### Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of Reproductive Medicine Associates of New York, LLP 401(k)/Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Emphasis of Matter

As discussed in Note 6 to the financial statements, US Fertility Holdings, LLC ("USFH") purchased certain assets from Reproductive Medicine Associates of New York, LLP (the "Company"), and began providing non-clinical management services as of July 28, 2023. USFH is the primary sponsor of US Fertility Holdings, LLC Profit Sharing Plan ("USF Plan"). effective June 23, 2024, the Plan merged into and with the USF Plan. Our opinion is not modified with respect to that matter.

### Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Reproductive Medicine Associates of New York, LLP 401(k)/Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### Auditor's Responsibilities for the Audit of the 2024 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Reproductive Medicine Associates of New York, LLP 401(k)/Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Reproductive Medicine Associates of New York, LLP 401(k)/Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Auditor's Report on the 2023 Financial Statements**

We performed an audit of the 2023 financial statements of Reproductive Medicine Associates of New York, LLP 401(k)/Profit Sharing Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, our audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. In our report dated October 3, 2024, we indicated that in our opinion (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO THE FINANCIAL STATEMENTS**

**NOTE 1 - DESCRIPTION OF PLAN**

The following description of the Reproductive Medicine Associates of New York, LLP 401(k)/Profit Sharing Plan (the “Plan”) provides only general information. The Plan is sponsored by Reproductive Medicine Associates of New York, LLP (the “Company”). Participants should refer to the Plan agreement for more complete description of the Plan’s provisions.

US Fertility Holdings, LLC (“USFH”) purchased certain assets from Reproductive Medicine Associates of New York, LLP (the “Company”), and began providing non-clinical management services as of July 28, 2023. USFH is the primary sponsor of US Fertility Holdings, LLC Profit Sharing Plan (“USF Plan”). Effective June 23, 2024, the Plan merged into and with the USF Plan.

**General**

The Plan is a defined contribution plan, established on June 1, 2001, covering substantially all employees of the Company, who are not covered by a collective bargaining agreement, are not leased and who are not non-resident aliens who do not receive any earned income from the Company.

Effective January 1, 2024, the Plan was amended to change the eligibility service requirement from one year to one month of service utilizing the elapsed time method, while maintaining the minimum age requirement of 21 years for participation.

The Plan operates in accordance with the Employee Retirement Income Security Act of 1974 (ERISA) and complies with relevant provisions of federal income tax law, including regulations governing tax-deferred contributions and qualified retirement accounts.

The Plan Administrator and Trustees oversee all aspects of Plan operations, ensuring appropriate investment options, monitoring performance, and fulfilling fiduciary responsibilities under ERISA.

**Contributions**

Each year, participants may make tax-deferred contributions to the Plan not to exceed the amount deductible for federal income tax purposes. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

Effective January 1, 2024, the Plan was amended to allow Roth contributions.

The Company may contribute to the Plan by making a discretionary matching contribution determined each year at the option of the Company. The Company may also make additional discretionary profit-sharing contributions to be allocated to the participants as designed by the Company.

The Plan was amended, effective January 1, 2024, to allow for Company safe harbor matching contributions on a per pay period basis. For period January 1, 2024 through June 23, 2024, the Company made safe harbor matching contributions of \$381,344. There were no discretionary profit-sharing contributions made for the period January 1, 2024 through June 23, 2024. Contributions are subject to Internal Revenue Service (IRS) limitations.

**REPRODUCTIVE MEDICINE ASSOCIATES OF NEW YORK, LLP**  
**401(K)/PROFIT SHARING PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**

**Participant Accounts**

Each participant account is credited with the participant's tax-deferred and after-tax contributions, employer safe harbor contributions, employer matching contributions (if applicable), and allocations of the Company's profit-sharing contributions (if applicable) and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earning, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately vested in their deferred salary contributions, safe harbor contributions, and rollover contributions from other plans and actual earnings thereon.

A participant is 100% vested upon retirement, permanent disability, death or reaching retirement age while employed by the Company. Participants are also fully vested in matching contributions made to satisfy certain nondiscrimination tests (if applicable).

Prior to January 1, 2024, vesting in the Company's matching and profit-sharing contributions, if any, of their accounts plus actual earnings thereon was based on years of continuous service based on the following schedule:

<b>Years of Service</b>	<b>Percent Vested</b>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more years	100%

Effective with the amendment on January 1, 2024, all Company contributions and non-elective contributions are 100% vested.

**Notes Receivable from Participants**

Participants may borrow against their vested account balances a minimum of \$1,000 up to a maximum amount equal to the lesser of 50% of their vested account balance or \$50,000 reduced by the excess, if any, of the Participant's highest outstanding balance of loans from the Plan during the one-year period ending on the day before the date on which such loan is made, over the Participant's outstanding balance of loans from the Plan as of the date such loan is made. The loans, in the form of promissory notes, are secured by the balances in the participants' account, and bear interest as defined in the Plan agreement. Only one loan per participant may be outstanding at any given time. Principal and interest on notes receivable from participants are repaid through payroll deductions.

**Excess Contributions Payable**

Amounts payable to participants totaling \$74,282 for contributions exceeding Plan limits were recorded as contributions payable as of December 31, 2023, with a corresponding reduction to December 31, 2023 participant contributions. These excess contributions were distributed by the USF Plan on June 24, 2024 and July 2, 2024.

**REPRODUCTIVE MEDICINE ASSOCIATES OF NEW YORK, LLP**  
**401(K)/PROFIT SHARING PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**

**Payment of Benefits**

Distributions from the Plan will be made in one lump-sum payment in cash equal to the value of the participant's vested interest in his or her account balance, in partial distributions, or in installments. If a participant's vested benefit in the Plan exceeds \$1,000, the participant must consent to the distribution before it may be made. If the participant's vested interest does not exceed \$1,000, then the participant's benefit will be distributed in a lump-sum as soon as practicable following the event that led to the participant being entitled to a distribution. In-service distributions are permitted for participants who have reached 59 ½ years of age. Hardship distributions were permitted under the provisions of the Plan through December 31, 2024. Effective January 1, 2024, the Plan no longer allows hardship distributions.

**Forfeited Accounts**

Forfeitures are to be used to reduce the employer's contribution to the Plan or to pay administrative expenses incurred by the Plan. There were no unallocated forfeitures at June 23, 2024 and December 31, 2023. There were no forfeitures used to reduce employer contributions or pay Plan administrative expenses for the period January 1, 2024 through June 23, 2024.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and could cause reported performance of the Plan to vary significantly from period to period.

**Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value, except for the Plan's fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment adviser, custodian, and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded on the accrual basis with dividends being recorded on the ex-dividend date. Net appreciation (depreciation) includes the gains and losses on the Plan's investments bought and sold as well as those held during the period.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as deemed distributions and reduce a participant's account balance based upon the terms of the Plan document. The Plan recognizes interest income from the notes receivable as earned.

**REPRODUCTIVE MEDICINE ASSOCIATES OF NEW YORK, LLP**  
**401(K)/PROFIT SHARING PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**

**Payment of Benefits**

Benefits are recorded when paid.

**Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net change in fair value of investments.

**NOTE 3 – FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB

ASC 820, Fair Value Measurements and Disclosures, are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023.

**Pooled Separate Accounts**

Consists of a pooled group of mutual funds, which are valued daily at their net asset values (NAV), totaling \$- and \$17,907,318 at June 23, 2024 and December 31, 2023, respectively. The NAV is used as a practical expedient to estimate fair value. The Plan and participants hold "units of participation" in the separate account.

For period January 1, 2024 through June 23, 2024, there were no significant transfers between Level 1 and Level 2 and no transfers in or out of Level 3.

**REPRODUCTIVE MEDICINE ASSOCIATES OF NEW YORK, LLP**  
**401(K)/PROFIT SHARING PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**

**NOTE 4 – FULLY BENEFITED-RESPONSIVE INVESTMENT CONTRACT**

The Plan entered into a fully benefit-responsive investment contract with John Hancock Life Insurance Company of New York (JHNY) totaling \$- and \$82,274 at June 23, 2024 and December 31, 2023, respectively.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The traditional investment contract held by the Plan is a guaranteed investment contract in the insurance company general account consisting of 3-year, 5-year, and 10-year guaranteed funds. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but must be greater than 0%. The crediting rate is reviewed monthly for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

- The Plan's failure to qualify under Section 401 (a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
- Premature termination of the contracts
- Plan termination or merger
- Changes to the Plan's prohibition on competing investment options
- Bankruptcy of the Company or other Company events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

Although the Plan merged effective June 23, 2024, the Plan was able to transact at contract value with the contract issuers and was also able to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

- An uncured violation of the Plan's investment guidelines
- A breach of a material obligation under the contract
- A material misrepresentation
- A material amendment to the agreements without the consent of the issuer.

**REPRODUCTIVE MEDICINE ASSOCIATES OF NEW YORK, LLP**  
**401(K)/PROFIT SHARING PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**

**NOTE 5 – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

Associated Pension Consultants, Inc. (APC) is the Plan's third-party administrator and recordkeeper. JHNY is the custodian as defined by the Plan. Certain Plan administrative functions have been outsourced to JRF Asset Advisors, LLC (JRF) and Onyx Bridge Wealth Group, LLC (OBW). Therefore, transactions with APC, JHNY, JRF, and OBW qualify as party-in-interest transactions. Fees paid by the Plan for Plan management, administrative services, and investment advisory fees amounted to \$49,840 for the period January 1, 2024 through June 23, 2024.

APC provides certain administrative services to the Plan pursuant to a contract between the Company and APC. APC receives revenue from the pooled separate account service providers for services it provided to the funds. This revenue is used to offset certain amounts owed to APC for its administrative services to the Plan.

**NOTE 6 – PLAN MERGER**

As previously disclosed in Note 1, effective June 23, 2024, the Plan merged into and with the USF Plan. In accordance with ERISA, all participants became 100% vested upon the merger of the Plan.

**NOTE 7 – TAX STATUS**

The Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan with Cash or Deferred Arrangement ("CODA") and is relying on an opinion letter received from CCH Incorporated d/b/a Ft William dated June 30, 2020, stating that the Internal Revenue Service has determined that the non-standardized pre-approved plan is designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

**NOTE 8 – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits. It is not possible at this time to reasonably estimate the possible loss or range of loss, if any. We further caution that it is not possible to list all such factors, and you should not consider the identified factors as a complete list of all risks and uncertainties.
