## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator  
One Source Equipment Rentals Employee Stock Ownership Plan

### Opinion

We have audited the accompanying financial statements of One Source Equipment Rentals Employee Stock Ownership Plan ("the plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets in liquidation available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets in liquidation available for benefits of the plan as of December 31, 2024 and 2023, and the changes in its net assets in liquidation available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Emphasis of Matter - Basis of Accounting

As discussed in Note 1 to the financial statements, One Source Equipment Rentals, Inc., the plan sponsor, adopted a resolution to terminate the plan and distribute all plan assets. The effective date of the plan termination was September 30, 2023. In accordance with GAAP, the plan changed its basis of accounting used to value plan assets from the ongoing basis to the liquidation basis effective January 1, 2023. Our opinion is not modified with respect to this matter.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for one year after the date that the financial statements are available to issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audits of the Financial Statement**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings and certain internal control related matters that we identified during the audits.

## **ERISA-Required Supplementary Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information, which comprise the schedules of assets (held at end of year) as of December 31, 2024 and 2023 and schedule of reportable transactions for the year ended December 31, 2023; is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplementary information, we evaluated whether the supplementary information, including the form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## Report on the 2022 Financial Statements

Plan management is responsible for the preparation and fair presentation of the accompanying 2022 financial statements of the plan, which comprise the statement of net assets available for benefits as of December 31, 2022 and the related notes ("2022 financial statements"), in accordance with GAAP. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the 2022 financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on the 2022 financial statements.

## 1. NATURE OF PLAN

One Source Equipment Rentals, Inc. ("the company") established the One Source Equipment Rentals Employee Stock Ownership Plan ("the ESOP" or "the plan") effective January 1, 2014, at which time the ESOP purchased 100% of the company's common stock.

On October 1, 2022, the ESOP sold all outstanding shares of the company's common stock to H&E Equipment Services, Inc. Proceeds from the sale were allocated to participant accounts based on the ratio of individual allocated account balances to total allocated balances and immediately invested in a money market investment vehicle. Coinciding with the transaction, the plan document was amended to freeze the plan so that (i) no additional participants were eligible to participate in the plan, (ii) no further employer contributions could be made to the plan, (iii) the plan was no longer required to be invested in or make distributions in the form of the company's common stock, (iv) all participants of the plan became fully vested in their account balances, (v) 80% of vested participant account balances were to be distributed at the time of the sale and (vi) the remaining 20% of vested participant account balances were to be distributed following the company's receipt of approval of plan termination from the Internal Revenue Service ("IRS").

On September 30, 2023, the plan sponsor amended the plan document to indicate plan termination and filed for a determination letter from the IRS on December 8, 2023 to confirm the plan termination complies with the requirements of the Internal Revenue Code ("IRC").

In 2025, prior to the date these financial statements were available to be issued, the plan received a favorable determination letter from the IRS confirming the plan termination complies with the requirements of the IRC and a portion of the remaining 20% of vested participant account balances (approximately \$7,700,000) were distributed from the plan, as approved by the ESOP's trustee. The remaining participant account balances are expected to be distributed prior to December 31, 2025.

As further described in the purchase agreement, \$8,548,000 of the sale proceeds were deposited into an escrow account, held outside of the ESOP, for a specified escrow period following the closing date. The escrowed funds are intended to be used to settle any outstanding claims and/or fund subsequent transaction expenses, including those costs related to winding down the ESOP. Upon expiration of the escrow period, as further defined in the purchase agreement, any remaining escrowed funds will be deposited into the plan and allocated to participants accounts in the same manner as the initial sale proceeds. During 2023, the escrow period was extended to an indefinite term, pending the resolution of the litigation matter discussed at Note 6.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Method of accounting** - As discussed at Note 1, the plan was effectively terminated as of September 30, 2023. As a result, in accordance with accounting principles generally accepted in the United States of America ("GAAP"), the plan changed its basis of accounting used to value plan assets from the ongoing basis to the liquidation basis effective January 1, 2023.

**Key parties of the plan** - The company is the employer, plan sponsor and plan administrator. ESOP Partners LLC is the third party administrator that maintains participant records and tax counsel that performs various compliance tests. Greatbanc Trust Company ("Greatbanc") is the plan trustee and custodian of the plan's money market fund.

**Accounting estimates** - The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures.

**Subsequent events** - The financial statements include management's evaluation of the events and transactions occurring subsequent to December 31, 2024 through July 13, 2025, which is the date the financial statements were available to be issued.

# One Source Equipment Rentals Employee Stock Ownership Plan

Notes to Financial Statements  
December 31, 2024, 2023 and 2022

**Investments** - The plan's investments are nonparticipant directed and recorded at fair value. The net appreciation (depreciation) in fair value of investments held during the years is reflected in the statements of changes in net assets in liquidation available for benefits. GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical investments (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Valuation is based upon quoted prices in active markets for identical investments.
- Level 2 - Valuation is based upon other significant observable inputs (including quoted prices for similar investments).
- Level 3 - Valuation is based upon significant unobservable inputs (including the plan's assumptions in determining the fair value of investments).

Following is a description of the investments and valuation methodologies used to measure fair value.

*Money market fund* - Valued at the daily quoted market prices reported by the fund. The fund held by the plan is registered with the U.S. Securities and Exchange Commission, is required to publish its daily net asset value and is deemed to be actively traded.

### 3. PLAN DESCRIPTION

The following description of the plan provides only general information. Participants should refer to the plan agreement for more complete information.

**General** - The plan was established on January 1, 2014 as a defined contribution plan. The plan is subject to provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments.

**Eligibility** - The plan covered substantially all employees of the company. Prior to the plan freeze on October 1, 2022, employees were eligible once they had reached age 18 and had been credited with at least 1,000 hours of service during the 12 consecutive months following date of hire or any plan year after the date of hire. Employees were eligible to receive an allocation of any employer contributions provided they were employed on the last day of the plan year and had worked 1,000 hours in the year in which the contribution related to.

Notes to Financial Statements  
December 31, 2024, 2023 and 2022

---

**Vesting** - All participant account balances became 100% vested upon the plan freeze (see Note 1).

**Participant accounts** - Investment accounts are maintained for each participant. Net appreciation (depreciation) of investments was allocated to participant investment accounts based on the ratio of individual allocated account balances to total allocated balances.

**Distributions** - As described in Note 1, effective October 1, 2022, participants could elect to distribute 80% their account balances in the form of a lump sum in 2022. In early 2025, also as discussed in Note 1, participants could elect to distribute an additional portion of their account balances. The remaining plan assets will be distributed to participants at their direction or automatically rolled over to Individual Retirement Accounts under the related participants' names prior to December 31, 2025.

**Administrative fees** - The plan's administrative costs and any other plan expenses incurred subsequent to October 1, 2022 are paid using funds held in an escrow account (see Note 1) thus are not included in the financial statements.

## 4. TAX STATUS

The plan received a determination letter from the IRS dated August 11, 2017, stating that the plan, as then designed, is qualified under Section 401(a) of the IRC and, therefore, is not subject to tax under present income tax law. Once qualified, the plan is required to operate in conformity with the IRC to maintain its qualification. The plan administrator and tax counsel believe that the plan is currently designed and continues to operate in compliance with the applicable requirements of the IRC. As discussed in Note 1, the plan received a second determination letter from the IRS in 2025 stating that the anticipated plan termination complies with the requirements of the IRC.

GAAP requires the plan's management to evaluate tax positions taken by the plan and recognize tax liabilities (or assets) for any uncertain tax positions taken by the plan that more likely than not would not be sustained upon examination by the applicable authorities. The plan's management analyzed the requirements for accounting for such uncertain tax positions taken and determined the plan was not required to recognize any tax liabilities (or assets) related to uncertain tax positions taken as of December 31, 2024, 2023 and 2022. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

## 5. PARTY-IN-INTEREST

Any transactions between the plan and the company qualify as party-in-interest transactions. Greatbanc manages the plan's money market fund and also is the custodian that holds this plan investment and executes transactions in this investment. As such, transaction between the plan and Greatbanc qualify as party-in-interest transactions. In addition, the plan has a number of other service providers. Any transactions between these providers, the company and the plan qualify as party-in-interest transactions.

All such party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

## 6. LITIGATION

The plan is subject to potential impacts from a lawsuit filed against the plan sponsor and certain other related parties. While the outcome of the litigation remains uncertain, an unfavorable outcome could ultimately impact the availability of the escrowed funds designated for deposit into the plan, as any liabilities that may result from this matter may be paid from such funds.
