September 16, 2025

To the Trustees of
Springbrook Employees' 401(k) Plan
2705 State Highway 28
Oneonta, New York 13820

We have audited the financial statements of Springbrook Employees' 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), for the year ended December 31, 2024, and we will issue our report thereon dated September 16, 2025. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated September 3, 2024. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2024. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no sensitive estimates affecting the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Springbrook Employees' 401(k) Plan
Auditor Communications
December 31, 2024

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated September 16, 2025.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the ERISA-required supplemental schedule accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the ERISA-required supplemental schedule to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

Independent Auditors' Report

To the Trustees of
Springbrook Employees' 401(k) Plan

Opinion

We have audited the accompanying financial statements of Springbrook Employees' 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Springbrook Employees' 401(k) Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Springbrook Employees' 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Springbrook Employees' 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but it is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Springbrook Employees' 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Springbrook Employees' 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Springbrook Employees' 401(k) Plan
Notes to Financial Statements
December 31, 2024 and 2023

1. DESCRIPTION OF PLAN

Springbrook Employees' 401(k) Plan (the Plan) was originally established and effective as of July 1, 1997. Since that date the Plan has been amended and restated.

The following briefly describes Springbrook Employees' 401(k) Plan. The description is provided for general information purposes only. Participants should refer to the plan document or summary plan description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) profit sharing plan and covers substantially all of the employees of Springbrook NY, Inc. and its affiliate Southern Tier Connect, LLC (the Agency). Employees become eligible to participate in the Plan after 60 days of service and after the age of 18 in regards to employee deferral contributions and qualified non-elective employer contributions. With regards to non-elective employer contributions and employer safe harbor matching contributions, employees become eligible to participate in the Plan after one year, 1,000 hours of service and age 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participant - Deferral

Each participant may elect to defer between 1% and 75% of his or her compensation on a pre-tax basis into the Plan. Deferral percentage changes are permitted as of the beginning of the next pay period. Catch-up contributions are permitted for participants at least 50 years old who are deferring the maximum dollar amount allowed by the Plan. Catch-up contributions will be matched.

Qualified Non-Elective Employer Contributions

The Agency may designate all or a portion of any non-elective contribution for a plan year as "qualified non-elective contributions" and allocate them to certain non-highly compensated individuals to help the Plan pass one or more annually required Internal Revenue Code non-discrimination tests. Participants will be 100% vested in these contributions and may not request a hardship withdrawal of these contributions.

1. DESCRIPTION OF PLAN

Contributions

Employer Match - Safe Harbor

The Employer will deposit and allocate Safe Harbor matching contributions of 100% of the first 5% deferred per pay-period to all participants.

Employer – Non-Elective Contribution

The Employer may make discretionary profit-sharing contributions to be allocated on a non-integrated basis to participants employed on the last day of the plan year, with 1000 hours of service. A profit-sharing contribution will be allocated to participants who have terminated employment due to death, retirement or disability.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Agency's contributions and, (b) Plan earnings (losses), and charged with an allocation of any administrative fees paid by the Plan. Allocations are based on participant earnings or account balances as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers twenty-one mutual funds and an investment in a common collective trust as investment options for participants.

Vesting

Participants are immediately vested in their employee deferral contribution, the employer match safe harbor contribution and rollover contributions plus actual earnings thereon. A participant becomes 100% vested in the employer non-elective contributions after three years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% - 9.50%, which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest payments are made ratably through payroll deductions over a period not to exceed five years, unless the notes were used to purchase a primary residence. Participants can only have one loan outstanding at a time.

1. DESCRIPTION OF PLAN

Plan Benefits

Upon termination of service due to death, disability, retirement or other reasons, participants or their beneficiary may elect to receive an amount equal to the value of the participant's vested interest in the account in a lump sum payment.

Administrative Expenses

The Plan pays the expenses associated with keeping custody of the assets and maintaining the Plan's records. These expenses are allocated to the participant accounts. The Agency pays certain other administrative expenses, such as the cost of the annual audit, legal fees, etc.

Deemed Distributions

Deemed distributions are loans taken from the plan that are in default. These loans are treated as a taxable distribution from the Plan.

Forfeited Accounts

If a participant's employment is terminated, the nonvested portion of the participant's account balance shall become a forfeiture in accordance with the provisions of the Plan. Forfeitures shall be used to reduce future employer contributions.

Forfeitures of nonvested accounts were \$218,898 and \$186,047 for the years ended December 31, 2024 and 2023, respectively. For the years ended December 31, 2024 and 2023, \$-0- of the forfeiture balance were used by the Plan to reduce employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

Subsequent events were evaluated through September 16, 2025, which is the date the financial statements were available to be issued.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Springbrook Employees' 401(k) Plan
Notes to Financial Statements
December 31, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Board of Trustees determines the Plan's valuation policies. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Parties-in-Interest

The following organizations are considered parties-in-interest based upon their relationship and services they provide to the Plan:

Springbrook NY, Inc. – Plan Sponsor
Southern Tier Connect, LLC – Plan Sponsor
Bryans & Gramuglia CPAs, LLC – Plan Audit Firm
Fidelity Management Trust Company – Custodian of Plan Assets and Third Party Administrator

For the years ended December 31, 2024 and 2023, there were no prohibited transactions between the Plan and the parties-in-interest.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that the changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

3. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Level 2 Fair Value Measurements

The underlying mutual funds of the common/collective trust are traded in public markets and are valued at their adjusted unit values on the last business day of the fiscal year based on unadjusted quoted market prices within active markets.

**Springbrook Employees' 401(k) Plan
Notes to Financial Statements
December 31, 2024 and 2023**

3. FAIR VALUE MEASUREMENTS

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023 is as follows:

**Fair Value Measurements at the
End of the Reporting Period Using:**

	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Other Observable Inputs (Level 2)</u>
<u>December 31, 2024</u>			
Mutual Funds	<u>\$ 42,588,179</u>	<u>\$ 42,588,179</u>	<u>\$ -</u>
Common Collective Trust	<u>\$ 990,272</u>	<u>\$ -</u>	<u>\$ 990,272</u>
<u>December 31, 2023</u>			
Mutual Funds	<u>\$ 37,121,237</u>	<u>\$ 37,121,237</u>	<u>\$ -</u>
Common Collective Trust	<u>\$ 952,114</u>	<u>\$ -</u>	<u>\$ 952,114</u>

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2024 and 2023, are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2024 and 2023, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3.

4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Agency has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Springbrook Employees' 401(k) Plan
Notes to Financial Statements
December 31, 2024 and 2023

5. TAX STATUS

The Internal Revenue Service ruled on July 1, 2009 that the Non-standardized Profit Sharing Plan with CODA (the prototype plan of EBS-RMSCO Inc. upon which the Plan is based) qualifies under Section 401(a) of the Internal Revenue Code (IRC).

Although the Plan may have been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

6. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The reconciliation of the financial statements to the Form 5500 for the year ended December 31, 2024 is as follows:

	<u>Financial Statements</u>	<u>Form 5500</u>	<u>Difference</u>
Employer contribution receivable	<u>\$ 1,017,664</u>	<u>\$ -</u>	<u>\$ 1,017,664</u>

Employer contributions	<u>\$ 2,246,480</u>	<u>\$ 2,278,099</u>	<u>\$ (31,619)</u>
Participant contributions	<u>\$ 2,334,415</u>	<u>\$ 2,419,267</u>	<u>\$ (84,852)</u>

The differences are the result of the December 31, 2024 Form 5500 being prepared on the cash basis of accounting and the December 31, 2024 financial statements being prepared on the accrual basis of accounting.

6. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The reconciliation of the financial statements to the Form 5500 for the year ended December 31, 2023 is as follows:

	<u>Financial Statements</u>	<u>Form 5500</u>	<u>Difference</u>
Employer contribution receivable	<u>\$ 1,049,283</u>	<u>\$ -</u>	<u>\$ 1,049,283</u>

Participant contributions	<u>\$ 2,243,228</u>	<u>\$ 2,229,627</u>	<u>\$ 13,601</u>

The differences are the result of the December 31, 2023 Form 5500 being prepared on the cash basis of accounting and the December 31, 2023 financial statements being prepared on the accrual basis of accounting.
