To Plan Administrator of
PartnerMD Employees Retirement Plan

Richard:

We are pleased to present the results of our audit of the December 31, 2024 financial statements of the PartnerMD Employees Retirement Plan (the "Plan").

This report to the Plan Administrator summarizes our audit, the scope of our engagement and the reports issued. This document also contains the communications to those charged with governance of the Plan that are required by our professional standards, as well as significant current accounting developments and issues that could affect the Plan.

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of the PartnerMD Employees Retirement Plan for the year ended December 31, 2024 and have issued our report thereon dated August 21, 2025. We considered an assessment of risks that could materially affect the Plan's financial statements and aligned our audit procedures accordingly. We conducted the audit with the objectivity and independence that you and other users of the Plan's financial statements expect. We received the full support and assistance of PartnerMD's (the "Plan Sponsor's") personnel.

This report is intended solely for the information and use of the Plan Administrator and management, and is not intended to be and should not be used by anyone other than these specified parties.

We would be pleased to meet with you to discuss the audit and the matters in this report.

PartnerMD Employees Retirement Plan

Audit Results and Communications

SUMMARY OF WHAT WE AGREED TO DO

As discussed with management during our planning process, our audit plan represented an approach responsive to the assessment of risk for the Plan. Specifically, we were engaged to:

- Perform an ERISA Section 103(a)(3)(C) audit of the financial statements of the PartnerMD Employees Retirement Plan.
- Assist in the preparation of the Plan's financial statements, including proposing journal entries affecting the Plan's financial statements.

Under generally accepted auditing standards ("GAAS"), these non-attest services above remain the responsibility of the Plan's management. In order to ensure that they are in agreement with how these services are performed, a draft of the financial statements and journal entries are provided to the Plan's management prior to finalization for their review and approval.

- Issue a management letter that provides our recommendations regarding internal controls and opportunities for improvement or efficiency, based on observations made during the course of our audit, as applicable.

PartnerMD Employees Retirement Plan

Required Communications

Professional standards require the auditor to communicate certain matters to those charged with governance that may assist the Plan Administrator in overseeing management's financial reporting and disclosure process for the Plan. Below we summarize these required communications as they apply to the PartnerMD Employees Retirement Plan.

AUDITOR'S RESPONSIBILITIES UNDER GENERALLY ACCEPTED AUDITING STANDARDS (GAAS)

The financial statements are the responsibility of management.

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of the Plan for the year ended December 31, 2024 and have issued our report thereon dated August 21, 2025. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 9 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedule taken as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodians, in accordance with auditing standards generally accepted in the United States and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- We issued an unmodified opinion on the Plan's financial statements for the year ended December 31, 2024. This is permitted by 29 CFR 2520.103-8 of the department of Labor's Rule and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

QUALITATIVE ASPECTS OF ACCOUNTING PRACTICES

Management is responsible for the selection and use of appropriate accounting policies.

- All significant transactions have been recognized in the financial statements in the proper period.
- The significant accounting policies used by the Plan are described in Note 2 to the financial statements.
- The financial statement disclosures are neutral, consistent, and clear.

SENSITIVE ACCOUNTING ESTIMATES

Accounting estimates are an integral part of the financial statements reviewed by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

- Significant estimates made by management for 2024 consist of fair value of investments.

THE ADOPTION OF, OR A CHANGE IN, AN ACCOUNTING PRINCIPLE

We determine that the Plan Administrator is informed about the initial selection of, and any changes in, significant accounting principles or their application when the accounting principle or its application, including alternative methods of applying the accounting principle, has a material effect on the financial statements.

- No new accounting principles were adopted and the application of existing principles was not changed during 2024.

ALL MATERIAL ALTERNATIVE ACCOUNTING TREATMENTS DISCUSSED WITH MANAGEMENT

We report to the Plan Administrator all alternative accounting treatments within generally accepted accounting principles for policies and practices related to material items (including recognition, measurement, presentation and disclosure alternatives) that have been discussed with management during the current audit period including:

- Ramifications of the use of such alternative disclosures and treatments, including the reasons why the alternative was selected and, if management did not select our preferred alternative, the reasons why it was not selected.
 - The treatment preferred by us.
- During 2024, we did not discuss any material alternative accounting treatments with management.

METHODS OF ACCOUNTING FOR SIGNIFICANT UNUSUAL TRANSACTIONS AND FOR CONTROVERSIAL OR EMERGING AREAS

We determine that the Plan Administrator is informed about the methods used to account for significant unusual transactions and the effects of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

- We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus.

CORRECTED AND UNCORRECTED MISSTATEMENTS

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management.

- There were no significant audit adjustments related to the 2024 audit.

UNADJUSTED AUDIT DIFFERENCES CONSIDERED BY MANAGEMENT TO BE IMMATERIAL

We inform the Plan Administrator about unadjusted audit differences accumulated by us (i.e., adjustments either identified by us or brought to our attention by management) during the current audit and pertaining to the latest period presented that were determined by management to be immaterial, both individually and in the aggregate, to the financial statements as a whole.

- There were no unadjusted audit differences related to the 2024 audit.

FRAUD AND ILLEGAL ACTS

We report to the Plan Administrator fraud and illegal acts involving senior management and fraud and illegal acts (whether caused by senior management or other employees) that cause a material misstatement of the financial statements.

- We are not aware of any fraud or illegal acts.

DISAGREEMENTS WITH MANAGEMENT

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report.

- We are pleased to report that no such disagreements arose during the course of our audit.

DIFFICULTIES ENCOUNTERED PERFORMING THE AUDIT

- We encountered no significant difficulties in dealing with management in performing and completing our audit.

MANAGEMENT REPRESENTATIONS

- We have requested certain representations from management that are included in the management representation letter dated August 21, 2025.

MANAGEMENT CONSULTATION WITH OTHER INDEPENDENT ACCOUNTANTS

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts.

- To our knowledge, there were no such consultations with other accountants.

OTHER AUDIT FINDINGS OR ISSUES

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors.

- These discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

FIDUCIARY RESPONSIBILITIES

- We are not a covered service provider under the ERISA Section 408(b)(2) regulation.

INDEPENDENCE

We communicate, at least annually, the following to those charged with governance of the Plan.

1. Disclose, in writing, all relationships between Keiter and our related entities and the Plan and its related entities that may reasonably be thought to bear on independence.
 2. Confirm in writing that, in our professional judgment, we are independent of the Plan.
- We are independent of the Plan and the Plan Sponsor.

APPENDIX A - INTERNAL CONTROL COMMUNICATION

To the Plan Administrator
PartnerMD Employees Retirement Plan

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of the PartnerMD Employees Retirement Plan (the "Plan") as of December 31, 2024 and for the year then ended in accordance with auditing standards generally accepted in the United States, we considered the Plan's internal control over financial reporting ("internal control") as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, and not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform a Department of Labor ("DOL") ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Our audit did not include all of the procedures required by U.S. generally accepted auditing standards and did not include a consideration of internal control relating to information summarized in Note 9 to those financial statements. Because of the significance of the information that we did not audit, we were unable to, and did not, express an opinion on those financial statements.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal controls, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first two paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

During our audit we became aware of certain matters that are opportunities for strengthening internal controls and operating efficiency. The comments that accompany this letter summarize our observations and suggestions regarding those matters. We will review the status of these comments during our next audit engagement.

This communication is intended solely for the information and use of management, the Plan Administrator, and others associated with the Plan Sponsor, and is not intended to be and should not be used by anyone other than these specified parties.

APPENDIX B - OBSERVATIONS

Internal Controls over the Payroll System

Keiter reviewed employee access of the payroll system noting one employee who was terminated on March 22, 2024 still had access. Keiter further reviewed the terminated employee's profile on the payroll system and noted a log in to the account on October 1, 2024 to download reports, several months after termination of the employee. Keiter recommends that access to the payroll system be removed at the time of termination. Additionally, Keiter recommends that the Company periodically review user access to ensure only current employees who need access have access, and that their access levels are appropriate and match their job responsibilities.
