Board of Custodians
Double Diamond Management Corp. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Double Diamond Management Corp. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Double Diamond Management Corp. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520-103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Double Diamond Management Corp. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Double Diamond Management Corp. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Double Diamond Management Corp. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Double Diamond Management Corp. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held for Investment and Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

Double Diamond Management Corp. 401(k) Profit Sharing Plan
Notes to the Financial Statements
December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN

The following description of the Double Diamond Management Corp. 401(k) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

Effective January 1, 2015, the Plan changed its name from National Resort Management Corp. 401(k) Profit Sharing Plan to Double Diamond Management Corp. 401(k) Profit Sharing Plan. The Plan, as amended effective April 1, 2007, is a defined contribution Plan covering substantially all employees of Double Diamond Management Corp. ("Company") who have completed nine months of service. The Plan was established in accordance with Section 401(k) of the Internal Revenue Code ("IRC") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Administration

Under the terms of a trust agreement with Voya Retirement Insurance and Annuity Company and Double Diamond Management Corp. 401(k) Profit Sharing Plan, Voya is involved in the processing and record-keeping of Plan investment contributions and distributions. Accordingly, Voya has been granted certain authority concerning investment and management powers.

Expenses incurred in the administration of the plan are charged to the Plan. In addition, the Company pays certain administrative expenses directly.

Contributions

Currently, Employee contributions cannot exceed 92% of eligible compensation. Contributions per employee are limited by law up to the maximum contributions under Section 402(g) of the IRC.

Matching

The Company makes non-discretionary matching contributions in an amount equal to 50% of Employee pre-tax contributions. Non-discretionary matching contributions are subject to a maximum of 2.5% of eligible compensation.

The Company may make an additional discretionary matching contribution, to be determined annually, and it is not limited to the Company's current or accumulated net profit.

Notes to the Financial Statements
December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN (Continued)

Rollovers

Distributions from other qualified retirement plans may be transferred into the Plan.

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and related employer contributions, as well as the participant's share of investment income, appreciation (depreciation) and any related administrative expenses. The participant determines the amount to be invested and the allocation of the investment to one or more of the investment funds. The benefit to which a Participant is entitled is limited to the amount of the Participant's vested account balance.

Vesting

Participant contributions, plus the earnings thereon, vest immediately. Participants become fully vested (20% per year beginning with year 2) in matching contributions and the earnings thereon upon the completion of 6 years of service, upon termination of the Plan, upon attainment of normal retirement age, or upon death or disability. Forfeitures of the Company's contributions due to Participants withdrawing from the Plan prior to full vesting are used to pay administrative expenses and reduce the Company's contributions.

Notes Receivable from Participants

A Participant can borrow money from the Plan, up to the lesser of 50% of the Participant's vested account balance or \$50,000 (less the highest outstanding loan balance). Loans bear the prime rate of interest, as published in the Wall Street Journal, plus one percent. Loans must be repaid within 5 years (may exceed 5 years for a primary residence loan) through payroll deductions. Notes receivable from participants are valued at their outstanding principal balances which approximates fair value.

Notes receivables from participants were due at various dates through September 2029. Payments included interest at a reasonable and fair rate based on the prevailing rates charges reputable financial institutions. The notes were collateralized by the participants' vested interest in the Plan.

1. DESCRIPTION OF THE PLAN (Continued)

Distributions

The Participant or beneficiary may elect to receive a distribution(s) upon retirement, termination (elective or due to disability), death, or in the event of financial hardship. Any benefit provided by the Plan is paid by the Custodian directly to the Participant or in the form of a direct rollover to another qualified plan or an IRA. All distribution(s) are made in lump-sum amounts up to the value of the funds allocated to the account of the Participant. Special rules apply to a distribution due to financial hardship.

Forfeited Accounts

At December 31, 2024 and 2023 forfeited nonvested accounts totaled \$19,237 and \$13,877 respectively. These accounts may be used to pay administrative expenses and to reduce Company's contributions. During the years ended December 31, 2024 and 2023, Company contributions were reduced by \$0 and \$0, respectively, from forfeited nonvested accounts.

Plan Termination

The Company expects to continue the Plan indefinitely, but the Company's Profit-Sharing Plan Committee reserves the right to terminate the Plan at any time and for any reason. Upon termination of the Plan, all benefits shall be fully vested, and each Participant will become 100% vested in their accounts. Payment of such amounts to each Participant shall be made by the Custodian at such time and in a nondiscriminatory manner as directed by the Company's Profit-Sharing Plan Committee.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Plan are presented on the accrual basis of accounting.

Valuation of Investments

The Custodian uses quoted market values to value all investments. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Gains and losses on securities transactions are recorded on a current value basis. Unrealized gains and losses are calculated as current value of investments at the end of the Plan year less current value at the beginning of the Plan year or acquisition cost if acquired during the Plan year.

Purchases and sales of investments are recorded on the trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Accounting and Use of Estimates

The accompanying financial statements are prepared on the accrual basis of accounting. The preparation of the financial statements in conformity with generally accepted accounting principles requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

3. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit.

	<u>Fair Value</u>	<u>Fair Value Measurements Using: Quoted Prices in Active Markets for Identical Assets (Level 1)</u>
December 31, 2024		
Cash-money market reserves	\$ 788,417	788,417
Mutual funds	9,379,856	9,379,856
Total	\$ 10,168,273	10,168,273
December 31, 2023		
Cash-money market reserves	\$ 623,483	623,483
Mutual funds	8,238,441	8,238,441
Total	\$ 8,861,924	8,861,924

[FASB ASC 820-10](#) (formerly [SFAS No. 157, Fair Value Measurements](#)), establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

3. FAIR VALUE MEASUREMENTS (Continued)

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2024, are reported in net appreciation (depreciation) in fair value of investments.

4. INVESTMENTS

The following table presents investments that represent 5 percent or more of the Plan's net assets at December 31,

	<u>2024</u>	<u>2023</u>
<u>Cash</u>		
Voya Fixed	788,417	623,483
<u>Mutual Funds:</u>		
Balanced Fund	1,376,361	1,265,841
Fundamental Investors SM	544,833	-
Vanguard total stock market index fund	796,567	707,625
Vanguard target retirement 2035 fund	629,809	517,365
Vanguard target retirement 2045 fund	782,045	712,952
Voya intermediate bond fund	728,535	643,010

During 2024 and 2023, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by \$1,009,278 and \$1,096,038 respectively.

5. REPORTABLE TRANSACTIONS

During the years ended December 31, 2024 and 2023, there were no reportable transactions, investments both acquired and disposed of during the Plan year or loans or leases in default or classified as uncollectible, which would require supplemental presentation under the United States Department of Labor regulations.

6. RELATED PARTY TRANSACTIONS

Plan assets include investments in funds managed by Voya Retirement Insurance and Annuity Company, who serves as Plan Custodian. Continental Benefits Group Inc. is the Plan's third-party administrator and recordkeeper. Transactions with the Plan's Trustee, custodian, third party administrator and recordkeeper qualify as party-in-interest transactions.

7. TAX STATUS OF THE PLAN

The Plan has adopted the Volume Submitter 401(k) Profit Sharing Plan, a G.M. Morrison, P.C. Prototype Plan effective July 1, 2009.

The Volume Submitter Plan Sponsored by Continental benefits Group, Inc. has received a favorable determination letter under the volume submitter program from the Internal Revenue Service with respect to the Plan's qualifications dated March 31, 2008.

Management believes that the Plan is qualified under section 401(a) of the IRC and applicable sections of ERISA, and therefore the Trust is exempt from taxation under section 501(a). Accordingly, employee contributions, employer contributions, and earnings of the Plan are not taxable to the Participants until distributed. Management is unaware of any variations in the operation of the Plan from the terms of the Plan documents, as amended, which would subject the Plan to disqualification. Management intends to maintain the Plan's qualification under the IRC and ERISA. Management has adopted all plan amendments as required by legislation. The Plan has complied with fidelity bonding requirements of ERISA.

The Plan is no longer subject to U.S. federal or state and local income tax examinations by tax authorities for years before 2021.

8. FINANCIAL DATA CERTIFIED BY THE CUSTODIAN

The Plan administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan administrator has accepted the certification of Voya that the unaudited financial information related to investments and investment income used in the preparation of the Plan's financial statements and Schedule of Assets Held for Investment is complete and accurate.

9. RISKS AND UNCERTAINTIES

The Plan provides for investments in various investment securities, which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Further, due to the level of risk associated with certain investment securities, it is at least reasonably possible that change in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits.

10. ANNUAL CONTRIBUTION LIMIT FROM DEFINED CONTRIBUTION PLANS

The annual contribution from all sources to a participant's account in a defined contribution retirement plan (profit sharing, 401(k), or stock purchase plan) is limited by the IRC.

Double Diamond Management Corp. 401(k) Profit Sharing Plan
Notes to the Financial Statements
December 31, 2024 and 2023

10. ANNUAL CONTRIBUTION LIMIT FROM DEFINED CONTRIBUTION PLANS
(Continued)

In addition to the Plan, the sponsor participates in an Employee Stock Ownership Plan (“ESOP”). Per the ESOP agreement, any excess contributions in aggregate are forced back to the 401(k) plan. Consequently, additional corrective distributions may arise.

11. SUBSEQUENT EVENTS

The plan administrator has evaluated subsequent events through September 10, 2025, the date the financial statements were available to be issued.
