INDEPENDENT AUDITOR'S REPORT

Plan Sponsor and Plan Administrator
Limestone Bancorp, Inc. 401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Limestone Bancorp, Inc. 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of November 1, 2024; the related statement of changes in net assets available for benefits for the year then ended November 1, 2024; and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period ended November 1, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Emphasis of Matter

As discussed in Note 1 to the financial statements, the Board of Directors of Peoples Bancorp Inc., the Plan's sponsor, authorized the termination of the plan on April 27, 2023, and management determined liquidation imminent. As a result, the Plan has changed its basis of accounting from the going concern basis of accounting used in presenting the December 31, 2023, financial statements to the liquidation basis of accounting used in presenting the November 1, 2024, financial statements. Our opinion is not modified with respect to this matter.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

LIMESTONE BANCORP, INC. 401(K) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
November 1, 2024, and December 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the Limestone Bancorp, Inc. 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a participant directed defined contribution plan (401(k) Plan) covering substantially all eligible employees. The Plan was established to provide and administer retirement benefits for employees of Limestone Bancorp, Inc. (the "Company"). The Plan is subject to certain provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective November 1, 2024, the Plan was terminated.

Contributions: Any participant may elect to make voluntary contributions, through payroll deductions, to the Plan as deferred compensation contributions. Participants may contribute the maximum allowed by statute. The Plan provides for a matching contribution equal to a percentage of each participant's deferred compensation for the Plan year. The Plan qualifies as a safe harbor plan with an automatic contribution arrangement. For 2023, Limestone Bancorp, Inc. made matching contributions equal to 100% of the first 1% of the participant's contributions, and 50% of contributions of more than 1% and up to 6% of compensation. In addition, newly eligible participants and existing participants who are not contributing to the Plan and have not made an election are automatically enrolled in the Plan with contributions of 4% of compensation. At the beginning of each subsequent year, if the participant has not turned off this feature, the automatic deferral percentage increases 1% up to a maximum of 10%. No contributions were made to the Plan in 2024.

The Plan also provides for discretionary contributions allocated to the participants who are employees. Allocations are made to the participants based on their ratio of annual compensation as of the last day of the Plan year to the total of such compensation for all eligible participants. No discretionary contribution was made for the years ended November 1, 2024, or December 31, 2023.

Participant Accounts: Each participant's account is credited with the participant's contribution and an allocation of the Company's contributions and Plan earnings and is charged with the participant's withdrawals. Allocation of discretionary contribution is based on the participant's compensation. Company matching contributions are allocated based on a participant's voluntary contributions. A participant must be employed by the Company on December 31 of the plan year to be eligible to receive an allocation of Company discretionary contributions.

Vesting: Vesting of a participant's interest is 100% in cases of normal retirement at age 65, death or total disability. If a participant's employment ceases for any other reason, the full value of the participant's account is payable if they have completed two or more years of service. A participant who has completed less than two years of service is entitled to the full value of their account less the value of the non-vested employer contributions. Employer contributions forfeited as a result of termination of employment are used to fund future employer contributions.

Eligibility: An employee becomes an active participant on the first day of the month following the completion of 60 days of eligibility service. Eligibility service means an employee's period of service.

Payment of Benefits: The Plan allows for withdrawal of contributions upon termination of employment, or in-service withdrawals upon incurrence of a financial hardship, disability, or attainment of age 59 ½. Benefits are distributed to the participant or their beneficiary in an annuity or lump sum payment. If a participant's account balance exceeds \$5,000, no portion of the account balance will be distributed as a lump sum without the participant's consent.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Administrative Expenses: Certain expenses of maintaining the plan are paid directly by the Company and are excluded from these financial statements. Plan recordkeeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

Loans: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Loans bear a commercially reasonable rate of interest at a rate fixed for the duration of the loan.

Forfeited Accounts: Total forfeitures for 2024 and 2023 were \$0 and \$34,557, respectively. In 2023, forfeitures were used to reduce employer contributions. The balance of forfeitures available to offset future matching contributions was \$0 as of November 1, 2024, and December 31, 2023.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan have been prepared on a liquidation basis, in accordance with accounting principles generally accepted in the United States of America (GAAP). This basis of accounting is considered appropriate when, among other things, liquidation of an entity is probable, and the net realizable values of assets is reasonably determinable. Under the liquidation basis of accounting, assets are stated at their estimated net realized cash value, and liabilities are stated at their anticipated settlement amounts.

Estimates: The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Investment Valuation and Income Recognition: The Plan's investments, other than fully benefit-responsive investment contracts, are reported at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation include the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits: Benefits are recorded when paid. As a result of the Plan termination, all balances were distributed to participants in the Plan by November 1, 2024.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties: The Plan provides for various investment options in mutual funds and an investment contract. The underlying investment securities are exposed to various risks, such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investment securities and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits and participants' individual account balances.

NOTE 3 – FAIR VALUE

Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (level 1 measurements) and gives the lowest priority to unobservable inputs (level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (level 1 inputs).

NOTE 4 – CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the short year ended November 1, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Transamerica Life Insurance Company and Reliance Trust Company.

NOTE 5 – INCOME TAX STATUS

The Internal Revenue Service issued an opinion letter dated June 30, 2020, indicating that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code. Although the Plan has been amended from the original prototype document, Plan management believes that the Plan is currently being operated in accordance with the Internal Revenue Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of November 1, 2024, and December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE 6 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan held fully benefit-responsive investment contracts that were reported at contract value, which is generally the amount a participant would receive if he or she would initiate a withdrawal or transfer from the contract under the provisions of the Plan. Contract value represents contributions made to the contract, plus earnings, less participant withdrawals and administrative expenses. The contract value of the Plan's fully benefit-responsive investment contracts is presented below:

	<u>November 1, 2024</u>	<u>December 31, 2023</u>
Benefit-responsive investment contract	\$ -	\$ 2,583,297

Contributions to the fully benefit-responsive investment contract were maintained in a general account. The general account was credited with earnings on the underlying investments and was charged for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

As of December 31, 2023, the Plan held a fully benefit-responsive investment contract with Transamerica Life Insurance Company. The investment contract with Transamerica Life Insurance Company did not qualify as a guaranteed interest contract, as there was no stated minimum or maximum interest rate. The crediting interest rate was determined semi-annually at competitive rates based on similar investments, money market or CD type investments. The Plan's investment contract required all permitted participant-initiated transactions involving the investment to occur at contract value with no conditions, limits, or restrictions. Such participant-initiated transactions included withdrawals for benefits, loans, or transfers to other investment choices within the Plan. The occurrence of an event that limits the ability of the investment to transact at contract value was not considered probable.

NOTE 7 – PLAN TERMINATION

On October 24, 2022, Peoples Bancorp Inc., an Ohio corporation ("Peoples"), and Limestone Bancorp, Inc. (the "Company"), entered into an Agreement and Plan of Merger (the "Merger Agreement") pursuant to which the Company agreed to merge with and into Peoples (the "Merger"). The Merger Agreement provides that the Company's wholly-owned banking subsidiary, Limestone Bank, Inc., would be merged with and into Peoples' wholly-owned banking subsidiary, Peoples Bank (the "Bank Merger"), following the Merger. The Merger was effective as of the close of business on April 30, 2023.

In conjunction with the Merger, the Limestone Board adopted a resolution approving the termination of the Plan immediately prior to the effective date of the Merger. Following this date, Peoples, as successor in interest to Limestone, began the process of requesting a determination from the IRS that the termination of the Plan is in compliance with Section 401(a) of the Code (the "Determination Letter") and began distributing benefits under the Plan to plan participants. Each participant's proportional interest became fully vested upon the completion of the Merger and subsequent discontinuance of contributions. All distributions out of the Plan were completed by November 1, 2024.

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

Parties in interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. The Plan holds an investment contract managed by Transamerica Life Insurance Company. Transactions in the investment and the Plan's payment of administrative fees qualify as party-in-interest transactions. The Plan paid \$66,920 and \$81,304 in 2024 and 2023, respectively, in administrative expenses to parties-in-interest.

During 2024, the Plan paid \$56,657 in administrative expenses to Transamerica Life Insurance Company, \$5,796 in administrative expenses to Envestnet Retirement Solutions LLC for investment advisory services, and \$4,467 in administrative expenses for accounting services provided.

During 2023, the Plan paid \$73,530 in administrative expenses to Transamerica Retirement Solutions, and \$7,774 in administrative expenses to Envestnet Retirement Solutions LLC for investment advisory services.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company.

NOTE 9 – SUBSEQUENT EVENTS

Plan Management has evaluated subsequent events for recognition and disclosure through September 15, 2025, which is the date the financial statements were available to be issued.
