Independent Auditor's Report

To the Board of Trustees of
UAW-GM Voluntary Employees' Beneficiary Association Trust Fund:

Opinion

We have audited the financial statements of the UAW-GM Voluntary Employees' Beneficiary Association Trust Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the UAW-GM Voluntary Employees' Beneficiary Association Trust Fund as of December 31, 2024 and 2023 and the changes in its net assets available for benefits for years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the UAW-GM Voluntary Employees' Beneficiary Association Trust Fund's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the UAW-GM Voluntary Employees' Beneficiary Association Trust Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the UAW-GM Voluntary Employees' Beneficiary Association Trust Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements

December 31, 2024 and 2023

1. Description of Plan

The following description of the UAW-GM Voluntary Employees' Beneficiary Association Trust Fund (the "Fund" or the "VEBA") and its plan of benefits ("Plan") is provided for general information purposes only. Participants should refer to the Summary Plan Description for a complete description of the Plan's provisions.

General

The Plan was established effective September 21, 2022, with benefits commencing on that date, to provide tuition assistance and joint learning benefits to eligible employees of General Motors ("GM"), covered by a collective bargaining agreement between GM and the International Union, United Automobile, Aerospace and Agricultural Implement Workers of America, AFL-CIO, and its affiliates ("Union") and their eligible dependents. Plan assets are held in the Fund. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan Administration

The Board of Trustees administers the Fund and the Plan and serves as the Plan Administrator with the full responsibility to control and manage the operations of the Fund and the Plan.

Benefits

The Plan provides tuition assistance and joint learning opportunities to participants in the Plan in the form of a Tuition Assistance Program ("TAP"). The TAP consists of the Active Workers' Assistance Program ("ATAP"), the Survivors' Tuition Assistance Program ("STAP"), the Inactive Tuition Assistance Program ("ITAP"), and the Dependent Scholarship Program ("DSP"). The Plan is designed to help active workers, laid-off workers, workers who enter active or inactive service in the Armed forces, workers on educational leave, workers on leave under Paragraphs 109 or 109(a) of the collective bargaining agreement, and the surviving spouse and dependent children of recently deceased active employees to enhance their opportunities for advancement.

The ATAP provides an annual tuition assistance benefit in the form of a payment by Letter of Credit Voucher for Qualifying Expenses in the following amounts:

(A) \$5,000 per year for eligible degreed courses at regionally accredited college and universities;

(B) \$2,200 per year for eligible job-related courses, which are courses designed to maintain and/or improve an employee's skills and knowledge in an applicable work-related subject matter. The educational focus of a job-related course should be on improving an employee's skill in the workplace; and

(C) \$1,450 per year for eligible personal enhancement courses not related to the employee's current job assignment, excluding courses commonly considered sports, games, and hobbies. Courses must be taken at TAP-approved schools including those accredited by recognized accreditation agencies, those approved by the government education or training programs, or other jointly approved schools.

The STAP allows the surviving spouse or dependent children of a deceased active employee to utilize the remaining balance of the employee's current National Agreement Tuition Assistance eligibility, excluding any advance payment, for college or educational pursuits during a period equal to the length of the present Agreement following the date of the employee's death. The benefit is not to exceed the maximum annual benefit allowed in each year following the employee's date of death.

The ITAP provides employees on indefinite layoff with up to \$8,400 to support courses required for adult basic education, high school completion, or high school equivalency certification; university, college, business, trade, proprietary school, or vocational schools; job-related courses; and adult educational classes, excluding those courses commonly considered sports, games, or hobbies.

Funding

The Plan is funded by (i) amounts transferred from the UAW-GM Center for Human Resources ("CHR"), a tax-exempt entity under section 501(c)(9), and (ii) contributions from GM pursuant to a collective bargaining agreement between GM and the Union. Upon establishment of the Plan, initial funding of \$6,830,907 was received on August 26, 2022, from the CHR. The Plan received a second round of funding from the CHR in the amount of \$1,708,189 on September 8, 2022.

In 2024, the Plan received a total of \$12,804,000 of funding from GM. The contributions to the Plan occurred in four equal quarterly payments of \$3,201,000 on February 29, 2024, May 31, 2024, August 31, 2024 and November 30, 2024, respectively.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared using the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

Cash and Cash Equivalents

Cash includes cash on hand maintained at a financial institution.

Benefits

Benefits are recognized when paid.

Subsequent Events

In preparing these financial statements, management of the Plan has evaluated events and transactions that occurred after December 31, 2024 for potential recognition or disclosure in the financial statements. These events and transactions were evaluated through September 11, 2025 the date the financial statements were available to be issued, and no items have come to the attention of management that require recognition or disclosure.

3. Tax Status

As stated in its determination letter dated January 3, 2023, the Internal Revenue Service ("IRS") recognized the Fund, as then designed, as exempt from federal income taxation under Section 501(a) of the Internal Revenue Code ("IRC"), described in Section 501(c)(9), effective August 26, 2022. The Plan and the VEBA trust are required to operate in conformity with the IRC in order to maintain the VEBA's tax-exempt status. The Plan administrator is not aware of any course of action or series of events that has occurred that might adversely affect the VEBA's tax-exempt status. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for income taxes has been made.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management of the Plan has evaluated the tax positions taken by the Plan and concluded that as of December 31, 2024 and 2023 there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing and regulatory jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for periods presented in these financial statements.

4. Concentration of Cash Balances

The Plan maintains an account at a high-quality financial institution. While the Plan attempts to limit its financial exposure, its deposit balance exceeds the federally insured limit of \$250,000. Any loss incurred or a lack of access to such funds could have a significant adverse impact on the Plan's financial condition, results of operations and cash flows. The Plan has enhanced FDIC insurance on their deposits with Citizens bank.

5. Party-in-Interest and Related Party Transactions

All expenses, excluding legal fees and chargebacks, are paid for by the Union and GM for the years ended December 31, 2024 and 2023. Total expenses paid by GM, to be reimbursed by the Plan, are \$3,183,790 and \$3,705,207 at December 31, 2024 and 2023, respectively. Total expenses paid by the Union, to be reimbursed by the Plan, are \$217,104 and \$204,293 at December 31, 2024 and 2023, respectively.

6. Priorities Upon Termination of the Plan

Although it has not expressed any intention to do so, the Board of Trustees has the right to terminate the Plan, subject to the provisions of ERISA, and has the right to terminate the Fund with the consent of GM and the Union. In the event of Fund termination, assets will be distributed in accordance with the Plan document and applicable law. In no event will assets held by the Fund revert to GM or the Union upon termination of the Plan.
