RE: Communication with those charged with governance of Belimed, Inc. 401(k)  
Plan

We have performed and of the financial statements of Belimed, Inc. 401(k) Plan ("the Plan") as of December 31, 2024 and for the year ended December 31, 2024, and we have issued our report thereon dated September 4, 2025. Professional standards require that we advise you of the following matters relating to our audit.

9/4/25

## Our responsibility in relation to the financial statement audit

As communicated in our engagement letter dated January 16, 2025, management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements, other than the information derived from the certified investment information, that have been prepared by management with your oversight are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("US GAAP"). Our audit of the financial statements does not relieve you or management of its respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Company solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

The engagement team, others in our firm, as appropriate, and our firm, have complied with all relevant ethical requirements regarding independence.

## Significant risks identified

The following is a summary of significant risks identified during the course of our audit and procedures performed to address those risks.

- 1) Management override of internal controls. To address the risk of management override of controls we:
  - Designed procedures to incorporate an element of unpredictability in our audit.
  - Obtained an understanding of the process and related controls over journal entries and other adjustments.
  - Reviewed the selection and application of significant accounting principles.
  - Examined significant and unusual journal entries.
  - Reviewed accounting estimates for bias.
  - Evaluated business rational for unusual transactions.
  - Inquired of known or alleged fraud and noncompliance.

- 2) Misappropriation of cash. To address the risk of misappropriation of cash, we:
- Agreed total contributions received by the Trust to payroll summary reports for the year from the payroll provider.
  - Tested a selection of contributions for participants and traced from payroll records into the deposits for the Plan.

#### Planned scope and timing of the audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you in our engagement letter and during the course of the audit.

#### Qualitative aspects of accounting practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. We did not note any such sensitive accounting estimates during the course of our audit.

The financial statement disclosures are neutral, consistent, and clear.

#### Significant unusual transactions

Professional standards require us to communicate to you significant unusual transactions identified during our audit. We did not identify any significant unusual transactions during the course of our audit.

#### Difficulties encountered in performing the audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

#### Corrected and uncorrected misstatements

Professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on

the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. There were no uncorrected misstatements noted during the course of our audit.

In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

#### Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

#### Internal control deficiencies and reportable findings

In planning and performing our audit of the financial statements of the Plan as of and for the year ended December 31, 2024, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

A reasonable possibility exists when the likelihood of an event occurring is either reasonably possible or probable as defined as follows:

- Reasonably possible. The chance of the future event or events occurring is more than remote but less than likely.
- Probable. The future event or events are likely to occur.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiencies in the Company's internal control to be significant deficiencies:

*Finding:*

During the course of our audit inquiries of management, we noted there is minimal review and reconciliation of the Plan level trust statements and activity throughout the year, and that the Company or appears to be relying on the Third-Party Administrator (TPA) to perform reconciliations for the Plan.

*Recommendation:*

We recommend that Company establish policies and procedures to ensure that Plan trust statements (including contributions, distributions, loans and participant accounts) are being reviewed and reconciled with internal records on a periodic basis. A fiduciary under ERISA is any party who exercises any discretionary authority or control over the Plan's management; exercises any authority or control over the management or disposition of the Plan's assets; renders investment advice for a fee or other compensation with respect to Plan funds; or has any discretionary authority or responsibility in the Plan's administration. Under ERISA, the Plan's "named fiduciary," and generally the employer, has the primary responsibility for protecting Plan assets. For this reason, it is important to be aware that service provider errors may ultimately be deemed the responsibility of the Company. Care should be taken and procedures established for Plan management to periodically review and reconcile the records of the Plan.

*Finding:*

During the course of our audit, we noted that for one participant discretionary employer matching contributions continued for one pay period after the participant reached the 401(a)(17) limit of compensation eligible for employer match. This participant was the only employee on the 2024 census with compensation in excess of the 2024 401(a)(17) limit of \$345,000.

*Recommendation:*

We recommend that the Company consult with Empower and the Plan ERISA attorney to ensure that discretionary employer matching contributions are calculated in accordance with the Plan document and relevant IRC guidelines.

## *Finding:*

During our audit, we noted that as of December 31, 2024, the Plan had accumulated approximately \$108,029 of unallocated forfeited participant accounts that had not been utilized.

## *Recommendation:*

We recommend the plan use or reallocate these forfeited accounts as soon as possible, in accordance with Plan document provisions.

## Disagreements with management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

## Management representations

We have requested certain representations from management that are included in the management representation letter dated September 4, 2025.

## Management consultations with other independent accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Company's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

## Other matter supplemental schedule

The ERISA-required supplemental schedule was subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Other significant matters, findings or issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Company's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information and communication is intended solely for the use of those charged with governance and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.
