INDEPENDENT AUDITOR'S REPORT

To Scott W. Bulcao, Plan Administrator and Chief Legal Officer
Biosplice Services Corporation 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Biosplice Services Corporation 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Biosplice Services Corporation 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Biosplice Services Corporation 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter Regarding Going Concern of the Plan Sponsor

As discussed in Note G to the financial statements, the negative impact to the financial position of Biosplice Services Corporation (Plan Sponsor) as a result of cash flow difficulties has raised substantial doubt about the Plan Sponsor's ability to continue as a going concern. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Biosplice Services Corporation 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Biosplice Services Corporation 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Biosplice Services Corporation 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H, line 4(i), Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BIOSPlice SERVICES CORPORATION 401(k) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE A - DESCRIPTION OF PLAN

The following description of Biosplice Services Corporation 401(k) Profit Sharing Plan & Trust (the Plan) (formerly known as Samumed Services Corporation 401(k) Profit Sharing Plan & Trust) provides only general information. Participants should refer to the plan adoption agreement for a more complete description of the Plan's provisions.

Plan Sponsor

The Plan is sponsored by Biosplice Services Corporation (the Company), a wholly-owned subsidiary of Biosplice Therapeutics, Inc.

General

The Plan is a defined contribution plan initially effective on January 1, 2013 and restated on January 1, 2022. The Plan covers all employees of the Company who have attained the age of twenty-one. Participants may make elective deferrals into the Plan upon meeting the eligibility requirement. In order to be eligible for profit sharing contributions, the Plan requires the completion of 1,000 hours of service within a twelve month consecutive period, and the participant must be employed by the Company on the last day of the Plan year. Employees are eligible to join the Plan monthly, on the first day of each month of the Plan year. Employees are considered to have met the age and service requirements if employed on July 8, 2013. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Presentation

Certain amounts in the financial statements and associated notes may not add due to rounding.

Plan Administration

The Plan Sponsor is the administrator of the Plan and oversees governance of the Plan. As administrator, the Plan Sponsor has authority and responsibility for matters in connection with the operation and administration of the Plan (including the authority to select the Plan's investment options, which are available for employees to select for investment). American Trust Custody (ATC) is the trustee of the Plan and acts at the direction of the Plan's administrator. Paychex, Inc. (Paychex) is the recordkeeper for the Plan and is responsible for the day-to-day recordkeeping functions of the Plan.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time or to terminate the Plan subject to the provisions of ERISA. For this purpose, termination includes a complete discontinuance of contributions under the Plan or a partial termination. In the event of Plan termination, participants' accounts become fully vested and nonforfeitable. In the case of a partial termination, only those employees who are affected by the partial termination of the Plan will become fully vested and nonforfeitable.

BIOSPLICE SERVICES CORPORATION 401(k) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE A - DESCRIPTION OF PLAN (continued)

Contributions

For the years ended December 31, 2024 and 2023, each eligible employee may contribute up to 92% of their pretax compensation, as defined in the Plan, to a maximum of \$23,000 and \$22,500, respectively. Participants who reach age fifty by December 31, 2024 and 2023 may contribute up to \$7,500 per year of additional tax deferred compensation under catch-up provisions of the Plan. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans. Participant contributions at December 31, 2024 and 2023 were \$547,751 and \$719,449, respectively.

The Plan provides for discretionary employer profit sharing contributions. There were no profit sharing contributions for the years ended December 31, 2024 and 2023.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, if applicable, and (b) Plan earnings, and is charged an allocation of administrative expenses. Allocations are based on the value of the account balance, or as an equal dollar amount based on the number of participants in the Plan, as defined by the Fee Disclosure Statement. A participant is entitled to benefits based on their vested account balance.

Vesting

Participants are immediately fully vested in their contributions plus actual earnings thereon. Vesting in the Company's profit sharing contributions plus actual earnings thereon is based on years of service. A participant is 100% vested after six years of credited service. Non-vested benefits are forfeited when a participant's employment terminates. Regardless of the vesting schedule, a participant shall become fully vested upon reaching retirement age, death, or disability.

Investment Options

The Plan offers a broad range of diversified investment options with different risk and return characteristics. The variety enables participants to select the options that best fit their investment style, from conservative to aggressive.

Notes Receivable from Participants

If authorized by the Plan's trustee, participants may borrow from their pretax vested account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 95% of one-half the pretax vested account balance or 95% of the total vested account balance excluding the Roth elective deferral balance. Under no event will the loan amount exceed \$50,000. Loans are secured by up to 50% of the participant's vested account and bear interest at the prime rate plus 1%. Loan terms generally range from 1 to 4.5 years. Principal and interest is paid ratably through monthly payroll deductions. There were no notes receivable for the years ended December 31, 2024 and 2023, respectively.

NOTE A - DESCRIPTION OF PLAN (continued)

Payment of Benefits

Distributions from a participant's account are generally made upon termination of employment, retirement, disability, or death. Terminated employees, with account values up to \$1,000, will receive a lump sum payment equal to their account value. Participants or their beneficiaries with account values greater than \$1,000 may receive distributions in a lump sum, installment, or annuity contract payments. Benefits paid to beneficiaries upon death of participants are made in accordance with elections available under the Plan. Total benefit payments made to participants for the years ended December 31, 2024 and 2023 were \$2,165,873 and \$2,211,327, respectively. As of December 31, 2024 and 2023, there were no amounts owed to participants that elected to withdraw from the Plan.

Forfeited Accounts

Forfeitures of non-vested employer contributions will first be used to reduce plan administrative expenses and any remaining forfeiture amounts will be used for future matching employer contributions. As of December 31, 2024 and 2023, there were no forfeited non-vested accounts.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

Subsequent events were evaluated through September 5, 2025, which is the date the financial statements were available to be issued. There were no material subsequent events which affected the amounts or disclosures in the financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The accompanying financial statements of the Plan are prepared using the accrual method of accounting.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. There were no deemed distributions to participants for the years ended December 31, 2024 and 2023, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The trustee determines the Plan's valuation policies. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on trade-date basis, interest income is recorded on accrual basis, and dividends are recorded on ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant loans receivable are valued at face value which approximates fair value.

Payment of Benefits

Benefit payments to Plan participants are recorded upon distribution.

Administrative Expenses

The Company provides for certain administrative expenses for the Plan and pays for certain outside administrative services. The cost of Company provided services is not reflected in the financial statements. Investment related expenses are included in net appreciation of fair value of investments.

NOTE C - FAIR VALUE MEASUREMENTS

The Plan follows the methods of fair value measurement under FASB ASC 820 to value its financial assets. Fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, a fair value hierarchy that prioritizes observable and unobservable inputs used to measure fair value into three broad levels has been established, which are described below:

- Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical assets and have the highest priority.

- Level 2 Observable inputs other than quoted prices for identical assets (Level 1).

- Level 3 Unobservable inputs with the lowest priority.

The Plan uses appropriate techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs are not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs are not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

NOTE C - FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Funds (including Money Market Funds) - The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission (SEC). The funds must publish their daily net asset value (NAV) and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following tables set forth by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

<u>December 31, 2024</u>	<u>Fair Value</u>	<u>Observable Inputs (Level 1)</u>
Mutual Funds:		
Balanced Funds	\$ 2,484,816	\$ 2,484,816

Unaudited Information Certified by ATC

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including all investments held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends for the years ended December 31, 2024 and 2023, was obtained by management and agreed to or derived from information supplied to the plan administrator and certified as complete and accurate by ATC.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE D - INVESTMENTS (continued)

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) decreased by \$143,465 and increased by \$49,932 in value for the years ended December 31, 2024 and 2023, respectively.

NOTE E - RELATED PARTY TRANSACTIONS

Paychex provides certain non-fiduciary administrative services and ATC provides directed trustee services on behalf of the Plan. Additionally, the Company engaged an independent third-party investment advisor to perform investment monitoring and reporting. Accordingly, transactions between these entities qualify as party-in-interest transactions. Fees paid by the Plan for these services were included in administration expense, and totaled \$39,386 and \$39,479 for the years ended December 31, 2024 and 2023, respectively.

All of these party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

NOTE F - TAX STATUS

The Company has adopted a prototype plan and relies on the prototype plan's determination letter from the IRS dated August 31, 2020. The Company has not applied for a determination letter from the IRS specific for the Plan. Although the Plan has been amended since receiving the determination letter, the trustee and plan administrator believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code (IRC) and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE G - CONTINGENCIES, RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE G - CONTINGENCIES, RISKS AND UNCERTAINTIES (continued)

As a result of the impact to the Company's financial position resulting from cash flow difficulties, management plans to seek licensing opportunities and fundraising initiatives. However, there can be no assurances that the Company will be successful in improving its financial position and cash flow or complete any strategic transactions. As a result of these uncertainties, management has concluded that there is substantial doubt about the Company's ability to continue as a going concern.

The Plan's exposure to a concentration of credit risk is dependent upon funds selected by participants. These risks and uncertainties could impact participants' account balances and the amounts reported in the financial statements. As a result of funds selected by participants, certain funds individually represent a concentration greater than 10% of the Plan's net assets available for benefits. As of December 31, 2024 and 2023, the following funds represented greater than 10% of the Plan's net assets available for benefits:

	2024	2023
Schwab S&P 500 Index	35%	31%
JPMorgan Large Cap Growth Fund Class R6	17%	11%

NOTE H - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The financial statements as of December 31, 2024 and 2023 agree to Forms 5500 filed with the Department of Labor.
