available cash, as directed by the Committee, to buy Company stock. If no Company stock is available for purchase, and the Committee determines that the purchase of additional Company stock is not practicable, the custodian may invest in other securities or property as directed by the Committee.

The investment in common stock of the Company is recorded at its estimated fair value at year-end, as determined by an annual independent appraisal as of the Company's fiscal year-end. The independent appraised fair value of the Company at December 31, 2024 and 2023, was \$62.70 and \$71.10 per share, respectively.

The Plan held 90,000 shares of Immediate Health Associates, Inc. common stock as of December 31, 2024 and 2023, with a cost basis of \$900,000.

NOTE 4: FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

For the year ended December 31, 2024, the Plan did not hold any Level 1 or Level 2 assets.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

Assets at Fair Value as of December 31, 2024

	Level 3
Common stock	<u>\$ 5,643,000</u>

Assets at Fair Value as of December 31, 2023

	Level 3
Common stock	<u>\$ 6,399,000</u>

NOTE 4: FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the valuation methodology used at December 31, 2024 and 2023.

Common Stock: The fair value of the Company's common stock held by the Plan is valued at fair value based upon an independent appraisal. This appraisal was based upon a combination of the market and income valuation techniques. Unobservable inputs used by the appraiser with these valuation techniques included EBITDA, net income, weighted average cost of capital, discount rate, discount for lack of marketability and market comparables.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

A related party is any party who can control or significantly influence Plan management or operating policies. Parties in interest are defined under DOL regulations as any employees of the Plan, fiduciaries of the Plan, service providers of the Plan, the employer whose employees are covered by the Plan, and certain significant owners of the employer and their relatives. Service providers may include, but are not limited to, the custodian, trustee, third-party administrator (TPA), investment managers, investment advisors, legal counsel, and Plan auditor.

During 2023, the Company declared a \$4,500,000 Special Dividend. This dividend was paid during 2024. Of the Special Dividend, \$4,074,027 allocated to current employees was contributed by the Company directly to the Immediate Health 401(k) plan, a related party. The remaining \$425,973 allocated to former employees was distributed in the form of a benefit payment.

Fees incurred by the Plan for the investment management services are included in the net depreciation in fair value of the related investment, as they are paid using investment earnings rather than a direct payment.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of termination, each participant's account automatically becomes 100% vested. Subsequently, the interest of each participant in the trust fund will be distributed to such participant or his or her beneficiary at the time prescribed by the Plan terms and the IRC.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 7: TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated June 26, 2014, that the Plan and related trust are designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

In accordance with GAAP, plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8: RISKS AND UNCERTAINTIES

The Plan investments consist primarily of the Company's common stock, which is exposed to various risks, such as interest rate, market, and credit risks, as well as valuation assumptions based on earnings, cash flows, and other such techniques. Due to the level of risk associated with the investment in the common stock and to uncertainties inherent in estimates and assumptions, it is at least reasonably possible that changes in the value of the common stock will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.
