Report on the Audit of the Combining Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying combining financial statements of Guardian Angels Employer Sponsored Plan and Guardian Angels 403(b) Retirement Plan (Plans), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The combining financial statements comprise the combining statements of net assets available for benefits as of December 31, 2024 and 2023, and the related combining statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the combining financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Guardian Angels Employer Sponsored Plan and Guardian Angels 403(b) Retirement Plan's combining financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plans (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the combining financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Combining Financial Statements section

- the amounts and disclosures in the combining financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Finance Committee
Guardian Angels Employer Sponsored Plan
and 403(B) Retirement Plan

- the information in the combining financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Combining Financial Statements section of our report. We are required to be independent of Guardian Angels Employer Sponsored Plan and Guardian Angels 403(b) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Combining Financial Statements

Management is responsible for the preparation and fair presentation of the combining financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combining financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the combining financial statements.

In preparing the combining financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Guardian Angels Employer Sponsored Plan and Guardian Angels 403(b) Retirement Plan's ability to continue as a going concern for one year after the date that the combining financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plans, and determining that the Plans' transactions that are presented and disclosed in the combining financial statements are in conformity with the Plans' provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Combining Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the combining financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the combining financial statements.

Finance Committee
Guardian Angels Employer Sponsored Plan
and 403(B) Retirement Plan

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combining financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the combining financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Guardian Angels Employer Sponsored Plan and Guardian Angels 403(b) Retirement Plan 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combining financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Guardian Angels Employer Sponsored Plan and Guardian Angels 403(b) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the combining financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the combining financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2024 are presented for purpose of additional analysis and are not a required part of the combining financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combining financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the combining financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combining financial statements or to the combining financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF THE PLAN

The following description of the Guardian Angels Employer Sponsored Plan (401(a) Plan) and Guardian Angels 403(b) Retirement Plan (403(b) Plan) provides only general information. Participants should refer to the Plans documents for a more complete description of the Plans' provisions. The plans are sponsored by Guardian Angels Health Services, Inc. (Employer).

General, Eligibility, and Contributions – 401(a) Plan

The 401(a) Plan is a defined contribution plan established January 1, 1982. The 401(a) Plan has been amended and restated throughout the years to comply with tax legislation. The 401(a) Plan was last amended and restated effective May 15, 2024 to a pre-approved plan document and also to modify retirement age provisions, to allow in-service distributions at age 62 and to add trustees. Prior to December 31, 2020, employees were eligible for the 401(a) Plan upon attainment of age 18 and completion of one year of service. Guardian Angels of Elk River, Inc. is a participating employer in the 401(a) Plan. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective at the end of business on December 31, 2020, the 401(a) Plan was amended to freeze the 401(a) Plan. No further employees are eligible for the 401(a) Plan, no future contributions will be made to the 401(a) Plan, and each participant became 100% vested in their employer contribution balances in the 401(a) Plan.

Subsequent to Plan year-end, on March 26, 2025, the Board of Directors elected to terminate the 401(a) Plan effective July 1, 2025. No liquidation benefits have been distributed until further execution of the steps under the plan termination. There is no effect on vesting as participants were already 100% vested.

General, Eligibility, and Contributions – 403(b) Plan

The 403(b) Plan is a defined contribution plan established January 1, 1995. The 403(b) Plan has been amended and restated throughout the years to comply with tax legislation. The Plan was last restated effective January 1, 2021 as a result of the freeze of the 401(a) Plan. The 403(b) Plan was last amended effective January 1, 2023 to add an automatic escalation feature. Employees are eligible to participate in the deferral portion of the 403(b) Plan immediately upon date of hire. Effective January 1, 2021, employees are eligible to participate in the Employer contributions portion of the 403(b) Plan upon attaining age 18 and completing one year of service. The 403(b) Plan generally excludes employees covered by a collective bargaining agreement unless the employee belongs to the SEIU Minnesota Registered Nurses and Licensed Practical Nurses bargaining unit. Guardian Angels of Elk River, Inc. is a participating employer in the 403(b) Plan. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligible participants are permitted to elect to have up to 100% of their compensation contributed as pre-tax 403(b) or Roth contributions to the Plan. The 403(b) Plan allows participants age 50 and older to make catch-up contributions. The 403(b) Plan also allows participants with 15 years of service to make additional catch-up contributions in amounts up to \$3,000 per year, subject to a lifetime limitation of \$15,000.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

General, Eligibility, and Contributions – 403(b) Plan (Continued)

The Plan includes an automatic enrollment provision whereby all newly eligible employees, are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation, and their contributions invested in the designated default fund until changed by the participant. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Employer may, at its discretion, elect to make a matching or nonelective contribution to the 403(b) Plan. For the year ended December 31, 2024, the Employer matching contribution was equal to 100% of deferrals up to a maximum of 2% of eligible compensation, and the Employer nonelective contribution was equal to 3% of eligible compensation. Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer's contributions, and an allocation of Plans' earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plans. Allocations are based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Employer contributions made prior to December 31, 2020 into the 401(a) Plan became 100% vested effective December 31, 2020 with the freeze of the 401(a) Plan. Employer contributions on and after January 1, 2021 into the 403(b) Plan, plus actual earnings thereon, vest at a rate of 20% per year. A participant is fully vested following the completion of five years of credited service. Notwithstanding the above, participants shall become 100% vested in their account upon attaining normal retirement (age 62), death, or disability.

Forfeitures

Forfeited nonvested accounts in the 403(b) Plan totaled \$175- and \$-0- as of December 31, 2024 and 2023, respectively. In the 403(b) Plan, forfeitures in the amount of \$31,179 were used to reduce Employer contributions, \$4,949 in forfeitures were used to restore participant accounts, and \$9,004 of forfeitures were used to pay administrative expenses during the year ended December 31, 2024.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Benefit Payments

Upon termination of service, death, disability, early retirement date or normal retirement, a participant may elect to receive the value of the vested interest in his or her account in the form of a lump-sum distribution or installments. If a participant terminates employment and the participant's account balance is less than \$7,000 (\$5,000 prior to January 1, 2024), the Plan administrator will authorize the benefit payment without the participant's consent. Account balances between \$1,000 and \$7,000 are rolled over into an IRA if no other election is made by the participants. The Plans allow for in-service distributions, subject to Plan provisions. The 403(b) Plan allows for hardship distributions, subject to Plan provisions.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The combining financial statements of the Plans are prepared under the accrual basis of accounting.

Because of the close symmetry of the 401(a) Plan and 403(b) Plan, the financial statements are presented with combining and combined columnar information on the combining statements of net assets available for benefits and the combining statement of changes in net assets available for benefits. These statements are presented in this format to conform to the certified statements of the custodian. The supplemental schedules of assets (held at end of year) are presented separately for each Plan.

Use of Estimates

The preparation of the combined financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plans' investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plans' Finance Committee determines the Plans' valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plans' gains and losses on investments bought and sold as well as held during the year.

DECEMBER 31, 2024 AND 2023**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Benefit Payments

Benefit payments are recorded when paid.

Administrative Expenses

The Plans' expenses are paid either by the Plans or the Employer, as provided by the Plan documents. Certain expenses of maintaining the Plans that are paid directly by the Employer are excluded from these combining financial statements. Certain expenses incurred in connection with the general administration of the Plans that are paid by the Plans are recorded as deductions in the accompanying combining statement of changes in net assets available for benefits. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plans have evaluated subsequent events through August 25, 2025, the date the combining financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

American United Life Insurance Company, the insurance company, has supplied the Plans' administrator with a certification as to the completeness and accuracy of all investment information reflected on the accompanying combining statements of net assets available for benefits as of December 31, 2024 and 2023, the combining statement of changes in net assets available for benefits for the year ended December 31, 2024, and the supplemental schedules of assets (held at end of year) as of December 31, 2024.

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plans have the ability to access.

**GUARDIAN ANGELS EMPLOYER SPONSORED PLAN
AND GUARDIAN ANGELS 403(B) RETIREMENT PLAN
NOTES TO COMBINING FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2024 and 2023.

Pooled Separate Accounts: Valued at the net asset value (NAV) of units as determined by the insurance company. NAV is a readily determinable fair value and is the basis for current transactions.

Insurance Company Fixed Interest Account: Investments in the insurance company fixed interest accounts are valued by American United Life Insurance Company at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

Insurance Company Stable Value Account: Investments in the insurance company stable value accounts are valued by American United Life Insurance Company (AUL) at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plans' assets (combined) at fair value as of December 31:

	2024			
	Level 1	Level 2	Level 3	Total
Multi-Strategy Pooled Separate Accounts	\$ -	\$ 14,492,953	\$ -	\$ 14,492,953
Insurance Company Stable Value Accounts	-	288,620	-	288,620
Insurance Company Fixed Interest Accounts	-	28,253	-	28,253
Total Investments at Fair Value	<u>\$ -</u>	<u>\$ 14,809,826</u>	<u>\$ -</u>	<u>\$ 14,809,826</u>
	2023			
	Level 1	Level 2	Level 3	Total
Multi-Strategy Pooled Separate Accounts	\$ -	\$ 13,087,235	\$ -	\$ 13,087,235
Insurance Company Stable Value Accounts	-	223,678	-	223,678
Insurance Company Fixed Interest Accounts	-	43,675	-	43,675
Total Investments at Fair Value	<u>\$ -</u>	<u>\$ 13,354,588</u>	<u>\$ -</u>	<u>\$ 13,354,588</u>

NOTE 5 GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plans have deposit contracts with AUL. AUL maintains the contributions in a fixed interest account, a stable value account and pooled separate accounts. The fixed interest account and the stable value account are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Due to the transfer restrictions within the contract, they are not deemed to be fully benefit-responsive and is valued at fair value which is deemed to approximate contract value by AUL.

NOTE 6 PLAN TERMINATION

The Employer has the right under the Plans to discontinue its contributions at any time and to terminate the Plans subject to the provisions of ERISA. In the event of Plan termination, all participants become 100% vested in their account.

**GUARDIAN ANGELS EMPLOYER SPONSORED PLAN

NOTE 7 RISKS AND UNCERTAINTIES

The Plans invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the combining statements of net assets available for benefits.

NOTE 8 PLAN TAX STATUS

The 401(a) Plan has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service (IRS) stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and, therefore, believes that the plan is qualified, and the related trust is tax exempt.

The 403(b) Plan has adopted a volume submitter plan document that has received an opinion letter from the Internal Revenue Service (IRS) stating that the form of the volume submitter plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adopting the volume submitter plan document the plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plans and recognize a tax liability (or asset) if the Plans have taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plans are subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 PARTY-IN-INTEREST TRANSACTIONS

The investments are managed by American United Life Insurance Company, the insurance company. Therefore, these transactions qualify as party-in-interest. Certain fees incurred by the Plans for investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 10 RECONCILIATION OF COMBINING FINANCIAL STATEMENTS TO FORM 5500

The Plans hold investments in a pooled separate account, as classified in the combining financial statements included herein. The pooled separate account did not file a Form 5500 for the direct filing entity, therefore, the underlying assets, which are deemed to be sub-accounts of the pooled separate account, have been reported on Form 5500, Schedule H, as mutual funds. A Form 5500 is filed separately for each Plan.
