## **INDEPENDENT AUDITORS' REPORT**

To the Administrator and Participants of the  
Bearing Technologies, Ltd. 401(k) Profit Sharing Plan  
Avon, OH

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Bearing Technologies, Ltd. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bearing Technologies, Ltd. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bearing Technologies, Ltd. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are condition or events, considered in the aggregate, that raise substantial doubt about Bearing Technologies, Ltd. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bearing Technologies, Ltd. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bearing Technologies, Ltd. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule of Assets – Held at Year End as of and for the year ended December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**BEARING TECHNOLOGIES, LTD. 401(K) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 1 - DESCRIPTION OF THE PLAN**

**General**

The following description of the Bearing Technologies, Ltd. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering eligible employees of Bearing Technologies, Ltd. and Subsidiaries (the "Company") who have completed one year of service and are age 21 or older. Effective January 1, 2024, the Plan was amended to allow long-term part-time employees to contribute to the plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company is the sponsor ("Plan Sponsor") and a committee appointed by the Company is the administrator ("Plan Administrator") of the Plan. JP Morgan Invest Holdings, LLC ("JP Morgan") is the custodian of the Plan and holds Plan investments. JP Morgan utilizes Empower Retirement, LLC to provide recordkeeping and administrative services for plans.

**Participant Accounts**

Individual accounts are maintained by the Plan for each eligible employee ("Participant"). Each Participant's account is credited with the Participant's contribution and allocations of the Company's contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on Participants' compensation or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Contributions**

The Plan provides for employee salary contributions up to a maximum of 100% of their annual compensation subject to maximum tax-deferred limitations established by the Internal Revenue Code ("IRC"), which was \$23,000 for 2024 and \$22,500 for 2023.

The Plan provides for employer safe harbor matching contributions of 100% of the Participant's contribution not to exceed 4% of the employee's eligible compensation. The Plan also provides for a discretionary profit-sharing contribution. The amount of the profit-sharing contribution for the year ended December 31, 2024 was \$495,950.

Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions to the Plan subject to maximum limitations of \$7,500 for 2024 and \$7,500 for 2023. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified Plan.

**BEARING TECHNOLOGIES, LTD. 401(K) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)**

**Investment Options**

Participants are responsible for investment decisions for all contributions, including employee deferrals, employer safe harbor matching contributions and profit sharing contributions. Investments can be made among various investment options in 1% increments. In connection with a change in allocation of a Participant's future contributions among the investment options or a change in the allocation of existing investments, the purchases and sales due to fund transfers are transacted at the funds' end of day net asset value on the day the transaction is initiated.

**Vesting**

Participants are immediately vested in employee deferrals, employer safe harbor and rollover contributions and any income or loss thereon. Vesting in the Company's profit sharing contribution portion of their accounts, plus actual earnings thereon, is based on years of service and participants are 100 percent vested after two years of service.

**Notes Receivable from Participants**

Participants may borrow from their fund accounts by means of loans as approved by the Plan Administrator. A minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the Participant's vested account balance may be borrowed. Loan transactions are treated as transfers to (from) the investment from (to) the participant loan fund. Participant loans bear interest at a fixed rate as determined at current market rates. At December 31, 2024, participant loans bore interest at rates ranging from 5.25% to 10.50%. Principal and interest are paid ratably through regular payroll deductions over a period of five years or less. However, if the loan is for the purpose of buying a primary residence, the loan may be repaid over a longer period, as determined by the Plan Administrator.

**Payment of Benefits**

Benefit distributions are recorded and expensed when paid to participants.

Distributions are payable upon retirement, death, disability, or termination of employment in the form of a lump-sum amount equal to the vested balance of a participant's account or installment payments.

The Plan also provides for Participant withdrawals due to hardship, as defined by the Plan agreement, prior to termination of employment.

**Plan Expenses**

Certain administrative fees are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and participant distributions are charged directly to the Participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

**BEARING TECHNOLOGIES, LTD. 401(K) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)**

**Forfeitures**

If a participant is not fully vested on his or her termination date, the nonvested amount of the account is forfeited. Forfeitures are used to reduce future Company contributions. Forfeitures used to reduce Company contributions during the year ended December 31, 2024 were \$5,506. At December 31, 2024 and 2023, unallocated forfeited nonvested accounts totaled \$6,485 and \$9,432, respectively.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

**Use of Accounting Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan's investments are administered by JP Morgan and are stated at fair value. Units held in mutual funds are valued at the daily closing prices as reported by the funds. Units held in pooled separate accounts are reported at fair value based on the unit prices quoted by the fund, representing the fair value of the underlying investments. Units held in common collective trusts are reported at the NAV of units of a bank collective trust.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are recorded at their unpaid principal balances plus any accrued interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

**BEARING TECHNOLOGIES, LTD. 401(K) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 3 - INVESTMENTS**

The Plan's investments are held by JP Morgan as custodian. JP Morgan maintains the investments in separate accounts, which comprise a significant portion (97% - 2024, 98% - 2023) of the Plan's assets. The accounts are credited with earnings on the underlying investments and charged for plan withdrawals. JP Morgan certified for 2024 as to the completeness and accuracy of the information reported. Net appreciation on investments totaled \$1,249,967 for the year ended December 31, 2024.

**NOTE 4 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan's provisions to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Participants will become 100% vested in their accounts.

**NOTE 5 - RISKS AND UNCERTAINTIES**

The Plan provides for various investment options. The underlying investments may include stocks, bonds, fixed income securities, mutual funds and other investment securities. Such investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risks associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is expected that changes in the values of investment securities will continue to occur in the near term and such changes could materially affect Participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 6 - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**BEARING TECHNOLOGIES, LTD. 401(K) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 6 - FAIR VALUE MEASUREMENTS (CONTINUED)**

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted market prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value.

*Pooled separate accounts:* Valued at the net asset value (NAV) of the applicable portion of assets and gains/losses allocated to the Plan by the insurance company. The NAV, as provided by the insurance company, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Transactions occurring throughout the year are generally priced at the NAV. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily and there is no minimum redemption notice period.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**BEARING TECHNOLOGIES, LTD. 401(K) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 6 - FAIR VALUE MEASUREMENTS (CONTINUED)**

*Common Collective Trust:* Valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2024 or 2023.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

**NOTE 6 - FAIR VALUE MEASUREMENTS (CONTINUED)**

The following table summarizes investments measured at fair value based on NAV, as a practical expedient, per share as of December 31, 2024 and 2023:

<b><u>December 31, 2024 and 2023</u></b>	<b><u>Fair Value</u></b>	<b><u>Unfunded Commitments</u></b>	<b><u>Redemption Frequency</u></b>	<b><u>Redemption Notice Period</u></b>
Common collective trust - 2024	\$ 1,717,244	N/A	Daily	Daily
Common collective trust - 2023	\$ 115,221	N/A	Daily	Daily
Pooled separate accounts - 2023	\$ 1,612,064	N/A	Daily	Daily

Events that would limit the pooled separate accounts and common collective trust to transact at the NAV may include, but are not limited to, the following: mergers, mass layoffs, plan terminations, and implementation of early retirement incentive programs.

**NOTE 7 - INFORMATION CERTIFIED BY CUSTODIAN**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. **NOTE 8 - PARTICIPANTS SEPARATED FROM SERVICE WITH A DEFERRED VESTED INTEREST**

As of December 31, 2024, thirty-six participants with account balances totaling \$1,669,441 have separated from service and have not been paid.

**NOTE 9 - TAX STATUS**

The Plan uses a non-standardized pre-approved plan document sponsored by Qualified Pension Consultants Inc. which received a favorable opinion letter dated June 30, 2020 from the Internal Revenue Service (IRS) that the prototype plan, as designed, satisfied the provisions of Section 401 of the IRC. The Plan itself has not received its own determination letter. However, the Plan's management believes that the Plan is designed and being operated in accordance with applicable IRS requirements. Therefore, no provision for income taxes has been included in the Plan's financial statements.

**BEARING TECHNOLOGIES, LTD. 401(K) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 9 - TAX STATUS (CONTINUED)**

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions by the Plan, and has concluded that as of December 31, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes that it is no longer subject to income tax examinations for years prior to 2021.

**NOTE 10 - RELATED-PARTY AND PARTIES IN INTEREST TRANSACTIONS**

Certain plan investments are interests in mutual fund accounts managed by JP Morgan. Therefore, transactions in these investments qualify as party in interest transactions, which are exempt from prohibited transaction rules. The Plan also maintains notes receivable from participants which are also exempt from prohibited transaction rules. JP Morgan utilizes Empower Retirement, LLC to provide recordkeeping and administrative services for plans. Fees paid by participants to Empower Retirement LLC relating to quarterly fixed fees, participant loan fees and distribution processing fees for the year ended December 31, 2024 were \$16,952 and are included in administrative expenses on the statement of changes in net assets available for benefits.

The Company provides certain accounting, recordkeeping, and administrative services to the Plan for which it is not compensated. The Company engages a third-party, Qualified Pension Consultants, Inc., to provide certain administrative services to the Plan for which an administrative fee is paid. Fees paid to Qualified Pension Consultants, Inc. for the year ended December 31, 2024 were \$11,612.

**NOTE 12 – PLAN AMENDMENTS**

Effective January 1, 2024, the Plan informally adopted several provisions of the Setting Every Community Up For Retirement Enhancement (SECURE) Act 2.0. Provisions adopted included the following: (1) Expanded coverage to include the ability for long-term part-time employees to contribute salary deferrals; (2) An increase to age 73 before required minimum distributions; and (3) an increase in automated mandatory distributions to \$7,000. Although these provisions have been adopted, the Plan will formally adopt these provisions at a later date.
