Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of Flint Group Packaging Inks North America Corporation Consolidated Pension Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(c) audit). The financial statements comprise the statement of net assets available for benefits as of November 30, 2024 (in liquidation) and 2023 (ongoing) and the related statement of changes in net assets for the years ended November 30, 2024 (in liquidation) and 2023 (ongoing) and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of November 30, 2024 and 2023 and for the years then ended stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

To the Plan Administrator
Flint Group Packaging Inks North America
Corporation Consolidated Pension Plan

Emphasis of Matter

As discussed in Note 4 to the financial statements, the plan sponsor of Flint Group Packaging Inks North America Corporation Consolidated Pension Plan terminated the Plan effective November 30, 2023 and management determined that liquidation is imminent. As a result, the Plan changed its basis of accounting from the going concern basis of accounting used in presenting the November 30, 2023 financial statements to the liquidation basis of accounting used in presenting the November 30, 2024 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at end of year (in liquidation) as of November 30, 2024 and reportable transactions (in liquidation) for the year ended November 30, 2024 are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Flint Group Packaging Inks North America Corporation Consolidated Pension Plan

Notes to Financial Statements

November 30, 2024 and 2023

Note 1 - Plan Description

The following description of Flint Group Packaging Inks North America Corporation Consolidated Pension Plan (the "Plan") provides only general information. For a complete description of the Plan's provisions, reference should be made to the plan agreement, which is available to all participants.

The Plan was terminated effective November 30, 2023. Accordingly, the descriptions below are provisions of the Plan prior to termination. See Note 4 for additional information.

General

The Plan is a defined benefit plan sponsored by Flint Group Packaging Inks North America Corporation (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan covers former participants of American Inks and Coatings Corp. Retirement Income Plan for Union Employees, Progressive Ink Pension Plan, The Retirement Plan for Hourly Union Employees of Cal/Ink Division Flint Ink Corporation, Flint Ink Corporation Union Pension Plan for Employees of the Former Sinclair & Valentine, Flint Ink Corporation Salaried and Non-Union Pension Plan for Employees of the Former Sinclair & Valentine, American Inks and Coatings Corp Retirement Income Plan, and Flint Group Printing Systems US Employees' Pension Plan for Huntington Bargaining Unit Employees (collectively, the "Component Plans"). The Plan incorporates the terms of each of the Component Plans unless specifically superseded otherwise.

The Plan annuitized the benefit obligations related to Flint Ink Corporation Union Pension Plan for Employees of the Former Sinclair & Valentine and Flint Ink Corporation Salaried and Non-Union Pension Plan for Employees of the Former Sinclair & Valentine on July 27, 2023. See Note 3 for additional information.

Contributions

Contributions are made by the Company in actuarially determined amounts. The Company's policy is to make contributions necessary to satisfy ERISA funding standards. Annual contributions meet the minimum funding requirements of ERISA. There were no contributions required for 2024.

Pension Benefits and Vesting

Eligible employees are entitled to normal annual pension benefits, as described in the Plan and incorporated provisions from the Component Plans. Each of the Component Plans has been frozen to new participants and the accrual of additional benefits. Benefit and vesting provisions differ based on component plan, location, and other factors. Participants should refer to the plan agreement for a more complete description of the Plan's benefit provisions.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

As discussed in Note 4 to the financial statements, the plan sponsor terminated the Plan effective November 30, 2023. As a result, the Plan changed its basis of accounting for periods subsequent to November 30, 2023 from the going concern basis to the liquidation basis.

Under the liquidation basis of accounting, assets are measured to reflect the estimated amount of cash expected to be collected in settling or disposing of the assets during the liquidation process, and liabilities are measured using the accrual basis of accounting and would include any expected costs of the disposal of assets and other costs expected to be incurred during the liquidation process.

Investment Valuation

The Plan's investments are stated at fair value.
See Note 9 for information about the Plan's assets measured at fair value.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses of approximately \$154,000 and \$83,000 for the years ended November 30, 2024 and 2023, respectively, were paid by the Company.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

Contributions to the Plan and the accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates, and employee demographics. Due to the changing nature of these assumptions, it is at least reasonably possible that changes in these assumptions will occur in the near term and, due to the uncertainties inherent in setting assumptions, that the effect of such changes could be material to the financial statements. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. It is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the financial statements.

Actuarial Assumptions

Accumulated plan benefits are those future benefit payments attributable under the Plan's provisions to service that employees have rendered. The actuarial present value of accumulated plan benefits has been determined by an independent actuary and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money and the probability of payment between the valuation date and the expected payment dates. The effect of plan amendments on accumulated plan benefits is recognized during the year in which such amendments become effective.

The significant actuarial assumptions used in the valuation of the Plan at November 30, 2023 are summarized as follows:

Rate of return on investment	5.39 percent
Mortality	Pri-2012 mortality table projected generationally with Scale MP-2021 from 2012
Actuarial method	Unit credit cost method

The foregoing actuarial assumptions are based on the presumption that the Plan will continue. The actuarial assumptions have not considered the plan termination disclosed in Note 4. The Plan is expected to be fully settled during 2025.

Allocated Contract

The Plan purchased an annuity contract to settle the benefit obligations for certain participants currently receiving benefits. These contracts and related obligations are excluded from the Plan's financial statements (see Note 3).

Note 3 - Purchase of Annuity Contract

During 2023, the Plan purchased an annuity contract from Principal Life Insurance Company (Principal). Under the agreement, Principal assumed the obligation to pay future pension benefits, starting on July 27, 2023, for all participants of Flint Ink Corporation Union Pension Plan for Employees of the Former Sinclair & Valentine and Flint Ink Corporation Salaried and Non-Union Pension Plan for Employees of the Former Sinclair & Valentine. The purchase price of the annuity contract was approximately \$9,960,000 and is reported in the accompanying statement of changes in net assets available for benefits for the year ended November 30, 2023.

Note 4 - Termination - Liquidation Basis

Effective November 30, 2023, the plan sponsor elected to terminate the Plan. The Plan adopted the liquidation basis of accounting in fiscal year 2024. Under the liquidation basis of accounting, assets are recorded at the amount expected to be collected, and liabilities are recorded at amounts expected to be paid during the course of liquidation.

Liquidation of assets through distributions to participants and a purchase of an annuity contract is expected to occur during 2025, with full liquidation expected by October 1, 2025.

Note 5 - Tax Status

The Plan has received a determination letter from the Internal Revenue Service indicating that the Plan, as designed, is qualified for tax-exempt treatment under the applicable section of the Internal Revenue Code (IRC). Further, each of the merged plans in the Component Plans (see Note 1) has also received a determination letter. The terms of each of the Component Plans were incorporated directly into the surviving plan. Although the Plan has been amended since receiving the determination letter (and component plan letters), management believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Note 6 - Certified Information

KeyBank National Association (KeyBank) holds the Plan's investments and executes all investment transactions as of November 30, 2024 and 2023. On January 25, 2023, all assets held by Talcott Resolution Life Insurance Company (Talcott) were transferred to one consolidated account at KeyBank. On July 27, 2023, assets held by Principal Life Insurance Company were used to purchase an annuity contract (see Note 3). As a result, the Plan no longer holds investments with Principal as of November 30, 2023. The investment balances and related investment income and losses as of and for the years ended November 30, 2024 and 2023 included in the accompanying financial statements, supplemental schedule of assets held at end of year (in liquidation), and supplemental schedule of reportable transactions (in liquidation) are based solely on information certified by KeyBank, Principal, and Empower Annuity Insurance Company of America (on behalf of Talcott).

Note 7 - Related Party Transactions

Certain plan investments are in funds managed by KeyBank National Association or its affiliates. Therefore, these transactions qualify as party-in-interest transactions.

Note 8 - Accumulated Plan Benefits

The actuarial present value of accumulated plan benefits is determined by a consulting actuary. The calculation of the actuarial present value of accumulated plan benefits attributable to participants in the Plan, which was made as of and for the year ended November 30, 2023, is as follows:

Actuarial present value of accumulated plan benefits - Vested benefits:	
Participants currently receiving benefit payments	\$ 9,843,320
Other vested participants	<u>2,789,608</u>
Total vested benefits	<u>\$ 12,632,928</u>

A summary of significant changes in the actuarial present value of accumulated plan benefits during the year ended November 30, 2023 is as follows:

Actuarial present value of accumulated plan benefits - Beginning of year	\$ 21,466,617
Decrease (increase) during the year attributable to:	
Benefits accumulated	570,245
Interest due to the decrease in the discount period	1,304,999
Benefits paid	(11,552,201)
Changes in actuarial assumptions	<u>843,268</u>
Net decrease	<u>(8,833,689)</u>
Actuarial present value of accumulated plan benefits - End of year	<u>\$ 12,632,928</u>

The decrease in actuarial present value of accumulated plan benefits due to changes in actuarial assumptions relates to changes in the discount rate from 6.25 percent to 5.39 percent. Additionally, during 2023, the Plan purchased a group annuity contract from Principal Life Insurance Company for all participants of Flint Ink Corporation Union Pension Plan for Employees of the Former Sinclair & Valentine and Flint Ink Corporation Salaried and Non-Union Pension Plan for Employees of the Former Sinclair & Valentine. The impact of the annuity purchase has been reflected in the aforementioned accumulated plan benefits as of November 30, 2023 and the changes in accumulated plan benefits for the year then ended. See Note 3 for additional information.

Note 9 - Fair Value Measurements

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

Level 1

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

Level 2

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

Note 9 - Fair Value Measurements (Continued)

Level 3

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset.

In instances where inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

Mutual and Money Market Funds

Mutual funds and money market funds are valued at quoted prices reported in active markets using Level 1 inputs, as defined above.

The following tables present information about the Plan's assets measured at fair value on a recurring basis at November 30, 2024 and 2023:

		Assets Measured at Fair Value on a Recurring Basis at November 30, 2024	
		Investments (at Fair Value)	Level 1
Mutual funds		\$ 14,908,345	\$ 14,908,345
Money market fund		177,408	177,408
Total		<u>\$ 15,085,753</u>	<u>\$ 15,085,753</u>
		Assets Measured at Fair Value on a Recurring Basis at November 30, 2023	
		Investments (at Fair Value)	Level 1
Mutual funds		\$ 14,576,281	\$ 14,576,281
Money market fund		295,254	295,254
Total		<u>\$ 14,871,535</u>	<u>\$ 14,871,535</u>

Note 10 - Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including September 11, 2025, which is the date the financial statements were available to be issued.

On July 11, 2025, the Plan purchased an annuity contract from Principal Life Insurance Company. Under the agreement, Principal Life Insurance Company assumed the obligation to pay future pension benefits for all remaining participants of Flint Group Packaging Inks North America Corporation Consolidated Pension Plan. The purchase price of the annuity contract was approximately \$10,550,000. The annuity contract with Principal Life Insurance Company was after the Plan offered a lump-sum payment option that resulted in approximately \$1,165,000 in additional benefit payments during 2025.
