Independent Auditor's Report

To the Board of Trustees of the
SmartRent Technologies, Inc. 401(k) Plan
Scottsdale, Arizona

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the SmartRent Technologies, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**SMARTRENT TECHNOLOGIES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS**

**Note 1
Description of the Plan**

The following description of the SmartRent Technologies, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution and profit-sharing plan covering substantially all employees of SmartRent Technologies, Inc., and is subject to provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). SmartRent Technologies, Inc. (the “Company”) is the Plan’s sponsor and serves as the plan administrator. The Company adopted the Plan effective January 1, 2019.

Eligibility

Employees of the Company are eligible to participate in the Plan upon reaching age 21 and after completing 90 days of service. Once eligible, participants are allowed to enter the Plan on the first day of the month following the month the employee completes the required 90 days of service. Employees who do not meet these requirements but complete at least 1,000 hours of service in a 12-month period are also eligible to participate in the Plan.

Contributions

Participants are permitted to make voluntary deferral contributions to the Plan under the provisions of Internal Revenue Code Section 401(k). Participants shall be eligible to designate some or all of their elective deferrals as either pre-tax elective deferrals or Roth elective deferrals. All elections shall be subject to the same election procedures, limits on modifications and other terms and conditions on elections as specified in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover).

Participants direct the investment of their contributions into various investment options offered by the Plan. The Company has elected Safe Harbor status and makes Safe Harbor matching contributions equal to 100% of the participant’s contributions up to 4% of the participant’s eligible compensation. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and Company matching contributions, as well as allocations of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant’s earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**SMARTRENT TECHNOLOGIES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS**

**Note 1
Description of the Plan (Continued)**

Vesting

Participants are immediately vested in their contributions and employer matching contributions, plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. All loans must be repaid within a period of five years unless the loan is used to purchase a principal residence, in which case the loan must be repaid within a period of no more than 30 years. Under the terms of the Plan agreement, plan loans will bear a rate of interest of the prime rate plus 1%, as determined in the month the loan is effective. Principal and interest is paid ratably through semi-monthly payroll deductions.

Forfeitures

All contributions and earnings are immediately vested. Therefore, there are no forfeitures.

Payment of Benefits

For termination of service for reasons other than death, a participant will receive the value of the vested interest in his or her account as a lump sum distribution. On termination of service due to death, distributions must be completed within five years, unless an election is made by the beneficiary to receive annuity payments over the life expectancy of the beneficiary.

**Note 2
Summary of Significant Accounting Policies and Use of Estimates**

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities, as applicable. Actual results could differ from those estimates.

SMARTRENT TECHNOLOGIES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 2

Summary of Significant Accounting Policies and Use of Estimates (Continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable

Participant contributions and any related employer matching contributions are recognized in the period during which the Company makes the respective payroll deduction from the participant's compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. As of December 31, 2024, the rate of interest on outstanding loans was between 5.75% - 9.50% with various maturities through October 2053. Delinquent notes receivable from participants are reclassified as distributions upon the occurrence of a distributable event, based on the terms of the Plan Agreement. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

Excess Contributions Payable

Employer match contributions in excess of amounts allowed by the Plan provisions are recorded as a liability with a corresponding reduction to employer match contributions.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

SMARTRENT TECHNOLOGIES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 3
Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 4
Tax Status

The IRS has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5
Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2 inputs include quoted prices for similar assets or liabilities in active or non-active markets. These inputs may also include insignificant adjustments to market observable inputs.
- Level 3 inputs are based on unobservable inputs used for valuing the asset or liability. Unobservable inputs are developed based on the best information available in the circumstances, which might include the Plan's own data. Level 3 inputs have the lowest priority.

**SMARTRENT TECHNOLOGIES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS**

**Note 5
Fair Value Measurements (Continued)**

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Registered Investment Companies (Mutual Funds): Shares of registered investment company funds (or mutual funds) are valued at the net asset value (NAV) of shares held by the Plan and are valued at the closing price reported on the active market on which the individual securities are traded, which are estimated to be level 1 measurements.

Interest-Bearing Cash: These investments are money market deposit accounts at Charles Schwab Trust Bank and are valued at fair value based on quoted market prices, representing level 1 measurements.

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits as follows:

<u>December 31, 2024</u>	Fair Value	Fair Value Measurements Using:		
		(Level 1)	(Level 2)	(Level 3)
Mutual Funds	\$ 15,829,403	\$ 15,829,403	\$ -	\$ -
Interest-Bearing Cash	84,145	84,145	-	-
Total Investments at Fair Value	<u>\$ 15,913,548</u>	<u>\$ 15,913,548</u>	<u>\$ -</u>	<u>\$ -</u>

<u>December 31, 2023</u>	Fair Value	Fair Value Measurements Using:		
		(Level 1)	(Level 2)	(Level 3)
Mutual Funds	\$ 12,436,642	\$ 12,436,642	\$ -	\$ -
Interest-Bearing Cash	120,685	120,685	-	-
Total Investments at Fair Value	<u>\$ 12,557,327</u>	<u>\$ 12,557,327</u>	<u>\$ -</u>	<u>\$ -</u>

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 6
Certified Investment Information

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by AdvisorTrust, Inc. (the custodian of the Plan).

Note 7
Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. It is reasonably possible, given the level of risk associated with investment securities, that changes in the values of the investments in the near term could materially affect a participant's account balance and the amounts reported in the financial statements.

Note 8
Related Party and Party-In-Interest Transactions

Certain Plan investments are in funds and accounts that are managed by AdvisorTrust, Inc., the custodian, and Charles Schwab Bank, the sub-custodian, or their subsidiaries and affiliates. Participant loan and distribution processing fees are paid to Professional Capital Services, LLC, the recordkeeper, by participants. The Plan also issues loans to participants which are secured by the vested balance of the participants' accounts. As described in Note 2, the Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules.

Note 9
Contributions Receivable

As of December 31, 2024, participant contributions receivable includes \$87,050 for payroll deductions withheld as of December 31, 2024, and \$53,500 of related employer matching contributions, that were not remitted to the Plan until early January 2025.

As of December 31, 2023, participant contributions receivable includes \$88,848 for payroll deductions withheld as of December 31, 2023, and \$51,534 of related employer matching contributions, that were not remitted to the Plan until early January 2024.
