1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Union Community Care
Group Medical Plan

Opinion

We have audited the financial statements of the Union Community Care Group Medical Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and of changes in plan benefit obligations for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Information Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information noted in the table of contents, as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GROUP MEDICAL PLAN**

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

The following description of the Union Community Care (Plan Sponsor) Group Medical Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions, copies of which may be obtained from the Plan Sponsor.

General

The Plan provides health and other benefits to eligible employees of the Plan Sponsor. All regular full-time employees working at least 20 hours per week are eligible to participate in the Plan upon hire as defined by the Plan.

Plan assets are held in the Union Community Care Health Benefit Trust. These assets are used to provide health care benefits under the Plan. The Health Benefit Trust was established on October 1, 2023. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits

The Plan provides medical and prescription benefits. The Plan also provides continuation of certain benefits if the health coverage ceases through the Consolidated Omnibus Budget Reconciliation Act (COBRA), Uniformed Services Employment and Reemployment Rights Act (USERRA), or the Family and Medical Leave Act (FMLA).

Stop Loss Coverage

The Plan has entered into a stop loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Self-insured Benefits

All Plan benefits are self-insured. The claims for self-insured benefits (medical and prescription) are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the Plan's trust. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

Contributions

In addition to deductibles and co-payments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. Participants pay a portion of the

**UNION COMMUNITY CARE
GROUP MEDICAL PLAN**

NOTES TO FINANCIAL STATEMENTS

premiums for medical insurance based on the current group rate premiums. The Plan Sponsor makes contributions based on the maximum rate per participant as defined by the stop loss contract. If actual claims are less than the amount funded, the surplus is netted against future employer contributions. There was no surplus for the year ended December 31, 2024.

The Plan Sponsor makes contributions to the Plan as needed to fund claims and pay expenses in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Plan Sponsor on a pay-as-you-go basis.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Board of Directors determines the Plan's valuation policies and procedures. See Note 4 for discussion of fair value measurements.

Interest income is recorded on the accrual basis of accounting.

Payment of Benefits

Premiums paid by the trust are recorded as insurance premiums paid in the accompanying statement of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have not been reimbursed by the Plan are recorded as claims payable to claims administrators in the accompanying statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

Stop Loss

Premiums for stop loss insurance are included in insurance premiums paid in the accompanying statement of changes in net assets available for benefits. Refunds due as of the financial statement date are reported as a receivable, with the offset being netted against claims paid. Stop loss refunds totaling \$709,763 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2024. Refunds due as of the financial statement date are reported as a receivable, with the offset being netted against claims paid. Stop loss refund receivables were \$297,739 for the year ended December 31, 2024. There were no stop loss refund receivables for the year ended December 31, 2024.

Administrative Expenses

Substantially all expenses are paid by the Plan.

Subsequent Events

Management evaluated subsequent events through September 5, 2025, the date the financial statements were available to be issued.

3. CLAIMS INCURRED BUT NOT REPORTED

Plan obligations for the years ended December 31, 2024 and 2023, for claims incurred but not reported are estimated by the Plan Sponsor based on claims data provided by the Plan's third-party claims administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTES TO FINANCIAL STATEMENTS

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Interest-bearing cash – Valued at cost, which approximates fair value, and classified within Level 1 of the valuation hierarchy.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis:

Investments at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Interest-bearing cash	\$ 1,508	\$ -	\$ -	\$ 1,508
Investments at fair value	<u>\$ 1,508</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,508</u>

Investments at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Interest-bearing cash	\$ 177,646	\$ -	\$ -	\$ 177,646
Investments at fair value	<u>\$ 177,646</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 177,646</u>

5. ADMINISTRATIVE EXPENSES

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators, management fees, and broker expenses. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses.

6. TAX STATUS

A trust was established under the Plan to hold the Plan's assets. The trust applied for an EIN under the Internal Revenue Code effective November 6, 2017. From time to time, the interest earned on the Plan's interest-bearing cash may be subject to income taxes. There were no material federal or state income taxes owed during the year ended December 31, 2024.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to modify the benefits provided to participants, the right to modify the contributions required of participants, the right to discontinue its contributions, and the right to terminate the Plan, subject to the provisions of ERISA. In the event the Plan terminates, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Plan Sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

8. PARTY IN INTEREST TRANSACTIONS

The Plan has several arrangements with service providers as described in Notes 1 and 5. During the years ended December 31, 2024 and 2023, the Plan's interest-bearing cash was held by UMB Bank, the custodian of the Plan. These transactions are party in interest transactions under ERISA.

9. RISKS AND UNCERTAINTIES

The Plan maintains cash balances at a financial institution. The cash balances are secured by the Federal Deposit Insurance Corporation (FDIC) up to applicable FDIC limits. At times, the Plan's deposits may exceed insured limits.

The Plan Sponsor's estimate of benefit obligations is based on certain assumptions that are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets (deficit) available for benefits per the financial statements at December 31, 2024 and 2023 to Schedule H of the Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 9,379	\$ 140,969
Benefit obligations currently payable	<u>(209,178)</u>	<u>(289,471)</u>
Net deficit available for benefits per Schedule H of the Form 5500	<u>\$ (199,799)</u>	<u>\$ (148,502)</u>

**UNION COMMUNITY CARE
GROUP MEDICAL PLAN**

NOTES TO FINANCIAL STATEMENTS

The following is a reconciliation of claims paid, net per the financial statements for the year ended December 31, 2024, to Schedule H of the Form 5500:

	<u>2024</u>
Claims paid, net per the financial statements	\$ 2,267,426
Beginning of year benefit obligations currently payable	(289,471)
End of year benefit obligations currently payable	<u>209,178</u>
Claims paid per Schedule H of the Form 5500	<u>\$ 2,187,133</u>

Claims incurred but not reported are not considered liabilities under U.S. GAAP and, therefore, are not presented as liabilities in the accompanying financial statements but are recorded on the Form 5500 as a liability.
