## Independent Auditors' Report

To the Plan Administrator of  
Northeastern Pennsylvania Health Corporation 401(a) Plan

### Opinion

We have audited the financial statements of Northeastern Pennsylvania Health Corporation 401(a) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

## **Supplemental Schedule Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year), as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

December 31, 2024 and 2023

## 1. Description of Plan

The following description of the Northeastern Pennsylvania Health Corporation 401(a) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

### General

On January 1, 2014, Greater Hazleton Health Alliance, the parent company of Northeastern Pennsylvania Health Corporation d/b/a Hazleton General Hospital, merged into the Lehigh Valley Health Network (LVHN). In connection therewith, Hazleton General Hospital (the Hospital) was renamed Lehigh Valley Hospital-Hazleton and LVHN is the Hospital's new parent company.

The Plan is a defined contribution plan established effective January 1, 2007, as restated January 1, 2022. The Plan covers all employees, excluding nonresident aliens and leased employees, of Northeastern Pennsylvania Health Corporation d/b/a Lehigh Valley Hospital-Hazleton, Health & Wellness Center at Hazleton and Hazleton Professional Services d/b/a Lehigh Valley Physician Group - Hazleton (collectively, the Organization) who have completed 1,000 hours each period and are age 21 or older. The Plan requires a participant to be employed as of year-end to be eligible to receive employer contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Organization's Executive Compensation Committee is responsible for oversight of the Plan. LVHN's Finance Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Effective August 1, 2024, the Plan Sponsor was acquired by Thomas Jefferson University.

### Contributions

The Organization contributes a discretionary percentage of each eligible participant's compensation to the Plan. The contribution percentage was 3% in 2024 and 2023, which amounted to \$592,260 and \$535,313, respectively. Participants may not contribute to the Plan.

Participants direct the investment of all contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

### Participant Accounts

Each participant's account is credited with allocations of the Organization's discretionary contributions and an allocation of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### Vesting

Vesting in the Organization's discretionary contribution to their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after three years of credited service.

# Northeastern Pennsylvania Health Corporation 401(a) Plan

Notes to Financial Statements

December 31, 2024 and 2023

## Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account.

## Forfeited Accounts

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$8,479 and \$2,480, respectively. These accounts will be used to reduce future Organization contributions. During 2024 and 2023, Organization contributions were reduced by \$8,598 and \$2,683, respectively, from forfeited nonvested accounts, in accordance with plan provisions.

## 2. Summary of Accounting Policies

### Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

### Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's finance committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 3, for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### Payment of Benefits

Benefits are recorded when paid.

### Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

### Subsequent Events

Subsequent events were evaluated through September 2, 2025, the date the financial statements were available to be issued.

## 3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observables and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Money market fund:* Valued at the quoted net asset value (NAV) of shares held by the Plan at year-end.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Investments measured at net asset value:* Consisting of a common-collective trust, valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

December 31, 2024 and 2023

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

<b>Assets at Fair Value as of December 31, 2024</b>	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>
Mutual funds	\$ 8,362,535	\$ -	\$ -	\$ 8,362,535
<b>Total assets in the fair value hierarchy</b>	8,362,535	-	-	8,362,535
Investments measured at net asset value (a)	-	-	-	361,951
<b>Total investments at fair value</b>	\$ 8,362,535	\$ -	\$ -	\$ 8,724,486

<b>Assets at Fair Value as of December 31, 2023</b>	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>
Money market fund	\$ 2,480	\$ -	\$ -	\$ 2,480
Mutual funds	7,314,022	-	-	7,314,022
<b>Total assets in the fair value hierarchy</b>	7,316,502	-	-	7,316,502
Investments measured at net asset value (a)	-	-	-	380,218
<b>Total investments at fair value</b>	\$ 7,316,502	\$ -	\$ -	\$ 7,696,720

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

## Fair Value of Investments That Calculate Net Asset Value

The following table summarizes investments measured at fair value based on NAVs per share as of December 31, 2024 and 2023. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<b>December 31, 2024</b>	<b>Fair Value</b>	<b>Unfunded Commitments</b>	<b>Redemption Frequency (if Currently Eligible)</b>	<b>Redemption Notice Period</b>
Collective trust fund	\$ 361,951	N/A	Daily	30 days

  

<b>December 31, 2023</b>	<b>Fair Value</b>	<b>Unfunded Commitments</b>	<b>Redemption Frequency (if Currently Eligible)</b>	<b>Redemption Notice Period</b>
Collective trust fund	\$ 380,218	N/A	Daily	30 days

## 4. Concentrations

At December 31, 2024 and 2023, the Plan had \$4,811,858 and \$4,392,854, respectively, concentrated in three investments.

## 5. Related-Party and Party in Interest Transactions

Certain administrative functions of the Plan are performed by officers or employees of the Organization. No such officer or employee receives compensation from the Plan.

## 6. Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Organization discretionary contributions.

## 7. Tax Status

The Plan adopted a nonstandardized profit sharing plan and trust. The nonstandardized profit sharing plan and trust received an IRS Opinion (Advisory) Letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the Opinion (Advisory) Letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
