INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
JAS Forwarding (USA), Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of JAS Forwarding (USA), Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section.

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2023 and supplemental schedule of assets (held at end of year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JAS FORWARDING (USA), INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022, AND FOR THE YEAR ENDED DECEMBER 31, 2023

1. DESCRIPTION OF THE PLAN

The following description of the JAS Forwarding (USA), Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document or Summary Plan Document for a more complete description of the Plan’s information.

General—The Plan is a defined contribution plan, which provides benefits to substantially all employees of JAS Forwarding (USA), Inc. (the “Company”), who have reached the age of 21 and have completed three months of service, except for employees whose benefits have been collectively bargained, residents of Puerto Rico, temporary employees, interns and contractors. The Eligible entry date into the plan is the first day of the month following 90 days of employment.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Fidelity Management Trust Company is the trustee of the Plan.

Contributions—Each year, participants may contribute up to 75% of their pretax annual compensation, as defined in the Plan. Those participants who meet the eligibility requirements may contribute additional amounts (e.g., age 50 catch-up); these additional contributions are ineligible for a Company-matching contribution. Effective January 3, 2012, a participant may elect to not have contribution deferrals withheld from their bonus payments. The Company contributes 50% of the first 5% of eligible compensation that a participant contributes to the Plan. The Company may also elect to make a discretionary profit-sharing contribution to the Plan. No profit-sharing contributions were made for 2023 or 2022 plan year. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to certain Internal Revenue Code (IRC) limitations.

Participant Accounts—Individual accounts are maintained for each participant of the Plan. Each participant’s account is credited with the participant’s contribution; the Company’s matching contribution; and allocations of the Company’s discretionary contributions and Plan earnings and charged with withdrawals and an allocation of the Plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investments—Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a stable value fund (the “Fund”) as investment options for participants.

Vesting—Participants are vested immediately in their contributions, plus actual earnings thereon. A participant vests in the Company’s matching and profit-sharing contributions, plus earnings thereon, at the rate of 20% per year of credited service. Full vesting also occurs on attainment of normal retirement age, disability, or death.

Participant Loans—Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested balance, whichever is less. Loans are repayable through payroll deductions over periods ranging up to 60 months, except for a primary residence loan for which the term may be extended to 10 years. Loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates, as determined by the Plan's recordkeeper, fixed over the life of the loan.

Payment of Benefits—Upon termination of service with the Company (including termination of service due to death, disability, or retirement), a participant may elect to receive installment payments over a period not to exceed 10 years or a lump-sum amount equal to the vested value of his or her account.

In-service withdrawals are permitted upon attainment of age 59 1/2 or in the case of financial hardship.

Forfeited Accounts—Forfeited balances of terminated participants may be used to reduce future Company contributions or pay certain Plan expenses. During 2023, employer contributions and plan expenses were reduced by \$55,284 and \$31,234 respectively from forfeited non-vested accounts. Forfeited nonvested account balances as of December 31, 2023 and 2022, were \$143,027 and \$33,774, respectively.

Transfer in— Effective February 1, 2023, Tigers (USA) Global Logistics, Inc. 401(k) Profit Sharing Plan with net assets available for benefits of \$4,958,212 merged into the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting—The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates—The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties—The Plan utilizes various investment instruments, including mutual funds and the Fund. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and market risks. Overall market volatility includes global events which could impact the value of investment securities, such as a pandemic or an international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the financial statements.

Concentrations of Investments—The Plan's investment in the following fund accounted for greater than 10% of total investments:

	As of December 31, 2023	As of December 31, 2022
Mutual fund—FID 500 INDEX	<u>\$ 10,171,315</u>	<u>\$ 6,669,223</u>

Investment Valuation and Income Recognition—The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a

liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion on fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment returns.

Notes Receivable from Participants—Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

Administrative Expenses—Administrative expenses of the Plan are paid by the Plan or Plan Sponsor as provided in the Plan document.

Payment of Benefits—Benefit payments to participants are recorded upon distribution. There were no participants, who elected to withdraw from the Plan, but had not yet been paid as of December 31, 2023 and December 31, 2022.

Excess Contributions Payable—The Plan is required to return contributions received during the year in excess of the IRC limits.

3. FEDERAL INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust were designed in accordance with the applicable regulations of the IRC. The Company and the Plan management believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and the Plan and related trust continues to be tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan had an operational issue related to improper exclusion of certain eligible compensation which affects participant and employer contributions for 2023, 2022, and prior years. In order to prevent the Plan from incurring a qualification defect, the Company plans to take the necessary corrective action in accordance with the acceptable correction methods of the Employee Plans Compliance Resolution System (EPCRS). The Company believes the issue does not have a material impact to the Plan's financial statement and the Plan has maintained its tax-exempt status. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan had an operational issue in the application of the employer match contribution for employees of JAS Forwarding (US), Inc. for the period of October to December. Employees received employer match contributions at the rate of 100% of employee contributions up to 5%, instead of 50% as stipulated in the plan document. In order to prevent the Plan from incurring a qualification defect, Plan management plans to take the necessary corrective action in accordance with the acceptable correction methods of the EPCRS. The Company believes the issue does not have a material impact to the Plan's financial statement and the Plan has maintained its tax-exempt status. Therefore, no provision for income taxes has been included in the Plan's financial statements.

4. INFORMATION CERTIFIED BY THE TRUSTEE

The following is a summary of the information regarding the Plan as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by Fidelity Management Trust Company, the trustee of the Plan, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate.

Statements of net assets available for benefits:

Participant-directed investments at fair value	\$ 78,073,082	\$ 56,798,123
Notes receivable from participants	1,285,198	1,082,220

Statement of changes in net assets available for benefits:

Net appreciation in fair value of investments	9,244,984
Interest and dividends	1,308,750
Interest income on notes receivable from participants	66,906

Supplemental schedules: All investment balances and information included in the supplemental schedule of assets (held at end of year).

All investment balances and investment information, excluding the leveling, unfunded commitments, redemption frequency, other redemption restrictions, and redemption notice period in Note 5, Fair Value Measurements.

5. FAIR VALUE MEASUREMENTS

Accounting Standards Codification 820, Fair Value Measurements and Disclosures, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, as follows: Level 1 which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2 which refers to securities not traded on an active market, but for which observable market inputs are readily available; and Level 3 which refers to securities valued based on significant unobservable inputs. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Asset Valuation Techniques—Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds—Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Fund—Collective trust fund that is composed primarily of fully benefit-responsive investment contracts that are valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to confirm that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2023 and 2022:

	Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	2023 Total
Mutual funds	\$74,661,842	\$ -	\$ -	\$74,661,842
Stable value fund (valued at NAV)	<u>-</u>	<u>-</u>	<u>-</u>	<u>3,411,240</u>
Total	<u>\$74,661,842</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$78,073,082</u>

	Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	2022 Total
Mutual funds	\$53,946,575	\$ -	\$ -	\$53,946,575
Stable value fund (valued at NAV)	<u>-</u>	<u>-</u>	<u>-</u>	<u>2,851,548</u>
Total	<u>\$53,946,575</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$56,798,123</u>

In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following tables set forth a summary of the plan's investments whose fair value is estimated using the NAV per share at December 31, 2023 and 2022:

Fair Value Estimated Using Net Asset Value per Share December 31, 2023 and 2022					
Investment	Fair Value	Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
2023					
Stable value fund	<u>\$ 3,411,240</u>	<u>\$ -</u>	Immediate	None	None
2022					
Stable value fund	<u>\$ 2,851,548</u>	<u>\$ -</u>	Immediate	None	None

6. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company, the trustee as defined by the Plan. As such, these transactions qualify as exempt party-in-interest transactions.

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan, including the Company. The Plan issues loans to participants, which are secured by the vested balances in the participants' accounts.

Administrative revenues arise when investment managers return a portion of the investment fees to Fidelity Management Trust Company to offset the administrative expenses. Any excess resulting from this revenue sharing remains in an unallocated account from which future Plan expenses can be paid. For the year ended December 31, 2023, \$30,452 was used to offset Plan expenses. The Plan held undistributed administrative revenues of \$51,224 and \$19,346 as of December 31, 2023, and 2022, respectively.

7. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

A reconciliation of net assets available for benefits per the financial statements to the total net assets per the Form 5500 as of December 31, 2023 and 2022, the increase in net assets per the financial statements to the net income per the Form 5500 for the year ended December 31, 2023, is as follows:

	2023	2022
Net assets available for benefits per the financial statements	\$ 79,701,226	\$ 58,134,127
Participants' contributions receivables	(115,741)	(197,843)
Employer's contributions receivables	(227,205)	(55,941)
Net assets available for benefits per the Form 5500	<u>\$ 79,358,280</u>	<u>\$ 57,880,343</u>
Increase in net assets per the financial statements before plan transfer	\$ 16,608,887	
Participants' contributions receivables at the start of the year	197,843	
Employer's contributions receivables at the start of the year	55,941	
Participants' contributions receivables at the end of the year	(115,741)	
Employer's contributions receivables at the end of the year	(227,205)	
Net income per Form 5500	<u>\$ 16,519,725</u>	

9. NONEXEMPT PARTY-IN-INTEREST TRANSACTIONS

In 2023 and 2022, the Company remitted certain participant contributions and loan repayments totaling \$699,930 and \$287,982, respectively, to the trust later than required by the Department of Labor's Regulation 2510.3-102. The Company will file Form 5330 with the IRS and pay the required excise tax. The participant accounts of those directly impacted will be credited with the amount of investment income that would have been earned had the remittance been timely.

10. SUBSEQUENT EVENTS

For the year ended December 31, 2023 subsequent events were evaluated through November 5, 2024, the date the financial statements were available to be issued. No events occurred that require additional disclosure or adjustments to the Plan's financial statements.
