INDEPENDENT AUDITOR'S REPORT

To the Investment Committee of the
ACP Facility Services, Inc. 401(k) Profit Sharing Plan
Woburn, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of ACP Facility Services, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of November 21, 2024 (in liquidation) and December 31, 2023 (in liquidation), and the related statement of changes in net assets in liquidation available for benefits for the plan year ended November 21, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of November 21, 2024 and December 31, 2023, and for the plan year ended November 21, 2024, stating that the certified investment information, as described in Note 3 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 1 to the financial statements, the Plan's directors voted to terminate the Plan effective November 29, 2023, in connection with a change in the control of the plan sponsor, and management determined to liquidate all plan assets. As a result, the Plan is presenting the November 21, 2024 and December 31, 2023, financial statements using the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

"Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. The two firms operate as separate legal entities in an alternative practice structure. The entities of Citrin Cooperman & Company, LLP and Citrin Cooperman Advisors LLC are independent member firms of the Moore North America, Inc. (MNA) Association, which is itself a regional member of Moore Global Network Limited (MGNI). All the firms associated with MNA are independently owned and managed entities. Their membership in, or association with, MNA should not be construed as constituting or implying any partnership between them.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

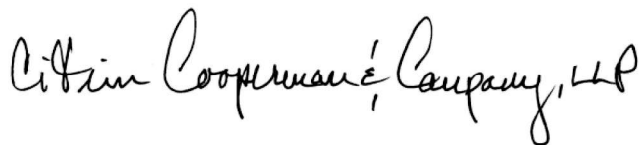

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audit.

ACP FACILITY SERVICES, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
NOVEMBER 21, 2024 AND DECEMBER 31, 2023 (IN LIQUIDATION)

NOTE 1. DESCRIPTION OF PLAN

The following description of the ACP Facility Services, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan was adopted on January 1, 2000 by ACP Facility Services, Inc. (the "Company" or the "Plan Sponsor") as a defined contribution plan for the benefit of its eligible employees. The Plan terminated, effective November 29, 2023, in connection with the sale of the Plan Sponsor. As a result, participants became fully vested in their account balances, and eligibility, and contributions. For the plan year ended November 21, 2024, all assets of the Plan were fully distributed to participants on November 21, 2024.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

The Plan was a defined contribution plan covering all employees of the Company and members of its controlled group of affiliated entities who were not covered by a collective bargaining agreement and who were not leased employees. Through plan termination, eligible employees could participate in the Plan on the first day of the plan quarter following the achievement of six months of service and attainment of age 21.

Contributions

Each calendar year, participants could contribute up to 100% of their pretax annual compensation up to the maximum allowed by the Internal Revenue Code ("IRC"), as defined in the Plan. Participants who were age 50 or older by the end of the taxable year were permitted to make additional, catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan allowed participants to make Roth contributions subject to certain IRC limitations. Participants directed the investment of their contributions into various investment options offered by the Plan.

The Plan had an automatic contribution arrangement, whereby upon becoming eligible to make salary deferrals, a participant was automatically enrolled in the Plan unless an alternative election was made by the participant that was inconsistent with the automatic contribution arrangement. Once eligible, the automatic contribution arrangement required automatic deferrals of 3% of the participant's compensation, which was automatically increased annually thereafter by 1%, but may not exceed 6% of eligible compensation under the automatic contribution arrangement. For the plan year ended November 21, 2024, there were no employee contributions.

The Company could make discretionary matching contributions, which were allocated based on the Participant's eligible compensation, or a fixed dollar amount to be approved by the Board of Directors. For the plan year ended November 21, 2024, the Company did not make matching contributions to the Plan.

An additional profit-sharing contribution could be made by the Company at the discretion of management. For the plan year ended November 21, 2024, there was no profit-sharing contribution.

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Participants could elect to invest their account balances in any combination of the investments offered under the Plan and managed by The Standard Insurance Company ("The Standard"). Participants could commence participation in the Plan upon satisfaction of eligibility conditions. All funds were self-directed, allowing the participants to change their investment selection at any time.

Each participant's account was credited with the participant's contribution, an allocation of the employer's contributions, if any, and an allocation of Plan earnings or losses. Allocations were based on participant compensation or account balances, as defined in the Plan. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Vesting

Participants were immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and profit sharing contribution portion of their accounts plus actual earnings thereon was based on years of continuous service in accordance with the following schedule:

<u>Years of Vesting Service</u>	<u>Vested Interest</u>
Less than 1	0%
1 but less than 2	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
5 or more	100%

Notwithstanding the foregoing, a participant was 100% vested in and had a non-forfeitable right to his or her account upon normal retirement age (65), death or total and permanent disability while in service. Participants became fully vested in the Company's contribution portion of their accounts upon termination of the Plan in November 2023.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant could elect to receive a lump-sum amount equal to the value of the participant's interest in their account. For termination of service due to other reasons, a participant could receive the value of the vested interest in their account as a lump-sum distribution.

Notes Receivable from Participants

Participants could borrow from their account a minimum of \$1,000 up to a maximum of \$50,000, not to exceed 50% of their vested account balance, whichever was less. Participants could have two loans outstanding at any time. The term of a loan was a maximum of five years. A loan term could extend beyond five years if the loan was used to acquire a dwelling unit within a reasonable period of time that was used as a principal residence of the Participant. The loans were secured by the balance in the participant's account and bore interest at the prime rate plus 2% at the time of loan origination, as determined by the plan administrator.

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants (continued)

Principal and interest was paid through weekly payroll deductions and participants were not permitted to make partial early loan payoffs.

Hardship Withdrawals

In accordance with a uniform and nondiscriminatory policy adopted by the plan, a participant could withdraw a portion of his or her vested balance to meet immediate and heavy financial needs as defined by the IRC, subject to certain limitations outlined in the Plan.

Forfeitures

Forfeitures represented the non-vested portion of terminated participants' account balances. Forfeited amounts were retained by the Plan and could be used to pay administrative expenses, reduce employer contributions to the Plan, or reallocated to participants. As of December 31, 2023, forfeitures totaled \$24,923. During 2024, there were forfeitures and related earnings and losses of \$22,089 used to pay administrative expenses. At November 21, 2024, no forfeitures balances remain in the Plan.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

As a result of the decision to terminate the Plan, effective November 29, 2023, and in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), the Plan's financial statements as of and for the plan years ended November 21, 2024 and December 31, 2023, are presented using the liquidation basis of accounting.

Under the liquidation basis of accounting, assets are stated at their estimated net realizable cash value and liabilities are stated at their anticipated settlement amounts.

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Investment Valuation and Income Recognition

The Plan's investments were held with The Standard Insurance Company, the custodian, and were invested in various pooled separate accounts, with mutual funds as the underlying investment, and a group annuity contract at the participant's direction.

Investments were reported at fair value, except for fully benefit-responsive investment contracts, which were reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determined the Plan's valuation policies utilizing information provided by the investment advisor, custodian, and insurance company.

NOVEMBER 21, 2024 AND DECEMBER 31, 2023 (IN LIQUIDATION)

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurement

The Plan recorded the fair value of its pooled separate accounts as the related dispositions of pooled separate accounts were conducted in an orderly manner upon liquidation. U.S. GAAP defines fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Unobservable inputs based on the Plan's assessment of the assumptions that market participants would use in pricing the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for asset investments measured at fair value, as well as the general classification pursuant to the valuation hierarchy, where applicable at December 31, 2023. There were no remaining investments in the Plan at November 21, 2024.

ACP FACILITY SERVICES, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
NOVEMBER 21, 2024 AND DECEMBER 31, 2023 (IN LIQUIDATION)

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurement (continued)

The methodologies used at December 31, 2023, for the Plans investments were as follows:

Pooled Separate Accounts – The pooled separate accounts invested in mutual funds were valued at the net asset value ("NAV") per share. The NAV, as provided by the custodian, was based on the contractual terms of the underlying investments and provided a daily rate for income accretion. The NAV was used as a practical expedient to estimate fair value. This practical expedient was not used when it was determined to be probable that the fund would sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) could occur daily.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method was appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. The Plan did not have any outstanding notes receivable from participants at November 21, 2024. No allowance for credit losses has been recorded as of December 31, 2023. If a participant ceased to make loan repayments and the plan administrator deemed the participant loan to be in default, the participant loan balance was reduced, and a benefit payment was recorded.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Certain expenses to maintain the Plan were paid directly by the Company and were excluded from these financial statements. Investment fees and fees related to the administration of notes receivable from participants, other certain transactions, and for various services providers were charged directly to the participant's account and were included in administrative expenses.

Subsequent Events

The Plan has evaluated all subsequent events through September 15, 2025, the date on which the financial statements were available to be issued, and has determined that there are no subsequent events that require disclosure, under the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 855, *Subsequent Events*.

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodian, The Standard Insurance Company, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits (in liquidation) as of November 21, 2024 and December 31, 2023, and the related investment activity reflected in the statement of changes in net assets in liquidation available for benefits for the plan year ended November 21, 2024.

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the Plan's independent auditors to not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements.

NOTE 4. FAIR VALUE MEASUREMENTS

There were no remaining plan assets measured at fair value as of November 21, 2024. In accordance with FASB ASC Subtopic 820-10, pooled separate accounts were measured at net asset value per share (or its equivalent) and have not been classified in the fair value hierarchy. The Plan's assets at fair value at December 31, 2023, were \$3,197,354.

NOTE 5. FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NAV

There were no investments remaining as of November 21, 2024, measured at fair value based on NAV. The following table summarizes investments for which fair value was measured using the NAV per share as of December 31, 2023. There were no participant redemption restrictions for these investments.

NOTE 5. FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NAV
(CONTINUED)

The fair values of the investments were estimated using the NAV of the investments:

- (a) The large blend funds sought to provide returns similar to those of publicly traded companies in the S&P 500 index.
- (b) The bond funds sought to maximize total return through income and capital appreciation.
- (c) The balanced funds sought to balance growth of principal and current income by investing in a combination of stocks and bonds.
- (d) The foreign large blend funds sought to match the performance of the Europe, Australia, and Far East markets by investing in securities with similar components.
- (e) The large value funds sought long-term value through investing primarily in stocks of larger, mature U.S. companies.
- (f) The target-date funds sought to provide retirement outcomes by allocating their assets among a combination of equity and bond index funds and money market funds in proportions based on their own comprehensive investment strategy.
- (g) The large growth funds sought long-term growth of capital. The underlying funds normally emphasize higher price/earnings ratios and make little or no dividend payment.
- (h) The small blend funds sought long-term capital appreciation by investing in a broad diversification of small- and medium-sized company stocks.
- (i) The mid-cap value funds sought long-term value. Under normal circumstances, they invested a majority of their net assets in a broad diversification of medium-sized companies.
- (j) The mid-cap growth funds sought long-term capital appreciation. Under normal circumstances, they invested a majority of their net assets in a broad diversification of medium-sized companies.

NOTE 6. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan maintained a guaranteed investment contract with The Standard Insurance Company ("The Standard"). The Standard maintained the contributions in a general account. This was a traditional contract that met the fully benefit-responsive contract criteria and therefore was reported at contract value. Contract value was the relevant measure for fully benefit-responsive investment contracts because this was the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. There were no guaranteed investment contracts at November 21, 2024. The contract value of the guaranteed investment contract at December 31, 2023, was \$272,511.

**ACP FACILITY SERVICES, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
NOVEMBER 21, 2024 AND DECEMBER 31, 2023 (IN LIQUIDATION)**

**NOTE 6. INVESTMENT CONTRACT WITH INSURANCE COMPANY
(CONTINUED)**

The contract issuer was contractually obligated to repay the principal and interest at a specified interest rate that was guaranteed to the Plan. The crediting interest rate was based on a formula established by the contract issuer, but it may not be less than 1.50% for the year ended December 31, 2023.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts was dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations could be affected by future economic and regulatory developments. There were no reserves against contract value for credit risk of the issuer or otherwise.

Certain events would limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to, the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that caused a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

Plan management believed no events were probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE 7. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments consist of pooled separate accounts and a group annuity insurance contract managed by The Standard. The Standard is the custodian, as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. The Plan also issued loans to participants, which were secured by the balances in the participants' accounts. Fees incurred by the Plan for investment management services were included in net appreciation in fair value of the investments, as they were paid through revenue sharing, rather than a direct payment.

The Plan paid administrative fees to certain services providers to the Plan, which qualify as party-in-interest transactions, and were charged directly to the participant's account.

NOTE 8. TAX STATUS

The Internal Revenue Services ("IRS") had determined and informed the Plan by an opinion letter dated June 30, 2020, that the Plan, as then designed, was in accordance with the applicable sections of the IRC. Although the Plan has been amended and restated since receiving the opinion letter, the plan administrator believes that the Plan was designed and operated in compliance with the applicable requirements of the Code and therefore believes that the Plan is qualified and the related trust was tax exempt.

ACP FACILITY SERVICES, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
NOVEMBER 21, 2024 AND DECEMBER 31, 2023 (IN LIQUIDATION)

NOTE 8. TAX STATUS (CONTINUED)

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan had taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator had analyzed the tax positions taken by the Plan, and had concluded that as of November 21, 2024 and December 31, 2023, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan was subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invested in various investment securities. Investment securities are exposed to various risks such as interest rates, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10. RECONCILIATION WITH FORM 5500

Schedule H Parts I and II of Form 5500 are in substantial agreement with the statements of net assets available for benefits as of November 21, 2024 (in liquidation) and December 31, 2023 (in liquidation), and the statement of changes in net assets in liquidation available for benefits for the plan year ended November 21, 2024, and there are no reconciling items.
