Independent Auditor's Report

Plan Administrator and Participants
Clarios, LLC Retirement Savings and Investment Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Clarios, LLC Retirement Savings and Investment Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023 and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Clarios, LLC Retirement Savings and Investment Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Clarios, LLC Retirement Savings and Investment Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Clarios, LLC Retirement Savings and Investment Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Clarios, LLC Retirement Savings and Investment Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Clarios, LLC Retirement Savings and Investment Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS**

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Clarios, LLC Retirement Savings and Investment Plan (the "Plan") provides only general information. Participants should refer to the Plan Document provided to all participants for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan adopted effective May 1, 2019, for participation by eligible employees of Clarios, LLC (the "Company") and selected subsidiaries, as designated by the Board of Directors. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

ADMINISTRATION

The Plan is administered by the Employee Benefits Policy Committee appointed by the Company. The Plan has appointed Fidelity Management Trust Company ("FMTC") as trustee of the Plan. The trustee is responsible for investing and safekeeping all of the Plan's assets.

CONTRIBUTIONS

Participants can designate an amount up to thirty-five percent (35%) of their gross annual eligible compensation as contributions. The Plan has provided multiple Company contribution schedules based on specific eligibility rules. A full listing of the schedules can be found in the Plan document. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans in the form of a rollover.

If the participant does not make an election to participate in the Plan within 60 days of becoming eligible, the participant will be automatically enrolled to make pre-tax contributions, the percentage of which depends on their employment classification. If automatically enrolled, the participant's contributions will be invested in a target date fund based on their birth date and the fund's target retirement date.

Participant contributions are deposited in the investment funds of their choice. Participants may reallocate their account balances among the available investment funds at any time in increments of one percent (1%). Participants are immediately vested in their contributions plus actual earnings (losses) thereon. A participant's interest in Company contributions plus actual earnings (losses) thereon, vests based on eligibility rules specific to certain groups of employees.

If employment terminates other than by reason of retirement, reduction in force, death or total and permanent disability and the participant is not reemployed by the Company or its affiliates within 72 months of that date, the participant's interest in the non-vested portion of the Company contributions is forfeited. The Company may apply any forfeited amounts to reduce future Company contributions to the Plan or to pay Plan expenses.

PAYMENT OF BENEFITS

On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Benefits are recorded when paid.

CLARIOS, LLC RETIREMENT SAVINGS AND INVESTMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

FORFEITED ACCOUNTS

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$1,584,087 and \$1,251,706, respectively. These accounts will be used to reduce future Company contributions or to pay Plan expenses. During the year ended December 31, 2024, forfeitures were used to reduce the Company contributions by \$396,209, and pay for Plan expenses of \$153,418.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or fifty percent (50%) of their account balance, whichever is less. Loans are subject to certain limitations based on the Plan document. Only two loans per participant may be outstanding at any time. Each loan may be for a term up to five years. Regular payroll deductions are required to repay a loan. Each loan's interest rate is fixed at the prime rate at the beginning of the calendar quarter in which it is issued. Interest rates range between 3.25% and 8.50%. At termination, participants may continue to make monthly loan payments until the balances of any loans are paid off.

The notes receivable from participants are measured at their unpaid principal balances plus accrued but unpaid interest. At the time of borrowing, the assets of the participant are sold proportionally to finance the loan. The loan is collateralized by the participant's assets in the Plan.

Should a participant fail to make a loan payment when due (including retirement or termination), the participant is given a grace period to cure the delinquency through the end of the calendar quarter following the calendar quarter in which the default arose. If the participant fails to cure the delinquency, a deemed distribution occurs in accordance with the provisions of the Plan document. The Plan has not made a provision as the collection of outstanding loans is deemed reasonably assured.

ADMINISTRATIVE EXPENSES

Administrative expenses are paid by the Plan, as allowed by Plan provisions, with all remaining expenses paid by the Company. Certain administrative expenses of maintaining the Plan are allocated and charged to participants based on participant account balances, as defined, and are included in administrative expenses. In addition, certain investment related expenses are included in net appreciation in fair value of investments.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION

The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's net gains on investments bought and sold as well as held during the year.

NOTES TO THE FINANCIAL STATEMENTS

FAIR VALUE MEASUREMENTS

Accounting Standard Codification ("ASC") 820, "Fair Value Measurement," defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. ASC 820 also establishes a three-level fair value hierarchy that prioritizes information used in developing assumptions when pricing an asset or liability as follows:

- Level 1:* Observable inputs such as quoted prices in active markets;
- Level 2:* Inputs, other than quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3:* Unobservable inputs where there is little or no market data, which requires the reporting entity to develop its own assumptions.

ASC 820 requires the use of observable market data, when available, in making fair value measurements. When inputs used to measure fair value fall within different levels of the hierarchy, the level within which the fair value measurement is categorized is based on the lowest level input that is significant to the fair value measurement.

SUBSEQUENT EVENTS

The Plan has evaluated events and transactions for potential recognition or disclosure in the financial statements through August 13, 2025, the date on which the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

Following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2024 and 2023:

Mutual funds: The fair value for mutual funds is determined by direct quoted market prices. Mutual funds are open-ended investments that obtained proper registration from the U.S. Securities and Exchange Commission. The funds publish daily their net asset value ("NAV") after the close of trading on regulated financial exchanges. The NAV represents the current market value of the fund's holdings after deducting the fund's liabilities.

Common collective trust funds: Valued at the NAV of units of a common collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly manner.

CLARIOS, LLC RETIREMENT SAVINGS AND INVESTMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS

The following tables set forth by level, within the fair value hierarchy, the assets at fair value as of December 31, 2024 and 2023:

Investments at Fair Value as of				
December 31, 2024				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 267,922,605	\$ —	\$ —	\$ 267,922,605
Investments measured at NAV *				
Common collective trust funds				39,376,226
Total investments at fair value				\$ 307,298,831

Investments at Fair Value as of				
December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 211,370,635	\$ —	\$ —	\$ 211,370,635
Investments measured at NAV *				
Common collective trust funds				42,180,926
Total investments at fair value				\$ 253,551,561

* Accounting Standard Update No. 2015-07 allows investments measured at NAV as a practical expedient to be excluded from the fair value hierarchy. The fair value amounts presented herein are intended to permit reconciliation of total investments to the statements of net assets available for benefits.

NOTE 4 - TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated September 23, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the letter, however the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or Department of Labor. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

CLARIOS, LLC RETIREMENT SAVINGS AND INVESTMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments include mutual funds and a common collective trust fund managed by FMTC, the trustee of the Plan, and therefore these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services and record keeper fees during the year ended December 31, 2024 were \$569,392. These transactions and investments, as well as notes receivable from participants, qualify as exempt party-in-interest transactions, as party-in-interest is defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering services to the Plan, the Company, and certain others.

Certain employees and officers of the Company, who are also participants in the Plan, perform administrative services to the Plan at no cost to the Plan.

NOTE 7 - INFORMATION CERTIFIED BY TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly the Plan's trustee, FMTC, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- The investments and notes receivable from participants as shown in the statements of net assets available for benefits.
- The investment income and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits.
- The investments and notes receivable from participants as shown in the Schedule H, Line 4i - Schedule of Assets (Held at End of Year).

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related amounts included in the financial statements and supplemental schedule.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan's investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the values of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.
