To the Plan Administrative Committee and Management of the  
Arnold Ventures LLC Retirement Plan  
Houston, Texas

We have audited the financial statements of Arnold Ventures LLC Retirement Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”) for the year ended December 31, 2024, and have issued our report thereon dated August 12, 2025. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by Fidelity Management Trust Company, the Plan’s Trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (“GAAP”). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated March 26, 2025. Professional standards also require that we communicate to you the following information related to our audit.

## **Significant Audit Matters**

### ***Qualitative Aspects of Accounting Practices***

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2024. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management’s knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The most sensitive estimate affecting the financial statements was the estimate of the fair value of the Plan's investments in accordance with the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*. The significant valuations are presented in Note 3 to the financial statements. We evaluated the key factors and assumptions used to develop the fair value of investments in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements is the disclosure of fair value measurements in Note 3 to the financial statements. The methods used in determination of fair value may not be indicative of net realizable value or reflective of future determination of fair values. The use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The financial statement disclosures are neutral, consistent, and clear.

***Form 5500 Procedures***

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

***Difficulties Encountered in Performing the Audit***

We encountered no significant difficulties in dealing with management in performing and completing our audit.

***Corrected and Uncorrected Misstatements***

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Further, professional standards also require us to communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. There were no such misstatements identified during the course of the audit.

***Disagreements with Management***

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter that, whether or not resolved to our satisfaction, could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

***Management Representations***

We have requested certain representations from management that are included in the management representation letter dated August 12, 2025.

***Management Consultations with Other Independent Accountants***

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the Plan’s financial statements or a determination of the type of auditor’s opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

***Other Audit Findings or Issues***

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan’s auditor. However, these discussions occurred in the normal course of our professional relationship, and our responses were not a condition to our retention.

***Other Matters***

With respect to the ERISA-required supplemental schedule accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the ERISA-required supplemental schedule to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This representation letter is provided in connection with your audit of the financial statements of Arnold Ventures LLC Retirement Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements (collectively, the “financial statements”).

We elected to have the audit of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency (“qualified institution”), which prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that: (i) the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, (ii) the certification meets the requirements in 29 CFR 2520.103-5, and (iii) the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States, and whether the information regarding assets held and certified by a qualified institution, in all material respects, agrees to or is derived from the certified investment information.

We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements or for determining the following:

- i. The circumstances permit an ERISA Section 103(a)(3)(C) audit.
- ii. A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
- iii. The certification meets the 29 CFR 2520.103-5 requirements.
- iv. The certified investment information is appropriately measured, presented, and disclosed in accordance with GAAP.

Certain representations in this letter are described as being limited to matters that are material. Items are

considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of July 12, 2025, the following representations made to you during your audit.

19. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
20. We have no knowledge of any fraud or suspected fraud affecting the Plan involving:
  - a. Management
  - b. Employees with significant roles in internal control
  - c. Others where fraud could have a material effect on the financial statements
21. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements being communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

22. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations, including ERISA, DOL, and IRS regulations, whose effects should be considered when preparing financial statements.

25. The Plan has satisfactory title to all owned assets, which are recorded at fair value. All liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.
26. We have no:
  - a. Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
  - b. Intention to terminate the Plan.
27. Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.
28. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
29. The methods and significant assumptions used to estimate fair values of financial instruments, including non-readily marketable securities, are as follows:
  - **Mutual Funds** – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and classified within level 1 of the valuation hierarchy.
  - **Stable Value Fund** – Primarily consists of fully benefit responsive investment contracts that are valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

30. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value*

*Measurement.* In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.

31. All required amendments to and filings of the Plan documents with the appropriate agencies have been made. The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
32. The Plan and the trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code, and we intend to continue them as a qualified plan and trust. The Plan sponsor has operated the Plan and trust in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
33. The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
34. The Plan has complied with the fidelity bonding requirements of ERISA.
35. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
36. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).

***ERISA Required Supplemental Schedules***

37. We believe the form and content of the supplemental information are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
