Independent Auditors' Report

To the Pension Committee
Legal Aid Society of Cincinnati Money Purchase Pension Plan
Cincinnati, Ohio

Opinion

We have audited the accompanying financial statements of Legal Aid Society of Cincinnati Money Purchase Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Legal Aid Society of Cincinnati Money Purchase Pension Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Legal Aid Society of Cincinnati Money Purchase Pension Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Legal Aid Society of Cincinnati Money Purchase Pension Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Independent Auditors' Report
(Continued)**

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Legal Aid Society of Cincinnati Money Purchase Pension Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Legal Aid Society of Cincinnati Money Purchase Pension Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Independent Auditors' Report
(Continued)**

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

LEGAL AID SOCIETY OF CINCINNATI MONEY PURCHASE PENSION PLAN

Notes to Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of Legal Aid Society of Cincinnati Money Purchase Pension Plan (the "Plan") have been prepared on the accrual basis.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Investment securities, in general, are exposed to various risks such as interest rate, credit and overall market volatility risks. Market risks include global events which could impact the value of the investment securities, such as a pandemic or global conflict. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit Payments

Benefit payments are recorded when paid.

Related Party Transactions

Legal Aid Society of Cincinnati (the "Company") provides the Plan with certain accounting and administrative services for which no fees are charged.

In December 31, 2024 and 2023, certain Plan investments were invested in funds with Charles Schwab & Co., Inc. Charles Schwab & Co, Inc. is the asset custodian as defined by the Plan. Therefore, these transactions qualify as party-in-interest.

Expenses

Certain expenses and costs of the Plan were paid by the Company and, accordingly, are not reflected in the Plan's financial statements. Certain investment-related expenses are included in net appreciation of fair value of investments.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Event Evaluation

Subsequent events were evaluated through June 4, 2025, which is the date the financial statements were available to be issued.

NOTE 2 DESCRIPTION OF PLAN

The following description of the Legal Aid Society of Cincinnati Money Purchase Pension Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of the Company who have three months and 1,000 hours of service. Once eligibility requirements are met employees are automatically enrolled in the Plan. The Plan includes employees of the Legal Aid Society of Greater Cincinnati and the Legal Aid Society of Southwest Ohio, which together form the Company. The Plan was established by the Company effective November 1, 1981 and subsequently amended and restated in its entirety effective July 1, 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan does not allow for employee or rollover contributions. The Company makes contributions to the Plan equal to 8% of eligible participants' compensation, as defined. The Company made contributions of \$476,559 for December 31, 2024, which meets the minimum funding requirements of ERISA.

Participant Accounts

Each participant's account is credited allocations of (a) the Company's contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Non-Participant Directed Accounts

All participant accounts are maintained in investment funds directed by the Company.

LEGAL AID SOCIETY OF CINCINNATI MONEY PURCHASE PENSION PLAN

Notes to Financial Statements (Continued)

NOTE 2 DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are vested in their share of employer contributions plus actual earnings thereon as follows:

<u>Vesting Years</u>	<u>Non-Forfeitable Percentage</u>
Less than 2	0%
2	20%
3 - 4	75%
5	100%

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, a joint and 75% survivor annuity or a rollover.

In-service distributions are permissible from the Plan for participants that have attained the age of 65.

Forfeitures

Forfeitures occurring during the year serve to restore participant's forfeitures who are reemployed and bought back into the Plan and offset Plan expenses or employer contributions. During 2024, \$5,572 of forfeitures were used to offset employer contributions. At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$-0-.

NOTE 3 FAIR VALUE MEASUREMENTS

Under applicable GAAP for fair value measurements and disclosures, a three-level hierarchy is established for fair value measurements based on transparency of valuation inputs as of the measurement date. The hierarchy is based on the lowest level of input that is significant to the fair value measurement.

The three levels are defined as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

LEGAL AID SOCIETY OF CINCINNATI MONEY PURCHASE PENSION PLAN

Notes to Financial Statements (Continued)

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 – Inputs are unobservable and reflect management’s best estimates of what market participants would use as fair value.

Common stocks, mutual funds and other assets: Fair values are determined by reference to quoted market prices and other relevant information generated by market transactions. Common stocks, mutual funds and other assets are categorized as using Level 1 inputs.

Money market funds, corporate bonds and government bonds: Valued at the daily closing price as reported by the fund or bond. The money market account held by the Plan is an open-ended mutual fund that is registered with the Securities and Exchange Commission. Both money market funds and corporate bonds are required to publish their daily NAV and to transact at that price. The money market funds, corporate bonds, and government bonds held by the Plan are deemed to be actively traded.

The following table summarizes assets measured at fair value on a recurring basis at December 31:

	<u>2024</u>	<u>2023</u>
Level 1:		
Common stocks	\$ 1,964,331	\$ 1,772,358
Mutual funds	5,186,533	5,610,593
Level 2:		
Corporate bonds	4,313,685	3,988,638
Money market funds	<u>1,034,965</u>	<u>370,398</u>
Total	<u>\$ 12,499,514</u>	<u>\$ 11,741,987</u>

NOTE 4 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, all amounts credited to participants’ accounts will become fully vested and nonforfeitable.

NOTE 5 TAX STATUS

The Plan Sponsor has adopted a prototype plan which has received an opinion letter from the Internal Revenue Service dated June 30, 2020 which states the provider’s prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan itself has not received a determination letter from the IRS. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC. Therefore, no provisions for income taxes have been included in the Plan’s financial statements.
