Board of Directors  
Pittsburg Tank & Tower Co., Inc. Employees Savings Trust  
1 Watertank Way  
Henderson, Kentucky 42420

SUBJECT: For the Year Ended December 31, 2024

This letter is to inform the Board of Directors of the Pittsburg Tank & Tower Co., Inc. Employees Savings Trust (Plan) about significant matters related to the conduct of our audit as of and for the year ended December 31, 2024, so that it can appropriately discharge its oversight responsibility and we comply with our professional responsibilities.

Auditing standards generally accepted in the United States of America (GAAS) (AU-C 260, *The Auditor's Communication with Those Charged with Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

***Our Responsibilities with Regard to the Financial Statement Audit***

Our responsibilities under GAAS have been described to you in our engagement letter dated March 11, 2025. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in this letter.

As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.

**Overview of the Planned Scope and Timing of the Financial Statement Audit**

We have issued a separate communication dated March 31, 2025 regarding the planned scope and timing of our audit.

**Accounting Policies and Practices**

**Preferability of Accounting Policies and Practices**

Under accounting principles generally accepted in the United States of America, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice.

**Adoption of, or Change in, Accounting Policies**

Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period.

**Significant or Unusual Transactions**

We did not identify any significant or unusual transactions or significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

**Management's Judgments and Accounting Estimates**

Management is responsible for estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. The methods and significant assumptions used to determine fair values of the financial instruments are as follows:

Assets were measured at fair value in accordance with the Fair Value Measurements and Disclosures Topic of the Financial Accounting Standards Board Accounting Standards Codification. Valuation methodologies have been consistently applied from period to period. The methods and assumptions used result in a measure of fair value appropriate for financial statement measurement and disclosure purposes.

**Basis of Accounting**

The financial statements were prepared on assumption that the Plan will continue as a going concern.

**Audit Adjustments**

Audit adjustments, other than those that are clearly trivial, proposed by us and recorded by the Plan are shown on the attached “Summary of Adjusting Journal Entries.”

**Uncorrected Misstatements**

We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

**Form 5500 Filing**

GAAS require that we obtain and read a draft of the Plan’s Form 5500 that is substantially complete prior to the dating of our auditor’s report in order to identify material inconsistencies, if any, with the Plan’s audited financial statements. We read the Plan’s draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements, other than appropriate reconciling items with the draft Form 5500 as disclosed in the notes to the financial statements.

**Other Information in Documents Containing Audited Financial Statements**

Our responsibility for other information in documents containing the Plan’s audited financial statements is to read the information and consider whether its content or manner of its presentation is materially inconsistent with the financial information covered by our auditor’s report or whether it contains a material misstatement of fact. We are not aware of documents containing the audited financial statements other than the Form 5500 noted above.

**ERISA Required Supplemental Schedule**

We subjected the information included in the ERISA required supplemental schedule, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA required supplemental schedule, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA required supplemental schedule are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedule agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other matter paragraph in our auditor's report for the ERISA required supplemental schedule. We did not identify inconsistencies with the audited financial statements or with the certified investment information.

**Disagreements with Management**

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

**Consultations with Other Accountants**

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

**Significant Issues Discussed with Management**

No significant issues arising from the audit were discussed with or the subject of correspondence with management.

**Significant Difficulties Encountered in Performing the Audit**

We did not encounter any significant difficulties in dealing with management during the audit.

**Difficult or Contentious Matters That Required Consultation**

We did not encounter any significant and difficult or contentious matters that required consultation outside the engagement team.

**Written Communications Between Management and Our Firm**

A copy of the representation letter provided to us by management is attached to this letter.

This information is intended solely for the use of the Board of Directors and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

SUBJECT: For the Years Ended December 31, 2024 and 2023

This representation letter is provided in connection with your audits of the financial statements of the Pittsburg Tank & Tower Co., Inc. Employees Savings Trust (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

We elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agree to, or are derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to misstatements that are material. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We confirm, to the best of our knowledge and belief, that as of the date of this letter:

**Financial Statements**

1. We have fulfilled our responsibilities, as set out in the terms of the audit arrangement letter dated March 11, 2025, for the preparation and fair presentation of the financial statements referred to above in accordance with U.S. GAAP.

2. We acknowledge our responsibility for administering the Plan and determining the Plan's transactions that are presented and disclosed in the ERISA Plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.
4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
5. We are responsible for making the accounting estimates included in the financial statements. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable and reflect our judgment based on our knowledge and experience about past and current events, and our assumptions about conditions we expect to exist and courses of action we expect to take. In that regard, we are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. The methods and significant assumptions used to determine fair values of the financial instruments are as follows:

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Pooled separate accounts:* Primarily valued at NAV per share based on quoted market prices of underlying investments. The NAV is used as a practical expedient to estimate fair value.

Our valuation methodologies have been consistently applied from period to period. The methods and assumptions used result in a measure of fair value appropriate for financial statement measurement and disclosure purposes.

6. All significant estimates and material concentrations known to management that are required to be disclosed in accordance with the *Risks and Uncertainties* Topic of the Financial Accounting Standards Board Accounting Standards Codification have been properly recorded and/or disclosed in the financial statements. Significant estimates are estimates at the statement of net assets available for benefits dates that could change materially, within the next year. Concentrations refer to nature and type of investments held by the Plan, or markets in which events could occur that would significantly disrupt normal finances, within the next year.
7. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
8. Transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements and guarantees, and amounts receivable from or payable to related parties have been properly accounted for and disclosed.
9. All events subsequent to the date of the financial statements, and for which U.S. GAAP requires adjustment or disclosure, have been adjusted or disclosed.

10. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
11. We have no intention to terminate the Plan.
12. We have properly reported and disclosed amendments to the Plan instrument, if any.
13. As of December 31, 2024 and 2023 and for the year ended December 31, 2024, there were no uncorrected misstatements identified.

#### **ERISA Required Supplemental Schedule**

14. With respect to the supplemental schedule:
  - a. We acknowledge our responsibility for the presentation of such information.
  - b. We believe such information, including its form and content, is fairly presented in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
  - c. The methods of measurement or presentation have not changed from those used in the prior period.
  - d. There are no underlying significant assumptions or interpretations regarding the measurement or presentation of such information.
  - e. We will only present the supplemental schedule together with the audited financial statements and auditor's report thereon and will not separate the supplementary information from the audited financial statements and auditor's report thereon in any document that contains such information.

The Plan was most recently amended March 11, 2025 and effective as of April 1, 2025.
  - e. All correspondence, filings, reports, and determinations with the Internal Revenue Service (IRS) and the DOL relating to the Plan's compliance with ERISA and the maintenance of its tax-exempt status.

20. We are not aware of any pending or threatened litigation and claims whose effects should be considered when preparing the financial statements, and neither we nor the Plan Sponsor, or others acting on behalf of the Plan, have consulted a lawyer concerning litigation and claims or other matters affecting the Plan.
21. We have disclosed to you the identity of the Plan's related parties and parties-in-interest and all the related-party and party-in-interest relationships and transactions of which we are aware.
22. We are aware of no significant deficiencies, including material weaknesses, in the design or operation of internal controls that could adversely affect the Plan's ability to record, process, summarize, and report financial data.
23. We have no plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
24. The Plan has satisfactory title to all owned assets which are recorded at fair value, and all liens, encumbrances, or security interests have been properly disclosed, if any.

26. There have been no communications, whether written or oral, from regulatory agencies concerning noncompliance or deficiencies in the operation of the Plan.
27. We have complied with (a) all aspects of contractual agreements, including provisions of the Plan, that would have a material effect on the financial statements in the event of noncompliance, (b) the fidelity bonding requirements of ERISA, (c) all participant eligibility and coverage requirements of the Plan, ERISA, and the Internal Revenue Code (IRC), and (d) the filing requirements of appropriate agencies.

Trustee, Plan Administrator, and Participants  
Pittsburg Tank & Tower Co., Inc. Employees Savings Trust

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of the Pittsburg Tank & Tower Co., Inc. Employees Savings Trust (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

## *INDEPENDENT AUDITOR'S REPORT (CONTINUED)*

### *Opinion (Continued)*

- The information in the financial statements referred to on the previous page related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## *INDEPENDENT AUDITOR'S REPORT (CONTINUED)*

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and; therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

**INDEPENDENT AUDITOR'S REPORT (CONTINUED)**

***Auditor's Responsibilities for the Audit of the Financial Statements (Continued)***

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter***

***Supplemental Schedule Required by ERISA***

## NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

---

### ***Note 1 - Plan Description***

The following description of the Pittsburg Tank & Tower Co., Inc. Employees Savings Trust (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### *General*

The Plan is a defined contribution plan covering all eligible employees of Pittsburg Tank & Tower Co., Inc. (Company) (and its wholly-owned subsidiaries) who have two months of service and are 18 or older. Effective June 1, 2024, eligible employees no longer must attain two months of service to be eligible to participate in the Plan, but rather are immediately eligible upon hire, assuming they are age 18 or older. The Plan is subject to the provisions of ERISA. The Plan administrator is responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings, monitoring investment performance, and reporting to the Company's Board of Directors.

#### *Contributions*

Each year, participants may contribute up to 100 percent of annual eligible compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investments of their contributions into various investment options offered by the Plan. Effective June 1, 2024, the Plan adopted an auto-enrollment provision whereby all newly eligible participants are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at five percent of eligible compensation, and their contributions invested in an investment designated by the participant. The Company may make discretionary employer matching contributions to the Plan. Participants are eligible to receive employer matching contributions upon obtaining one year of service with the Company. During the year ended December 31, 2024, the Company made employer matching contributions in an amount equal to 50 percent of the first five percent of eligible compensation that a participant contributes to the Plan. Additional non-elective contributions may be contributed at the option of the Company's Board of Directors. Participants are eligible to receive additional non-elective contributions if employed and an active participant at year-end and obtained 1,000 hours of service within the Plan year. During the year ended December 31, 2024, the Company did not make additional non-elective contributions to the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

## NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

---

### ***Note 1 - Plan Description (Continued)***

#### *Participant Accounts*

Each participant's account is credited with the participant's contributions and Company's matching contributions, as well as allocations of the Company's non-elective contributions (if any) and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### *Vesting*

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching and nonelective contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

#### *Notes Receivable from Participants*

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance, reduced by the highest outstanding loan balance during the prior 12-month period. The loans are secured by the balance in the participant's account. The loan interest rate, determined at initiation of the loan, is based on the prevailing market rates, as defined. Principal and interest are paid ratably through payroll deductions.

#### *Payment of Benefits*

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or in partial withdrawals. Participants may request a hardship withdrawal of a portion of their account attributable to participant deferrals. Any hardship withdrawal is limited to the amount needed to meet the financial need.

#### *Forfeited Accounts*

There were no forfeited nonvested accounts at December 31, 2024 and 2023. Forfeitures are to be used to reduce future employer contributions, pay administrative expenses of the Plan, or be allocated to participants if not used to reduce employer contributions or pay administrative expenses. In 2024, employer contributions and administrative expenses were reduced by \$16,713 and \$851, respectively, from forfeited nonvested accounts.

## NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

---

### ***Note 2 - Significant Accounting Policies***

#### ***Basis of Accounting***

The financial statements of the Plan are prepared under the accrual basis of accounting.

#### ***Use of Estimates***

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### ***Investment Valuation and Income Recognition***

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisor and Trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

#### ***Excess Contributions Payable***

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2024 excess contributions to the applicable participants after March 15, 2025.

#### ***Payment of Benefits***

Benefits are recorded when paid.

#### Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to Plan administration are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

### ***Note 3 - Summary of Financial Data Certified by the Trustee***

The following is a summary of the Plan's financial information as of December 31, 2024 and 2023, and for the year ended December 31, 2024, included throughout the Plan's financial statements and the supplemental schedule, that was prepared by or derived from information provided by Principal Trust Company, the Trustee of the Plan. The Plan administrator has obtained certifications from the Trustee that the following assets are complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information which appears throughout the financial statements and the supplemental schedule related to the following:

### ***Note 4 - Fair Value Measurements***

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board ASC 820 are described as follows:

- Level 1    Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2    Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3    Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Pooled separate accounts:* Primarily valued at NAV per share based on quoted market prices of underlying investments. The NAV is used as a practical expedient to estimate fair value.

**Note 4 - Fair Value Measurements (Continued)**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,850,276	\$ 0	\$ 0	\$ 1,850,276
Investments measured at NAV <sup>(a)</sup>				11,465,071
Investments at fair value				\$ 13,315,347

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,561,681	\$ 0	\$ 0	\$ 1,561,681
Investments measured at NAV <sup>(a)</sup>				10,409,073
Investments at fair value				\$ 11,970,754

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

*Investments Measured Using the NAV per Share Practical Expedient*

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2024 and 2023:

### Note 5 - Fully Benefit-Responsive Investment Contract

The Plan has entered into a fully benefit-responsive guaranteed investment contract with Principal Life Insurance Company, a related party to the Plan's Trustee. Principal Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 4.75 percent. The crediting rate is reviewed on a semi-annual basis for resetting. The contract cannot be terminated before the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and; therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawals or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Examples of such events include the following:

1. The failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA;
2. Premature termination of the contracts;
3. Amendments to the Plan Documents (including complete or partial Plan termination or merger with another Plan);
4. Changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions;

# ***PITTSBURG TANK & TOWER CO., INC. EMPLOYEES SAVINGS TRUST***

## NOTES TO FINANCIAL STATEMENTS

---

### ***Note 5 - Fully Benefit-Responsive Investment Contract (Continued)***

5. Bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines;
2. A breach of material obligation under the contract;
3. A material misrepresentation;
4. A material amendment to the agreements without the consent of the issuer.

### ***Note 6 - Related Party Transactions and Party-in-Interest Transactions***

Certain Plan investments are pooled separate accounts and a guaranteed investment contract managed by Principal Trust Company. Principal Trust Company is the Trustee and recordkeeper for the Plan and; therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management and advisory services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. As described in Note 2, the Plan made direct payments to the Trustee of \$97,920 for the year ended December 31, 2024, which were not covered by revenue sharing. The Company pays directly any other fees related to the Plan's operations.

### ***Note 7 - Plan Termination***

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Company's discretionary matching and non-elective contributions.

# ***PITTSBURG TANK & TOWER CO., INC. EMPLOYEES SAVINGS TRUST***

## **NOTES TO FINANCIAL STATEMENTS**

December 31, 2024 and 2023

---

### ***Note 8 - Tax Status***

The Plan adopted a nonstandardized pre-approved profit sharing plan with cash or deferred arrangement sponsored by Principal Life Insurance Company. The plan has received an opinion letter from the IRS as to the plan's qualified status. The Plan Sponsor can rely on the qualified status to the extent the Plan Document does not deviate from the IRS pre-approved provisions. The Plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code and; therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

### ***Note 9 - Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

With this restatement, eligible employees no longer must attain two months of service to be eligible to participate in the Plan, but rather are immediately eligible upon hire, assuming they are age 18 or older. Additionally, all newly eligible participants will be automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants will have their deferral rate set at five percent of eligible compensation, and their contributions will be invested in an investment designated by the participant.
