INDEPENDENT AUDITOR'S REPORT

To the Benefits/Retirement Committee of
Consolidated Citrus 401(k) Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements

We have performed an audit of the financial statements of Consolidated Citrus 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2024, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section:

- The amounts and disclosures in the accompanying 2024 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of Consolidated Citrus 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2024 financial statements.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Consolidated Citrus 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Consolidated Citrus 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Consolidated Citrus 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2024 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compare such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2023 Financial Statements

The financial statements of Consolidated Citrus 401(k) Savings Plan as of December 31, 2023, were audited by Pannell Kerr Forster of Texas, P.C., who joined with WithumSmith+Brown, PC on June 1, 2025. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated July 29, 2024, indicated that (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedule, other than the information in the 2023 supplemental schedule that agreed to or is derived from the certified investment information, were presented in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2023 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Consolidated Citrus 401(k) Savings Plan

Notes to Financial Statements

December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN

The following description of Consolidated Citrus 401(k) Savings Plan (the “Plan”) provides only general information. Participants should refer to the legal plan document for a more complete description of the Plan's provisions.

General

The Plan, originally effective on March 1, 1999, and amended and restated on April 15, 2022, is a qualified retirement plan pursuant to section 401(k) of the Internal Revenue Code (“IRC”). The Plan covers substantially all employees of Consolidated Citrus Limited Partnership (“Partnership”) subject to certain restrictions for participation eligibility as defined in the plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Participants may elect to reduce their compensation by a specific percentage and have that amount contributed to the Plan as a salary deferral. There are two types of salary deferrals: pre-tax 401(k) deferrals and Roth 401(k) deferrals. Participants may make a modification or revoke their salary deferral election at any time. Total deferrals in any taxable year may not exceed a dollar limit which is set by law. Participants at least age 50 or will attain age 50 before the end of a calendar year may elect to defer additional amounts at catch-up contributions.

The Plan is referred to as a safe harbor 401(k) plan. In order to maintain safe harbor status, the Partnership will make a safe harbor matching contribution equal to 100% of a participant's salary deferrals that do not exceed 4% of their compensation.

The Partnership will also make a fixed contribution known as a retirement savings contribution (“RSC”). The RSC is equal to 3% of compensation and is made annually at the end of the plan year to eligible employees who worked 1,000 hours within a calendar year, completed one year of service (based on date of hire), are at least 21 years of age, and are actively employed on the last day of the plan year. RSC contributions made for 2024 plan year totaled \$96,505, which are recorded as an employer contributions receivable in the statement of net assets available for benefits as of December 31, 2024.

Participants are also permitted to deposit into the Plan distributions they have received from other retirement plans and certain IRAs as rollover contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution, employer contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specified participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of their entire interest in the Plan in any of several investment securities. Participants can change their investment allocation among the various securities either through direct transfers from one option to another or by changing the percentage allocation of future contributions.

Consolidated Citrus 401(k) Savings Plan

Notes to Financial Statements

December 31, 2024 and 2023

Notes Receivable from Participants

Loans are available to participants on a reasonably equivalent basis. Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of one-half of their vested interest in the Plan or \$50,000 reduced by the participant's highest outstanding balance of loans from the Plan during the prior one-year period. A participant may have only one note outstanding at any one time. All loans are adequately secured and charged a reasonable rate of interest. All loans require that repayment be amortized in level payments, not less than quarterly, over a period not exceeding five years or fifteen years if the loan is for the purchase of a principal residence.

Vesting

Participants are always 100% vested in their contributions, safe harbor contributions, and rollovers. Vesting in RSCs is based on years of continuous service. A participant is 100% vested after three years of service. Regardless of vesting schedules, a participant becomes fully vested upon death, total and permanent disability, or early retirement.

Participant Withdrawals

Participants may receive a distribution of the vested portion of some or all of their accounts in the Plan for termination of employment, normal retirement, disability, or death. Benefits under the Plan will generally be paid to participants in cash only. If the participant's vested account balance does not exceed \$5,000, then the vested account balance will be automatically rolled over to an individual retirement account on behalf of the participant. If the participant's vested account balance exceeds \$5,000, the participant must consent to any distribution before it may be made and elect to receive the distribution as a single lump-sum payment, installments, or partial withdrawals.

Generally, a participant may also receive a distribution from the Plan from certain accounts prior to their termination of employment if they have attained age 59½ or incurred a financial hardship.

Forfeitures

If a participant terminates employment before being fully vested, the non-vested portion of the terminated participant's account balance remains in the Plan and is called a forfeiture. As of December 31, 2024 and 2023, forfeited non-vested accounts totaled \$14 and \$13, respectively. The Partnership may use forfeitures to reduce future employer contributions to the Plan. In 2024, no forfeitures were used to reduce employer contributions.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Partnership to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Consolidated Citrus 401(k) Savings Plan

Notes to Financial Statements

December 31, 2024 and 2023

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Other income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Partnership. Expenses that are paid by the Partnership are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through September 8, 2025, the date the financial statements were available to be issued. See Note 10 for discussion of subsequent events.

3. CERTIFIED INVESTMENT INFORMATION

Certain information in the accompanying financial statements and ERISA-required supplemental schedule related to investments and notes receivable from participants held as of December 31, 2024 and 2023, and net appreciation in fair value of investments, dividends, other income, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by the Partnership and agreed to or derived from information certified as complete and accurate by John Hancock Trust Company LLC, a qualified institution.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset and liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Consolidated Citrus 401(k) Savings Plan
Notes to Financial Statements
December 31, 2024 and 2023

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets for by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 7,780,883	\$ -	\$ -	\$ 7,780,883
Investments at fair value	<u>\$ 7,780,883</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,780,883</u>

The following table sets for by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 9,092,103	\$ -	\$ -	\$ 9,092,103
Investments at fair value	<u>\$ 9,092,103</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,092,103</u>

5. GROUP ANNUITY CONTRACT

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with New York Life Insurance Company ("NYLIC") totaling \$1,393,172 for 2024 and \$2,217,263 for 2023. NYLIC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. NYLIC is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by NYLIC and is reviewed on a semi-annual basis for resetting.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the Plan. Contract value, as reported to the Plan by NYLIC, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct withdrawals or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on NYLIC's ability to meet its financial obligations. NYLIC's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Consolidated Citrus 401(k) Savings Plan
Notes to Financial Statements
December 31, 2024 and 2023

Certain events might limit the ability of the Plan to transact at contract value with NYLIC. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with NYLIC that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow NYLIC to terminate the contract with the Plan and settle at an amount different from contract value. The Partnership does not think it is likely that any such events allowing NYLIC to terminate the contract will occur.

6. TAX STATUS

The Partnership adopted a pre-approved plan which received a favorable opinion letter from the Internal Revenue Service ("IRS") on June 30, 2020, which stated the pre-approved plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Partnership believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and was tax-exempt.

GAAP requires the Partnership to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed by John Hancock. John Hancock Trust Company LLC is the trustee and recordkeeper for the Plan and, therefore, these transactions qualify as party in interest transactions. In addition, the Plan provides for notes receivable from participants which are party in interest transactions that are exempt from the prohibited transaction rules.

8. PLAN TERMINATION

Although the Partnership intends to maintain the Plan indefinitely, the Partnership reserves the right to terminate the Plan at any time. Upon termination, no further contributions will be made to the Plan and all amounts credited to participants' accounts will become 100% vested.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits. There were four investments as of December 31, 2024 and 2023 that represent a concentration of greater than 10% of the Plan's net assets available for benefits.

10. SUBSEQUENT EVENTS

Effective January 1, 2025, the Plan changed the trustee to Fidelity Management Trust Company and the recordkeeper to Fidelity Investments. The Plan also adopted a new pre-approved plan document that amends and restates the Plan effective January 1, 2025. The Partnership believes that the provision under the new pre-approved plan document is in compliance with the applicable requirements of the IRC.
