Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **FORVIS MAZARS, LLP**

(2) EIN: **44-0160260**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X

Plan Administrator and Retirement Plan Committee
Retirement Security Plan of
Womble Bond Dickinson (US) LLP - Plan A

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Retirement Security Plan of Womble Bond Dickinson (US) LLP - Plan A (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of November 25, 2024 (in Liquidation) and December 31, 2023 (in Liquidation), and the related statements of changes in net assets available for benefits for the period from January 1, 2024 through November 25, 2024 (in Liquidation), and the period from October 1, 2023 through December 31, 2023 (in Liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of November 25, 2024 (in Liquidation) and December 31, 2023 (in Liquidation), and for the period from January 1, 2024 through November 25, 2024 (in Liquidation), and the period from October 1, 2023 through December 31, 2023 (in Liquidation), stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

As discussed in Note 1 to the financial statements, the firm management committee approved a plan of liquidation on October 25, 2023, and management determined liquidation was imminent. As a result, the Plan is using the liquidation basis of accounting to present the December 31, 2023 and November 25, 2024 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Note 1. Description of Plan

The following description of the Retirement Security Plan of Womble Bond Dickinson (US) LLP - Plan A (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan was established effective October 1, 2014. It is a cash balance defined benefit retirement plan covering all eligible equity partners and certain employees of Womble Bond Dickinson (US) LLP (the "Firm"). The Retirement Plan Committee of the Firm manages the operation and administration of the Plan. BMO Harris Bank N.A. ("BMO"), served as the trustee of the Plan as of December 31, 2023 and for the period from October 1, 2023 until August 22, 2024. On August 22, 2024, Midwest Institutional Trust Services ("Midwest") assumed the institutional trust and custody businesses of BMO and served as trustee of the Plan through November 25, 2024 (together, the "trustee"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan Status

On October 25, 2023, the firm management committee resolved to terminate the Plan effective December 31, 2023. In accordance with accounting principles generally accepted in the United States of America ("GAAP"), the Plan has changed its basis of accounting used to value the Plan assets from the ongoing basis to the liquidation basis as of October 25, 2023.

Contributions and Participant Accounts

A hypothetical account is maintained for each participant in which contributions are credited for the benefit of the participant. The contribution credit to the accounts of participants who are equity partners is based on a formula, as set forth in the plan document. The eligible employees participate based on fixed amounts as set forth in the plan document. Each participant's account receives a daily earnings credit based on the underlying performance of Plan assets.

Benefits

A participant may receive a distribution equal to the value of his or her account upon termination of service, disability, or upon reaching age 59½. The value of the participant's account will be equal to cumulative contribution and any earnings credits, subject to a cumulative earnings cap and a minimum floor as defined in the plan document. Distributions may be in the form of a lump sum, or a straight life annuity purchased from an insurance company.

Vesting

Participants become fully vested upon completion of three or more years of service, attainment of normal retirement age, disability, or death while in service, or termination of the Plan by the Firm, whichever occurs first.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying November 25, 2024 and December 31, 2023 financial statements of the Plan are prepared on the liquidation basis of accounting in conformity with GAAP.

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein, disclosure of contingent assets and liabilities, and the actuarial present value of accumulated plan benefits at the date of the financial statements. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments are recorded upon distribution. There were no amounts allocated to accounts of participants who have elected to withdraw from the Plan, but have not yet been paid, as of November 25, 2024. Amounts allocated to accounts of participants who have elected to withdraw from the Plan, but have not yet been paid, totaled approximately \$131,000 as of December 31, 2023.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Firm, as provided by the plan document. Certain administrative functions are performed by employees of the Firm. No such employee receives compensation from the Plan.

Subsequent Events

The Firm evaluated the effects subsequent events would have on the financial statements through September 12, 2025, which is the date the financial statements were available to be issued.

Note 3. Funding Policy

Contributions to provide benefits under the Plan are made solely by the Firm. Contributions are accrued based on actuarially determined amounts as determined by the Plan's independent actuary. The Firm met the minimum funding requirements of ERISA for the periods ended November 25, 2024 and December 31, 2023.

Note 4. Actuarial Present Value of Accumulated Plan Benefits

Accumulated plan benefits are those estimated future periodic payments, including lump-sum distributions, which are attributable under the Plan's provisions to service rendered by participants as of the valuation date. Accumulated plan benefits include benefits expected to be paid to (1) retired or terminated participants or their beneficiaries, (2) beneficiaries of participants who have died, and (3) present participants or their beneficiaries. Benefits under the Plan are based on service and interest credits on the valuation date. The Plan uses a beginning of year valuation date.

Womble Bond Dickinson (US) LLP - Plan A
Contents
November 25, 2024 (in Liquidation) and December 31, 2023 (in Liquidation)**

The actuarial present value of accumulated plan benefits is determined by October Three, an independent actuary, and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, withdrawal, or retirement) between the valuation date and expected date of payment.

The effect of plan amendments on accumulated plan benefits is recognized during the plan year in which such amendments become effective.

The significant actuarial assumptions used in the valuation as of October 1, 2023 are:

<i>Effective interest rate</i>	4.94% in 2023
<i>Retirement age</i>	Age 62
<i>Mortality rate</i>	Both pre-retirement and post-retirement funding mortality follow the IRS 2023 Static Mortality Table with separate tables for annuitants and non-annuitants in 2023.

As a result of Plan liquidation, the actuarial present value of accumulated plan benefits approximates the fair value of investments as of January 1, 2024.

Note 5. Unaudited Investment Information Certified by Trustee

The accompanying financial statements include the following unaudited information as of November 25, 2024 and December 31, 2023, and for the period from January 1, 2024 to November 25, 2024, and the period from October 1, 2023 to December 31, 2023, which was obtained from data prepared and certified to be complete and accurate by the Plan's trustee:

	<u>November 25, 2024</u>	<u>December 31, 2023</u>
Investments, at fair value	\$ -	\$ 14,464,780
Accrued interest and dividends	\$ -	\$ 64,234
Interest and dividend income	\$ 30,115	\$ 190,557
Net appreciation in fair value of investments	\$ -	\$ 13

The certification mentioned above includes all investment information discussed in Note 6.

Note 6. Fair Value Measurements

Fair value, as defined under GAAP, is an exit price representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy which prioritizes the inputs used in measuring fair value. These tiers include:

- Level 1** Observable inputs such as quoted prices in active markets.
- Level 2** Inputs other than quoted prices in active markets that are either directly or indirectly observable.

Level 3 Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan’s assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the valuation of assets and liabilities and their placement within the fair value hierarchy.

There were no assets measured at fair value as of November 25, 2024. There have been no changes in the methodologies used at November 25, 2024 and December 31, 2023. The following is a description of the valuation methodologies used for assets measured at fair value:

Money Market

The Plan invests in a money market fund for which quoted prices are available on the active markets.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets accounted for at fair value on a recurring basis as of:

	December 31, 2023			
	Fair Value Measurements Using			
<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>	
Money market	\$ 14,464,780	\$ 14,464,780	\$ -	\$ -

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 7. Exempt Party-in-Interest Transactions

Plan investments are held by the trustee of the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on the fund.

Note 8. Tax Status

The Internal Revenue Service has determined and informed the Firm by a letter dated December 15, 2016 that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (the “IRC”). The Plan has been amended since receiving the determination letter; however, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal and state taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9. Plan Termination

The Plan was terminated effective December 31, 2023 (see Note 1).

A portion of the benefits under the Plan is insured by the Pension Benefit Guaranty Corporation (“PBGC”), a U.S. Government agency. Generally, the PBGC guarantees most vested normal age retirement benefits, early retirement benefits, and certain disability and survivor benefits. However, the PBGC does not guarantee all types of benefits under the Plan, and the amount of benefit protection is subject to certain limitations. Whether all participants receive their benefits as a result of the Plan’s termination is based on the sufficiency, as of the termination, of the Plan’s net assets to provide those benefits and on the level of benefits guaranteed by the PBGC.

Note 10. Contingencies and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that material changes in the values of investment securities could occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.
