American Decorative Fabrics LLC

Gaffney, SC 29340

I have reviewed the accompanying balance sheet of American Decorative Fabrics LLC 401K plan as of December 31st, 2024, and the related statements of operations and members equity.

A review includes primarily applying analytical procedures to managements financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, I do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

My responsibility is to conduct the review in accordance with statements on standards for accounting and review services issued by the American institute of Certified Public Accountants. Those standards require me to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. I believe that the results of my procedures provide a reasonable basis for my report.

Based on my review, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles generally accepted in the United States.
