Independent Auditor's Report

To the Plan Administrator and Trustees of
Conn-Selmer Union Employee's 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements

We have performed an audit of the financial statements of Conn-Selmer Union Employee's 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of January 2, 2024, and the related statement of changes in net assets available for benefits for the period from January 1, 2024 to January 2, 2024, and the related notes to the financial statements (2024 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Conn-Selmer Union Employee's 401(k) Plan's 2024 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of January 2, 2024, and for the period from January 1, 2024 to January 2, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section

- the amounts and disclosures in the accompanying 2024 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2024 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of Conn-Selmer Union Employee's 401(k) Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Merger

As further discussed in Note 1a, Conn-Selmer Union Employee's 401(k) Plan was merged into the Conn-Selmer 401(k) & Profit Sharing Plan (Successor Plan) effective January 2, 2024, whereby all assets of the Conn-Selmer Union Employee's 401(k) Plan were transferred into the Successor Plan on January 2, 2024. Our opinion is not modified in respect to this matter.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Conn-Selmer Union Employee's 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the 2024 Financial Statements (Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2024 Supplemental Schedule Required by ERISA

The supplemental schedule, Form 5500, Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions for the period ended January 2, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2023 Financial Statements

Predecessor auditors performed an audit of the 2023 financial statements of Conn-Selmer Union Employee's 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 3, 2024, indicated that (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Other Matters (Continued)

Auditor's Report on the 2023 Financial Statements (Continued)

Their report also indicated that the form and content of the 2023 supplemental schedules, other than the information in the 2023 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2023 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CONN-SELMER UNION EMPLOYEE'S 401(K) PLAN

Notes to Financial Statements
January 2, 2024 and December 31, 2023

1. DESCRIPTION OF PLAN

The following description of Conn-Selmer Union Employee's 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

a. General

The Plan was a defined contribution 401(k) plan sponsored by Conn-Selmer, Inc. (the Plan Sponsor) (the Company). The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator is charged with governance and oversight of the Plan, determining the appropriateness of investment offerings, and monitoring investment performance.

Effective January 1, 2024, all eligible employees of the Plan became eligible to participate in the Conn-Selmer 401(k) and Profit-Sharing Plan (Successor Plan) and the Plan was frozen for all contributions. On January 2, 2024, the Plan merged and transferred \$5,426,336 of plan assets to the Successor Plan.

b. Eligibility

Prior to the merger, employees of the Company who were covered under the collective bargaining agreement between the Company and United Auto Workers, Local 2359, and had attained age 18 were eligible to participate in the Plan. The Plan excluded non bargaining personnel employed by United Musical Instruments U.S.A., Inc., nonresident aliens, and residents of Puerto Rico from participating in the Plan. Participants must have been employed on the last day of the plan year to receive the discretionary matching contribution.

c. Contributions

Prior to the merger, eligible participants could contribute through salary reductions up to 70% of eligible pre-tax annual compensation, as defined, limited to the maximum amount allowable under the provisions of the Internal Revenue Code (IRC). The Plan allowed for catch-up contributions for participants who had attained age fifty by the end of the plan year. The Plan allowed for participants to make after-tax (Roth) contributions. Participants could also contribute amounts representing distributions from other qualified retirement plans (rollover contributions).

The Plan included an automatic enrollment provision enabling eligible employees to be automatically enrolled into the Plan thirty-five days after the employee's date of hire unless they elect to participate sooner. The newly eligible participant would have been automatically enrolled and deferred 6% of their eligible compensation (as defined by the Plan). These deferrals would have been allocated to a default fund as defined in the plan document. Participants could cancel, modify, or otherwise change any of the automatic elections.

Prior to the merger, the Company, at its election, could make a discretionary matching contribution.

1. DESCRIPTION OF PLAN (Continued)

d. Participant Accounts

Each participant's account was credited with the participant's contributions, employer discretionary matching contribution and plan earnings or losses, and charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant's earnings, account balances or specific participant transactions, as defined. The benefit to which a participant was entitled to was the benefit that could be provided from the participant's vested account. Participants directed the investment of their contributions into various investment options offered by the Plan.

e. Vesting

Participants were immediately vested in their voluntary contributions and actual earnings thereon. Vesting in discretionary employer contributions and any earnings thereon was based on years of service. A participant would be 100% vested, based on a cliff vesting schedule, after two years of credited service, as defined in the plan document. In the event of death, disability, or attainment of the age 62, participants' accounts became fully vested.

f. Payment of Benefits

Upon attaining normal retirement age of 62 or termination of services, a participant may have elected to receive a lump-sum distribution equal to the value of the participant's vested account balance, or leave their balance in the Plan if the balance exceeded \$5,000. The Plan required balances of \$5,000 or less to be paid out to participants upon termination of employment. There were also retirement benefits available upon disability or death.

The Plan allowed in-service withdrawals upon attainment of age 59½. A participant may have also requested a withdrawal upon demonstration to the Plan Administrator that they were suffering a "hardship". Hardship is defined in applicable regulations promulgated or to be promulgated pursuant to the applicable section of the IRC or standards established by the Secretary of the Treasury or their delegate.

g. Notes Receivable from Participants

Participants could borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms ranged up to five years, unless for the purchase of a primary residence, in which case the maturity was ten years. Loans were secured by the vested balance in the participant's account and bore interest at an amount determined by the Plan Administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. Participants may have had one loan outstanding at any time. Principal and interest were paid ratably through payroll deductions.

h. Forfeitures

Forfeitures represented non-vested Plan Sponsor discretionary matching contributions of participants who terminated their employment or who withdrew from the Plan. Forfeitures were retained by the Plan and were used to reduce Company contributions or to pay plan expenses. As of December 31, 2023, the balance in the forfeiture account was \$13,068. There were no unallocated forfeitures as of January 2, 2024.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Plan prepares its financial statements in accordance with generally accepted accounting principles (U.S. GAAP) established by the Financial Accounting Standards Board (FASB). References to U.S. GAAP in these notes are to the FASB Accounting Standards Codification (ASC).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments were reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by the investment advisors and qualified institution. See Note 4 for discussions of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of January 2, 2024 and December 31, 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Contributions

Contributions from plan participants and discretionary matching contributions from the Company were recorded in the year in which the participant contributions are withheld from compensation.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan were paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the processing of distributions were charged directly to the participant's account. Investment-related expenses are included in net depreciation of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Events

Subsequent events have been evaluated through September 12, 2025, which is the date the financial statements were available to be issued. There were no events that met the criteria for recognition or disclosure in the financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S QUALIFIED INSTITUTION

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, a qualified institution, has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying statements of net assets available for benefits as of January 2, 2024 and December 31, 2023, and the related investment transactions and investment loss reported in the accompanying statement of changes in net assets available for benefits for the period from January 1, 2024 to January 2, 2024.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to certified investment information, except for comparing such certified investment information included in the accompanying financial statements.

4. FAIR VALUE MEASUREMENT

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. Fair Value Measurement establishes a hierarchy of the valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon market data obtained from independent sources (also referred to as observable inputs). The fair value hierarchy is as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

4. FAIR VALUE MEASUREMENT (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market fund: Valued at the daily closing price reported by the fund from an actively traded exchange.

Common collective trust: Value is based on the underlying unit value of the assets held. The assets of the underlying fund are invested primarily in certain investment contracts, asset-backed securities, debt obligations, and other securities. The fair value of the contracts is determined using the market approach based on market prices of similar contracts. The net asset value (NAV) is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the fund, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business matter.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

All plan assets were transferred as part of the merger. Accordingly, there are no investments held at January 2, 2024.

The following table set forth by level, within the fair value hierarchy, investments measured at fair value as of December 31, 2023:

<u>Description</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 4,857,324	\$ -	\$ -	\$ 4,857,324

The following table summarizes the Plan's investments measured at fair value based on NAV as a practical expedient as of December 31, 2023:

5. COMMON COLLECTIVE TRUST

The Plan's investment in the Common Collective Trust (CCT) is represented by the CCT's underlying investment in the FA Stable Value I fund which invests in fully benefit-responsive investment contracts, commonly referred to as guaranteed investment contracts (GICs), synthetic investment contracts, and similarly designed contracts issued by insurance companies, banks and other financial institutions. The Plan's investment in the CCT is not considered a fully benefit-responsive investment contract and is reported at fair value (see Note 4).

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, transactions with investment funds managed and held by the qualified institution are considered party-in-interest transactions.

7. TAX STATUS

The Plan Sponsor has obtained an opinion letter dated June 30, 2020, in which the IRS stated that the restated prototype plan document was in compliance with applicable requirements of the IRC. The Plan Administrator timely adopted the restated prototype plan. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan was operated in accordance with the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

The Plan is delinquent in filing their 2024 Form 5500. The Plan intends to submit the 2024 Form 5500 filing (final 5500 filing) through the DOL's Delinquent Filer Voluntary Compliance Program (DFVCP) in 2025. The DFVCP is designed to encourage voluntary compliance with the annual reporting requirements under ERISA. The DFVCP gives delinquent plan administrators a way to avoid potentially higher civil penalty assessments by satisfying the program's requirements and voluntarily paying a reduced penalty amount. The Plan Sponsor believes that the Plan is eligible for DFVCP and any penalty to file the delinquent Form 5500 through the DFVCP will be limited.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant balances, and the amounts reported in the accompanying statements of net assets available for benefits.

9. PLAN MERGER

As discussed in Note 1a, the Plan was merged into a qualified plan effective January 2, 2024. Concurrent with the merger, Conn-Selmer Union Employee's 401(k) Plan was terminated.

10. DELINQUENT PARTICIPANT CONTRIBUTIONS

During 2023, the Company did not remit to the Plan's trustee certain participant contributions and loan repayments totaling \$61,834 within the time period prescribed by the Department of Labor regulations. Delays in remitting the contributions to the trustee were due to administrative errors. The lost earnings were funded to participants accounts in the Successor Plan during 2024.

11. RECONCILIATION TO THE IRS FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the IRS Form 5500 as of December 31, 2023:

Net assets available for benefits per the financial statements	\$ 5,465,000
Less - adjustment for net asset value to fair value for common collective trust	<u>(17,326)</u>
Net assets available for benefits per the IRS Form 5500	<u>\$ 5,447,674</u>

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the IRS Form 5500 as of January 2, 2024:

Changes in net assets available for benefits per the financial statements	\$ (38,664)
Change in adjustment from net asset value to fair value for common collective trust	<u>17,326</u>
