Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: S.R. SNODGRASS, P.C.

(2) EIN: 25-1616561

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		500000

INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Participants
Main Street Bank Combined 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Main Street Bank Combined 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023; the related statement of changes in net assets available for benefits for the year ended December 31, 2024.; and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Opinion (Continued)

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at end of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matters (Continued)

Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MAIN STREET BANK COMBINED 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2024

NOTE 1 – DESCRIPTION OF PLAN

The following description of Main Street Bank Combined 401(k) Plan (the “Plan”) provides only general information. Effective May 13, 2024, the Plan was amended in conjunction with a merger of the previous plan sponsor, Wayne Savings Community Bank, with Main Street Bank Corp. (the new “Plan Sponsor”). Upon change in the Plan Sponsor, the name of the Plan was also amended from the “Wayne Savings Community Bank 401(k) Plan” to the “Main Street Combined 401(k) Plan.” The employees of the previous 401(k) plan for Main Street Bank Corp., prior to the merger were allowed an opportunity to roll their contributions into the Plan at that time, which are reflected as rollover contributions in the current period. Participants should refer to the Plan description for a more complete description of the Plan’s provisions, which are available from the Plan Administrator.

General: The Plan is a defined contribution plan sponsored by Main Street Bank Corp. (the “Company”) for the benefit of its employees who are age 18 or older. Otherwise, employees begin receiving the Company safe harbor match after one year of employment and 1,000 or more employment hours. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan’s Employee Benefits Administrative Committee determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Contributions: The Plan permits eligible employees through a salary deferral election to have the Company make annual contributions of up to 50 percent of eligible compensation, as defined in the Plan, subject to certain Internal Revenue Service (IRS) limitations. Eligible participants who are 50 or older are also able to make catch-up contributions, subject to certain IRS limitations. The Company makes safe harbor matching contributions of 100 percent of employees’ salary deferral amounts up to 4 percent and 50 percent of the next 2 percent of employees’ salary deferral amounts. Company profit-sharing contributions are discretionary as determined by the Company’s Board of Directors. During 2024 and 2023, no discretionary profit-sharing contributions were made.

Participant Accounts: Each participant’s account is credited with the participant’s contribution, the Company’s safe harbor matching contribution, and allocation of (a) the Company’s discretionary contribution, (b) Plan earnings, and (c) administrative expenses. Allocations are based on a uniform percentage of Plan compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Participant-Directed Investment Options: Upon enrollment in the Plan, a participant may direct contributions to any investment options available, with varying degrees of risk and volatility, allowing participants to allocate their investments in accordance with their own risk tolerance and time horizon. Participants may change their allocation on a daily basis.

Vesting: Participants are immediately vested in both their voluntary contributions plus earnings thereon and the Company’s contribution portion of their accounts plus earnings thereon.

Notes Receivable From Participants: The Plan Document includes provisions authorizing loans from the Plan to active, eligible participants. Loans are made to any eligible participant demonstrating a qualifying need. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50 percent of their vested account balance. Participants may only have one loan outstanding at a time. The loans are secured by the balance in the participant’s account and bear interest at prime plus 1 percent. Principal and interest are paid ratably through payroll deductions unless the participant is paying the loan in full. Loan terms do not exceed five years (except for loans for the purchase of a principal residence).

MAIN STREET BANK COMBINED 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2024 (Continued)

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Payments of Benefits: Upon termination of service, death, disability, or retirement, an employee may elect to receive a lump-sum amount equal to the value of his or her account or may also elect to receive a partial sum of at least \$500. In-service distributions for hardships or upon reaching age 59½ are permitted. Distributions are to be made in cash or, if the participant elects, in the form of Company common shares plus cash for any fractional share. At December 31, 2024 and 2023, no Plan assets were allocated to accounts of terminated or retired participants who have elected to withdraw from the Plan but have not yet been paid.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from these estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Employee Benefits Administrative Committee determines the Plan's valuation policies, utilizing information provided by the investment custodian. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. After a note receivable is 90 days delinquent, the notes receivable from participants are reclassified as deemed distributions, and the borrower will receive a 1099-R in line with the terms of the Plan Document. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

Payment of Benefits: Benefit payments to participants are recorded upon distribution.

Administrative Expenses: Administrative expenses may be paid by the Company or the Plan, at the Company's discretion. Certain administrative expenses, such as recordkeeping fees and auditor fees, are paid by the Company and are excluded from these financial statements. Additionally, the Company provides services to the Plan at no cost to the Plan.

Subsequent Events: Management has reviewed events occurring between December 31, 2024, and August 22, 2025, the date the financial statements were issued, and no subsequent events occurred requiring accrual or disclosure.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The financial statements as of December 31, 2024 and 2023, and for the year ended December 31, 2024, were prepared from information provided by Mid-Atlantic Trust Company, which they certified to be complete and accurate, to the best of their knowledge. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan’s independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedules. Following is a summary of the unaudited information included in the Plan’s financial statements and supplemental schedules that was prepared by the custodians of the Plan and furnished to the Plan Administrator.

	2024	2023
Investments at fair value:		
Cash	\$ 116,759	\$ -
Investments, at fair value	8,564,002	5,367,978
Total assets at fair value	\$ 8,680,761	\$ 5,367,978

The custodians also certified the completeness and accuracy of 832,093 of net appreciation in fair value of investments, and 109,690 of interest and dividend income for the year ended December 31, 2024.

NOTE 4 – FAIR VALUE MEASUREMENTS

The following disclosures show the hierarchal disclosure framework associated with the level of pricing observations utilized in measuring assets and liabilities at fair value. The three broad levels defined by U.S. generally accepted accounting principles are as follows:

- Level I: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level II: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.
- Level III: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

YEAR ENDED DECEMBER 31, 2024 (Continued)

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Mutual Funds:

Mutual funds are valued at the daily closing price, as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded, and include bonds, equities, and balanced funds.

Plan Sponsor Unitized Stock Fund:

Mid-Atlantic Trust Company manages unitization of shares of Main Street Financial Services, Corp. common stock subject to the terms of its custodial agreement with the Plan Sponsor. The Plan Sponsor agrees to price and execute trades at the computed net asset value as established by Mid-Atlantic Trust Company. The unitization formula is comprised of a weighing of the underlying stock’s published closing price and the cash liquidity of the account. The NAV of the unitized fund is based on the underlying share price of Main Street Financial Services, Corp. common stock, which is derived from the active trade observations in the open market.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2024 and 2023:

		December 31, 2024			
		Level I	Level II	Level III	Total
Mutual funds	\$	7,649,369	\$ -	\$ -	\$ 7,649,369
Unitized Stock Fund		914,633	-	-	914,633
Total assets at fair value	\$	8,564,002	-	-	\$ 8,564,002
		December 31, 2023			
		Level I	Level II	Level III	Total
Mutual funds	\$	4,524,326	\$ -	\$ -	\$ 4,524,326
Unitized Stock Fund		843,652	-	-	843,652
Total assets at fair value	\$	5,367,978	-	-	\$ 5,367,978

NOTE 5 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions, as defined under Department of Labor Regulations, include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2024 (Continued)

NOTE 5 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS (Continued)

The Plan invests in the common stock of the Company through the Plan Sponsor unitized stock fund. Additionally, the Plan holds party-in-interest receivables of \$86,461 and \$17,722 as of December 31, 2024 and 2023, respectively, in the form of participants' note receivables as well as interest thereon.

Related-party transactions include the expenses paid by the Plan Sponsor on behalf of the Plan. During the year ended December 31, 2024, such expenses amounted to \$21,777.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

NOTE 7 – INCOME TAX STATUS

July Business Services, sponsor of the preapproved Plan Document, has obtained an opinion letter dated June 30, 2020, in which the IRS stated that the non-standardized preapproved Plan Document was in compliance with applicable requirements of the Internal Revenue Code (IRC). The Plan Sponsor adopted this non-standardized preapproved Plan Document on January 1, 2021. The non-standardized preapproved plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

In accordance with GAAP, Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan holds various investments. Investment securities are exposed to various risks such as interest rates, market, and credit. Market risks include global events that could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that change in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.
