INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Trustee of the
Hinkley Lighting, Inc. and Affiliates
Avon Lake, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Hinkley Lighting, Inc. and Affiliates Employee Benefit Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess

whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Hinkley Lighting, Inc. 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all eligible full-time employees of Hinkley Lighting, Inc. (the “Company” or “Plan Administrator”). Employees are eligible to make contributions and receive Company contributions after the completion of thirty days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Contributions

Participants can contribute up to the maximum amount by law by the Internal Revenue Service. Participants may elect to contribute up to the maximum amount allowed by Internal Revenue Service (“IRS”) regulations for the Plan Year. In addition, the Plan contains a catch-up option for participants who have attained age 50 before the end of the year permitting them to make additional elective deferral contributions up to amounts limited by the IRS. New employees are automatically enrolled in the Plan, unless they elect otherwise, at an automatic enrollment rate of 4%. Participants automatically enrolled into the Plan will be subject to an increased deferral rate automatically taking place every year up to a maximum deferral rate of 8%. The Company may, at its option, make additional discretionary contributions to the Plan. The Company made discretionary profit sharing contributions of 1% of eligible compensation amounting to \$123,960 and \$110,149 included in contributions receivable for the years ended December 31, 2024 and 2023, respectively. The Company makes a safe harbor contribution to the account of each eligible participant based on a percentage of the participant’s compensation. Matching contributions are made by the Company in an amount equal to \$1.00 for each \$1.00 by which a participant defers compensation in amounts not to exceed 4% of compensation.

Rollover contributions consist of amounts rolled over by participants from another qualified plan as defined by the Internal Revenue Code (“IRC”).

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, Company matching contributions, an allocation of (a) the Company’s discretionary contribution and (b) Plan earnings, and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

Vesting

Participants are immediately vested in their voluntary contributions, as well as Plan Sponsor matching and discretionary contributions, plus earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates that range from 5.25% to 10.50%, which are commensurate with local prevailing rates. Principal and interest is paid over a period not to exceed 60 months unless it is for a primary residence loan. The employee repays the loan and all related interest through payroll deductions.

Payment of Benefits

On termination of service, if a participant's account is less than \$5,000, the participant may receive a lump-sum amount equal to the value of his or her vested account balance. If the participant's account balance is between \$1,000 and \$5,000 and the method of distribution is not specified by the participant, an automatic rollover to an Individual Retirement Account is made. If the participant's account exceeds \$5,000, the terminated participant may elect to defer distribution until a later date (not later than their normal retirement date).

In the event of financial hardship, participants may apply to receive a distribution from their fund accounts, subject to Internal Revenue Service ("IRS") mandated rules for hardship withdrawals.

Administrative Expenses

Administrative and recordkeeping fees are shared by the Plan participants and are allocated on a pro-rata basis to participant accounts. The Company absorbs other administrative costs of the Plan, such as audit and legal fees associated with the Plan.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

In preparing the Plan's financial statements, the Plan Administrator is required to make estimates and assumptions that affect the reported amounts of Plan assets, liabilities and the reported increases and reductions of Plan assets during the reporting period. Actual results could differ from these estimates.

Fair Value of Financial Instruments

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Purchases and sales of securities are reported on a trade date basis. Interest and dividend income is recorded when received. Net appreciation in fair value of investments (including gains and losses on assets sold during the year and unrealized gains and losses on assets held) for the year is reflected in the statement of changes in net assets available for benefits.

Notes Receivable from Participants

The Plan allows loans in accordance with the Plan document. The loans are carried at the unpaid principal balance plus accrued interest. Loans are deemed distributions by the Plan when they are determined to be in default.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated events through August 28, 2025, the date the financial statements were available to be issued.

NOTE 3 – SUMMARY OF UNAUDITED CERTIFIED FINANCIAL INFORMATION

The following is a summary of the unaudited information regarding the Plan, included in the Plan’s financial statements, which was prepared by Principal Trust Company (the “Custodian”) as of December 31, 2024 and 2023, and for the year ended December 31, 2024. The Plan Administrator has obtained certifications from the Custodian, that such information is complete and accurate.

| | 2024 | 2023 |
|---|---------------|---------------|
| Investments, at fair value | \$ 13,510,747 | \$ 11,145,540 |
| Fully benefit-responsive investment contract, at contract value | \$ 163,306 | \$ 255,721 |
| Notes receivable from participants | \$ 155,780 | \$ 149,930 |
| Dividend and interest income | \$ 281,574 | N/A |
| Interest on notes receivable from participants | \$ 13,354 | N/A |
| Net appreciation in fair value of investments | \$ 1,392,960 | N/A |

NOTE 4 – INVESTMENTS

The Custodian of the Plan is responsible for holding the Plan’s assets and executing transactions therein. The Plan’s investments are participated-directed accounts invested in mutual funds, common/collective trusts, and a fully-benefit responsive investment contract that are held by the Custodian.

Fair Value Measurements

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability.

As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1: Observable inputs such as quoted prices in active markets;
- Level 2: Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3: Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. Valuation methodologies used for assets and liabilities measured at fair value are as follows:

- Mutual funds: Valued at the closing price reported on the active markets in which the individual securities are traded.

HINKLEY LIGHTING, INC. 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

- Common/collective trust fund: Valued at the net asset value (“NAV”) of the underlying investments held by the funds, less their liabilities. NAV is used as a practical expedient to estimate fair value. Transactions (purchase and sales) may occur daily. The Plan has no future investment commitments or redemption requirements related to the fund as of December 31, 2024.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methods used to value investments.

The following table sets forth, by level within the fair value hierarchy, the Plan’s mutual funds as of December 31:

| | 2024 | | | |
|--|--------------|---------|---------|---------------|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | \$ 6,112,437 | \$ - | \$ - | \$ 6,112,437 |
| Total assets in the fair value hierarchy | \$ 6,112,437 | \$ - | \$ - | 6,112,437 |
| Investments measured at net asset value: | | | | |
| Common/Collective trust | | | | 7,398,310 |
| Total investments at fair value | | | | \$ 13,510,747 |
| | 2023 | | | |
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | \$ 4,829,705 | \$ - | \$ - | \$ 4,829,705 |
| Total assets in the fair value hierarchy | \$ 4,829,705 | \$ - | \$ - | 4,829,705 |
| Investments measured at net asset value: | | | | |
| Common/Collective trust | | | | 6,315,835 |
| Total investments at fair value | | | | \$ 11,145,540 |

NOTE 5 – TAX STATUS

The Plan adopted the Principal Defined Contribution Plan and Trust prototype plan. The IRS has determined and informed the Custodian, by letter dated June 30, 2020, that the prototype plan is qualified and is tax-exempt under the appropriate sections of the IRC. The Plan has been amended since receiving this determination letter. However, the Plan Administrator is not aware of any course of action or series of events that have occurred that might adversely affect the Plan’s qualified status and believe that the Plan is designed and currently operating in compliance with the applicable requirements of the IRC.

HINKLEY LIGHTING, INC. 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

Under the Income Taxes Topic of the FASB ASC, the Plan Administrator is required to identify potential uncertain tax positions taken, assess and quantify those positions and record reserves. As of December 31, 2024 and 2023, the Plan Administrator has identified no uncertain tax positions.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Custodian, and therefore, these transactions qualify as party-in-interest transactions.

NOTE 7 – INVESTMENT CONTRACT

The Plan holds a traditional fully benefit-responsive guaranteed investment contract with Principal Life Insurance Company (“Principal Life”). The Custodian maintains the contributions in a general account and is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. A rate of interest contractually guaranteed by Principal Life is credited to participant account balances. This crediting rate is a 1.40% effective annual rate until December 31, 2024 upon which the rate will be reset, and semiannually thereafter.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal Life, represents contributions made under the contract, plus earnings, less participants withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. No such events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity rate.
