## INDEPENDENT AUDITOR'S REPORT

Plan Administration  
Lindsey Systems 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Lindsey Systems 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **INDEPENDENT AUDITOR'S REPORT (Continued)**

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## INDEPENDENT AUDITOR'S REPORT (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matters - Supplemental Schedules Required by ERISA**

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2024 and Schedule of Delinquent Participant Contributions for the Year Ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

## INDEPENDENT AUDITOR'S REPORT (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulation for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for the Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Lindsey Systems 401(k) Plan Notes to Financial Statements**

### 1. DESCRIPTION OF PLAN

The following description of the Lindsey Systems 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan sponsored by Lindsey Manufacturing Company DBA Lindsey Systems (the Company). The Plan covers employees who are at least 21 years old and have completed three months of service. Leased employees, nonresident aliens and employees covered by a collective bargaining agreement are excluded from the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participants will be eligible for matching employer contributions after completing eligibility requirements as defined by the Plan.

#### Participant Contributions

Participants may contribute a portion of their annual compensation, as defined in the Plan. Participants who have attained age 50 before the Plan year-end are also eligible to make additional catch-up contributions. Participants may roll over eligible amounts from other plans to the Plan. After-tax contributions are not accepted by the Plan. All employer contributions allocated to the participant are invested as directed by the participant.

#### Discretionary Matching Employer Contributions

Matching employer contributions are made semi-monthly and the amount of the contributions are discretionary. For the year ended December 31, 2024, the Company matched 25% of the total employee contributions, with a maximum matching contribution of 6% of the employee's compensation, subject to certain limitations. In addition, the Company may elect to make additional discretionary profit sharing contributions.

#### Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Employer's matching contribution and Plan earnings or losses and expenses. Allocations are based on the participant earnings or account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Forfeited Accounts

Forfeited accounts include the non-vested portion of the Company's contributions, including any realized earnings thereon, previously allocated to former participants in the Plan. Forfeited balances may be used to reduce future Company contributions or to pay administrative expenses based on the plan sponsor's discretion. At December 31, 2024 and 2023, there were forfeited balances of \$2,738 and \$13,049, respectively. In 2024, forfeitures in the amount of \$14,074 were applied towards plan contributions and expenses.

**Lindsey Systems 401(k) Plan  
Notes to Financial Statements**

1. DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service.

The following is the Plan's vesting schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0 %
2	40 %
3	60 %
4	80 %
5 or more	100 %

Distribution of Benefits to Participants

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or have the amount rollover to an individual retirement account or to another employer's tax qualified plan.

Individual vested balances less than \$5,000 for terminated participants will be rolled over to an individual retirement plan designated by the Plan Administrator. Individual balances less than \$1,000 for terminated participants will be distributed in a single lump-sum directly to the participant without the participant's consent.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants are limited to one outstanding loan at any one time. Loan transactions are treated as a transfer to (from) the investment fund to (from) the participant loan fund. Under no circumstances shall the repayment terms of loan be more than 5 years; provided, however, in the event the loan proceeds are used to acquire the principal residence of the borrower, the repayment term may be for a longer period. The loans are secured by the vested balance in the participants' account and bear interest at rates ranging from 4.25% to 9.50%, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions. In the event of the participant's termination from employment, the remaining payments on the loan will be due immediately.

Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of such termination, the Plan document provides for full vesting for all participants, and participants will receive a distribution equal to the value of their individual accounts.

**Lindsey Systems 401(k) Plan  
Notes to Financial Statements**

2. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Excess Contributions

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability, with a corresponding decrease to participant contributions. Excess contributions are distributed to participants subsequent to year-end.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Under an administrative services agreement, the Company has agreed to bear some expenses related to the plan administration. The Plan's recordkeeper reserves the right to charge plan administration fees to the Plan's trust. During the year ended December 31, 2024, the total amount of \$21,236 in administration fees were charged to the Plan's trust.

Estimates

The Plan's administrator has made a number of estimates and assumptions relating to the reporting of assets, liabilities, additions and deductions and disclosure of contingent assets and liabilities to prepare these financial statements in accordance with accounting principles generally accepted in the United States of America. Accordingly, actual results may differ from those estimates.

3. CERTIFICATION BY TRUSTEE

Certain information related to investments and notes receivable from participants reflected in the accompanying financial statements and supplemental schedule, which include investments and notes receivable from participants at December 31, 2024 and 2023, and net appreciation in fair value of investments, dividends and interest from investments, and interest income from notes receivable from participants for the year ended December 31, 2024, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Fidelity Management Trust Company (Fidelity), the Trustee of the Plan, in accordance with Section 2520.103-5(c) of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA.

**Lindsey Systems 401(k) Plan  
Notes to Financial Statements**

4. PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity. Fidelity is the Trustee as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions. Fees paid by the Plan for administrative services amounted to \$21,236 for the year ended December 31, 2024.

5. INVESTMENTS AND FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 - Quoted prices are available in active markets for identical investments as of the reporting date. The type of investments in Level 1 include listed equities and other securities held in the name of the Plan, and exclude listed equities and other securities held indirectly through commingled funds.

Level 2 - Pricing inputs, including broker quotes, are generally those other than exchange quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value is determined through the use of models or other valuation methodologies.

Level 3 - Pricing inputs are unobservable for the investment and include situations where there is little, if any market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. Investments that are included in this category generally include privately held investments and partnership interests.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds (Registered Investment Companies)

Mutual funds are valued at their quoted market prices.

Money Market Fund

Money market funds are valued at the daily closing net asset value of the respective fund.

**Lindsey Systems 401(k) Plan  
Notes to Financial Statements**

5. INVESTMENTS AND FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level within the fair value hierarchy, the Plan's assets at fair value as of:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,666,810	\$ -	\$ -	\$ 4,666,810
Money market fund	18,290	-	-	18,290
Total investments, at fair value	\$ 4,685,100	\$ -	\$ -	\$ 4,685,100

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,894,119	\$ -	\$ -	\$ 3,894,119
Money market fund	34,078	-	-	34,078
Total investments, at fair value	\$ 3,928,197	\$ -	\$ -	\$ 3,928,197

6. TAX STATUS

The underlying Volume Submitter plan has received an opinion letter from the IRS in June 30, 2020, stating that the written form of the underlying volume submitter is qualified under section 401(a) of the Internal Revenue Code (the Code), and that any employer adopting this form of the plan will be considered to have a plan qualified under section 401(a) of the Code. Therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan takes an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions.

Net Increase in Net Assets Available for Benefits per the Form 5500	<u>\$ 797,227</u>

The following is a reconciliation of contributions received per the financial statements for the year ended December 31, 2024, to Schedule H of Form 5500:

Total contributions per the financial statements:	\$ <u>591,585</u>
Excess contributions payable at December 31, 2024 and 2023	16,725
Contributions receivable at December 31, 2024 and 2023	<u>36,930</u>
Contributions per Schedule H to the Form 5500:	<u>\$ 645,240</u>

8. DELINQUENT CONTRIBUTIONS

As disclosed in the accompanying supplemental schedule, certain employee deferrals and loan repayments were not remitted to the Plan within the timeframe required by the Department of Labor (DOL). For the year ended December 31, 2024, the Company has determined the amount of lost earnings related to \$80 of delinquent contributions and will remit the amount to participants' accounts subsequently.

9. SUBSEQUENT EVENTS

The Plan administrator has evaluated subsequent events through September 5, 2025, the date the financial statements were available to be issued.
