## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
Cascade Health 401(k) Retirement Plan  
Eugene, Oregon

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Cascade Health 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Cascade Health 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cascade Health 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cascade Health 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cascade Health 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cascade Health 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule, as listed in the table of contents, as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

**1. Plan Description**

This description of Cascade Health 401(k) Retirement Plan (the Plan), formerly Cascade Health Solutions 401(k) Retirement Plan, is provided for general information purposes. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

The Plan was adopted on October 1, 2003, for employees of Willamette Community Health Solutions, Inc. dba Cascade Health (the Company). The Plan is a defined contribution plan providing for employer and employee contributions. The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company's management oversees the governance of the Plan. The Plan's most recent restatement was effective May 1, 2022.

Employees are eligible to participate in the elective deferral portion of the Plan at 21 years of age and the month following their hire and are eligible for receiving employer contributions on the next quarter entry date after completion of a year of service. Employees are considered to have completed a year of service if, at the end of their first 12 months of employment, they were credited with at least 1,000 hours of service. An employee must work 1,000 hours or more to be credited with one year of service. An individual account is maintained for each participant and consists of:

- *Employee contributions (elective deferrals)* – Participants may elect periodic cash amounts to be contributed in lieu of receiving cash payments directly as salary or wages. Participants may elect their deferrals to be treated as pre-tax or after-tax (Roth). However, such amounts may not cause the participants' total contributions to exceed limitations provided by the Internal Revenue Code (IRC) or 90 percent of eligible compensation. Additionally, employees age 50 or older are eligible to contribute "catch-up" contributions up to IRC limits. Participants may direct the investment of their salary deferrals into various mutual fund investments. The Plan automatically enrolls participants into the Plan with a 3 percent deferral rate without escalation.
- *Employer contributions* – The Company makes matching contributions on each participant's elective contributions at a tiered rate based on the employee's years of service. For both 2024 and 2023, matching contributions ranged from 1.5 percent to 6.5 percent of compensation. The Company may make a discretionary matching "true-up" contribution per Plan year to participants employed on the last day of the Plan year. The Company may also make discretionary profit-sharing contributions which are allocated to participants under a permitted disparity formula. Participants must be employed at the end of the year and work at least 1,000 hours during the year to share in an allocation of profit-sharing contributions. There were no profit-sharing contributions made for 2024 or 2023.

Plan earnings or losses are allocated based upon the performance of the specific investments held in each participant's account. Participant accounts are also charged with an allocation of administrative expenses and fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**1. Plan Description, continued**

**Vesting**

Participants are immediately vested in their elective contributions plus actual earnings thereon. The employer's contribution portion of their account are subject to a graded vesting schedule based on years of continuous service. A participant is 100 percent vested after five years of credited service. Participants become fully vested upon retirement at age 65, death, or permanent disability.

**Payment of Benefits**

In the event of death, disability, or termination of employment, the participant's account balance is payable as soon as administratively feasible after the date of the event if the account balance is \$5,000 or under. This limit was increased to \$7,000 in 2024 under SECURE 2.0 Act. The Plan benefit will be distributed in a lump-sum payment, installments or partial withdrawals. In-service distributions of a participant's employee contribution account are permitted if a participant has attained age 59½. In-service distributions of a participant's employee contribution account for hardships are also available on account of an immediate and heavy financial need of the participant, subject to the Plan's rules governing hardship withdrawals. Beginning in 2024, the Plan elected to allow for disaster recovery distributions and terminal illness early distributions under SECURE 2.0 Act.

**Forfeitures**

Forfeitures are the non-vested portion of a participant's account that is lost upon termination of employment. The Plan first uses forfeitures to restore amounts previously forfeited to the accounts of participants who return to work and qualify for restoration of their forfeited accounts. Remaining forfeitures are used to offset employer contributions or pay Plan administrative expenses. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$2,670 and \$2,556, respectively. During the years ended December 31, 2024 and 2023, the Plan used \$8,883 and \$11,843 of forfeitures to reduce the employer's contributions, respectively, and \$-0- in plan expenses were deducted from the forfeiture account.

**Participant Loans**

Participants are not permitted to borrow from their accounts under the Plan.

**2. Summary of Significant Accounting Policies**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

CASCADE HEALTH 401(k) RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS

**2. Summary of Significant Accounting Policies**, continued

**Revenue Sharing**

The Plan contains a revenue sharing expense offset arrangement where the Plan is credited a fixed, monthly amount which is used to pay investment advisory expenses. For the years ended December 31, 2024 and 2023, \$40,684 and \$34,808, respectively, was credited to the account and used to pay investment advisory expenses. The balance in the Plan's revenue sharing account as of December 31, 2024 and 2023 was \$683 and \$649, respectively.

**Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Investment income is recorded on the accrual basis. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Contributions**

Participant and employer contributions are recorded in the year in which participant contributions are withheld and underlying compensation is paid.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses and Fees**

Expenses of maintaining the Plan are generally paid by the Company and are therefore excluded from these financial statements. Certain administrative and recordkeeping fees or other related professional fees may be paid from Plan assets. Investment related expenses are included as a reduction of net change in fair value of investments.

**Recent Accounting Standard Adopted**

On January 1, 2023, the Plan adopted Accounting Standards Update (ASU) 2016-13 Financial Instruments – Credit Losses (Topic 326): *Measurement of Credit Losses on Financial Instruments*, and all related amendments (ASC 326), which replaced the incurred loss methodology for recognizing credit losses with an expected loss methodology that is referred to as the current expected credit loss (CECL) methodology. CECL requires an estimate of lifetime expected credit losses to be recognized for financial assets based on historical experience, current conditions, and reasonable and supportable forecasts, and for the financial assets to be presented at the net amount expected to be collected on the statements of net assets available for benefits. The financial assets held by the Plan that are subject to ASC 326 are employer contributions receivable and participant contributions receivable.

NOTES TO FINANCIAL STATEMENTS

**2. Summary of Significant Accounting Policies**, continued

**Recent Accounting Standard Adopted**, continued

The Plan adopted ASC 326 effective January 1, 2023. There was no impact to the financial statements as a result of adopting this standard.

**3. Information Certified by the Plan's Trustee**

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of and for the years ended December 31:

	<u>2024</u>	<u>2023</u>
Investments held, at fair value:		
Registered investment companies	\$ 16,754,954	\$ 15,689,914
Investment income:		
Net change in fair value of investments	1,286,946	1,847,487
Dividend income	889,784	538,112

**4. Plan Administration**

The Plan is administered by a committee appointed by the Board of Directors of the Company. Empower Retirement is the third-party administrator of the Plan and maintains participant detail account balances and records as part of their administration duties.

**5. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions and terminate the Plan subject to the provisions of ERISA. In the event of full or partial Plan termination, affected participants would become 100 percent vested in their employer contributions.

**6. Tax Status**

The Plan adopted a Non-Standardized Pre-Approved Profit-Sharing Plan with CODA. Empower Retirement, LLC, the sponsor of this prototype plan, obtained an opinion letter from the Internal Revenue Service (IRS) dated November 14, 2022, in which the IRS stated that the form of the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the advisory opinion, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

CASCADE HEALTH 401(k) RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS

**6. Tax Status**, continued

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax period in progress.

**7. Fair Value Measurements**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under professional standards are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to their fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2024 and 2023.

*Registered investment companies:* The Plan's investments are units of mutual funds held within a group annuity account. These funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and considered to have a readily determinable fair value.

CASCADE HEALTH 401(k) RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS

**7. Fair Value Measurements**, continued

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 16,754,954	\$ -	\$ -	\$ 16,754,954
	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 15,689,914	\$ -	\$ -	\$ 15,689,914

**8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**9. Reconciliation of Financial Statements to Form 5500**

As of December 31, the following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	2024	2023
Net assets available for benefits per financial statements	\$ 16,760,475	\$ 15,694,881
Employer match receivable	(5,179)	(4,967)
Participant deferrals receivable	(342)	-
Net assets available for benefits per Schedule H of Form 5500	\$ 16,754,954	\$ 15,689,914

CASCADE HEALTH 401(k) RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS

**9. Reconciliation of Financial Statements to Form 5500, continued**

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Schedule H of Form 5500 for the years ended December 31:

	2024	2023
Total contributions per the financial statements	\$ 1,850,326	\$ 1,757,006
Change in employer match receivable	(212)	402
Change in participant deferrals receivable	(342)	-
Total contribution per Schedule H of Form 5500	\$ 1,849,772	\$ 1,757,408

**10. Party-in-Interest Transactions**

Certain Plan investment options are funds managed by Empower Trust Company, LLC, the trustee of the Plan. These transactions qualify as exempt party-in-interest transactions. Total administrative and recordkeeping fees paid by the Plan directly to the trustee or its affiliates for the years ended December 31, 2024 and 2023 were \$37,940 and \$30,925, respectively, a portion of which was included in investment expenses. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**11. Subsequent Events**

Management evaluates events and transactions that occur after the statement of net assets available for benefits date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.

Beginning in 2025, the Plan elected to allow for domestic abuse distributions under SECURE 2.0 Act.
