INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Las Vegas Review Journal 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Las Vegas Review Journal 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Las Vegas Review Journal 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Las Vegas Review Journal 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Las Vegas Review Journal 401(k) Retirement Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Las Vegas Review Journal 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Las Vegas Review Journal 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) ("supplemental schedule") as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN

The following description of the Las Vegas Review Journal 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General

The Plan, a defined contribution plan sponsored by the Las Vegas Review Journal, Inc. (the "Company"), was established effective April 1, 2016, and was most recently amended and restated effective July 1, 2024, and is designed to comply with Section 401(k) and related provisions of the Internal Revenue Code (IRC). The Plan is designed to provide participants with a means to defer a portion of their eligible compensation for retirement and to provide benefits in the event of disability, death, termination of employment or financial hardship. The Plan covers substantially all employees of the Company who meet certain eligibility requirements. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) and subsequent laws.

An expansion of Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE 2.0") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. The effective dates of provisions within SECURE 2.0 vary through 2026. The Company has until the end of the first plan year beginning on or after January 1, 2026, to amend the Plan for the changes related to SECURE 2.0. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

Plan administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Company has delegated certain responsibilities for the operation and administration of the Plan. Trustee services are provided by Reliance Trust Company (the "Trustee"). Recordkeeping services and third-party administrative services are provided by T. Rowe Price Retirement Plan Service, Inc. ("T. Rowe Price").

Eligibility

All Company employees who have attained age 18 and who have completed one month of service are eligible to participate in the Plan. Entry dates for participation in the Plan are the first day of each month following satisfaction of eligibility requirements. Participants direct the investment of their contributions and any Company contributions into various investment options offered by the Plan.

December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN (continued)

Contributions

Participants are permitted to make contributions of up to 100% of their eligible annual compensation, as defined by the Plan document, on a pre-tax or after-tax (Roth) basis, not to exceed limitations established by the IRC, which was \$23,000 in 2024. Participants who have attained the age of 50 before the end of the Plan year may contribute an additional \$7,500 catch-up contribution to the Plan for 2024. Unless otherwise elected by the participant, all eligible employees are automatically enrolled in the Plan at a pre-tax deferral rate of 6% of eligible compensation. Participants may also elect to roll over contributions from other qualified employer-sponsored retirement plans and individual retirement accounts.

The Company may elect to make a discretionary matching contribution equal to a percentage of the participant's eligible earnings. The Company made discretionary matching contributions equal to 25% of the participant's elective deferrals, not to exceed 6% of their eligible compensation, totaling \$217,676 for the year ended December 31, 2024. Each year, the Company can also elect to make a discretionary profit sharing contribution to the Plan to all eligible participants. For the year ended December 31, 2024, the Company did not make a profit sharing contribution.

Participant accounts

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contributions (including rollovers from the participant's previous plan), and allocations of the Company's contributions, if any, and investment earnings, and charged with any withdrawals or distributions requested by the participant, investment losses and an allocation of administrative expenses, if applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and rollovers, plus actual earnings or losses thereon. Vesting in the Company's contribution portion of their accounts is based on years of service as defined. Participants become vested in Company contributions at 20% per year and are fully vested after completing five years of service, or upon death, disability, or attainment of normal retirement age (65) while an active participant.

1. DESCRIPTION OF THE PLAN (continued)

Payment of benefits

Distributions and withdrawals are payable to participants upon retirement, termination, financial hardship, disability, or to a beneficiary upon a participant's death. In-service withdrawals from a participant's account are permitted for participants who are 59 ½ or older. If a participant's account balance is less than or equal to \$1,000 upon termination, the balance is distributed immediately in a lump-sum cash payment unless a direct rollover into another qualified benefit plan is requested by the participant. Upon termination, balances greater than \$1,000 and less than or equal to \$5,000 will be rolled over to an individual retirement account designated by the plan administrator if the participant has not requested a lump-sum cash payment or a direct rollover into another qualified benefit plan. If the account balance is over \$5,000 upon termination, the participant can consent to either a distribution paid in the form of a lump-sum cash payment, a direct rollover into another qualified plan, or postpone payment to a later date and remain in the Plan as described in the Plan documents.

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of the value of the participant's vested interest in their account. The \$50,000 maximum loan amount is reduced by the highest outstanding loan balance during the previous twelve months. A participant can only have two loans concurrently outstanding from the Plan. The loans are secured by the balance in the participant's account and bear a commercially reasonable rate of interest, determined by the plan administrator. The interest rate on notes receivable from participants ranged from 4.25% to 9.50% as of December 31, 2024. Principal and interest are paid ratably through payroll deductions over a maximum of five years unless the loan is used for the purchase of a principal residence, which may permit a longer repayment term. Participants loans outstanding as of December 31, 2024 have various maturity dates through December 2029.

Forfeitures

Forfeitures are retained in the Plan and are used to reduce the Company's contributions and to pay administrative expenses. At December 31, 2024 and 2023, forfeited non-vested amounts totaled \$13,548 and \$5,788 respectively. Forfeitures used to reduce Company contributions totaled \$28,097 in 2024.

Administrative expenses

Certain administrative expenses of the Plan were paid directly by the Company. The Plan is not obligated to reimburse the Company for expenses paid on its behalf. Loan set-up and maintenance fees are paid by the individual participants receiving a loan. Investment fees, which may vary according to the individual funds selected, are deducted directly from participants' investment returns. Participants should refer to the prospectus of the individual investment funds for further details on individual investment fees.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and the disclosure of contingent liabilities at the date of the financial statements and the reported amount of changes in net assets during the reporting period. Accordingly, actual results may differ from those estimates. Significant items subject to such estimates and assumptions include the fair value of investments.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Investment valuation and income recognition

The Plan's investments in mutual funds and stable value funds are stated at fair value and at estimated fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's net gains and losses on investments bought and sold during the year as well as held at year-end.

Contributions and contributions receivable

Contributions from participants are recorded based on the date the contributions have been separated from a participant's pay by the Company, which is the pay date. Company matching contributions are recorded in the year they are earned and coincide with the year in which the Company records the contributions in its general ledger. The Plan records receivables for contributions based upon the contribution recognized, less amounts received by the Plan as of the last day of the Plan year. Rollover contributions are recorded when they are received by the Plan and allocated to participants' accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes receivable from participants

Notes receivable from participants represent loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. If a participant ceases to make loan payments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan documents.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Administrative expenses for the Plan are recorded when incurred.

3. FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

The three levels of fair value hierarchy are as follows:

- Level 1: inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.
- Level 2: inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3: unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the asset or liability.

The categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques are used to maximize the use of observable inputs and minimize the use of unobservable inputs.

3. FAIR VALUE MEASUREMENTS (continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

- *Mutual Funds*: Valued at the daily closing price as reported on the active market on which these securities are traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Collective trust fund* : Valued using the daily NAV which is based on the fair value of the collective trust's underlying investments as reported by the audited financial statements of the trust at year-end. The NAV is used as a practical expedient to estimate fair value. Plan management believes that the occurrence of events that would cause the fund to transact at less than NAV is not probable. As the fund is a direct filing entity, the audit strategy is not disclosed below. There were no unfunded commitments at December 31, 2024 and 2023.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments, by type, at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>

3. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments, by type, at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 21,324,763</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 21,324,763</u>
	<u><u>\$ 21,324,763</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>	<u>21,324,763</u>
Investments measured at NAV*				<u>1,506,582</u>
				<u><u>\$ 22,831,345</u></u>

* In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

4. TAX STATUS

The Plan adopted the DST Retirement Solutions, LLC's Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan. The Internal Revenue Service has issued an opinion letter on the pre-approved plan dated June 30, 2020, stating that the written form of the pre-approved plan is designed in accordance with the applicable sections of the IRC, and is appropriate for use by employers for the benefit of its employees. The plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, no provision for income taxes has been included in the Plan's financial statements.

5. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)

The plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the Plan's investment information, and related activity, certified by the Trustee, determined to be a qualified institution by the plan administrator, as complete and accurate, except for comparing such information to corresponding information included in the Plan's financial statements and supplemental schedule of assets (held at end of year) ("supplemental schedule"). The Trustee has certified that the following data included in the financial statements is complete and accurate:

- Investments and notes receivable reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023.

5. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)
(continued)

- Net appreciation in fair value of investments, dividends and interest and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2024.
- Investments and notes receivable from participants reflected on the supplemental schedule as of December 31, 2024.

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

ERISA defines party-in-interest similar to a related party under U.S. GAAP, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Plan management did not identify any related parties to the Plan that were not also considered to be parties-in-interest.

Parties-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, and a person who owns 50% or more of such an employer or employee association or relatives of such persons.

T. Rowe Price also earns compensation in the form of short-term interest (or float) when funds are received either without investment instructions or past the point in a day when funds can be invested. Such amounts are held by a financial institution and earn interest at an interest rate provided by the financial institution from time to time.

As such, transactions conducted by the Reliance Trust Company and T. Rowe Price, including revenue sharing and fee offset agreements, qualify as party-in-interest transactions. Also, the Company pays certain fees and expenses on behalf of the Plan. These transactions qualify as party-in-interest transactions. Additionally, the Plan has included in its investment fund options certain funds are owned and managed by T. Rowe Price, these transactions qualify as exempt party-in-interest transactions.

Notes receivable from participants and the related interest income are considered party-in-interest transactions.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through August 12, 2025, the date the financial statements were available to be issued. The adoption agreement was restated effective January 1, 2025, that all employees are eligible except for interns. Further restatement was effective May 1, 2025, that forfeited amounts attributable to Employer contributions other than Employer matching contributions will be used to reduce any Employer contributions.

Plan management is not aware of any other subsequent events which would require recognition or disclosure in the financial statements.
