## Independent Auditor's Report

To the Plan Administrator and Participants  
of the Retina Consultants Profit Sharing 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Retina Consultants Profit Sharing 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of November 21, 2024 (Liquidation basis) and December 31, 2023 (Going concern basis), and the related statement of changes in net assets available for benefits for the period January 1, 2024 to November 21, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of November 21, 2024 and December 31, 2023, and for the period January 1, 2024 to November 21, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment

information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation

and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Plan Termination**

As further discussed in Note 1, Retina Consultants, PLLC (“the Company”) was acquired by Retina Group, Inc. on April 29, 2024, and the Company decided to terminate the Plan effective April 26, 2024. All plan assets were distributed as of November 21, 2024 in accordance with the provisions of ERISA. The Plan changed its basis of accounting from the going concern basis used in presenting the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements. Our opinion is not modified with respect to this matter.

NOTES TO FINANCIAL STATEMENTS IN LIQUIDATION  
NOVEMBER 21, 2024 (Liquidation basis) AND DECEMBER 31, 2023 (Going concern basis) (See Independent Auditor's Report)

### NOTE 1 - DESCRIPTION OF PLAN

The following description of the Retina Consultants Profit Sharing 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

In April 29, 2024, Retina Consultants, PLLC ("the Company or Plan Administrator") was acquired by Retina Group, Inc., and the Company decided to terminate the Plan effective April 26, 2024. All plan assets were distributed as of November 21, 2024 in accordance with the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

**General** - The Plan is a defined contribution plan that was established on January 1, 1991 by the Company covering all eligible employees of the Company as defined in the Plan agreement. Certain classes of employees as defined in the Plan agreement are excluded from plan participation. The Plan is subject to the provisions of the ERISA.

A Plan Committee ("the Committee") manages the operation and administration of the Plan, including the appropriateness of the Plan's investment offerings and investment performance. The Company had contracted with Ascensus Trust Company ("Ascensus Trust") to act as custodian. Ascensus Trust is an affiliate of Ascensus, LLC ("Ascensus") who certifies plan activity as an agent and on behalf of Ascensus Trust. Vanguard Group, Inc. ("Vanguard") provides record-keeping services for the Plan and processes and maintains records of participant data. A third party administrator ("TPA") provides certain plan services. Certain company personnel serve as plan trustees.

The provisions of SECURE 2.0 Act of 2022 continue the themes and reforms that began with the 2019 SECURE Act. Certain provisions of both Acts have been implemented by the Plan. Participants should refer to plan documents for any changes made to the Plan.

**Contributions** - In connection with the Plan termination, no participant contributions were made after April 26, 2024. Prior to April 26, 2024, participants could contribute an amount of eligible pre-tax annual compensation as defined in the Plan agreement, not to exceed the maximum statutory amount. Participants who were age 50 or older could elect to make catch-up contributions to the Plan, not to exceed the maximum statutory amount. Participants could also contribute amounts representing distributions from other qualified eligible plans.

## **RETINA CONSULTANTS PROFIT SHARING 401(k) PLAN**

NOTES TO FINANCIAL STATEMENTS IN LIQUIDATION (Continued)  
NOVEMBER 21, 2024 (Liquidation basis) AND DECEMBER 31, 2023 (Going concern basis) (See Independent Auditor's Report)

The Plan allowed for an employer safe harbor nonelective contribution subject to certain eligibility requirements. For the period January 1, 2024 to November 21, 2024 and for the year ended December 31, 2023, the Company made safe harbor nonelective contributions in an amount equal to 3% of a participant's eligible compensation. The Company's safe harbor nonelective contribution for 2024 was \$57,749 of which \$29,607 was funded by forfeitures. The Company's safe harbor nonelective contribution for 2023 was \$158,108 which was a receivable as of December 31, 2023 and was paid in 2024.

The Plan allowed for an employer discretionary non-elective contribution subject to certain eligibility requirements. None was made for the period January 1, 2024 to November 21, 2024. For the year ended December 31, 2023, the Company made discretionary non-elective contributions based on employee groups. The Company's discretionary non-elective contribution for 2023 was \$297,706 which was a receivable as of December 31, 2023 and was paid in 2024.

The Plan also allowed for an employer discretionary matching contribution subject to certain eligibility requirements; none was made for the period ended November 21, 2024.

**Participant Accounts** - Each participant's account is credited with the participant's contribution, the Company's safe harbor nonelective contribution, an allocation of the discretionary non-elective contribution, the discretionary matching contribution (if any), plan earnings and losses, and plan expenses as applicable to the Plan. Allocations of the discretionary non-elective contribution are based on employee groups. Allocations of plan earnings and losses are based on individual participant investment choices. All contributions/investments are participant directed. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting** - Participants are 100% vested in their contributions, rollover amounts and safe harbor nonelective contribution plus actual earnings thereon. Vesting in the discretionary non-elective contributions, discretionary matching contribution and earnings is based on years of credited service at the rate of 20% per year at the end of second year with full vesting after six years. Participants become fully vested in the event of retirement age, or plan termination. In connection with the termination of the Plan, participants became 100% vested in their accounts.

**Notes Receivable from Participants** - Participant notes are not permitted in the Plan.

NOTES TO FINANCIAL STATEMENTS IN LIQUIDATION (Continued)  
NOVEMBER 21, 2024 (Liquidation basis) AND DECEMBER 31, 2023 (Going concern basis) (See Independent Auditor's Report)

**Payment of Benefits** - Upon the satisfaction of certain distributable events, participants or their beneficiaries may elect to receive their vested account balance and are paid in accordance with plan provisions.

**Forfeited Accounts** - Forfeited accounts can be used to pay expenses or reduce employer contributions. During 2024, \$3,618 of plan expenses was paid through the forfeiture account.

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting** - The financial statements of the Plan are prepared on the accrual basis of accounting. In connection with the termination of the Plan in 2024 and in accordance with accounting principles generally accepted in the United States of America, the Plan changed its basis of accounting from the going concern basis used in presenting the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements.

**Use of Estimates** - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition** - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Committee determines the Plan's valuation policies utilizing information provided by Ascensus Trust. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Contributions** - Contributions from plan participants and employer matching contributions are recorded in the year in which the employee contributions are withheld from compensation.

NOTES TO FINANCIAL STATEMENTS IN LIQUIDATION (Continued)  
NOVEMBER 21, 2024 (Liquidation basis) AND DECEMBER 31, 2023 (Going concern basis) (See Independent Auditor's Report)

***Excess Contributions Payable*** - Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability. As of November 21, 2024 and December 31, 2023, there were no material excess contributions payable.

***Plan Expenses*** - For the period January 1, 2024 to November 21, 2024, some plan fees were paid by the Company and these amounts are excluded from the Plan's financial statements. Investment/fund fees and certain participant transaction fees are paid by the Plan or charged to participant accounts when applicable. The plan has an Administrative Fee Credit account which is funded by charges made to participants accounts. Certain plan expenses can be paid from this account and the remaining balance can be allocated to participants accounts.

***Payment of Benefits*** - Benefits are recorded when paid.

***Subsequent Events*** - The Plan has evaluated subsequent events through September 15, 2025, the date the financial statements were available to be issued.

### **NOTE 3 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### **NOTE 4 - CERTIFIED INVESTMENTS**

Certain information related to investments disclosed in the accompanying financial statements, including investments held at November 21, 2024 and December 31, 2023, dividends, and net appreciation in fair value of investments for the period January 1, 2024 to November 21, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus.

### **NOTE 5 - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for

identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

**Level 1** - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** - Inputs other than quoted prices include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at November 21, 2024 and December 31, 2023.

**Cash Account:** Valued at fair value on a cash equivalency basis.

**Mutual Funds:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Collective Trust Fund:** A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of a bank collective trust. The NAV is calculated based on a compilation of primarily

observable market information. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. For the collective investment fund, there are no unfunded commitments and the units can be redeemed daily.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023. There were no assets as of November 21, 2024.

	<u>Assets at Fair Value as of December 31, 2023</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Cash Account	\$ 214,976	\$ -	\$ -	\$ 214,976
Mutual Funds	18,735,424	-	-	18,735,424

Investments at fair value	<u>\$18,950,400</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$19,643,844</u>

(a) Certain investments that were measured at NAV (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

### NOTE 6 - PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Plan investments are held by Ascensus Trust. Any purchases and sales of these investments are performed in the open market at fair value. Plan related fees are paid to Ascensus Trust, Ascensus, Vanguard and the TPA. The Plan has other service providers. All these transactions while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

### **NOTE 7 - TAX STATUS**

The Plan adopted a non-standardized pre-approved plan which received an opinion letter dated June 30, 2020 from the IRS. The Plan has been amended since, however, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by various taxing authorities and government agencies. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
