Management, having determined it is permissible in the circumstances, has elected to have the audits of Foley Entertainment Group LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis For Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of Foley Entertainment Group LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities Of Management For The Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Foley Entertainment Group LLC 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities For The Audit Of The Financial Statements***

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Foley Entertainment Group LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Foley Entertainment Group LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Other Matters Supplemental Schedule Required By ERISA***

The supplemental schedule of assets held at end of year as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS

December 31, 2024 And 2023

### 1. Description Of The Plan

The following description of the Foley Entertainment Group LLC 401(k) Plan (the Plan), formally known as the Vegas Golden Knights Sports & Entertainment, LLC 401(k) Plan, provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan that covers substantially all employees of Foley Entertainment Group LLC (the Company). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan was amended effective November 1, 2023 to include BWI Venture, LLC dba Black Walnut Inn & Vineyard as a participating employer in the Plan.

The Plan was amended effective January 1, 2024 to add FHI Assetco, LLC dba Farmhouse Inn and amended effective March 1, 2024 to add MAP Assetco, LLC dba MacArthur Place Hotel and Spa as participating employers in the Plan.

#### Eligibility

Employees of the Company are eligible to participate in the Plan immediately upon hire, and reaching age 21. Employees not eligible to participate are members of a collective bargaining unit, part-time employees, temporary employees, interns, and all employees covered by the National Hockey League's retirement plans.

#### Contributions

Each year, participants may contribute up to 100% of eligible compensation, as defined in the Plan Document, representing pre-tax and/or Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Plan has automatic enrollment, where eligible employees are automatically enrolled to contribute 3% of eligible compensation unless the employee elects otherwise. The Plan also includes an auto escalation provision for participants that will increase their pre-tax deferral contribution annually by 1% until the deferral contribution rate reaches 6%.

### Notes To Financial Statements (*Continued*)

The Company may elect to make discretionary matching contributions to the Plan. Discretionary matching contributions for the years ended December 31, 2024 and 2023 were \$838,233 and \$679,513, respectively. The Company may also elect to make discretionary non-elective contributions to the Plan. Participants are eligible for the discretionary non-elective contributions if the employee earns at least 1,000 service hours and is employed at the end of the year. For the years ended December 31, 2024 and 2023, there were no discretionary non-elective contributions made by the Company.

Contributions are subject to Internal Revenue Service (IRS) limitations.

The Plan was amended effective December 15, 2023, to permit in-plan Roth rollover contributions and in-plan Roth conversions for employee deferral and discretionary match contributions for participants who are still employed by the Employer.

#### **Contributions Receivable And Credit Loss Policy**

The Company has concluded that no allowance for current expected credit losses was necessary at December 31, 2024 and December 31, 2023.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions, and Plan earnings (losses) less administrative expenses. Participants may direct the investment of their account balances into investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Vesting**

Participants are immediately vested 100% on their contributions plus actual earnings thereon. Vesting in the Company's contributions is based on years of continuous service as follows:

<u>Continuous Years Of Service</u>	<u>Percentage</u>

1	33%
2	67%
3	100%

### Notes To Financial Statements (*Continued*)

#### **Forfeitures**

Participants who terminate their employment and are less than 100% vested will forfeit the non-vested portion of their account. Forfeited non-vested accounts may be used for any permissible method (restore forfeitures, reduce Company contributions or to pay Plan expenses) under Plan provisions. At December 31, 2024 and 2023, forfeited amounts that were available to reduce future Company contributions were \$52,466 and \$14,081, respectively. The Plan used \$24,529 to pay Plan administrative expenditures during the year ended December 31, 2024. No forfeitures were used to reduce Company contributions during the year ended December 31, 2024. The Plan reduced Company contributions by \$10,055 and used \$17,188 to pay Plan expenditures during the year ended December 31, 2023.

#### **Notes Receivable From Participants**

Participants may borrow from their accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are issued by the Plan and secured by the balance in the participant's account. All loans must be repaid within a period of five years, unless the loan is used to purchase a principal residence, in which case, the loan must be repaid within a reasonable period of time not to exceed ten years. Loans bear a reasonable rate of interest determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

#### **Payment Of Benefits**

A participant is eligible to receive a distribution from their vested account upon termination of employment, death, disability, or retirement. A participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or rollover their account balance to another qualified plan.

#### **In-Service Withdrawals**

Active participants who reach age 59-1/2 may withdraw all or part of their full vested accounts. Participants' employee and rollover contributions balance may be withdrawn at any time.

Active participants who experience a qualifying financial hardship may withdraw all or part of their vested account balance. Hardship withdrawals will be approved only if they conform to Plan and established Internal Revenue Code (IRC) safe harbors.

## **2. Summary Of Significant Accounting Policies**

### **Basis Of Accounting**

The financial statements of the Plan are prepared under the accrual basis of accounting.

### **Estimates And Assumptions**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

### **Investment Valuation And Income Recognition**

The Plan's investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net change in fair value of investments represents the difference between the aggregate fair value of investments at year end and the values at the beginning of the year and includes any realized gains and losses in securities that were bought and sold during the year.

### **Notes Receivable From Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are reclassified as distributions upon the occurrence of a distributable event, based on the terms of the Plan Document.

### **Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions payable for the year ended December 31, 2024. Excess contributions payable for the year ended December 31, 2023 were \$139,496.

## FOLEY ENTERTAINMENT GROUP LLC 401(k) PLAN

### Notes To Financial Statements (*Continued*)

#### **Payment Of Benefits**

Benefits are recorded when paid.

#### **Expenses**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of the Plan are charged directly to the participants' accounts and are included in administrative expenses.

### **3. Certified Financial Information**

The following is a summary of the Plan's asset information as of and for the years ended December 31, 2024 and 2023, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information supplied to the Plan Administrator and certified as complete and accurate by Fidelity Management Trust Company (the Trustee). The Plan Administrator has obtained a certification from Fidelity Management Trust Company that the information provided to the Plan Administrator related to the following information is complete and accurate.

Accordingly, as permitted by CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets as of December 31:

	<u>2024</u>	<u>2023</u>
Investments - At Fair Value		
Registered investment companies	\$ 14,706,919	\$ 10,544,751
Common/collective trust	94,938	54,006
Notes receivable from participants	169,130	55,266

## FOLEY ENTERTAINMENT GROUP LLC 401(k) PLAN

---

### Notes To Financial Statements (*Continued*)

Fidelity also certified to the completeness and accuracy related the following investment income and interest income on notes receivable from participants for the year ended December 31:

	<u>2024</u>	<u>2023</u>
Dividends and interest	\$ 314,629	\$ 201,902
Net change in fair value of investments	1,336,113	1,307,341
Interest income on notes receivable from participants	10,204	4,061

#### 4. Fair Value Measurements

The Plan follows current accounting standards, which establish a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value are described below:

- Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2      Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

## FOLEY ENTERTAINMENT GROUP LLC 401(k) PLAN

---

### Notes To Financial Statements (*Continued*)

Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

#### **Registered Investment Companies**

Valued at the daily closing price as reported by the fund. The registered investment companies held by the Plan are open-end investment companies that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

#### **Common/Collective Trust**

Valued at the net asset value (NAV) equivalent of the individual fund. The NAV, as provided by the trustee of the invested fund, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The investment is redeemable daily at the adjusted NAV, and has no unfunded capital commitments. The common/collective trust held by the Plan files an annual report on Form 5500 as a direct filing entity.

There have been no changes in the valuation methodologies used at December 31, 2024 and 2023.

## FOLEY ENTERTAINMENT GROUP LLC 401(k) PLAN

### Notes To Financial Statements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of:

	December 31, 2024			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 14,706,919	\$ —	\$ —	\$ 14,706,919
Investments measured at net asset value {a}				94,938
<b>Total Investments At Fair Value</b>	<b>\$ 14,706,919</b>	<b>\$ —</b>	<b>\$ —</b>	<b>\$ 14,801,857</b>

	December 31, 2023			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 10,544,751	\$ —	\$ —	\$ 10,544,751
Investments measured at net asset value {a}				54,006
<b>Total Investments At Fair Value</b>	<b>\$ 10,544,751</b>	<b>\$ —</b>	<b>\$ —</b>	<b>\$ 10,598,757</b>

{a} Certain investments that are measured at fair value using the net asset value per share/unit (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

## 5. Income Tax Status

The Plan utilizes a volume submitter defined contribution profit sharing plan that received a favorable opinion letter from the IRS dated March 31, 2014, and subsequently renewed effective June 30, 2020, which stated that the volume submitter plan, as then designed, was in accordance with applicable sections of the IRC. The Plan itself has not received a determination letter. Although the Plan has been amended since the date of the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan and the related trust are tax-exempt as of the financial statement date.

## **FOLEY ENTERTAINMENT GROUP LLC 401(k) PLAN**

---

### Notes To Financial Statements (*Continued*)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **6. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

#### **7. Risks And Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. It is reasonably possible, given the level of risk associated with investment securities that changes in the values of the investments in the near term could materially affect a participant's account balance and the amounts reported in the financial statements.

#### **8. Party In Interest Transactions**

Certain plan investments include shares of a registered investment companies and a common/collective trust managed by an affiliate of the Trustee. Therefore, transactions with this entity qualify as exempt party in interest transactions.
