The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("Qualified Institution").

Management has obtained certifications from a Qualified Institution as December 31, 2024, and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the financial statements referred to above related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audits of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditors' Report

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

***Other Matter - Supplemental Schedule(s) Required by ERISA***

The supplemental schedule of Schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such

Independent Auditors' Report

information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a Qualified Institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024 AND 2023 AND  
FOR THE YEAR ENDED DECEMBER 31, 2024

### 1. **Description of the Plan**

The following is a brief description of the Blue Mistral, LLC 401(k) Profit Sharing Plan & Trust (the “Plan”) and is provided for general information purposes only. Participants should refer to the Plan document, related adoption agreement and individual statements provided to each Plan participant for a more complete description of the Plan’s provisions.

#### **General**

The Plan is a qualified defined contribution pension plan covering eligible employees who are members of a controlled group which includes Blue Mistral, LLC and various affiliated companies who have elected to participate in the Plan (collectively, the “Company”). The Plan provides deferred compensation benefits and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan investments are administered and held in a trust by the Plan’s trustee, Reliance Trust Company (the “Trustee”), which also serves as the custodian of the Plan. The Trustee is a qualified institution in accordance with 29 CFR 2520.103-5 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. ADP, LLC is the record-keeper of the Plan. The Plan administrator is responsible for overseeing and ensuring compliance with the Plan document. The Trustee, the record-keeper, and the Plan administrator are appointed by the Company.

#### **Eligibility**

The Plan is available to all employees of the Company who have attained the age of 18 and completed three months of consecutive service. All employees are automatically enrolled in the Plan, as soon as administratively feasible, as of the 1<sup>st</sup> day of the month coinciding with or next following the date eligibility requirements are met.

#### **Participant Contributions**

Participants may make pre-tax and Roth contributions generally not to exceed 90% of eligible compensation and subject to the Internal Revenue Service Code (“IRC”) limits as discussed below. The Plan includes an automatic enrollment contribution arrangement. Participants who do not affirmatively elect to opt-out or have a specified amount contributed will automatically have 3% of their eligible compensation, as defined, deferred, automatically escalating by 1% per year, up to a maximum of 10%. Eligible compensation per the Plan document means wages, tips and other compensation on Form W-2, including post-severance compensation, adjusted to exclude fringe benefits, expense reimbursements, moving expenses, deferred compensation, welfare benefits, leave cash-outs, and compensation paid during the Plan year while not a participant.

## NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024 AND 2023 AND  
FOR THE YEAR ENDED DECEMBER 31, 2024

### 1. Description of the Plan

#### **Participant Contributions**

For 2024, the maximum amount of compensation that may be considered for deferral purposes by participants and employer contributions is \$345,000. For 2024, total participant contributions are limited to a maximum of \$23,000. Additionally, for 2024, individuals who are at least 50 years of age can make a “catch-up” contribution not to exceed \$7,500. The maximum annual addition for 2024 that may be contributed or allocated to a participant’s account under the Plan shall not exceed the lesser of 100% of a participant’s compensation or \$69,000 for employees under age 50 and \$76,500 for employees over the age of 50.

#### **Employer Contributions**

The Company provides for matching contributions based on participant’s elective deferral contributions. The matching contribution for 2024 is equal to 50% of the participant’s elective deferrals, up to a maximum deferral of 6% of the participant’s eligible compensation, as defined.

In addition, the Company may make a discretionary profit-sharing contribution that is allocated to each participant based on the ratio of participants’ compensation to total compensation of all participants. The Company did not make a profit-sharing contribution for the 2024 Plan year.

#### **Rollover Contributions**

An eligible employee may make a transfer to the Plan of a benefit from a qualified retirement plan of another employer, referred to as rollover, with certain restrictions.

#### **Investments**

Participants, in accordance with the Plan document, direct the Trustee to invest their contributions into various investment options offered by the Plan.

#### **Vesting**

Participants are fully and immediately vested in their voluntary and rollover contributions and Plan earnings thereon. Participants vest in their employer matching and profit-sharing contributions by 100% after completing three years of service.

#### **Participant Accounts**

The Plan administrator establishes and maintains a separate account for each participant, which is credited for rollover and voluntary contributions the participants make, Company matching and profit-sharing contributions, and Plan earnings. Income earned and net appreciation or depreciation on Plan investments are allocated in proportion to the participant’s account balances in that fund.

## NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024 AND 2023 AND  
FOR THE YEAR ENDED DECEMBER 31, 2024

### 1. Description of the Plan

#### **Participant Accounts**

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Notes Receivable from Participants**

Each participant may borrow up to the lesser of: (1) 50% of the present value of the participant's vested interest in their account or (2) \$50,000, less currently outstanding notes receivable. The notes are secured by the vested balances in the participant's account. No note shall be less than \$1,000 and only one note at a time is allowed. The notes shall bear an interest rate of 1 percentage point over the prime interest rate. At December 31, 2024, the outstanding notes bear interest ranging from 6.50% to 9.50% per annum. Any such borrowings are to be repaid within five years, unless the note is for the purchase of a principal residence for which the repayment period may not extend beyond thirty years. A note becomes immediately due and payable upon a participant's termination of employment, death, or disability.

#### **Forfeitures**

Upon termination of employment participants forfeit their non-vested balances. These accounts may be used to reduce future Company contributions or to pay the administrative expenses of the Plan. At December 31, 2024 and 2023, there were \$45,019 and \$24,130, respectively, of forfeited non-vested account balances. There was \$11,784 of forfeited amounts used to reduce Company contributions, and \$0 of forfeited amounts used to pay administrative expenses during the year ended December 31, 2024.

#### **Retirement**

The normal retirement age is defined as when the participant reaches the age of 65. At the normal retirement date, the participant is entitled to 100% of their account balance. Early retirement is not permitted.

#### **Distributions of Benefits**

Distributions to participants are available upon the following events: retirement, termination of employment, the attainment of age 59 ½, total or permanent disability, or death. A participant's benefit consisting of his/her entire vested account balance can be paid in the form of either a lump sum, partial distribution, or on an installment basis. A participant with an account balance in excess of \$5,000 may elect to defer payment until attainment of the later of age 62 or the normal retirement age. A participant's written consent will be required for terminated participants requesting a distribution before age 65 if his/her vested account balance is greater than \$5,000. The Plan also provides for hardship withdrawals to participants meeting certain requirements as described in the Plan document. Upon written request, participants may withdraw all or a portion of their after-tax contributions.

BLUE MISTRAL, LLC 401(k) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024 AND 2023 AND  
FOR THE YEAR ENDED DECEMBER 31, 2024

**1. Description of the Plan**

**Distributions of Benefits**

Participants must begin receiving Required Minimum Distributions, under IRS guidelines, upon reaching the age of 73.

**Administrative Expenses**

Administrative expenses may be paid out of the Plan or by the Company. The Company incurred certain administrative expenses relating to the Plan without charge to the Plan during 2024.

**2. Summary of Significant Accounting Policies**

**Basis of Accounting**

The accompanying financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

**Use of Estimates and Assumptions**

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements. Purchases and sales of securities are reflected on a trade date basis. Dividend income is recorded on the ex-dividend date. Interest income is accrued when earned. The Plan presents, in the Statement of Changes in Net Assets Available for Benefits, the net appreciation (depreciation) of the fair value of its investments, which includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2024, or 2023.

BLUE MISTRAL, LLC 401(k) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024 AND 2023 AND  
FOR THE YEAR ENDED DECEMBER 31, 2024

**2. Summary of Significant Accounting Policies**

**Payment of Benefits**

Benefit payments to participants or beneficiaries are recorded when paid.

**Risks and Uncertainties**

The Plan provides for various investment options. Investment securities are exposed to various risks including, but not limited to, interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances, and the amounts reported in the Statements of Net Assets Available for Benefits.

**Income Tax Status**

Effective July 1, 2022, the Company adopted a non-standardized pre-approved plan that received an IRS opinion letter dated October 6, 2020, stating that the pre-approved plan, as then designed, was in compliance with the applicable requirements of the IRC. An employer adopting the prototype plan and pre-approved plan is considered to have a plan qualified under Section 401(a) of the IRC. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. The Plan administrator and the Plan's legal counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the trust established under the Plan is tax-exempt. No provision for income taxes has been included in the financial statements since the Plan has no unrelated business income tax.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL and/or the IRS. The Plan administrator has analyzed the tax position taken by the Plan and has concluded that as of December 31, 2024, and 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the DOL and/or the IRS, however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

**Subsequent Events**

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through September 16, 2025, which is the date the financial statements were available to be issued.

BLUE MISTRAL, LLC 401(k) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024 AND 2023 AND  
FOR THE YEAR ENDED DECEMBER 31, 2024

**2. Summary of Significant Accounting Policies**

**Subsequent Events**

The Board of Directors of the Company elected on March 31, 2025, to liquidate and terminate the Plan effective March 31, 2025.

**3. Plan Termination**

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA, which it elected to do, effective March 31, 2025. When the Plan is termination, participants would become 100 percent vested in their accounts.

**4. Investments**

For the year ended December 31, 2024, the Plan's investments appreciated (including gains and losses on investments bought and sold, as well as held during the year) in value by \$1,205,452.

**5. Fair Value Measurements**

The Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

BLUE MISTRAL, LLC 401(k) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024 AND 2023 AND  
FOR THE YEAR ENDED DECEMBER 31, 2024

**5. Fair Value Measurements**

- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Below is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

**Mutual funds:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Common collective trust:** Valued at the NAV of units of the Trustee's common collective trust fund. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. There are currently no redemption restrictions or unfunded commitments on these investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024 AND 2023 AND

**5. Fair Value Measurements**

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024, and 2023:

	<b>2024</b>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$12,645,262	\$ -	\$ -	\$12,645,262

Common collective trust (a)				371,544
Investments, at fair value				<u>\$11,855,896</u>

(a) In accordance with ASC subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

**Changes in Fair Value Levels**

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. For the year ended December 31, 2024, there were no purchases, issuances, transfers in, or transfers out of Level 3.

**6. Related Party and Party-in-Interest Transactions**

The investment in the common collective trust is managed by the Trustee. The Plan's administrative expenses for the year ended December 31, 2024, are paid to the Plan's record-keeper and financial advisor. Transactions with the Trustee, record-keeper, and financial advisor qualify as party-in-interest transactions. Loans to Plan participants also qualify as party-in-interest transactions. The above transactions are not, however, considered prohibited transactions under 29 CFR 2550.408b-2 of the ERISA regulations.

**7. Unaudited Information Certified by the Plan's Trustee**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by the Trustee, as complete and accurate, except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental schedule:
