INDEPENDENT AUDITOR'S REPORT

To the Shareholders and Management of
the Wadman Corporation 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Wadman Corporation 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Wadman Corporation 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note B to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wadman Corporation 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wadman Corporation 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wadman Corporation 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wadman Corporation 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WADMAN CORPORATION 401(K) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2023

A. Description of Plan

The following description of the Wadman Corporation 401(K) Profit Sharing Plan (the plan) provides general information. Participants should refer to the plan agreement for a more complete description of the plan's provisions.

1. *General.* The plan is a defined contribution plan covering all employees of the company who have three months of service and are of the age of eighteen or older. To be eligible for matching contributions from the corporation an employee must have completed three months of service. The plan is subject to the provisions of ERISA.
2. *Contributions.* Each employee may contribute up to the maximum allowed by IRS regulations. Individuals who are age 50 or older on December 31, 2023 and 2022 are eligible to make an additional catch-up deferral contribution up to \$7,500 and \$6,500, respectively.

Each employee is automatically enrolled to contribute into the plan at a rate of 3%. The automatic enrollment deferral percentage is scheduled to automatically increase by 1% each year until the deferral rate hits 6%. This automatic increase ceases to take place if an employee chooses to make a change to his or her deferral percentage on their own.

All eligible employees may make a Rollover Contribution even if not yet a participant in the Plan. In-service withdrawals are allowed from Rollover Contribution Accounts at any time.

Non-elective contributions are discretionary in an amount as determined by the Employer. An employee may share in the allocation of non-elective contributions if the participant completes 1,000 hours in a plan year and is employed by the Employer on the last day of the plan year. The non-elective allocation formula is pro rata in the ratio that each participant's plan compensation bears to the plan compensation of all eligible participants. No non-elective contributions were made in 2023.

The corporation has a match policy of 50% of employee contributions up to 8% of the employee's compensation.

FOR THE YEAR ENDED DECEMBER 31, 2023

A. Description of Plan (Continued)

3. *Participant Accounts.* Each participant's account is credited with the participant's contribution and an allocation of (a) the company's contribution, (b) plan earnings, and (c) forfeitures of terminated participants' nonvested accounts and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. *Vesting.* Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the corporation contributions portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 100 percent vested after 6 years of credited service.
5. *Payment of Benefits.* On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in annual installments over a ten year period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan also allows for in-service distributions after attainment of normal retirement age of 59.5 years and for distributions after attainment of early retirement date from all accounts that are 100% vested.

Hardship withdrawals are allowed on elective deferral accounts and rollover contribution accounts. A Safe Harbor criterion is used to determine if a participant is entitled to receive a hardship withdrawal.
6. *Forfeited Accounts.* At December 31, 2023 and 2022 forfeited nonvested accounts totaled \$27,157 and \$19,530, respectively. These accounts may be re-allocated as additional match contributions, additional non-elective contributions, or used to reduce administrative expenses.
7. *Notes Receivable from Participants.* Loans are available to participants of the plan. The minimum loan amount is \$1,000, and only one loan may be outstanding at a time. Vested account balances provide security for loans. As loans are repaid, the principal and interest are credited to the participant's accounts. Interest income is reported as earned on the loan balances. No allowance for credit losses have been recorded as of December 31, 2023 or 2022.

B. ERISA Section 103(a)(3)(c) Audit

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the investment beginning balances, activity, earnings and ending balances have not been audited. The plan administrator has obtained a certification from the custodian, as of and for the years ended December 31, 2023 and 2022. The certification presents that the following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the custodian:

	<u>2023</u>	<u>2022</u>
Mutual funds	\$ 1,140,691	\$ 962,669

Interest on participant loans	3,299	3,952
Fixed annuities	186,789	117,771

C. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

WADMAN CORPORATION 401(K) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2023

C. Summary of Accounting Policies (Continued)

Investment Valuation and Income Recognition

The plan's cash, mutual funds, and variable annuities are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note D for discussion of fair value measurements.

The plan's fixed annuities are carried at contract value of the annuity contract that is owned by the plan.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

Operating Expenses

Administration costs are charged to the plan and are from the custodian and trustee. All human resource costs and payroll costs incurred at the Sponsor are paid by the Sponsor outside of the Plan.

D. Fair Value Measurements

FASB ASC 820-10-50 formerly Statement No. 157, *Fair value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

WADMAN CORPORATION 401(K) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2023

D. Fair Value Measurements (Continued)

The three levels of the fair value hierarchy under ASC 820-10-50 are described as follows.

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.
Level 2	Inputs to the valuation methodology include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the assets of liability; • inputs that are derived principally from or corroborated by observed market data by correlation or other means. If the assets or liabilities has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value for the years ended December 31, 2022 and 2023:

Mutual Funds - Share values are share prices of mutual funds that are received, reviewed and recorded.

Variable Annuities- Participants invested in certain plan assets, including assets held in a group annuity contract, do not hold the assets of the investment option directly. Rather, the investment option issues units and determines the price for each unit, which may differ from the price of a share held directly in the underlying investment.

WADMAN CORPORATION 401(K) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2023

D. Fair Value Measurements (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2023 and 2022.

Assets at Fair Value as of December 31, 2023

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,140,691	\$ -	\$ -	\$ 1,140,691
Variable annuities	-	8,593,891	-	8,593,891
Total assets at fair value	<u>\$ 1,140,691</u>	<u>\$ 8,593,891</u>	<u>\$ -</u>	<u>\$ 9,734,582</u>

Assets at Fair Value as of December 31, 2022

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 962,669	\$ -	\$ -	\$ 962,669
Variable annuities	-	7,374,109	-	7,374,109
Total assets at fair value	<u>\$ 962,669</u>	<u>\$ 7,374,109</u>	<u>\$ -</u>	<u>\$ 8,336,778</u>

E. Tax Status

The Internal Revenue Service has communicated acceptance of the Non-Standardized Pre-Approved Profit-Sharing Plan that is in use by the Plan for employers for the benefit of their employees under Internal Revenue Service (IRC) Section 401. This communication was communicated via letter on June 30, 2020. Accordingly, no provision for income taxes is included in the accompanying financial statements.

The plan is subject to routine audits by taxing authorities for tax years for which the applicable statutes of limitations have not expired. There are no audits for any tax periods in progress. Plan management believes the Plan is no longer subject to examination for years prior to 2021.

**WADMAN CORPORATION 401(K) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2023**

F. Risks and Uncertainties

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

G. Related-Party Transactions and Party in Interest Transactions

Party in interest is a specific term defined by Section 3(14) of ERISA and is similar to the FASB definition of related parties in FASB ASC 850. No transactions with parties in interest; were nonexempt or prohibited transactions during the plan year.

Certain Plan investments are managed by Empower Retirement. Empower Retirement is the trustee and recordkeeper for the Plan and, therefore, these transactions qualify as party in interest transactions.

Effective January 1, 2021, Empower Retirement provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Corporation and Empower Retirement. Empower Retirement receives revenue from mutual fund service providers for services Empower Retirement provides to the funds. This revenue is used to offset certain amounts owed to Empower Retirement for its administrative services to the Plan.

If the revenue received by Empower Retirement from such mutual fund service providers exceeds the amount owed under the MSA, Empower Retirement remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2021 there were no excess amounts. The Plan or Plan Sponsor may make a payment to Empower Retirement for administrative expenses not covered by revenue sharing.

H. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

I. Date of Management's Review

Plan management has evaluated subsequent events through the date of the independent auditors' report, which is the date the financial statements were available to be issued.
