## Independent Auditors' Report

*To the Plan Trustee and Administrator of  
Ventahood, LTD Retirement 401(k) Plan and Trust*

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed the audits of the financial statements of the Ventahood, LTD Retirement 401(k) Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section.

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — Supplemental Schedules Required by ERISA***

The supplemental schedules, Form 5500, Schedule H, Part IV, Line 4i, Schedule of Assets (Held at End of Year) and Form 5500, Schedule H, Line 4a, Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**VENTAHOOD, LTD RETIREMENT 401(k) PLAN AND TRUST**  
**NOTES TO FINANCIAL STATEMENTS**

**1. DESCRIPTION OF PLAN**

The following description of the Ventahood, LTD Retirement 401(k) Plan and Trust provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by Ventahood, LTD (the "Company") under the provision of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC for the benefit of eligible employees of the Company.

The Plan covers substantially all employees of the Company who have completed three months of service, as defined, are eligible to participate, provided they are at least twenty-one years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Plan Administration

The Plan is administered by the Company (the "Plan Administrator"). The duties of the Plan Administrator are to oversee the operations and administration of the Plan in accordance with the specific terms of the Plan, provide for prudent investment of Plan assets and keeping accurate records and reports. The Plan's trustee, Fidelity Management Trust Company, (the "Trustee"), is responsible for the custody and management of the Plan's assets.

Employee Contributions

Each year, participants may contribute up to 90% of pretax annual compensation as defined in the Plan, subject to the dollar limitation under §402(g) of the IRC. The Plan permits both pre-tax and certain after-tax (Roth) deferral contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other eligible retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan has an automatic enrollment feature, whereby the Company automatically deducts 3% from eligible employees' pay on a pre-tax basis for each pay period. Unless an eligible employee elects otherwise, annually, but not within the first six months of enrollment, the deferral contribution will be increased by 1%, up to a maximum of 10%.

Employer Contributions

The Company makes safe harbor matching contributions to the 401(k) Plan in an amount equal to 100% of the first 3% of eligible compensation and 50% of the next 2% of eligible compensation and is determined based on the participants' compensation and contributions each pay period. All 2024 employer contributions were safe harbor matching contributions.

Other employer contributions are discretionary which include additional matching employer contributions and non-elective employer contributions. There were no additional matching employer contributions or non-elective employer contributions for 2024.

**VENTAHOOD, LTD RETIREMENT 401(k) PLAN AND TRUST**  
**NOTES TO FINANCIAL STATEMENTS**

**1. DESCRIPTION OF PLAN (continued)**

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and related employer matching and other contributions, as well as the participant's share of investment income, appreciation (depreciation) and any related administrative expenses. The participant determines both the amount to be invested and the allocation of the investment to one or more of the investment alternatives. A participant may change his or her investment direction with respect to future contributions or redirect the investment of his or her account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of vesting service, as defined in the Plan. A participant is immediately 100% vested in their safe harbor matching contributions. Other annual discretionary or profit-sharing contributions require participants to have six or more years of credited service to be 100% vested as defined in the Plan. Full and immediate vesting will also occur upon early retirement age, death, or totally disabled as defined in the Plan. Participants who leave the Company before they are fully vested in the Company's contributions forfeit their non-vested portion.

If a participant separates from the employment of the Company, a participant shall be vested based upon the following schedule:

<u>Years of Vesting Service</u>	<u>Percentage Vested</u>
Less than 2 years	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more years	100%

Investment Options

Upon enrollment in the Plan, a participant may direct the contributions made to the Plan to any one or more of the investment alternatives maintained by the Trustee, determined at the discretion of the participant and in such multiples as the participant prescribes. A participant may change his or her investment direction with respect to future contributions or redirect the investment of his or her account balances.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.50% to 9.50%, which are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

**VENTAHOOD, LTD RETIREMENT 401(k) PLAN AND TRUST**  
**NOTES TO FINANCIAL STATEMENTS**

**1. DESCRIPTION OF PLAN (continued)**

Notes Receivable from Participants (continued)

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Distributions from the Plan will be made in one lump-sum payment in cash equal to the value of the participant's vested interest in his or her account balance. If a participant's vested benefit in the Plan exceeds \$5,000, the participant must consent to the distribution before it may be made. If a participant's vested benefit is greater than \$1,000 but less than \$5,000, the participant's benefit is automatically rolled to an individual retirement account. If the participant's vested interest does not exceed \$1,000, then the participant's benefit will be distributed in a lump-sum as soon as practicable following the event that led to the participant being entitled to a distribution.

Participants are allowed to withdraw employee account balances prior to termination of their employment under certain conditions as specified in the Plan. Benefits are recorded when paid.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Plan. The remaining administrative expenses are paid by the Company. The Plan has no obligation to reimburse the Company for the expenses paid by the Company.

Forfeited Accounts

Forfeitures may first be used to pay Plan administrative costs and then to reduce the employer's matching contribution to the Plan. During the year ended December 31, 2024, forfeitures of \$483 were used to reduce employer matching contributions, forfeitures were not used to pay for Plan administrative expenses. At December 31, 2024 and 2023, respectively, unallocated forfeitures totaled \$0.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

Basis of Accounting

The Plan's financial statements are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

**VENTAHOOD, LTD RETIREMENT 401(k) PLAN AND TRUST**  
**NOTES TO FINANCIAL STATEMENTS**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value. Changes in market value are reflected in operations. Mutual funds represent investments with various investment managers. The respective fair values of these investments are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value at year end. Interest-bearing cash (money market funds) is valued at cost, which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net appreciation (depreciation) of investments, including realized gains and losses on sales during the year and current changes in unrealized appreciation (depreciation) in the market value of investments held at year-end, is presented in the statement of changes in net assets available for benefits.

**Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that some changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

**Recent Accounting Pronouncements**

During the year ended December 31, 2024 and through September 16, 2025, there are no new accounting pronouncements issued by the Financial Accounting Standards Board (FASB) that will need to be adopted.

**Subsequent Events**

In preparing the financial statements, the Plan's management has reviewed, as they have determined necessary, events that have occurred after December 31, 2024, up until the issuance of the financial statements, which occurred on September 16, 2025.

**3. FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**VENTAHOOD, LTD RETIREMENT 401(k) PLAN AND TRUST**  
**NOTES TO FINANCIAL STATEMENTS**

**3. FAIR VALUE MEASUREMENTS (continued)**

Level 2 - Inputs to the valuation methodology include:

- 1) Quoted prices for similar assets or liabilities in active markets
- 2) Quoted prices for identical or similar assets or liabilities in inactive markets
- 3) Inputs other than quoted prices that are observable for the asset or liability
- 4) Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of the observable inputs and minimize the use of unobservable inputs. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. For the years ended December 31, 2024 and 2023, there were no transfers in or out of levels 1, 2 or 3.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are registered open-end mutual funds. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest-bearing cash: Valued at cost, which approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2024 and 2023:

**Assets at Fair Value as of December 31, 2024**

	<b><u>Level 1</u></b>	<b><u>Level 2</u></b>	<b><u>Level 3</u></b>	<b><u>Total</u></b>

Total assets in the fair value hierarchy	<u>\$ 8,615,970</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,615,970</u>

**4. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE**

The Plan Administrator has elected the method of annual reporting compliance permitted by Section 2520.103-8 of the United States Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee of the Plan has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of and for the years ended December 31:

	<u>2024</u>	<u>2023</u>
Investments at fair value:		
Mutual funds	\$ 9,574,392	\$ 8,313,169
Interest-bearing cash	331,592	302,801
	<u>\$ 9,905,984</u>	<u>\$ 8,615,970</u>
Notes receivable from participants	<u>\$ 59,006</u>	<u>\$ 81,522</u>
Investment income:		
Net appreciation in fair value of investments	\$ 1,265,415	
Interest and dividends	375,534	
Interest income on notes receivable from participants	5,391	
	<u>\$ 1,646,340</u>	

The Plan's independent accountant did not perform any auditing procedures with respect to this information, except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule.

**5. NOTES RECEIVABLE FROM PARTICIPANTS**

Notes receivable from participants are due at various dates through August 2029. Payments include interest at a reasonable and fair rate based on the prevailing rates charges by reputable financial institutions. The notes are collateralized by the participant's vested interest in the Plan. Notes receivable from participants are held at amortized cost which approximates fair value.

Participant loans earned interest of \$5,391 for the year ended December 31, 2024.

**VENTAHOOD, LTD RETIREMENT 401(k) PLAN AND TRUST**  
**NOTES TO FINANCIAL STATEMENTS**

**6. REPORTABLE TRANSACTIONS**

During the years ended December 31, 2024 and 2023, there were no reportable transactions, loans in default or uncollectible, investment assets acquired and disposed of within the Plan or non-exempt transactions with parties-in-interest which would require supplemental presentation under United States Department of Labor regulations, except as disclosed in Note 10.

**7. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are shares of mutual funds managed by Fidelity Investments. Fidelity Investments is an affiliate of the Trustee and therefore, these transactions qualify as party-in-interest transactions. Purchases and sales of these accounts and the underlying investments comprising these accounts are open market transactions at fair market value.

Fidelity Management Trust Company, the Plan's custodian and recordkeeper, provides certain administrative services to the Plan pursuant to a contract between the Plan Sponsor and Fidelity Management Trust Company. Fidelity Management Trust Company receives revenue from mutual fund service providers for services it provides to the funds. This revenue is used to offset certain amounts owed to Fidelity Management Trust Company for its administrative services to the Plan. Fidelity Management Trust Company also charges directly to the participants for certain transactions such as loan set-up fees and distribution fees.

Such transactions are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

**8. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA and the IRC. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**9. TAX STATUS**

The Company has adopted the Fidelity Management and Research Company Volume Submitter Defined Contribution Plan (Fidelity Basic Plan Document No. 17 and the Adoption Agreement together comprise the Volume Submitter Defined Contribution Plan). The Internal Revenue Service has issued an opinion letter dated June 30, 2020 stating that the plan is acceptable under section 401(a) of the IRC. The Company is relying on the opinion letter (in accordance with Announcement 2001-77) that the Plan meets the qualification requirements of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**VENTAHOOD, LTD RETIREMENT 401(k) PLAN AND TRUST**  
**NOTES TO FINANCIAL STATEMENTS**

**10. PROHIBITED TRANSACTIONS**

During the year ended December 31, 2023, the Plan Sponsor identified an operational failure that affected the Plan. The Plan Sponsor failed to update the payroll system for changes in the participants' elected deferral rates for the employee deferral amounts which totaled approximately \$43,000 from 2017 through 2023.

The Plan Administrator believes that the aforementioned corrections will not adversely affect the Plan's qualified tax status

On October 23, 2024 the Plan sponsor remitted the lost earnings calculated using the Department of Labor guidelines for late deposits, to the Plan.
