## **INDEPENDENT AUDITOR'S REPORT**

To the Plan Administrator of the  
Lifeline Ambulance Service, LLC 401(k) Profit Sharing Plan & Trust

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of the Lifeline Ambulance Service, LLC 401(k) Profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Emphasis of Matter – Plan Termination and Liquidation Basis**

As discussed in Note 2 to the financial statements, management has elected to terminate the Plan effective July 31, 2024, and management has determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis of accounting used in presenting the 2023 financial statements to the liquidation basis of accounting used in presenting the 2024 financial statements. Our opinion is not modified with respect to this matter.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Respectfully submitted,

## **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023**

### ***Note 1*** **Description of the Plan**

The following description of the Lifeline Ambulance Service, LLC 401(k) Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

### **Plan Termination**

The Plan sponsor elected to terminate the Plan effective July 31, 2024. All assets of the Plan were distributed prior to December 31, 2024.

The following information is for periods prior to the Plan's termination.

### **General**

The Plan is a defined contribution plan covering all eligible employees of Lifeline Ambulance Service, LLC (the Company) who are at least 21 years of age and have completed one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In December 2022, the Company's assets were sold to an unrelated ambulance company. As such, there were no active employees and no contributions during 2024.

### **Plan Administration**

The Plan is administered by a Trustee appointed by the Board of Directors of the Company. The Company serves as the Plan administrator. ADP, LLC is the recordkeeper of the Plan. Reliance Trust Company is the custodian and trustee of the Plan.

### **Contributions**

Each year participants may contribute up to the Internal Revenue Service (IRS) limitation. The Plan allows for discretionary employer matching and profit sharing contributions. The Company matches 100% of salary deferrals up to 2.5% of eligible employee compensation. There are no profit sharing contributions in 2024 and 2023.

### **Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in all Company contributions is as follows:

<b>Years of Service</b>	<b>Contribution Vesting Percentage</b>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

# ***LIFELINE AMBULANCE SERVICE, LLC*** ***401(k) PROFIT SHARING PLAN & TRUST***

## **NOTES TO FINANCIAL STATEMENTS** **DECEMBER 31, 2024 AND 2023**

### ***Note 1*** **Description of the Plan - Continued**

Years of service is defined as 1,000 hours of service within the Plan calendar year.

Upon termination of the Plan, all participants became fully vested in their account.

#### **Participant Accounts**

Participants direct the investment of their contributions and the Company's contributions into the various investment options offered by the Plan. Each participant's account is credited with the participant's contribution, Company matching contributions, actual earnings or losses and allocations of (a) the Company's profit-sharing contributions and (b) administrative expenses of the Plan, and charged for any benefit withdrawals. Allocations of profit-sharing contributions and plan expenses are based on participant compensation and account balances, respectively. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Distributions**

Upon retirement or termination of employment, the value of the vested portion of the participant's account will be distributed to the participant in a lump-sum payment, if the vested portion is not more than \$5,000. If the vested portion is more than \$5,000, the payout will be in the form of an annuity or a lump sum payment; participants may elect to keep their money in the Plan until such time they elect a form of distribution.

#### **Notes Receivable from Participants**

Participants may borrow a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance from their fund accounts. Loan terms range from 1 - 5 years, which may be extended for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a fixed rate of prime rate plus 1% at the date of the loan application. Principal and interest are paid ratably through payroll deductions.

#### **Forfeitures**

As of December 31, 2024 and 2023, there are no unallocated forfeitures. Forfeitures are used to pay plan expenses or offset future employer contributions to the Plan. In 2024, no forfeitures were used to pay plan expenses or offset employer contributions to the Plan.

### ***Note 2*** **Summary of Significant Accounting Policies**

#### **Basis of Accounting**

As a result of the decision to terminate the Plan, management determined that liquidation of the Plan is imminent and the financial statements for 2024 have been prepared using the liquidation basis of accounting. The 2023 financial statements were prepared as a going concern on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

***Note 2***     **Summary of Significant Accounting Policies - Continued**

**Subsequent Events**

In preparing the financial statements, management has evaluated events and transactions for potential recognition or disclosure through September 12, 2025, the date that the financial statements were available to be issued.

**Payment of Benefits**

Benefits are recorded when paid.

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Administrative Expenses**

The Plan pays most of the significant expenses associated with the administration of the Plan. Certain administrative expenses are paid by the Company. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation in fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

**Risks and Uncertainties**

The Plan invests in investment securities which are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as inflation, a pandemic, or international conflict.

***Note 3***     **Certified Information**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, and the related investment activity (including interest and dividend income and net appreciation in fair value of investments) reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2024.

## **NOTES TO FINANCIAL STATEMENTS** **DECEMBER 31, 2024 AND 2023**

### ***Note 4*** **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan follows the fair value measurement guidance required by accounting principles generally accepted in the United States of America for financial and nonfinancial assets and liabilities. This guidance defines fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

**Registered Investment Companies:** These investments are valued using the net asset value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, then divided by the number of shares outstanding. The NAV is a quoted price in an active market.

**Common/Collective Trust Fund:** Valued at NAV based on the underlying assets of the trust. The NAV is used as a practical expedient to estimate fair value and is obtained from information provided by the investment advisor using the audited financial statements of the common collective trust at year end.

# ***LIFELINE AMBULANCE SERVICE, LLC*** ***401(k) PROFIT SHARING PLAN & TRUST***

## **NOTES TO FINANCIAL STATEMENTS** **DECEMBER 31, 2024 AND 2023**

**Note 4 Investment Valuation and Income Recognition - Continued**

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	<b>2023</b>	
	<u><b>Level 1</b></u>	<u><b>Total</b></u>
Registered Investment Companies	\$ 1,190,539	\$ 1,190,539
Common/Collective Trusts Measured at NAV <sup>(a)</sup>	-	107,988
<b>Total Investments, at Fair Value</b>	<u>\$ 1,190,539</u>	<u>\$ 1,298,527</u>

(a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Note 5 Tax Status**

The Plan adopted a non-standardized pre-approved profit sharing plan sponsored by ADP, LLC. The pre-approved profit sharing plan received its latest determination letter, dated October 6, 2020, from the IRS. In the determination letter, the IRS stated that the pre-approved profit sharing plan is in compliance with the applicable requirements of the Internal Revenue Code (IRC). The pre-approved profit sharing plan's opinion letter has been relied upon by the Plan. The Plan has been amended since receiving the determination letter. The Plan Administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
