**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

Audit Committee of the Board of Directors and Plan Administrator  
Braille Institute of America, Inc. Tax-Sheltered 401(m) Savings Plan

**Scope and nature of the ERISA Section 103(a)(3)(C) audit**

We have performed audits of the financial statements of Braille Institute of America, Inc. Tax-Sheltered 401(m) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 18, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits – modified cash basis for the period from January 1, 2024 through December 18, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 18, 2024 and December 31, 2023, and for the period from January 1, 2024 to December 18, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with modified cash basis of accounting described in Note 2.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Emphasis of matter – basis of accounting**

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter. Responsibilities of management for the financial statements

**Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the financial statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with modified cash basis of accounting described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Emphasis of matter – basis of accounting**

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter. Responsibilities of management for the financial statements

**Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the financial statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with modified cash basis of accounting described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**For the period from January 1, 2024 through December 18, 2024 and for the year ended

**NOTE 1 - DESCRIPTION OF THE PLAN**

The following description of the Braille Institute of America, Inc. Tax-Sheltered 401(m) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan is comprised of an employer matching contribution and a non-elective contribution. The Plan commenced operation on April 1, 1990 to assist employees in saving for their retirement. The Plan utilizes Vanguard Fiduciary Trust Company (the "Custodian" or "Vanguard") as its third-party administrator and asset custodian for the Plan.

***General***

The Plan is a defined contribution plan sponsored by the Braille Institute of America, Inc. (the "Institute"). On December 15, 2016, the Plan document was amended and restated to incorporate all the previously issued plan amendments. Employees of the Institute generally become eligible to participate in the Plan on the date of hire. Employees who are eligible for the matching contribution must have completed at least 1,000 hours of service within the consecutive 12-month period before December 31 of the Plan year and must also be employed on December 31 of the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

***Termination***

After a comprehensive review of the Institute's retirement programs, and in consultation with the Plan's external advisors, the Institute determined there are advantages to consolidating the benefits provided to participants under Braille Institute of America Inc. Tax Sheltered 403(b) Savings Plan (the "403b Plan") (employee contributions) and the Braille Institute of America Inc. Tax Sheltered 401(m) Savings Plan (employer contributions) into one single 403(b) Plan. The purpose of this change is to streamline the Institute's benefit administration, decrease costs and create a better participant experience by having only one plan.

Therefore, effective June 30, 2024, the Institute resolved to terminate the Plan. As a result, all employer contributions made on behalf of employees after June 30, 2024, were made to the amended 403(b) Plan. Participants in the Plan were able to rollover their balances into the 403(b) Plan, roll into another qualified plan or take a taxable distribution of their balance. If the participant did not elect a direct rollover to an eligible retirement plan or to receive their Vested Interest under any form of payment allowed under the Plan, then the Vested Interest (including any Rollover Contributions) may be paid in a direct rollover to an IRA designated by the Plan Administrator. Contributions under this Plan ceased as of June 30, 2024 and active employees became eligible to participate in the Institute's 403(b) plan at that time. All participant account balances were distributed in 2024, of which \$8,394,115 were transferred to 403(b) Plan and \$16,717 of uncashed checks were transferred to PenChecks Trust, which will administer distribution. There are no assets remaining in the Plan as of December 18, 2024.

In conjunction with the Plan termination, the 403(b) Plan was restated to add employer nonelective and matching contributions.

Prior to Plan termination, provisions of the Plan were as follows:

***Contributions***

The Institute will match 100% of the participant's deferral amount up to \$2,400. The participant's deferral is contributed to the Braille Institute of America, Inc. Tax-Sheltered 403(b) Savings Plan, which is a 403(b)

employee deferral plan. The employer matching contribution amount qualifies for tax treatment under Internal Revenue Code ("IRC") Section 401(m).

Effective January 1, 2008, all employees are eligible to receive an additional non-elective contribution equal to 4% of the employee's annual compensation. Employees who are eligible for the non-elective contribution must be a participant in the Plan and employed on December 31 of the Plan year.

Participants may direct the investment of the Institute's matching contributions and their rollover contributions, if any, in the available investment funds under the Plan.

***Participant Accounts***

Each participant's account is credited with the Institute's contribution and the Plan's earnings and losses on investments. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of their account balance into various investment funds offered by the Plan and may change their investment options at any time, subject to the terms of the fund's prospectus. Plan earnings are credited to a participant's account according to the type of fund in which balances are invested.

***Vesting***

Participants are 100% vested in all contributions.

***Participant Loans***

Participants may not borrow from their accounts.

***Payment of Benefits***

Upon termination of service, retirement, death or total permanent disability, a participant may elect to receive a distribution of his or her entire accumulated plan balance, subject to the terms of the fund's prospectus. For the Plan period from January 1, 2024 through December 18, 2024 and for Plan year ended December 31, 2023, upon termination of service, a participant can either receive a lump-sum distribution equal to the vested value of his or her account or choose to leave his or her balance in the Plan until the participant's date of retirement if the balance equals or exceeds \$5,000 and \$1,000, respectively.

Participants are not eligible for in-service withdrawals of their account balances. Minimum required distributions for participants who have reached age 73 also apply per Internal Revenue Service ("IRS") regulations.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting***

The financial statements of the Plan have been prepared on the modified cash basis of accounting. This basis differs from accounting principles generally accepted in the United States of America ("U.S. GAAP") primarily because contributions and the related assets are recognized when received rather than when earned, and expenses are recognized when paid rather than when obligations are incurred.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**For the period from January 1, 2024 through December 18, 2024 and for the year ended  
December 31, 2023**

Although the Plan terminated during 2024 (see Note 1), the liquidation basis of accounting (U.S. GAAP for a liquidating entity) was not used as the Plan used the modified cash basis of accounting for all periods presented. The liquidation basis of accounting requires an entity to accrue estimated costs and income to liquidate assets, measure assets to reflect the estimated amount of cash or other considerations it expects to collect in settling or disposing of those assets, and make all disclosures required to understanding the entity's statement of net assets in liquidation and statement of changes in net assets in liquidation. Should the Plan have used the liquidation basis of accounting in preparing the 2024 financial statements, no additional disclosures would have been necessary to explain the impact to the Plan's financial statements since full liquidation of the Plan occurred in the same period as the regulatory approval of the Plan's termination.

***Contributions***

Contributions are recorded when received by the Custodian.

***Benefit Payments***

Benefit payments are recorded when paid.

***Administrative Expenses***

Certain plan administrative expenses, including custodian and investment counsel fees, are paid by the Institute. Expenses that are paid by the Institute are excluded from these financial statements.

***Investment Valuation and Income Recognition***

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor's Finance Committee determines the Plan's valuation policies utilizing information provided by its investment advisers and custodian. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on a cash basis. Dividends are recorded on the ex-dividend date.

The Plan presents, in the statements of changes in net assets available for benefits, the net appreciation in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation and depreciation on those investments.

***Use of Estimates***

The preparation of these financial statements, in conformity with the modified cash basis of accounting, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**NOTE 3 - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The determination of what constitutes observable requires judgment by the Plan's management. Plan management considers observable data to be that market data which is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by multiple independent sources that are actively involved in the relevant market.

The categorization of an investment within the fair value hierarchy is based upon the pricing transparency of the investment and does not necessarily correspond to the Plan management's perceived risk of that investment.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 18, 2024 and December 31, 2023.

*Mutual funds* - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are, therefore, classified as Level 1 investments.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**For the period from January 1, 2024 through December 18, 2024 and for the year ended  
December 31, 2023**

*Money market fund* - Valued at the NAV of shares held by the Plan at year end. The fund attempts to stabilize the NAV of its shares at \$1.00 by valuing the portfolio securities using the amortized cost method. The fund calculates a market-based NAV per share on a periodic basis. The fund does not guarantee that its NAV will always remain at \$1.00 per share. Shares can be redeemed on a same day basis but only directly from the fund. The fair value of the fund is published and as such, the fair value is readily determinable.

Transfers in and out of Levels are recognized as of the beginning of the reporting period. During the period ended December 18, 2024 and year ended December 31, 2023, there were no transfers among Level 1, Level 2 or Level 3.

The following tables set forth by Level, within the fair value hierarchy, the Plan's assets at fair value as of December 18, 2024 and December 31, 2023:

	December 18, 2024			
	Level 1	Level 2	Level 3	Total

**NOTE 4 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN**

The Plan Administrator has elected to have the audit performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The Plan Administrator determined that the certification received from the Custodian meets the requirements of ERISA Section 103(a)(3)(C). The Custodian certified that the following data included in the accompanying financial statements are complete and accurate:

- Investments, at fair value, as shown in the statements of net assets available for benefits as of December 18, 2024 and December 31, 2023.
- Net investment income, as shown in the statements of changes in net assets available for benefits for the period from January 1, 2024 through December 18, 2024.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**For the period from January 1, 2024 through December 18, 2024 and for the year ended  
December 31, 2023**

**NOTE 5 - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

All plan investments are managed by Vanguard Group, Inc. Vanguard is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in administrative expenses on the statements.

**NOTE 6 - PLAN TERMINATION**

As disclosed in Note 1, the Institute has terminated the Plan. Participants were 100% vested in their accounts. In the event of plan termination, the assets of the Plan were allocated in accordance with the requirements of ERISA. Refer to Note 1 for further information on the Plan termination during 2024.

**NOTE 7 - RISKS AND UNCERTAINTIES**

All Plan investments are held by the Custodian. The Plan provides for various investment options in mutual and money market funds. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

**NOTE 8 - TAX STATUS**

The IRS has determined and informed the Institute by a letter dated February 21, 2018, that the Plan is designed in accordance with applicable sections of the IRC. The Plan has not been amended since receiving this determination letter, therefore, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC.

Plan management evaluates tax positions taken by the Plan and recognizes a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 18, 2024 and December 31, 2023 there are no uncertain positions taken or expected to be taken that would require recording of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 9 - SUBSEQUENT EVENTS**

The Plan Administrator evaluated its December 18, 2024 financial statements for subsequent events through September 5, 2025, the date the financial statements were available to be issued, and is not aware of any subsequent events that would require recognition or disclosure in the financial statements.
