INDEPENDENT AUDITORS' REPORT

To the BHCMC LLC 401(k) Profit Sharing Plan and Participants of the Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audits of the accompanying financial statements of the BHCMC LLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance

7285 West 132nd Street, Suite 210
Overland Park, KS 66213
Phone: (913) 356-6500
Fax: (913) 356-6525

with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial

statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1- SUMMARY PLAN DISCRPTION

The following description of BHCMC LLC 401 (k) Profit Sharing Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is defined contribution salary deferral plan available to qualifying employees of BHCMC, LLC (the “Company”). The plan excludes from participation; union employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining, non–resident aliens who have no earned income from the sources within the United States, and part time, temporary, or seasonal workers. Employees not in an excluded class will be eligible to participate if credited with one hour of service during a one consecutive month time-period and have attained age 18; however, the entry date for beginning participation is the first day of the Plan year and the first day of the seventh month of the Plan year coinciding with or next following the date the employee satisfies the eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan’s Custodian is Nationwide Life Insurance Company.

Contributions

Participants may elect to contribute not less than one percent of their gross annual compensation, subject to certain limitations, with the contributions and earnings thereon being nontaxable until withdrawn from the Plan in accordance with the provisions of Section 401(k) of the Internal Revenue Code (the “Code”). The maximum allowable employee elective deferral contribution for a participant for a plan year shall be limited to \$22,500 for 2023 and \$23,000 for 2024. A participant’s minimum employee elective deferral shall be an amount equal to at least 1% of a participant’s applicable compensation for the Plan year. The elected contribution percentage may be changed as often as desired.

Participants may roll their funds into the Plan form another qualified Plan. In addition, any participant age 50 or more may make a catchup contribution up to \$7,500 for 2023 and \$7,500 for 2024.

An employee will be credited with a year of eligibility service upon completion of at least 1,000 hours during 12 months from the date of hire, and for each subsequent year thereafter.

A participant becomes eligible to begin profit sharing and safe harbor contributions on the first day of the first month and seventh month of the Plan year coincident with or next following the date an employee attains age eighteen and completes one month of eligibility service.

**BHCMC LLC 401(k) Profit Sharing Plan
Notes to Financial Statements
For the Years Ended December 31, 2024 and 2023**

The Company matched employee contributions up to 1% of the participant's compensation for the year ended December 31, 2024. There was no Company match for the year ended December 31, 2023. The participant must be an employee on the last day of the calendar year to be eligible for the company match.

The Company may make a discretionary contribution to the plan allocated to the participants on the same proportion that their compensation bears, not to exceed 4% of the employee compensation. The Company did not make such a discretionary contribution for the year ended December 31, 2024 or 2023.

Participant Accounts

Each participant's account is credited with the participant's salary deferral contributions and the Company's profit sharing and safe harbor contributions. Allocations are based on participant elective deferrals of compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participants vested account balance. Loans are not allowed under the Plan.

Vesting

Participants are fully vested in their own contributions to the Plan, plus any earnings thereon. Participants become vested in benefits provided by the Company contributions, plus earnings thereon, based on years of service in accordance with the following schedule:

<u>Years of Service</u>	<u>Percentage of Account Vested</u>
Less than 1 year	0%
More than 1 year but less than 2 years	50%
More than 2 years	100%

Forfeitures

Upon termination from employment by the Company, a participant's non – vested portion of Company contributions and earnings is considered forfeiture and is used to reduce future Company contributions to the Plan. The Plan maintained a balance of \$653 in the forfeiture account at December 31, 2023. During the year ended December 31, 2024 forfeited amounts totaled \$4,165. There was \$4,848 used to pay administrative expenses of the Plan during the year and there was \$32 in investment income. There was \$2 in the forfeiture account as of December 31, 2024.

Administrative Expenses

Trustee's fees are billed directly to the Company or the Plan, with the Trustee reserving the right to pay the fees and expenses directly from the Plan or the Plan sponsor. During the year ended December 31, 2024, the administrative fees were partially paid by the Plan using forfeitures as noted above. The cost of

the annual audit is paid by the Company each year. During the year ended December 31, 2024, total fees paid by the Company for the plan amounted to \$9,600.

Payment of Benefits

Participants are entitled to the benefit which can be provided from the participant's vested account balance. Upon termination of service due to death, the participant's beneficiary shall receive a lump-sum distribution in cash. If the distribution exceeds \$5,000, then the beneficiary may elect to have the death benefit paid in a single lump-sum cash payment or in annual installments at least equal to the required minimum distribution amount.

Upon termination of service other than due to death for participants with a Plan vested account balance of more than \$5,000, the account balance may not be distributed prior to the participant's 62nd birthday or normal retirement date unless the participant consents to the distribution. If the participants vested Plan account balance does not exceed \$5,000, the account balance may be distributed by the Plan Sponsor without the participants consent.

Certain participants may make withdrawals prior to termination of employment. Hardship withdrawals are available to Plan participants, as defined by the Plan Document and permitted by the IRC. Hardship withdrawals are limited to the participant's account balance that is 100% vested. Participants who have obtained the age of 59 ½ may elect to receive a distribution of all or any portion of their vested account balances in a single lump sum payment.

Investment options

A participant directs all contributions into mutual funds or guaranteed investment contracts managed by the Plan trustee. Employees can change their investment allocation at any time.

Amendment and termination

The Company shall have the right at any time to amend the Plan in any manner it deems necessary or appropriate. Although the Company has not expressed an interest to do so, it shall have the right, at any time, to suspend or discontinue its contributions under the Plan, and to terminate, at any time, this Plan, subject to the provisions of ERISA. In the event that the Plan should be terminated, the entire balance of the participant's account will become fully vested, and all remaining Plan assets shall be allocated to the participants as described in the full text of the Plan documents.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statement follows:

BHCMC LLC 401(k) Profit Sharing Plan
Notes to Financial Statements
For the Years Ended December 31, 2024 and 2023

Basis of Accounting

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States ("GAAP"). Plan financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of these financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make certain estimates and assumptions that affect the reported amounts of net assets available for plan benefits at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan investments are stated at fair market value. Fair value is the price that would be recognized to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales are recorded on a trade-date basis. Interest and dividend income are recorded on the accrual basis.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Employer and participant contributions are reported in the year services are rendered to the Company by the plan participants.

Realized and Unrealized Gain/Losses on Investments

The realized gain or loss on investments represents the difference between the proceeds at the transaction date and the cost or recorded value of the investment. Unrealized gains or losses on investments represent the net change at the year-end between current value and the recorded value of the investments at the time of purchase or the beginning of the year, whichever is later.

Risks and Uncertainties

The Plan provides for various investment options in any combination of stock, bonds, fixed income securities, mutual funds, and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for Plan benefits and the statement of changes in net assets available for Plan benefits.

BHCMC LLC 401(k) Profit Sharing Plan
Notes to Financial Statements
For the Years Ended December 31, 2024 and 2023

Payments of Benefits

Benefits are recorded when paid.

Recently Issued Accounting Pronouncements

The Trustees have reviewed all recent accounting pronouncements issued by the FASB (including its Emerging Issues Task Force) and the AICPA and feel they did not or will not have a material impact on the Plan's present or future financial statements.

Subsequent events

The Plan Management has evaluated subsequent events for recognition and disclosure through September 2, 2025, which is the date the financial statements were available to be issued and has determined that there are no transactions that need to be recorded or disclosed.

NOTE 3 - INCOME TAX STATUS

The IRS has determined and informed the Company by a letter dated March 31, 2014, that the Plan is designed in conformity with the applicable requirements of the Code. The Company and Plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the Code, and the Plan continues to be tax exempt. Generally accepted accounting principles ("GAAP") require management to evaluate the tax position taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more than likely not would be sustained upon examination by the IRS. As the Plan is tax-exempt, the Plan Administrator has concluded that as of December 31, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the Financial Statements. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no IRS audits for any tax periods in progress. The Plan is subject to income tax examinations for years 2024, 2023, 2022, and 2021.

NOTE 4 - FAIR VALUE OF FINANCIAL INSTRUMENTS

The Plan has adopted ASC Topic 820-10 to measure the fair value of certain of its financial assets required to be measured on a recurring basis. ASC Topic 820-10 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). ASC Topic 820-10 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability. The three levels of the fair value hierarchy under ASC Topic 820-10 are described below:

BHCMC LLC 401(k) Profit Sharing Plan
Notes to Financial Statements
For the Years Ended December 31, 2024 and 2023

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

Mutual Funds – Valued at the closing price reported on the active market on which the individual securities are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

Investments at Fair Value as of December 31, 2023

	Level 1	Level 2	Level 3	Fair Value
Mutual Funds	\$ 2,864,943	-	-	\$ 2,864,943

Total	<u>\$ 3,278,383</u>	<u>-</u>	<u>-</u>	<u>\$ 3,278,383</u>

NOTE 5 – INFORMATION CERTIFIED BY TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. The following is a summary of the unaudited information regarding the Plan as of December 31, 2024 and 2023 and for the year ended December 31, 2024, included in the Plan’s financial statements and supplemental schedule that was prepared by or derived from information prepared by the custodian of the Plan’s assets, and furnished by the Plan administrator. Accordingly, Nationwide Life Insurance Company, the custodian of the Plan, have certified that the following information included in the financial statements and the supplemental schedule is complete and accurate:

- Investments as shown in the statement of net assets available for benefits as of December 31, 2024 and 2023.
- Investment income as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2024.
- Schedule H, item 4i – schedule of assets held at end of year, December 31, 2024.

The Plan’s independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 6 – RELATED PARTIES AND PARTIES-IN-INTEREST

Nationwide Life Insurance Company, trustee/Custodian of the Plan, their subsidiaries, and affiliates maintain and manage certain investments of the Plan, for which the Plan is charged investment and/or administrative expenses.

NOTE 7 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan provides the Nationwide Fixed Selection Contract Option, a fully benefit-responsive group annuity contract with a fixed rate of interest issued by Nationwide Life Insurance Company (“NLIC”) as an investment option for participants. The objective of this investment option is to guarantee principal and

BHCMC LLC 401(k) Profit Sharing Plan
Notes to Financial Statements
For the Years Ended December 31, 2024 and 2023

provide a stated interest crediting rate backed by NLIC. The contract is included in the financial statements at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Under the existing contract, the participant accounts receive the composite crediting rate. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Certain events that may limit the ability of the Plan to transact at contract value are not probable of occurring.
