Precoat 401(k) Plan

**Scope and nature of the ERISA Section 103(a)(3)(C) audit**

We have performed audits of the financial statements of Precoat 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and for the period from October 28, 2022 through December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, and for the period from October 28, 2022 through December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the financial statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit

procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other matter – supplemental schedules required by ERISA**

The supplemental schedules, schedules of assets (held at end of year) and schedule of delinquent participant transactions, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Precoat 401(k) Plan

**Scope and nature of the ERISA Section 103(a)(3)(C) audit**

We have performed audits of the financial statements of Precoat 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and for the period from October 28, 2022 through December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, and for the period from October 28, 2022 through December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the financial statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit

procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other matter – supplemental schedules required by ERISA**

The supplemental schedules, schedules of assets (held at end of year) and schedule of delinquent participant transactions, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**DECEMBER 31, 2023 AND 2022**

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2023 AND 2022**

***Note 1***    **Description of the Plan**

The following description of the Precoat 401(k) Plan (the “Plan”) provides only general information. The Plan is sponsored by Precoat Mezzanine LLC (“Plan Sponsor”) and includes the following participating employers: Midwest Metal Coatings, LLC, Precoat Metals Corp. and Precoat Metal Coatings LLC (collectively, the “Company”). Certain collectively bargained employees as provided for in the plan document may be subject to different eligibility requirements, company contributions and vesting provisions. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

**General**

On May 13, 2022, Sequa Corporation (“Sequa”) completed the spinoff of its metal coil coating solutions business into a standalone company, Precoat Metals (“Precoat”) which was subsequently acquired by AZZ Inc. (“AZZ”). As a condition of this transaction, effective October 28, 2022, plan assets of \$115,582,973 attributable to participants of Precoat were transferred to the Plan.

The Plan was established effective October 28, 2022, and is a defined contribution plan covering eligible employees as defined below. Under the Plan, eligible employees are allowed to reduce their taxable income pursuant to Section 401(k) of the Internal Revenue Code (IRC) and save for retirement.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Vanguard Fiduciary Trust Company (“Vanguard”) is the Plan’s trustee and custodian. The Precoat Pension Investment Committee is the Plan Administrator.

**Participation**

The Plan covers all full-time employees of the Company who are age 21 or older, with the exception of collectively bargained employees (except for those provided for in the Plan document), non-resident aliens, leased employees and employees who are citizens of the United States but are permanent residents of a foreign jurisdiction.

Upon satisfying the eligibility requirements, employees may participate in the Plan on the first day of the following payroll period, except for employer contributions, which will begin immediately.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2023 AND 2022**

**Contributions**

Under the provisions of the Plan, eligible participants may contribute up to 40% of their compensation to the Plan in the form of pre-tax contributions, subject to statutory limitations. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions to the Plan. Participants direct their elective contributions into various investment options the Plan offers. Participants may also contribute amounts representing distributions from other qualified plans.

The Plan includes an auto-enrollment provision applicable to certain eligible employees. All participants automatically enrolled in the Plan begin contributing 3% of their annual eligible compensation and on an annual basis are automatically increased 1% up to a maximum of 10% of their annual eligible compensation.

The Company may make a discretionary employer contribution to the Plan on behalf of eligible participants. No discretionary employer contributions were made in 2023 or 2022.

The Company will make a Safe Harbor Matching contribution to the Plan on behalf of eligible participants equal to 100% of the amount participants contribute to the Plan for the Plan Year up to the first 3% of Plan Compensation plus 50% of the amount participants contribute between 3% and 5% of Plan Compensation for a combined maximum 4% match by the Company. Collectively bargained employees will not participate in Safe Harbor Matching contributions, but will receive matching contributions in accordance with the Collective Bargaining Agreement (as defined in the Plan).

**Participant Accounts**

Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and Plan earnings (losses) and charged with withdrawals and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The assets of the Plan are valued daily, and gains or losses are allocated based on the participant's daily shares. Dividends are allocated when paid based upon participant's shares at the distribution date. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Forfeited Accounts**

Forfeitures of unvested amounts may be allocated to reduce future matching contributions or pay Plan Expenses.

During 2023, the forfeited amounts used to pay administrative expenses and reduce company contributions was \$309,828, and \$48,711, respectively. During 2022, the forfeited amounts used to pay administrative expenses was \$326,872 and no forfeiture amounts were used to reduce company contributions. At December 31, 2023 and 2022, forfeited nonvested amounts totaled \$87,703 and \$339,225, respectively.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2023 AND 2022**

**Investment Options**

Upon enrollment in the Plan, a participant may direct the contributions made to the Plan, for or on behalf of the participant, to any one or more of the investment funds determined at the discretion of the Plan Administrator and Plan Sponsor and in such multiples as the participant prescribes. A participant may change their investment direction with respect to future contributions or redirect the investment of their account balances.

**Vesting**

Participants are immediately vested in their elective, rollover, matching, and safe harbor matching contributions.

Vesting in the Company's discretionary employer contribution is based upon years of credited service. A participant is 100% vested upon: (1) disability; (2) death; or (3) normal retirement at age 65. If a participant's employment with the Company is terminated before age 65 for any reason other than disability or death, the participant shall be entitled to an amount equal to the "vested percentage" of their account balance.

A participant shall have a vested and nonforfeitable interest in the discretionary employer's contribution portion of their account balance determined by the number of years of credited service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	0%
2	0%
3 or More	100%

**Notes Receivable from Participants**

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of (a) \$50,000 reduced by the excess of the highest outstanding loan balance in the previous 12 months or (b) the greater of 50% of their vested account balance. The notes are secured by the balance in the participant's account. The interest rate paid by the participant is equal to the prime interest rate in effect at the beginning of the month in which the loan is processed plus 1% and remains fixed at that rate for the term of the loan.

General loans have terms of up to 60 months. Loans for a participant's principal residence have terms of up to 180 months. Loans are repayable in installments through payroll deductions. A participant may not have more than one loan outstanding at any time.

**Payment of Benefits**

Participants are entitled to their vested account balance after age 59 ½, upon retirement at or after age 65, upon death, upon termination of employment, or upon permanent/total disability. Participants may elect to receive a lump sum payment, a direct rollover to an Individual Retirement Account or other qualified plan or an annuity. Participants may also choose to defer receipt of their benefits if their vested account balance is greater than \$5,000. Terminated participants with vested account balances between \$1,001 and \$5,000 who do not elect to

**DECEMBER 31, 2023 AND 2022**

receive a distribution of their account balance within a reasonable time following the termination will have their account rolled into an Individual Retirement Account selected by the Plan Administrator. Terminated participants with vested account balances of \$1,000 or less will have their account balance automatically cashed out. Hardship withdrawals are permitted if certain conditions are met.

***Note 2***    **Summary of Significant Accounting Policies**

**Basis of Accounting**

The Plan's financial statements are prepared under the accrual method of accounting.

**Use of Estimates**

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation / (depreciation) in fair value of investments, including realized gains and losses on sales during the year and current changes in unrealized appreciation and depreciation in the market value of investments held at year end, is presented in the statements of changes in net assets available for benefits.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make scheduled repayments and the Plan Administrator deems the participant note receivable to be in default, the participant note receivable balance is reduced and a benefit payment recorded

**Contributions**

Participant and employer contributions are accrued in the period in which they are deducted in accordance with salary deferral agreements and as they become obligations of the Company, as determined by the Plan's administrator.

***PRECOAT 401(K) PLAN***  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2023 AND 2022**

**Payment of Benefits**

Benefits to participants are recorded when paid.

**Plan Expenses**

The Plan's expenses are paid by either the Plan or the Company, as provided by the plan document. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation / (depreciation) in fair value of investments.

**Subsequent Events**

Effective December 1, 2024, the Plan changed service providers from Vanguard to Principal Trust Company.

Subsequent events were evaluated through September 19, 2024, which is the date the financial statements were available to be issued.

***Note 3*** **Risks and Uncertainties**

The Plan invests in investment securities, which are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as inflation, a pandemic, or international conflict. Due to the level of risk associated with these securities, it is at least reasonably possible that changes in their values will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

***Note 4*** **Financial Information Certified by the Trustee**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Vanguard, the trustee of the Plan, has certified to the completeness and accuracy of the investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits and schedule of assets (held at end of year) as of December 31, 2023 and 2022, and the investment activity (including interest and dividends, net appreciation / (depreciation) in fair value of investments and interest on notes receivable from participants) reflected on the statements of changes in net assets available for benefits for the period from October 28, 2022 through December 31, 2022 and for the year ended December 31, 2023.

***Note 5*** **Investment Valuation and Income Recognition**

The Plan follows the fair value measurement guidance required by U.S. GAAP for financial and nonfinancial assets and liabilities. This guidance defines fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for

***PRECOAT 401(K) PLAN***  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2023 AND 2022**

identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

**Registered Investment Companies:**

These investments are valued using the Net Asset Value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market. These funds are required to publish their daily NAV and to transact at that price.

**Common/Collective Trust:**

Valued at NAV based on the underlying assets of the trust. The NAV is used as a practical expedient to estimate fair value. The fair value of the underlying assets is obtained from information provided by the investment advisor using the audited financial statements of the common/collective trust at year end. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments with respect to these investments. Participant-directed purchases and redemptions of these investments may occur daily and

***PRECOAT 401(K) PLAN***  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2023 AND 2022**

have no restrictions.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	<b>2023</b>	
	<b>Level 1</b>	<b>Total</b>
Registered Investment Companies	\$117,083,209	\$117,083,209
Common/Collective Trust Measured at NAV <sup>(a)</sup>	-	8,063,174
<b>Total Investments at Fair Value</b>	<b>\$117,083,209</b>	<b>\$125,146,383</b>
	<b>2022</b>	
	<b>Level 1</b>	<b>Total</b>
Registered Investment Companies	\$106,529,497	\$106,529,497
Common/Collective Trust Measured at NAV <sup>(a)</sup>	-	8,072,416
<b>Total Investments at Fair Value</b>	<b>\$106,529,497</b>	<b>\$114,601,913</b>

<sup>(a)</sup> In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

**Note 6 Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**Note 7 Income Tax Status**

The Plan adopted a pre-approved plan sponsored by the Vanguard Group. The Internal Revenue Service (IRS) has determined and informed the pre-approved plan, by an opinion letter dated June 30, 2020, that the plan is designed in accordance with the applicable sections of the IRC. The opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the opinion letter. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

***PRECOAT 401(K) PLAN***  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2023 AND 2022**

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

***Note 8***      **Related Party Transactions and Party-in-Interest Transactions**

Parties-in-interest are defined under the Department of Labor's regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. Certain Plan investments are shares of a collective trust fund managed by Vanguard and mutual funds managed by an affiliate of Vanguard. Vanguard is the Plan's trustee and custodian and, therefore, transactions with these funds qualify as party-in-interest.

Vanguard earns management fees, which are paid by the individual mutual funds and are reflected in the net appreciation / (depreciation) in fair value of investments. These along with direct expenses paid for by the Plan qualify as party-in-interest transactions. Also, notes receivable from participants also reflect party-in-interest transactions.

***Note 9***      **Delinquent Participant Transactions**

During 2023, the Company failed to deposit \$167,531 of participant deferrals and loan repayments within the required time frame as stated by the DOL. The DOL considers late deposits to be prohibited transactions. The Plan Sponsor intends to make additional contributions to the Plan for lost earnings related to these delinquent deposits.
