INDEPENDENT AUDITOR'S REPORT

To the Plan Administrative Committee
Marlette Regional Hospital 401(k) Savings Plan
Marlette, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Marlette Regional Hospital 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of November 30, 2024 and December 31, 2023, and the related statements of changes in net assets available for benefits for the period ended November 30, 2024 and year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Marlette Regional Hospital 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of November 30, 2024 and December 31, 2023, and for the period ended November 30, 2024 and year ended December 31, 2023 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Marlette Regional Hospital 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Marlette Regional Hospital 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Marlette Regional Hospital 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Marlette Regional Hospital 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Period) is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MARLETTE REGIONAL HOSPITAL 401(k) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS NOVEMBER 30, 2024 AND DECEMBER 31, 2023

NOTE 1 - DESCRIPTION OF PLAN:

The following description of the Marlette Regional Hospital 401(k) Savings Plan ("Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan pursuant to Section 401(k) of the Internal Revenue Code covering substantially all employees of the Marlette Regional Hospital. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

Eligibility – An employee is eligible to participate for purposes of elective deferrals the first day of the plan year quarter after completing six months of services.

An employee is eligible for matching and discretionary contributions the first day of the plan year quarter after twelve months with 1,000 hours of service. After becoming eligible, an employee must have 1,000 hours of service to be eligible for the plan year.

Contributions – The employer may elect annually the amount of discretionary employer contributions to be contributed to the plan. The discretionary contribution will be allocated among the eligible participants. The discretionary contribution generally is based on a percentage of the eligible participant's annual compensation and is remitted to the custodian annually. In 2024 and 2023, there were no discretionary employer contributions granted.

Each employee, pursuant to a salary deferral agreement, may elect to contribute to the Plan up to the lesser of 100% of their annual wages or \$23,000. In addition, participants 50 years and older can contribute a catch-up contribution up to \$7,500. Contributions are subject to certain limitations.

In addition, at the beginning of each plan year, the Hospital will determine and announce the amount it will contribute to the matching contributions account for each participant. The match is 50% of participant's salary deferrals up to 2% of wages.

Participant Accounts - Each participant's account is credited with the participant's contribution; the Hospital's matching contribution and an allocation of (a) the Hospital's discretionary contribution, and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. Participants make elections to invest their account balances in selected funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Hospital's discretionary employer contribution and matching contribution occurs over a five-year period as shown in the schedule below:

<u>Years of Service</u>	<u>Vested Interest</u>
0	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

NOTES TO THE FINANCIAL STATEMENTS NOVEMBER 30, 2024 AND DECEMBER 31, 2023

NOTE 1 - DESCRIPTION OF PLAN: (CONTINUED)

Hardship Withdrawals – A participant may elect to withdraw all or a portion of their account balance attributable to their salary reduction election provided such withdrawal is to meet their immediate and significant financial needs.

Notes Receivable from Participants – A participant may obtain a loan collateralized by their account balance, up to certain limits, as defined in the Plan. Loan transactions are treated as a transfer to (from) the Investment Fund from (to) the Participant Loan Fund. Interest is charged at the prevailing rate then being charged by financial institutions in the community on comparable loans. Loans require payment not less frequently than quarterly over a period of not greater than five years (ten years if the proceeds are used in connection with the principal residence of the member or a family member). Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits – Other than withdrawals because of hardship, no plan benefits can be disbursed to the participant or to the participant's beneficiaries earlier than the participant's retirement, death, disability, termination of employment, or attainment of age 59 ½.

Distributions may be made by payment in a lump-sum or by the purchase of a single-premium non-transferable annuity contract from a legal reserve life insurance company, as elected by the participant. Upon termination of employment, if the vested participant account balance does not exceed \$1,000, the entire account balance will be disbursed in the form of a lump-sum payment.

Forfeited Accounts – The amount of participant forfeitures for 2024 and 2023 were \$8,935 and \$4,801, respectively. There was no forfeited non-vested account balance for the eleven months ended November 30, 2024. For the year ended December 31, 2023, forfeited non-vested accounts totaled \$4,869. These accounts were used to reduce Company contributions or to pay administrative expenses of the plan. During the 2024 and 2023 plan years, employer contributions were reduced by \$0 from forfeited non-vested accounts. There were no forfeited non-vested accounts used to reduce plan expenses in 2024. During 2023, \$3,368 was used to pay plan expenses.

Investment Options – Upon enrollment in the Plan, participants may direct their contributions and the Company's matching contribution, in whole or in part, to a range of investment options. Participants may change their investment options daily.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting which conforms to accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO THE FINANCIAL STATEMENTS NOVEMBER 30, 2024 AND DECEMBER 31, 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (CONTINUED)

Notes Receivable from Participants - Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participants account and are included in administrative expenses when incurred. As of November 30, 2024 and December 31, 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Payment of Benefits - Benefits are recorded when paid.

Operating Expenses - All expenses of maintaining the Plan are paid by the Company.

Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Date of Management's Review - Subsequent events were evaluated through September 4, 2025, which is the date the financial statements were available to be issued.

NOTE 3 – FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE:

NOTES TO THE FINANCIAL STATEMENTS NOVEMBER 30, 2024 AND DECEMBER 31, 2023

NOTE 4 - FAIR VALUE MEASUREMENTS:

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. The Plan Committee determines the Plan's valuation policies. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair values of the mutual funds and stable value collective trust funds (common collective trust fund) are based on the closing price reported in the active market where the individual funds are traded, when available.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of November 30, 2024 and December 31, 2023:

Assets measured at fair value on a recurring basis at November 30, 2024 and December 31, 2023:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	<u>Balance</u>
Assets		
Mutual funds	\$ -	\$ -
Common collective trust funds	<u>-</u>	<u>-</u>
Total at November 30, 2024	<u>\$ -</u>	<u>\$ -</u>
 Assets		
Mutual funds	\$ 21,069,408	\$ 21,069,408

Total at December 31, 2023	<u>\$ 21,586,248</u>	<u>\$ 21,586,248</u>

Gains and losses included in changes in net assets available for benefits for the eleven months ended November 30, 2024 and the year ended December 31, 2023, are reported in net appreciation (depreciation) in fair value of investments.

MARLETTE REGIONAL HOSPITAL 401(k) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS NOVEMBER 30, 2024 AND DECEMBER 31, 2023

NOTE 4 - FAIR VALUE MEASUREMENTS: (CONTINUED)

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the eleven months ended November 30, 2024 and the year ended December 31, 2023 there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE 5 - RELATED PARTY TRANSACTIONS:

Fees paid during the year for administrative services rendered by parties-in-interest are, in the opinion of the Trustees, based on customary and reasonable rates for such services.

Certain administrative expenses of the Plan are paid directly by the plan sponsor and are not charged to the Plan.

Certain plan assets are in investment funds managed by Alerus or its affiliates. Alerus is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than direct payment.

NOTE 6 - PLAN TERMINATION:

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Hospital may determine. Effective August 1, 2024, the Plan was terminated and all active participants were merged into the Aspire Rural Health System 401(k) Plan. Plan assets transferred to the new plan totaled \$20,096,621.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:

For the eleven months ended November 30, 2024 and the year ended December 31, 2023, there are no differences in the net assets available for benefits or the changes in net assets available for benefits between the Plan's financial statements and the amounts reported on the Form 5500.

NOTE 8 - TAX STATUS:

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended and terminated since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan was qualified and the related trust was tax-exempt.

U.S. GAAP requires the plan administrator to evaluate the tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

MARLETTE REGIONAL HOSPITAL 401(k) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS NOVEMBER 30, 2024 AND DECEMBER 31, 2023

NOTE 9 - RISKS AND UNCERTAINTIES:

The Plan invested in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in the values of investment securities would occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
