August 5, 2025

To the Plan administrator of
Araca 401K Savings & Retirement Plan:

We are engaged to perform an Employee Retirement Income Security Act of 1974 ("ERISA") Section 103(a)(3)(C) audit of the financial statements of Araca 401K Savings & Retirement Plan (the "Plan") as of and for the year ended December 31, 2024. Professional standards require that we communicate with you certain items including our responsibilities with regard to the financial statement audit and the planned scope and timing of our audit.

As stated in our engagement letter dated February 18, 2025, our responsibility, as described by professional standards, is to conduct our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Our audit does not relieve you or management of your respective responsibilities.

Our responsibility for the supplemental information accompanying the financial statements is to state whether the form and content of the supplemental schedule, other than the information agreed to or derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Our audit will include examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested.

Our audit will be conducted with the objective of obtaining reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but it not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

Our audit will include obtaining an understanding of the Plan and its environment, including its system of internal control, sufficient to assess the risks of material misstatement of the financial statements and as a basis for designing the nature, timing, and extent of further audit procedures, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. However, we will not consider the internal control relating to the information prepared and certified to by Ascensus Trust Company. However, we will communicate to you at the conclusion of our audit any reportable findings, material weaknesses, or significant deficiencies identified. We will also communicate to you:

- Any violation of laws or regulations that comes to our attention.
- Our views relating to qualitative aspects of the entity's significant accounting practices, including accounting policies, accounting estimates, and financial statement disclosures.
- Significant difficulties, if any, encountered during the audit.
- Disagreements with management, if any, encountered during the audit.
- Significant unusual transactions, if any.
- The potential effects of uncorrected misstatements on future-period financial statements.
- Other significant matters that are relevant to your responsibilities in overseeing the financial reporting process.

We have identified the following potentially significant risks during our audit that require special audit consideration:

- Management override – The risk that management will override internal controls surrounding the Plan.

This information is intended solely for the information and use of those in charge of governance of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

A handwritten signature in blue ink that reads "WithumSmith+Brown, PC". The signature is written in a cursive, flowing style.
