## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of  
Lorain County Printing and Publishing Company 401(k) Plan  
Elyria, Ohio

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Lorain County Printing and Publishing Company 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower Annuity Insurance Company of America, the custodian of the Plan, and Empower Trust Company, LLC, the trustee of the Plan, qualified institutions, as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as identified in Note C to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a trust company, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). The information in the financial statements referred to above related to benefits provided by and certified to by an insurance company, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## INDEPENDENT AUDITORS' REPORT (CONTINUED)

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule as listed in the table of contents as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a trust company, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). The information in the supplemental schedule related to benefits provided by and certified to by an insurance company, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

### NOTE A - DESCRIPTION OF PLAN

The following description of the Lorain County Printing and Publishing Company 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan covering all employees of the Lorain County Printing and Publishing Company (the Company, Plan Sponsor, and Plan Administrator) and Elyria Lorain Broadcasting who have completed 90 days of service, are at least 21 years old, and who are not represented by a collective bargaining unit and are not interns. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### **Contributions**

Participants may contribute up to 100% of their compensation, as defined by the Plan, on a pre-tax or after-tax basis. The Plan provides for discretionary Company matching and discretionary nonelective contributions. The Company contributed a discretionary nonelective contribution and qualified nonelective contribution for the year ended December 31, 2024. The Plan provides for the acceptance of rollover contributions from other plans qualified under the Internal Revenue Code (the Code). The Plan also provides for catch-up contributions for participants who reach the age of fifty by the end of the Plan year. Participants direct the investment of their elective contributions into the various options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Employees who become eligible to participate but do not enroll or opt out of the Plan are automatically enrolled at a deferral rate of 3% of pre-tax compensation as defined by the Plan. Contributions are invested in a designated fund until otherwise elected by the participants.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions, an allocation of the Company's contributions, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant account earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled to receive is the benefit that can be provided from the participant's vested account.

## 401(K) PLAN

---

### Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

#### NOTE A - DESCRIPTION OF PLAN (CONTINUED)

##### **Vesting**

Participants are vested immediately in their deferral and rollover contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of credited service at a rate of 20% per year. A participant is 100% vested after five years of credited service, or upon death or disability of the participant.

##### **Payment of Benefits**

Upon termination of service, a participant may elect to receive a lump-sum amount equal to the vested value of his or her account. Participants invested in the Empower SecureFoundation Balanced Institutional Fund can elect to take lump-sum distributions at retirement or receive a lifetime annuity based upon the highest market value of their investment in the fund as reported by the trustees. During 2024, the Plan's automatic distribution amount increased from \$5,000 to \$7,000 as permitted by the SECURE 2.0 Act of 2022. In the event of a mandatory distribution of amounts greater than \$1,000 but not exceeding \$7,000, the entire amount will be distributed in the form of a direct rollover to an individual retirement account as designated by the Plan Administrator. In-service distributions are permitted for participants who have attained age 59½.

Active participants may request hardship withdrawals from their account balance, subject to Plan provisions.

##### **Forfeitures**

Forfeitures, if any, may be used to reduce employer contributions or to pay Plan expenses. The unallocated forfeiture balance was \$16 and \$15 at December 31, 2024 and 2023, respectively. Forfeitures of \$1,618 were used to pay Plan expenses for the year ended December 31, 2024.

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

##### **Basis of Accounting**

The financial statements of the Plan are prepared using the accrual basis of accounting.

##### **Investment Valuation**

The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies using information provided by the trustee and custodian. See Note D for discussion of fair value measurements.

## 401(K) PLAN

---

### Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

##### **Investment Income Recognition**

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### **Revenue Sharing**

Revenue sharing income represents the portion of investment management fees provided to the Plan from the investment fund manager to offset the cost of services provided to the Plan. Revenue sharing, which is included as a component of investment income (expenses) on the statement of changes in net assets available for benefits, was \$14,472 for the year ended December 31, 2024.

##### **Contributions and Contributions Receivable**

Contributions from Plan participants and the related Company matching and discretionary nonelective contributions are recorded in the year in which the employee's participant contributions are withheld from compensation. Any contributions attributable to the Plan year but not received by the trust by the last day of the Plan year are recorded as a receivable.

The carrying amount of contributions receivable are assessed for the need to record a valuation allowance. The valuation allowance is an estimate derived from the Plan's historical losses of contributions receivable, adjusted for the Plan Sponsor's assessment of current conditions, reasonable and supportable forecasts regarding future events, and other factors deemed relevant by the Plan. Based on the Plan Sponsor's assessment as of December 31, 2024 and 2023, no allowances for contributions receivable were recorded as of December 31, 2024 and 2023.

##### **Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the Code are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the December 31, 2024 excess contributions to the applicable participant prior to March 15, 2025.

##### **Payment of Benefits**

Benefits are recorded when paid.

##### **Expenses**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in investment income on the accompanying statement of changes in net assets available for benefits.

### Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

##### Expenses (Continued)

Participants invested in the Empower SecureFoundation Balanced Institutional Fund pay additional investment fees up to a maximum of 1.50% of their asset balance annually for the option to receive a lifetime annuity upon retirement.

##### Income Taxes

The Company adopted a pre-approved non-standardized profit sharing plan with a cash or deferred arrangement which received a favorable opinion letter from the IRS dated November 14, 2022, stating that the form of the underlying pre-approved plan document, as then designed, was in compliance with the applicable requirements of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan Sponsor believes that the Plan is currently being operated in compliance with the applicable requirements of the Code and therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

##### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

##### Subsequent Events

The Plan has evaluated subsequent events through September 11, 2025, the date which the financial statements were available to be issued.

#### NOTE C - CERTIFICATION

Investment information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2024 and 2023, and net appreciation in the fair value of investments, interest and dividends for the year ended December 31, 2024 was obtained by management and agreed to or derived from information and certified as complete and accurate by the trustee and custodian.

### Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

#### NOTE D - FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy, which are based upon the inputs used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities (for example, exchange quoted prices).

Level 2 - Inputs to the valuation methodology are observable inputs, other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not sufficiently active to qualify as Level 1, other observable inputs, or inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs to the valuation methodology are significant to the fair value measurement and unobservable (for example, supported by little or no market activity).

Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

The Plan's investments accounted for at fair value as of December 31, 2024 are summarized below:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	<u>\$ 3,358,107</u>	<u>\$ 3,358,107</u>
Total investments at fair value	<u><u>\$ 3,358,107</u></u>	<u><u>\$ 3,358,107</u></u>

The Plan's investments accounted for at fair value as of December 31, 2023 are summarized below:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	<u>\$ 3,480,891</u>	<u>\$ 3,480,891</u>
Total investments at fair value	<u><u>\$ 3,480,891</u></u>	<u><u>\$ 3,480,891</u></u>

### Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

#### NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodology used to measure assets at fair value. There have been no changes in the methodology used as of December 31, 2024 and 2023.

Mutual funds are valued at the net asset value of the shares held by the Plan at year end, as reported on the active markets in which the investments are traded.

The method described above may produce fair value calculations that may not be indicative of net realizable values or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair values of the financial instruments could result in different fair value measurements as of the reporting date.

#### NOTE E - GUARANTEED INVESTMENT CONTRACT

The Plan has a traditional fully benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company of America (Empower) of \$17,725 and \$7,808 at December 31, 2024 and 2023, respectively. Contributions from the Plan are maintained in Empower's general account. Under the contract, the Plan owns a promise by the issuer to pay interest at crediting rates, which are set based on the earnings of the underlying assets of the entire medium-long term new portfolio compared to the contractual minimum interest crediting rate and prevailing market conditions. Participant principal and interest are fully guaranteed by the entire general account assets of Empower. The minimum annual crediting rate under the contract cannot be less than zero. Interest crediting rates are reset quarterly. The contract includes a benefit payment option, the Guaranteed Lifetime Withdrawal Benefit (GLWB) option, which can be elected by a participant to receive periodic installments over the participant's life.

This contract meets the fully benefit-responsive investment criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract; plus earnings at guaranteed crediting rates, less participant withdrawals and administrative expenses. Participants may ordinarily direct permitted withdrawals or transfers of all or a portion of their account balance at contract value.

The repayment of principal and interest credited to participants in the Plan is a financial obligation of Empower. The Plan's ability to receive amounts due is dependent on Empower's ability to meet its financial obligations. Empower's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of Empower or otherwise.

### **Notes to Financial Statements**

**December 31, 2024 and 2023 and Year Ended December 31, 2024**

#### **NOTE E - GUARANTEED INVESTMENT CONTRACT (CONTINUED)**

Certain events may limit the ability of the Plan to transact at contract value. Such events include premature termination of the contract, layoffs, Plan termination, bankruptcy, mergers, and retirement incentive programs. Upon the occurrence of these events, a market value adjustment may apply. No events are probable of occurring that may limit the ability of the Plan to transact at contract value.

The contract may be terminated by either the Plan Sponsor or Empower with 75 days written notice. If the Plan Sponsor terminates the contract, all benefits, rights, and privileges provided by the contract would terminate, including the right to receive payments under the GLWB option. The Plan Sponsor may not apply for a new contract for 90 days. Management believes a Plan-initiated termination of the contract is not probable of occurring.

#### **NOTE F - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA.

#### **NOTE G - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and amounts reported in the statements of net assets available for benefits.

#### **NOTE H - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

Party-in-interest transactions include investments in the funds of the trustee and custodian and the related dividend income, interest, and the payment of administrative expenses by the Plan. Such transactions are exempt from being prohibited transactions.
