## Independent Auditor's Report

The Audit and Investment Committee of Baptist Community Services  
Baptist Community Services 403(b) Plan  
Amarillo, Texas

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Baptist Community Services 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 and 5 to the financial statements, is complete and accurate.

### *Opinion on the Financial Statements*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the Financial Statements***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### ***Supplemental Schedules Required by ERISA***

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**BAPTIST COMMUNITY SERVICES 403(b) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation**

The accompanying financial statements of Baptist Community Services 403(b) Plan (the Plan) have been prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires Baptist Community Services (the Plan Administrator and Employer) to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

**Investments**

Investments are reported at fair value as determined by Benefit Plans Administrative Services, Inc. (BPAS), the recordkeeper of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of the mutual funds are based on quoted net asset values of the shares held. See Note 5 for discussion of fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable are reclassified based upon the terms of the Plan document.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

The Employer provides accounting and managerial services to the Plan at no charge. Administrative expense of \$98,660 and \$82,444 as of December 31, 2024 and 2023, respectively, reported in the statements of changes in net assets available for benefits are for fees incurred by the Plan for investment advisory and management services in the amount of \$89,866 and \$75,375, contract administrator fees of \$6,405 and \$5,869 and other fees of \$2,388 and \$1,200 as of December 31, 2024 and 2023, respectively.

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Secure 2.0**

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, which varying effective dates through 2027. The most significant changes impacting existing plan provisions included updates to required minimum distributions (RMDs) and hardship distribution rules, expanded eligibility of part-time employees, modification to catch-up contribution rules and options for the plan sponsor to make matching contributions to an employee's retirement account based on employee's student loan payment. SECURE Act 2.0 amendments must be adopted by December 31, 2025, calendar year plans. Plan documents are to be updated in accordance with the provisions of SECURE Act 2.0.

**NOTE 2 - DESCRIPTION OF THE PLAN**

The following description of the Plan is provided for general information. Participants should refer to the Plan agreement for more complete information concerning the Plan's provisions.

**General**

The Plan is a defined contribution plan covering all eligible employees of Baptist Community Services (the Company) who are at least 18 years of age. The participant can enter the plan the first day of employment. The employer match requires the participant to have one year of employment and have completed 1,000 hours of service. Effective on and after January 1, 2017, the Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective before January 1, 2017, this Plan was a governmental plan or non-electing church plan and as such was exempt from ERISA.

**Trust Fund Management**

The Audit and Investment Committee of Baptist Community Services serves as the Plan Administrator. The recordkeeper Benefit Plans Administrative Services, Inc. (BPAS), maintains trust fund records on a plan year basis. Amarillo National Bank is the Corporate Trustee of the Plan.

**Contributions**

Participants may make salary deferral contributions on either a tax-deferred basis or after-tax basis (Roth) through payroll deductions, as defined in the Plan, which are limited to certain amounts allowed under the Internal Revenue Code (IRC). For each Plan year, the Company will contribute for each participant an amount equal to 50% of the amount of the Participant's Elective Deferrals up to 6% of the Participant's compensation not to exceed 3% of Participant compensation.

Participants may also contribute amounts representing eligible rollover distributions from other qualified plans.

**December 31, 2024 and 2023**

**NOTE 2 - DESCRIPTION OF THE PLAN (CONTINUED)**

**Participant Accounts**

Each participant's account is credited with the participant's contribution under the salary reduction agreement and an allocation of 1) the Company contribution and 2) the Plan earnings. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Notes Receivable from Participants**

Participants may borrow from their fund accounts up to a maximum of \$50,000 or 50% of the participants vested balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at prime for five years. Principal and interest are remitted directly to the recordkeeper.

**Payment of Benefits**

On termination of service, a participant may elect to receive a lump sum amount equal to the value of the participant's account. During 2024 and 2023, upon termination, the Plan can involuntarily distribute vested account balances of less than \$7,000 and \$5,000, respectively, without participant consent to an IRA account in the participants name or a cash payment for balances of \$200 or less. If the vested account balance is greater than \$7,000 and \$5,000, respectively, the participant's consent is required. Required minimum distributions are allowed, and in-service distributions are allowed for employees over the age of 59½.

**Termination of the Plan**

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**Vesting**

Participants are immediately vested in their accounts under the voluntary salary reduction agreement, employer safe harbor matching, and the earnings thereon. Vesting in the remainder of their accounts is based on years of credited service. A participant is 100% vested after three years of credited service.

**Employee Investment Options**

The Plan allows participants to self-direct 100% of their share of Plan assets in a variety of funds approved by the Plan's Trustee. The Plan currently offers 32 funds as investment options for Plan participants. Changes in allocations between funds may be made at the employee's discretion.

**NOTE 2 - DESCRIPTION OF THE PLAN (CONTINUED)**

**Forfeitures**

The nonvested portion of a participant's account for termination of employment prior to normal retirement is considered a forfeiture. The Plan document permits the use of forfeitures to be used to reduce Employer contributions to the Plan. At December 31, 2024 and 2023, \$4,050 and \$32,393 of current year forfeitures remained uninvested in a cash account for future allocation. Employer contributions paid from the forfeited nonvested accounts for the year ended December 31, 2024 and 2023 were \$(26,280) and \$(2,122), respectively.

**NOTE 3 - TAX STATUS**

The Plan Administrator believes that the Plan has been designed to comply with the requirements of Section 403(b) of the Internal Revenue Code (Code) and, therefore, believes the Plan is qualified. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under section 403(b).

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 4 - INVESTMENTS**

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedule.

**NOTE 5 - FAIR VALUE MEASUREMENTS**

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). An assets fair value measurement level within the hierarchy is based on the lowest level of input that is significant to the valuation.

The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

- Level 1 - Inputs to the valuations methodology are based on quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.
- Level 2 - Inputs to the valuations methodology are based on quoted prices in markets that are not active or for which all significant inputs are observable either directly or indirectly.
- Level 3 - Inputs to the valuations methodology are based on inputs that are unobservable and significant to the overall fair value measurement.

When available, quoted market prices are used to determine the fair value of investments held in the Plan, and such items are classified within Level 1 of the fair value hierarchy. A description of the valuation methodologies used for instruments measured at fair value, as well as the general classification of such instruments pursuant to the valuation hierarchy, is set forth below. The level

**NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)**

to which an asset or liability is classified is based upon the lowest level of input that is significant to the fair value measurements.

The following is a description of the valuation methodologies used for instruments measured at fair value, as well as general classification of such instruments pursuant to the valuation hierarchy. There has been no change in methodologies at December 31, 2024 and 2023.

**Mutual Funds** - These investments are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan. They are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. These investments are classified as Level 1.

The following table represents the balances of the Plan's financial assets that were measured at fair value on a recurring basis as of December 31, 2024 and 2023:

**Investments at Fair Value on a Recurring Basis**

**NOTE 6 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

**NOTES TO FINANCIAL STATEMENTS**  
December 31, 2024 and 2023

**NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS**

The Employer provides certain administrative services to the Plan at no cost. These costs were not significant.

BPAS serves as the recordkeeper to maintain the individual accounts of each Plan Participant for the Plan's trustee. Fees incurred by the plan for the investment management services provided by BPAS are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Additionally, the plan made direct payments to the third party administrators of \$98,660 and \$82,444, which was not covered by revenue sharing for the years ended December 31, 2024 and 2023, respectively.

**NOTE 8 - RECENT ACCOUNTING PRONOUNCEMENTS**

The Plan assessed recent accounting pronouncements, noting none that would impact the financial statements or notes to the financial statements.

**NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500**

The following is a reconciliation of net assets available for Plan benefits per the financial statements to Schedule H of Form 5500 as of December 31:
