INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Trustees of the
Neuco, Inc. 401(k) Plan
Bolingbrook, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Neuco, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Neuco, Inc 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit

of the Financial Statements section of our report. We are required to be independent of Neuco, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Neuco, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore there is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than the one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Neuco, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Neuco, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rule and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE A--DESCRIPTION OF PLAN

The following brief description of the Neuco, Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is sponsored by Neuco, Inc. (the "Company") for employees that meet specific eligibility requirements. The Plan, designated as a defined contribution plan, was established on January 1, 1989, and most recently amended and restated effective January 1, 2022. The Plan provides for contributions to be made under salary deferral agreements pursuant to Section 401(k) of the Internal Revenue Code (the "Code").

The Plan is subject to the provisions of the Employee Retirement Income and Security Act of 1974 ("ERISA").

The Plan Administrator and Plan Trustees are responsible for oversight of the Plan, determining the appropriateness of investment offerings, and monitoring investment performance.

Contributions

Eligible participants may elect to contribute pre-tax deferred compensation and/or Roth deferred compensation to the Plan by means of a salary deferral agreement up to the maximum limit permitted by federal law. Contributions are subject to limitations as provided in the Code and as described in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover) in accordance with the Plan provisions.

The Company's Board of Director's (the "Board") has the discretion to contribute a profit-sharing contribution to the Plan at the end of the Plan year in accordance with Plan provisions. Discretionary matching contributions, if any, are based on a percentage determined by the Board and applied to elective deferrals. Matching contributions are based upon eligible contributions of all eligible participants.

The Company matches 200% of the first \$500 contributed by the participant and 100% of participant contributions over \$500 up to 6% of eligible wages.

Employees of the Company having reached the age of eighteen are eligible to participate in the first month after the employment service requirement is met. Employees must be employed on the last day of the Plan year and have completed a twelve consecutive month period during which 1,000 hours of service has been attained to be eligible to share in the discretionary profit-sharing and matching contributions, if any.

Salary deferral contributions are funded proximate to the withholding date. Discretionary profit-sharing, if any, is funded annually after the close of the Plan year and within statutory time frames. Matching contributions, if any, are funded proximate to the withholding date. All contributions invested are directed by the participant in various investment options offered by the Plan.

Neuco, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE A--DESCRIPTION OF PLAN-continued

Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's discretionary profit-sharing and/or matching contributions, if any, and allocations of (a) Plan earnings or losses, and (b) charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant account balances or compensation, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment in the Plan, participants direct their contributions into a variety of investment choices as more fully described in the Plan's literature. Participants may change their investment options at any time in accordance with Plan provisions. During any period in which there is no participant direction on file with the Custodian as to the investment of a participant's account, 100% of that participant's account will be invested in the investment option designated from time to time by the Custodian as the default investment. The Plan currently offers various investment options for participants, including registered investment companies, a fixed annuity fund and self-directed brokerage accounts.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's discretionary profit-sharing and/or matching portion of their accounts plus actual earnings thereon is based on years of credited service as presented below. Participants who attain the normal retirement age of 65, or who terminate employment due to death or disability become 100% vested in their account balances.

Discretionary profit-sharing:

A participant is 100% vested after three years of credited service.

<u>Years of Credited Service</u>	<u>Vested Percentage</u>
1	0%
2	0%
3	100%

Company match:

A participant is 100% vested after one year of credited service.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, reduced by the highest outstanding loan balance during the prior twelve-month period. The note is secured by a participant's vested account balance and bears a reasonable rate of interest as determined by the Plan Administrator. The rate is based upon interest rates at loan inception that are commensurate with prevailing rates for loans made under similar circumstances. Loans are for a period not to exceed five years unless for the purchase of the participant's principal residence, in which case the Plan Administrator may permit a longer repayment term, up to ten years. Principal and interest are repaid ratably through payroll deductions. The interest rate applied to current loans outstanding ranges from 4.25% to 9.50%.

NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE A--DESCRIPTION OF PLAN-continued

Payment of Benefits

Upon termination of employment due to death, disability, retirement or Plan termination, a participant is entitled to 100% of their account balance in a lump-sum cash distribution, or as a direct rollover to an individual retirement account ("IRA"). For termination of employment for other reasons, a participant is entitled to a lump-sum cash distribution of 100% of the participant's contributions and the vested portion of the Company's contributions based upon the Plan's vesting provisions.

All distributions will be made as soon as administratively feasible following the distribution determination dates. However, those account balances in excess of \$5,000 (not including rollover account balances), will be made as soon as administratively feasible following the date the Plan Administrator receives a written request for distribution. In-service withdrawals, subject to certain restrictions, are also permitted. Hardship withdrawals are not permitted.

Mandatory distributions greater than \$1,000, may be paid in a direct rollover to an IRA designated by the Plan Administrator. These distributions will be made if the participant does not elect to have such distribution paid directly to an eligible retirement plan specified by the participant in a direct rollover or does not elect to receive the distribution directly.

Forfeited Accounts

If a participant is not fully vested upon termination, the nonvested portion of the account is forfeited. Forfeitures may be used to offset the administrative expenses of the Plan and to reduce Company discretionary profit sharing and/or matching contributions. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$3,889 and \$35,516, respectively. During the Plan year ended December 31, 2024, \$93,381 of forfeited non-vested accounts were used by the Plan to reduce Company discretionary profit sharing and/or matching contributions.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-continued

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fixed annuity contract, which is at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment Custodian and insurance company. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation / depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loans to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation / depreciation of the fair value of investments.

Subsequent Events

The Plan Administrator has evaluated subsequent events through September 11, 2025, which is the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE C--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for Plan assets measured at fair value. There has been no changes in the methodologies used at December 31, 2024 and 2023.

Registered investment companies: Registered investment companies' value mutual funds at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Self-directed brokerage accounts primarily consist of exchange traded funds and common stocks that are determined by obtaining quoted prices on nationally recognized securities exchanges.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE C--FAIR VALUE MEASUREMENTS-continued

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

NOTE D--INFORMATION CERTIFIED BY CUSTODIAN (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation / (depreciation) in the fair value and contract value, as applicable, of investments, interest and dividends for the year ended December 31, 2024, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the Custodians. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to such information certified by the Custodians, as of December 31, 2024 and 2023 and for the year ended December 31, 2024.

Except for comparing such information to the information included in the Plan's financial statements and supplemental schedule, the Plan's independent auditors did not perform any auditing procedures on the certified information.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

Interest income - self-directed brokerage investment income	24,651	
Interest income on notes receivable from participants	26,865	

NOTE E--FIXED ANNUITY

The Plan has a fully benefit-responsive fixed annuity investment contract, the Key Guaranteed Portfolio Fund (the "KGP Fund"), with Empower Annuity Insurance Company of America during the year ending December 31, 2023. During 2024, the Plan transferred its fund selection to the EI Fixed Account – Series Class III (the "EI Fund"), with Empower Annuity Insurance Company of America. The KGP Fund was credited with the accumulation of contributions that are allocated to the KGP Fund, plus interest credited to the Fund on an annual effective basis pursuant to the guaranteed interest rate and charged for any amounts transferred or distributed and any administrative expenses. The EI Fund is credited with the accumulation of contributions that are allocated to the EI Fund, plus interest credited to the Fund on a quarterly effective basis pursuant to the guaranteed interest rate and charged for any amounts transferred or distributed and any administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

With traditional investment contracts, the Plan owns only the contract itself. With synthetic investment contracts, the Plan owns the underlying assets of the synthetic investment contract. The Fund is deemed to be a traditional investment contract.

Because the funds are fully benefit-responsive, contract value is considered the relevant measurement attribute for that portion of the net assets available for benefits attributable to the Fund. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The contract value of the Funds on December 31, 2024, and 2023 was \$5,411,733 and \$218,450, respectively. Interest is credited to a participant's account daily, based on its daily balance at the established effective rate of interest that reflects the performance of the underlying portfolio. The Fund's crediting interest rate is determined by the Custodian prior to the last day of the previous calendar quarter and is the periodic interest rate accrued to Plan participants.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE E--FIXED ANNUITY-continued

The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include premature termination of the contracts by the Plan, Plan termination, bankruptcy of the Plan Sponsor or failure of the trust to qualify for federal income tax exemption. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with the issuer or with participants are probable of occurring.

Either party may terminate the investment contract with at least 90 days advance written notice to the other party. If the Fund were to be discontinued, the value of the funds to be disposed of would be determined in accordance with contract provisions, which included an interest component. There are no reserves for credit risk of the contract issuer or otherwise.

NOTE F--RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed by the Custodians and therefore qualify as party-in-interest transactions. Empower (the "recordkeeper") performs administrative and recordkeeping services for the Plan. Fees paid by the Company to the Custodians and the recordkeeper and other service providers are not material to the financial statements.

Certain employees of the Company provide administrative services for the Plan and are not reimbursed by the Plan for their services.

NOTE G--PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE H--TAX STATUS

On June 30, 2020, the Internal Revenue Service ("IRS") stated that the prototype plan document, subsequently adopted by the Plan, as then designed, qualified under section 401(k) of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself; however, the Plan Administrator and the Plan's legal counsel believe that the Plan is designed and is currently operated in compliance with applicable requirements of the IRC, and therefore believe that the Plan is qualified, and the related Trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE I--RISKS AND UNCERTAINTIES

The Plan's assets are invested directly and indirectly in various investment securities. These investments are exposed to various risks such as interest rate, market, and credit risks. The Plan's assets are subject to the changes in the value of its underlying investments, including the potential for bankruptcy of one or more of the companies in which they are invested.

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

The participants who have borrowed from the Plan are all employees of the Company and their ability to repay the notes could be affected by the economic conditions in the industry in general or the economic situation of the Company itself.
