## Independent Auditor's Report

Participants and Investment Committee  
Midwest Gaming & Entertainment, LLC 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Midwest Gaming & Entertainment, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter—Supplemental Schedules Required by ERISA**

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2024 and supplemental schedule of assets (held at end of year) as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Midwest Gaming & Entertainment, LLC 401(k) Plan

### Notes to Financial Statements

#### Note 1. Description of the Plan

The following description of the Midwest Gaming & Entertainment, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General:** The Plan, as amended, is a defined contribution plan sponsored by Midwest Gaming & Entertainment, LLC (the Company) for the benefit of eligible employees who have reached age 18 and have completed six months of continuous service, as defined in the Plan. Employees may begin participating in the Plan on the first day of the month subsequent to meeting eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions:** Participants may contribute up to 75% of pre-tax annual compensation, as defined. The Plan also provides for automatic enrollment with 2% of compensation deducted, unless the employee affirmatively opts out of Plan participation. Effective January 1, 2016, the Plan was amended to include an increase in the automatic enrollment deferral rate by 1% each year until it reaches a maximum of 5%, unless the participant elects otherwise. Effective November 1, 2020, the automatic deferral rate increase provision is capped at 10%, unless the participant elects otherwise. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions, as defined.

The Company elected to have a safe harbor plan in which the Company will make Company matching contributions equal to 100% of the first 3% of compensation that a participant contributes to the Plan and 50% of the next 2% of compensation. The Company may make additional discretionary matching contributions at the end of the plan year in an amount equal to a percentage of the amounts contributed by eligible employees, at the discretion of the Company. No additional discretionary matching contributions were made in 2024. Contributions are subject to certain limitations.

**Investment options:** Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers various shares of registered investment companies and a money market fund as investment options for participants. Participants may change their investment options daily.

**Notes receivable from participants:** Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding loan balance on their account during the prior 12-month period, or 50% of their vested account balance. A participant is limited to one outstanding note at any time. The loans are secured by the balance in the participant's account and bear interest at rates that range from 5.25% to 10.50% as of December 31, 2024, which is commensurate with local prevailing rates at the time of the loan origination as determined by the Plan Administrator. Loans may not exceed five years unless the purpose of the loan is to acquire a primary residence in which case they may not exceed ten years. Principal and interest are paid ratably through payroll deductions.

**Participant accounts:** Each participant's account is credited with the participant's contribution, Company matching contributions and Company discretionary matching contributions, if any, and receives allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

#### Note 1. Description of the Plan (Continued)

**Vesting:** Participants are immediately vested in their contributions and in the Company's safe harbor and discretionary matching contribution portion of their accounts plus actual earnings thereon.

**Payment of benefits:** On termination of service due to death, disability or retirement, a participant or beneficiary may receive a lump-sum amount equal to the value of the participant's interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the interest in his or her account as a lump-sum distribution. If a participant's vested benefit is more than \$1,000 but equal to or less than \$5,000 upon termination of service, the Plan Administrator is required to distribute the benefit into an Individual Retirement Account without consent from the participant if the participant does not make a distribution election after receiving the required notification. If a participant's vested benefit is less than \$1,000 upon termination of service, the Plan Administrator is required to distribute the benefit directly to the participant without consent. Hardship and in-service withdrawals are permitted as described in the Plan document.

**Administrative expenses:** The Plan is responsible for payment of investment advisory and recordkeeping fees; however, the Company may pay the Plan's expenses directly. Expenses that are paid by the Company are excluded from these financial statements. Certain transaction costs, such as benefit payment fees, are charged directly to individual Plan participants' accounts.

#### Note 2. Summary of Significant Accounting Policies

**Basis of accounting:** The Plan's financial statements are prepared on the accrual basis of accounting.

**Use of estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

**Investment valuation and income recognition:** Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes receivable from participants:** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

**Contributions:** Contributions from Plan participants and Company matching contributions are recorded in the year in which the employee contributions are withheld from compensation. In a year where there is a discretionary matching contribution from the Company, such contribution is funded subsequent to the applicable plan year but is recorded in the year in which the contribution pertains to.

**Payment of benefits:** Benefits are recorded when paid.

#### Note 3. Information Provided and Certified by Fidelity Management Trust Company (the Trustee)

The following is a summary of the Plan's asset information as of December 31, 2024 and 2023, and income information for the year ended December 31, 2024, included throughout the Plan's financial statements and supplemental schedules that was prepared by or derived from information provided by the Trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that information provided to the Plan Administrator by the Trustee related to the following assets and income is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedules related to the following assets and income:

	2024	2023
Shares of registered investment companies, including money market funds	<u>\$ 70,750,962</u>	<u>\$ 59,003,986</u>
Notes receivable from participants	<u>\$ 3,149,322</u>	<u>\$ 2,547,280</u>
Net appreciation in fair value of investments	<u>\$ 6,755,859</u>	
Interest income and dividends	<u>\$ 1,754,839</u>	
Interest income on notes receivable from participants	<u>\$ 240,461</u>	

#### Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Accounting Standards Codification (ASC) 820 are described as follows:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

## Midwest Gaming & Entertainment, LLC 401(k) Plan

### Notes to Financial Statements

---

#### Note 4. Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

**Shares of registered investment companies, including money market funds:** Valued at the daily closing price as reported by the fund. Shares of registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level within the fair value hierarchy the Plan's assets measured at fair value on a recurring basis as of December 31, 2024 and 2023:

	2024			
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies including money market funds	\$ 70,750,962	\$ -	\$ -	\$ 70,750,962
Investments at fair value	\$ 70,750,962	\$ -	\$ -	\$ 70,750,962

  

	2023			
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies including money market funds	\$ 59,003,986	\$ -	\$ -	\$ 59,003,986
Investments at fair value	\$ 59,003,986	\$ -	\$ -	\$ 59,003,986

**Changes in fair value levels:** To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2024, there were no transfers in or out of Level 3.

#### Note 5. Related-Party Transactions

Certain Plan investments are shares of registered investment companies managed by an affiliate of Fidelity Management Trust Company (Fidelity). Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid to Fidelity by the Plan amounted to \$21,604 for the year ended December 31, 2024.

Certain employees of the Company provide administrative services to the Plan and are not reimbursed for their services from the Plan. Certain other expenses of the Plan are paid by the Company on behalf of the Plan.

#### Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA.

#### Note 7. Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2024 and 2023:

Investments-participant loans	3,149,322	2,547,280
Net assets available for benefits per Form 5500	<u>\$ 73,900,284</u>	<u>\$ 61,551,266</u>

The following is a reconciliation of changes in net assets available for benefits for the year ended December 31, 2024, per the financial statements to Form 5500:

Change in net assets available for benefits per the financial statements	\$ 11,978,019
Company contributions	139,482
Participant contributions	231,517
Interest income on participant loans	19,988
Benefit payments	(19,988)
Change in net assets available for benefits per Form 5500	<u>\$ 12,349,018</u>

#### Note 8. Tax Status

The Plan adopted a pre-approved prototype plan sponsored by Fidelity Management & Research Co. The pre-approved prototype plan has received an opinion letter, dated June 30, 2020, from the Internal Revenue Service (IRS) stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC) and any employer adopting this pre-approved prototype plan will be considered to have a plan qualified under the IRC. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since the receipt of the opinion letter; however, the Plan Administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that's more likely than not to occur upon examination by the IRS. Management evaluated the Plan's tax positions and concluded that no uncertain tax position exist. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any periods in progress.

#### **Note 9. Risk and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### **Note 10. Nonexempt Transactions**

During 2024, the Plan Sponsor inadvertently failed to deposit \$129 of participant contributions within the required time frame as stated by the DOL regulations. The Plan Sponsor intends to deposit lost interest to correct this failure in 2025.

#### **Note 11. Subsequent Events**

The Plan Administrator has evaluated subsequent events for potential recognition and/or disclosure through September 15, 2025, the date the financial statements were available to be issued.
