INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of the
Battle Motors (formerly known as Crane Carrier Company 401(k) Plan)
New Philadelphia, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Battle Motors (formerly known as Crane Carrier Company 401(k) Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Battle Motors' (formerly known as Crane Carrier Company 401(k) Plan) financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Battle Motors (formerly known as Crane Carrier Company 401(k) Plan) and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Battle Motors' (formerly known as Crane Carrier Company 401(k) Plan) ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Battle Motors (formerly known as Crane Carrier Company 401(k) Plan)
Page Three

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Battle Motors' (formerly known as Crane Carrier Company 401(k) Plan) internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Battle Motors' (formerly known as Crane Carrier Company 401(k) Plan) ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

The supplemental schedules of assets (held at end of year) and delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BATTLE MOTORS
(FORMERLY KNOWN AS CRANE CARRIER COMPANY 401(k) PLAN)
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE A – DESCRIPTION OF PLAN

The following description of Battle Motors (formerly known as Crane Carrier Company 401(k) Plan) ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on May 15, 2019. The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) covering substantially all employees of Battle Motors (the Company) who are not employees covered by a collective bargaining agreement, leased employees, or nonresident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective February 6, 2023, the Plan amended its name to Battle Motors from Crane Carrier Company 401(k) Plan.

Contributions

Participants are automatically enrolled in the Plan upon meeting the eligibility requirements of age 18 and three months of service. Unless a participant makes an affirmative election, participants are automatically enrolled to contribute 4% of eligible compensation each pay period on a pre-tax basis. Unless a participant makes an affirmative election, participants' pre-tax deferrals will be automatically increased by 1% on January 2nd of each Plan year up to 10% of eligible compensation. Participants may elect to contribute on a pre-tax basis or post-tax (Roth) basis to the Plan up to the maximum amount allowed by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may, at its discretion, make matching contributions and nonelective contributions to the Plan. For the years ended December 31, 2024 and 2023, the Company made a discretionary matching contribution equal to 50% of participant contributions up to 4% of eligible compensation each pay period. There were no discretionary nonelective contributions made to the Plan during the years ended December 31, 2024 and 2023. To be eligible to receive an allocation of any nonelective contributions made to the Plan, participants must be employed on the last day of the Plan year and must work at least 1,000 hours during the Plan year. Participants direct the investment of their employer contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company discretionary matching contributions, if any, an allocation of Company discretionary nonelective contributions, if any, and Plan earnings. Participants are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants vest immediately in their contributions plus actual earnings thereon. Participants vest in their Company discretionary matching contributions and Company discretionary nonelective contributions plus actual earnings thereon based on years of service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

If a participant dies or is disabled prior to attaining normal retirement age, the participant becomes 100% vested.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Participants, or their beneficiaries, may receive the vested interest of their Plan account through a distribution of benefits upon retirement, death, termination of employment, or a qualifying withdrawal. Hardship withdrawals are permitted by the Plan subject to a \$500 minimum. In-service distributions may be made to a participant who has not separated from service provided the participant has attained age 59 ½. Benefit payments are made in the form of lump sum distributions, installment payments, or partial withdrawals. Participants who terminate employment with a balance of less than \$1,000 may receive an automatic lump sum distribution of their balance. Effective January 1, 2024, participants who terminate employment with a balance of less than \$7,000, but more than \$1,000, may receive an automatic direct rollover of their account balance into an individual retirement account. Effective through December 31, 2023, participants who terminated employment with a balance of less than \$5,000, but more than \$1,000, may have received an automatic direct rollover of their account balance into an individual retirement account.

NOTES TO FINANCIAL STATEMENTS

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

Forfeitures result from non-vested benefit payments remaining in the Plan for all terminated employees or adjustments, if any. Forfeitures may be used to pay Plan expenses or reduce Company contributions. As of December 31, 2024 and 2023, the forfeiture balance was \$1,598 and \$41, respectively. During the years ended December 31, 2024 and 2023, forfeitures of \$70,576 and \$52,548 were used to reduce the Company discretionary matching contributions, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants, the Company discretionary matching contributions, and the Company discretionary nonelective contributions, if any, are recorded in the year in which the participant compensation is earned.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

(FORMERLY KNOWN AS CRANE CARRIER COMPANY 401(k) PLAN)
NOTES TO FINANCIAL STATEMENTS

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to participant contributions.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Administrative expenses include fees for recordkeeping and third-party administration. Fees related to the administration of benefit payments and participant loans are charged directly to the participant's account and are included in administrative expenses.

NOTE C – CERTIFIED INVESTMENTS

The following information included in the accompanying financial statements and supplemental schedule of assets (held at end of year) was obtained from data that has been prepared and certified to as complete and accurate by Fidelity Management Trust Company.

NOTE D – FAIR VALUE MEASUREMENTS

The *Fair Value Measurements* topic of the Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC)* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

BATTLE MOTORS
(FORMERLY KNOWN AS CRANE CARRIER COMPANY 401(k) PLAN)
NOTES TO FINANCIAL STATEMENTS

NOTE D – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment trust funds: Valued at the NAV of units of the collective investment trust fund as reported by the fund. Participant transactions may occur daily. If the Plan initiates a full redemption of the collective investment trust fund investment, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly manner. There are no unfunded commitments.

The following table sets forth, by level within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2024:

Investment type:	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 4,075,995	\$ 4,075,995
Total investments in the fair value heirarchy	<u>\$ 4,075,995</u>	4,075,995
Investments measured at net asset value as a practical expedient:*		
Collective investment trust funds		<u>8,224,182</u>
Total investments, at fair value		<u>\$ 12,300,177</u>

NOTE D – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

Investment type:	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 2,799,427	\$ 2,799,427
Total investments in the fair value heirarchy	<u>\$ 2,799,427</u>	2,799,427
Investments measured at net asset value as a practical expedient:*		
Collective investment trust funds		<u>6,040,213</u>
Total investments, at fair value		<u>\$ 8,839,640</u>

* In accordance with ASC 820-10, the Plan's investments in collective investment trusts are measured using the NAV per share (or its equivalent) as a practical expedient, and therefore, such investments have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the amounts presented within the statements of net assets available for benefits.

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE F – TAX STATUS

The Plan adopted a non-standardized pre-approved defined contribution plan which obtained its latest opinion letter on June 30, 2020, in which the IRS stated that the Plan is designed in accordance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the letter, the Plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(FORMERLY KNOWN AS CRANE CARRIER COMPANY 401(k) PLAN)
NOTES TO FINANCIAL STATEMENTS

NOTE G – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Fidelity Management Trust Company and its affiliate Fidelity Investments Institutional (collectively referred to as “Fidelity”) is the third-party administrator, recordkeeper, and trustee for the Plan. Certain Plan investments are managed by Fidelity and are denoted on the supplemental schedule of assets (held at end of year). Fees paid to Fidelity have been included in administrative expenses. These transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

Notes receivable from participants and the related interest income are also considered party-in-interest transactions, which are exempt from the prohibited transaction rules.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I – DELINQUENT PARTICIPANT CONTRIBUTIONS

During the year ended December 31, 2024, the Company inadvertently failed to remit participant contributions and loan repayments totaling \$208,581 within the timeframe required by the Department of Labor (DOL). During the year ended December 31, 2023, the Company inadvertently failed to remit participant contributions and loan repayments totaling \$80,186 within the timeframe required by the DOL. These are considered prohibited transactions. During the year ended December 31, 2024, the Company funded lost earnings and corrected \$79,720 of the delinquent participant contributions related to the year ended December 31, 2023. The Company will correct the uncorrected late remittances for the year ended December 31, 2023 and the delinquent participant contributions for the year ended December 31, 2024 as soon as administratively feasible.

NOTE J – OPERATIONAL FAILURES

Operational failures were discovered due to the improper treatment of commission compensation, the failure to process contributions for certain paychecks, and the failure to automatically enroll certain eligible participants in the Plan. The Company identified all instances of these failures from the formation date of the Plan through December 31, 2024, and corrective contributions were quantified by the Company to correct the operational failures in accordance with IRS regulations. The corrective contributions owed to the Plan for these operational failures as of December 31, 2024 and 2023 totaled \$4,023 and \$162,073, respectively, and are presented as other employer contributions receivable on the statements of net assets available for benefits. The corrective contributions recorded during the years ended December 31, 2024 and 2023 totaled \$27,870 and \$162,073, respectively, and are presented as other employer contributions on the statements of changes in net assets available for benefits. The Company funded the corrective contributions owed to the Plan as of December 31, 2024 during 2025. The Company funded the corrective contributions owed to the Plan as of December 31, 2023 during 2024.
