To Whom It May Concern:

This letter is being submitted in place of the accountant's opinion letter typically included with the Form 5500 filing for our 401(k) plan for the plan year ending June 18, 2024.

At this time, the independent audit of the plan's financial statements is still in progress and has not yet been completed. Once the audit is finalized and the accountant's opinion letter becomes available, we will promptly amend our Form 5500 filing to include it.

We appreciate your understanding and patience as we work to complete the audit and ensure full compliance with the reporting requirements.

Sincerely,

Shanna Salyer

Former Controller, Decision Research Corporation

June 18, 2024, and as of and for the year ended December 31,
2023

INDEPENDENT AUDITOR'S REPORT

The Plan Administrator of Decision Research Corporation 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Decision Research Corporation 401(k) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits – liquidation basis as of June 18, 2024 and December 31, 2023, and the related statements of changes in net assets available for benefits – liquidation basis for the period from January 1, 2024 to June 18, 2024 and for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 18, 2024 and December 31, 2023 and for the period from January 1, 2024 to June 18, 2024 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the liquidation basis as of and for the years ended December 31, 2024 and 2023 described in Note B to the financial statements.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Terminating Plan

As further discussed in Note A to the financial statements, Decision Research Corporation (Company), the Plan's sponsor, terminated the plan effective December 31, 2023. Accordingly, the Plan changed its basis of accounting from the modified cash basis to the liquidation basis used in presenting the financial statements as of June 18, 2024 and December 31, 2023 and for the period from January 1, 2024 to June 18, 2024 and for the year ended December 31, 2023. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the liquidation basis of accounting described in Note B to the financial statements, and for determining that the liquidation basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the liquidation basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

DECISION RESEARCH CORPORATION 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

**For the Period from January 1, 2024 to June 18, 2024 and
For the Year Ended December 31, 2023**

NOTE A – DESCRIPTION OF PLAN

The Decision Research Corporation 401(k) Plan (Plan) was established in April 1991 to enable the employees of Decision Research Corporation (Company) to share in the growth and profitability of the Company and to provide them with an opportunity to accumulate capital for their future economic security. The following is a description of the Plan that provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions. The Plan was amended and restated effective January 1, 2021.

General

The Plan was a profit sharing and salary deferral plan (also called a 401(k) plan) covering substantially all employees of the Company who had at least six months of service. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Termination

On December 31, 2023, the Company sold the majority of its assets to a third-party. Pursuant to this sale, the Company terminated the Plan. In accordance with the asset purchase agreement, all participants were terminated and became 100% vested in their participant accounts. The participants in the Plan have the option to receive a distribution of his or her account balance; or elect a direct rollover of his or her account balance to the third-party's retirement plan, an eligible retirement plan of another employer, or an individual retirement account. The Plan's trust continued in effect until all Plan assets were distributed in June 2024.

Contributions

Participants could make employee salary deferral contributions to the Plan up to the lesser of 100% of their eligible compensation or \$23,000 and \$22,500 in 2024 and 2023, respectively, adjusted annually for the cost of living, plus an additional \$7,500 in 2024 and 2023, for employees age 50 and over. The Company could also elect on a year-to-year basis to make a discretionary matching or discretionary profit sharing contribution determined by the Board of Directors. The Company made \$17,284 and \$344,003 in discretionary matching contributions during the period from January 1, 2024 to June 18, 2024 and for the year ended December 31, 2023, respectively. Total contributions to each participant's account could not exceed the lesser of \$69,000 (\$76,500 with the catch-up contribution) in 2024 and \$66,000 (\$73,500 with the catch-up contribution) in 2023, or 100% of annual compensation, as defined. Excess contributions were refunded in accordance with provisions of the Internal Revenue Code (IRC). The Plan had an auto-enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan unless they affirmatively elected not to participate in the Plan. Automatically enrolled participants had their deferral rate set at 1% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

DECISION RESEARCH CORPORATION 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

**For the Period from January 1, 2024 to June 18, 2024 and
For the Year Ended December 31, 2023**

NOTE A – DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account was credited with the participant's contributions and the Company's discretionary matching contributions; plus, an allocation based on participant earnings or account balances of the Company's discretionary profit sharing contributions, and Plan's net earnings; less an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants were 20% vested in employer matching and profit sharing contributions and earnings thereon after two years of continuous service, 40% after three years of continuous service, 60% after four years of continuous service, 80% after five years of continuous service, and 100% vested after six years of continuous service. Participant voluntary contributions and earnings thereon were always 100% vested.

Forfeitures

At June 18, 2024 and December 31, 2023, forfeited accounts totaled \$0. Forfeited accounts were used to reduce administrative expenses or reduce employer contributions. For the period from January 1, 2024 to June 18, 2024, and for the year ended December 31, 2023, forfeited accounts amounted to \$41 and \$17,165, respectively, which were used to reduce administrative expenses. No forfeited accounts were used to reduce employer contributions.

Payment of Benefits

The vested amount in each participant's account was payable upon normal retirement (age 65), disability, death, or termination of employment. Participants could receive the entire value of their accounts in a single lump-sum payment. In-service withdrawals were available to a participant on the vested interest in his or her account if the participant had attained age 59 ½. Participants could make withdrawals from the vested portion of their accounts to satisfy a financial hardship, as defined, subject to the approval of the plan administrator. For participant account balances of less than \$1,000, unless the balance was rolled over to an IRA or another qualified retirement plan, the amount was distributed in a lump-sum amount, less applicable income tax withholdings.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

As discussed in Note A to the financial statements, the Company terminated the plan effective December 31, 2023. Accordingly, the Plan changed its basis of accounting from the modified cash basis to the liquidation basis used in presenting the financial statements as of June 18, 2024 and December 31, 2023 and for period from January 1, 2024 to June 18, 2024 and for the year ended December 31, 2023.

DECISION RESEARCH CORPORATION 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

**For the Period from January 1, 2024 to June 18, 2024 and
For the Year Ended December 31, 2023**

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Accounting (continued)

The liquidation basis of accounting requires the Plan to recognize costs and income that it expects to incur or earn through the end of its liquidation, if and when it has a reasonable basis of estimating such amounts. The Plan does not expect to earn any other income or incur expenses, except for income and expenses associated with normal investment activity. Accordingly, no related amounts have been recognized in the accompanying financial statements as of and for the year ended December 31, 2023.

Use of Estimates

The preparation of financial statements requires the plan administrator to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates, it is reasonably possible that such estimates may change within the near term, and such differences could be material to the financial statements.

Investment Valuation and Income Recognition

Investments were stated at fair value, except that fully benefit-responsive unallocated group annuity contracts were stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities were recorded on a trade-date basis. Net investment earnings include the Plan's gains and losses on investments bought and sold as well as held during the year. The Plan's Investment Committee determined the Plan's valuation policies utilizing information provided by the investment advisers. See Note E for discussion of fair value measurements.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Expenses are recognized when the related liability is paid. Fees incurred by the Plan for investment management services are included in the net appreciation in fair value of investments.

NOTE C – CERTIFICATION FROM QUALIFIED INSTITUTION

Certain information related to investments disclosed in the accompanying financial statements, including investments held at June 18, 2024 and December 31, 2023, and net appreciation in fair value of investments, and dividends for the period from January 1, 2024 to June 18, 2024 and for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company (Reliance), the qualified institution of the Plan. The contract value of the unallocated group annuity contract was also certified by Reliance.

DECISION RESEARCH CORPORATION 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

**For the Period from January 1, 2024 to June 18, 2024 and
For the Year Ended December 31, 2023**

NOTE D – FULLY BENEFIT-RESPONSIVE CONTRACT

The Stable Value Fund of T. Rowe Price complies with the fully benefit-responsive requirements of the Financial Accounting Standards Board and is reported at contract value in the Plan's financial statements. T. Rowe Price's Stable Value Fund has no stated maturity and is not a guaranteed investment contract. Due to the nature of the contract, the contract does not have specific underlying assets assigned to the Fund. Therefore, the value of the unallocated group annuity contract reported to plan sponsors is the contract value which represents the amount participants would receive if they were to initiate a transaction under the terms of the ongoing contract.

Interest rates are reset monthly as of the beginning of each month, during which a new interest rate is applied daily to the total outstanding balance of the investment. Interest is credited on a daily basis. The average rate of interest credited was approximately 3.12% and 3.12% for the period from January 1, 2024 to June 18, 2024 and for the year ended December 31, 2023, respectively. There is no allowance for credit risk.

The Stable Value Fund is a non-tradable obligation of T. Rowe Price. Thus, the investment's contract may not be transferred, sold, assigned, discounted, or pledged, either as collateral for a loan or as security for the performance of an obligation or for any other purpose without consent from the issuer. Participants are allowed retirement, hardship, and periodic elective and systematic withdrawals under the contract.

Certain events limit the ability of the Plan to transact at contract value with the contract issuer. Such events include amendments to the plan documents, including complete or partial plan termination or merger with another plan; bankruptcy of the plan sponsor or other plan sponsor events, such as divestiture of a subsidiary that cause a significant withdrawal from the Plan; or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include an uncured violation of the Plan's investment guidelines, a breach of material obligation under the contract, a material misrepresentation, and a material amendment to the agreement without the consent of the issuer.

NOTE E – FAIR VALUE MEASUREMENTS

The established framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation methodologies used to measure fair value. There are three levels of the fair value hierarchy. Level 1 inputs consist of unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Level 2 inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. Level 3 inputs are unobservable and significant to the fair value measurement.

DECISION RESEARCH CORPORATION 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

**For the Period from January 1, 2024 to June 18, 2024 and
For the Year Ended December 31, 2023**

NOTE E – FAIR VALUE MEASUREMENTS (Continued)

The fair value measurement level of an asset or liability within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation methodologies used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Investments in registered investment companies are valued using quoted market prices, a Level 1 input. There were no investments requiring the use of Level 2 or Level 3 inputs. The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

At June 18, 2024 and December 31, 2023, total investments at fair value, consisting solely of investments in registered investment companies, amounted to \$0 and \$17,549,868, respectively.

NOTE F – TAX STATUS

The Plan was a volume submitter profit sharing plan (VSPSP) that received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, which states that the VSPSP is acceptable under section 401 of the Code for use by employers for the benefit of their employees. The plan administrator believes that the Plan was designed and was being operated in compliance with the applicable requirements of the Code. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by applicable taxing authorities. The plan administrator evaluated the Plan's tax positions as of June 18, 2024 and December 31, 2023 and for the period from January 1, 2024 to June 18, 2024 and for the year ended December 31, 2023, and determined that the Plan had no uncertain tax positions required to be reported. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any open tax periods.

NOTE G – RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

The Plan's assets are administered by and in the custody of T. Rowe Price and therefore, these transactions qualify as party in interest transactions. The T. Rowe Price Stable Value Common Trust Fund is an obligation of T. Rowe Price; therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments.

Certain administrative functions are performed by officers or employees of the Company, who receive no compensation from the Plan. Certain administrative expenses for the third-party administrator are paid by the Company. Expenses paid by the Company are not reflected in the accompanying financial statements.

DECISION RESEARCH CORPORATION 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

**For the Period from January 1, 2024 to June 18, 2024 and
For the Year Ended December 31, 2023**

NOTE H – RISK AND UNCERTAINTIES

The Plan invested in various investment securities, including investments in shares of registered investment companies and an unallocated group annuity contract. In general, investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the financial statements.

The Plan and Company operated in the States of Hawaii and Pennsylvania. Local, national, and international events can have severe, adverse effects on economic conditions in Hawaii and Pennsylvania. These financial statements do not include the adjustments that would result if the Plan were to account for future losses or asset impairments, as the effects on the financial statements of the Plan from such changes in economic conditions are not presently determinable.

NOTE I – SUBSEQUENT EVENTS

The plan administrator has evaluated subsequent events through August 29, 2025, which is the date the financial statements were available to be issued, and determined that the Plan did not have any subsequent events requiring adjustment to the financial statements or disclosure in the notes to the financial statements.
