The Actuarial Report is applicable to the plan year indicated above and is intended for use by the Plan Sponsor, ERISA Plan Administrator and Trustee(s) of the above referenced plan. The Actuarial Report is comprised of the Actuarial Communications and Documents listed below.

- Valuation report including Plan Provisions and applied Actuarial Assumptions and Methods
- Form 5500 Schedule SB and its attachments
- AFTAP Certification(s)
- Contribution letter/communication
- Any other written, electronic or oral communications with respect to actuarial services.

The Actuarial Report is based on the Internal Revenue Code, Regulations, and all official guidance. All Plan Sponsor/Employer, Employee and plan asset data including employer contribution dates and amounts along with the plan and trust documents used in the valuation, have been furnished by the Plan Sponsor, ERISA Plan Administrator, Trustee(s), and/or representatives of these parties. The Form 5500 Schedule SB attachments labeled Part V – Statement of Actuarial Assumptions/Methods and Summary of Plan Provisions identify the methods, procedures and assumptions used to render the actuarial opinion for the plan year. The prescribed funding method, interest and mortality rates, along with the plan asset value and valuation date allowable under Internal Revenue Code Section 430 are noted and have been selected by the Plan Sponsor. In addition the valuation report includes this information along with other specific participant data used to render the actuarial findings.

The scope of the requested Actuarial Report is to provide to the intended users the minimum required contribution for the plan year based on estimated benefits of the plan participants as of the valuation date. The valuation report is intended to support the compliance of the Plan with Internal Revenue Code Sections 412, 430 and 436. The Form 5500 Schedule SB and its attachments supplies the results of the Plan Sponsor's funding for the plan year. The AFTAP certification(s) states the funding position which indicates any benefit restriction as required under Internal Revenue Code Section 436.

This Actuarial Report is not to be used or relied upon for FAS Accounting purposes, Participant Distribution amounts, Plan Termination estimates or any other purpose not specified.

I, the Responsible Actuary for the Actuarial Communications, have relied upon the Plan Sponsor, ERISA Plan Administrator, Trustee(s) and/or their representatives, for the accuracy of all data. However, I have performed quality checks as to the reasonableness of the data under the Actuarial Standards of Practice (ASOP) No. 23. If the information provided is not accurate, the results of the Actuarial Report may not be correct in the determination of the minimum required contribution along with the Plan's compliance with the terms of the Internal Revenue Code Sections aforementioned.

Actual future changes in the pension laws and regulations, plan benefit formula, asset value and participant data after the valuation date are not considered in this Actuarial Report. The Plan Sponsor should communicate to me any potential change in business and/or employment roster in order to assess the impact to the Plan and its funding.

I am a member of the American Society of Pension Professionals and Actuaries (ASPPA), and the American Society of Enrolled Actuaries (ASEA). I am enrolled by the Joint Board for the Enrollment of Actuaries. I am qualified to practice with respect to qualified retirement plans and to render the actuarial opinion contained in the Actuarial Report under the American Academy of Actuaries qualification standards. In preparing the Actuarial Report, there was no deviation from the guidance of any Actuarial Standard of Practice. In providing my actuarial opinion, there is no known relationship between the intended users, the plan or its advisors and my firm and/or me that would impair the objectivity of my findings. Based on the intended use of the Actuarial Report, there are no constraints that have been placed on the report or its finding.

Please note that to the extent the Actuarial Communications contains tax advice and to ensure compliance with the requirement imposed by IRS Circular 230, any tax advice in the Actuarial Report or any accompanying documents is not intended or written to be used, and cannot be used by any taxpayer, for the purpose of avoiding any penalties that may be imposed under the Internal Revenue Code, or in promoting, marketing or recommending any entity, investment plan or arrangement to any tax payer.

To the best of my knowledge, the actuarial opinion and information provided in the Actuarial Report is complete and accurate and prepared in accordance with the applicable laws and regulations. The prescribed assumptions and methods were used; however, I am unable to judge the reasonableness of these prescribed assumptions and methods without performing a substantial amount of additional work which is beyond the scope of the requested assignment.

Any other assumption used in the valuation was reasonably related to the experience of the Plan and represents my best estimate of the anticipated experience of the Plan. *It is intended that the content of this Actuarial Report includes the required content under Actuarial Standard of Practice No. 41; however, should additional information need to be disclosed, please contact me directly.*
