Independent Auditors' Report

To the Participants and Plan Administrator of
Richelson Control Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Richelson Control Group 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 1 to the financial statements, various plans merged into the Plan during the year ended December 31, 2024 totaling \$2,183,071. Our opinion was not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4i, Schedule of Assets (Held at End of Year) as of December 31, 2024 and Schedule H, Line 4a, Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Richelson Control Group 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2024 and 2023 and for the Year Ended December 31, 2024

NOTE 1 - Description of the Plan

The following description of the Richelson Control Group 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 2021, as a defined contribution plan by Eugene Therapy, LLC ("the Company"). Employees who are age twenty-one (excluding employees of The Salveo Counseling Center) are eligible for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Reliance Trust Company is the trustee of the Plan ("the Trustee").

Effective June 11, 2024, the Company delegated its oversight responsibilities as plan administrator, except with respect to plan investments, to the UnitedHealth Group Employee Benefits Plans Administrative Committee ("Plan Administrator"). The Company delegated its rights and responsibilities for investment authority and oversight of the Plan's assets to the UnitedHealth Group Employee Benefits Plans Investment Committee ("Investment Committee"). The Investment Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Effective November 15, 2024, the Plan was frozen to new participation and all future contributions.

The Phoenix Mental Health and Wellness Plan merged into the Plan on April 5, 2024, with total assets of \$29,724.

The Amigo Family Counseling 401(k) Plan merged into the Plan on April 18, 2024, with total assets of \$7,752.

The Psychological Healthcare PLLC Retirement Plan merged into the Plan on May 31, 2024 with total assets of \$2,145,595.

Contributions

Prior to the Plan being frozen, participants could contribute an amount up to the maximum dollar amount permissible under the Internal Revenue Code ("the Code"). The Plan allowed participants to contribute up to 90% of their eligible pay. Participant contributions included pre-tax deferrals, Roth deferrals, and rollover contributions. Eligible employees could enroll after the first day of the month following their eligibility date. Participants who had attained age 50 before the end of the plan year could make additional catch-up contributions, subject to limitations imposed by the Code.

Prior to the Plan being frozen, the Company made a matching contribution equal to 25% of participant deferrals up to 4% of eligible compensation as defined in the Plan document. The Company could also make a discretionary contribution to be allocated among participants based upon each participants' eligible earnings compared to the eligible earnings of all participants who share in the contribution. Participants were eligible for discretionary contributions if they were employed on the last day of the plan year. There were no discretionary contributions made for the year ended December 31, 2024.

Participant Accounts

Each participant's account was credited with the participant's deferral contributions, rollover contributions, the Company's matching contributions, discretionary contributions, if any, and plan earnings or losses (net of administrative expenses). Allocations were based on the participant's eligible compensation or account balances, as defined in the Plan document. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Richelson Control Group 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2024 and 2023 and for the Year Ended December 31, 2024

NOTE 1 - Description of the Plan (cont.)

Investments Classification

All investments were participant directed. The Plan was intended to comply with ERISA section 404(c). Participants had the right to individually select the percentage of their accounts to be invested among different classifications of investments made available to them.

Vesting

Participants were immediately vested in their salary deferral contributions, rollover contributions, employer matching contributions, employer discretionary contributions, if any, and earnings thereon.

Payment of Benefits

Benefits could be paid to the participant or beneficiary upon death, disability, retirement, or termination of employment as defined in the Plan document. The total vested portion of a participant's account balance could be distributed in the form of a lump-sum payment, installments, or partial withdrawal. However, if a participant's account balance was valued at or less than \$1,000, it was distributed as soon as administratively practicable, without an application for distribution, in cash as a direct distribution to the participant. If the vested account balance exceeded \$1,000 but was less than \$5,000, it was rolled over into an Individual Retirement Account (IRA) designated by the Company, unless the participant requested that the amount be rolled over into another IRA or retirement plan. With the Plan Administrator approval, participants could withdraw all or part of their account balance in the event of financial hardship.

There were no amounts owed to participants who had elected to withdraw from the Plan but had not been paid as of December 31, 2024 and 2023.

Notes Receivable from Participants

The Plan did not allow participants to borrow from their vested accounts. The amounts reported in the Statements of Net Assets Available for Benefits represent participant loan balances that were merged into the Plan. These loans were secured by the balance in the participant's account and bear interest based on the prime interest rate on the first business day of the month in which the loan was processed, plus one (1) percentage point. The maximum term for a loan was 60 months, except if the loan was used to acquire the participant's principal residence. Principal and interest are paid ratably through payroll deductions.

NOTE 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Richelson Control Group 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2024 and 2023 and for the Year Ended December 31, 2024

NOTE 2 - Summary of Significant Accounting Policies (cont.)

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions to the applicable participants during 2024. The Plan will distribute the 2024 excess contributions to the applicable participants in 2025.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through September 19, 2025, the date the financial statements were approved and available to be issued. Effective April 1, 2025 the Plan was restated on an individually designed plan document and changed its Trustee from Reliance Trust Company to Fidelity Management Trust Company.

Richelson Control Group 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2024 and 2023 and for the Year Ended December 31, 2024

NOTE 3 - Information Prepared and Certified by Trustee

Certain information related to investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2024 and 2023 and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2024 and the related investment activity and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2024, was obtained by the Plan Administrator and agreed to or derived from information certified as complete and accurate by the Trustee.

NOTE 4 - Fair Value of Financial Instruments

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Unadjusted quoted prices for identical assets in active markets that the Plan can access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Unobservable inputs for the asset.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTES TO FINANCIAL STATEMENTS
As of December 31, 2024 and 2023 and for the Year Ended December 31, 2024

NOTE 4 - Fair Value of Financial Instruments (cont.)

The following tables set forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2024 and 2023, respectively.

	December 31, 2024			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 50,263,967	\$ 50,263,967	\$ -	\$ -

Mutual funds	\$ 46,196,545	\$ 46,196,545	\$ -	\$ -
Total investments at fair value	<u>\$ 46,196,545</u>	<u>\$ 46,196,545</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE 5 - Related Party and Party-in-interest Transactions

The Plan holds participant loans, which are secured by the participant's account balances. These transactions qualify as exempt party-in-interest transactions. Fees incurred by the Plan for the investment manager services are included in net appreciation in fair value of investments.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. As discussed in Note 1, participants are 100% vested in their accounts.

NOTE 7 - Tax Status

The Plan uses a non-standardized pre-approved plan document sponsored by ADP, LLC. The pre-approved plan sponsor received an opinion letter from the Internal Revenue Service (IRS), dated October 6, 2020, which states the pre-approved document satisfies the applicable provisions of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and Plan's tax counsel believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code, and therefore believes the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Richelson Control Group 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2024 and 2023 and for the Year Ended December 31, 2024

NOTE 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

As of December 31, 2024 and 2023, the Plan had investments of \$17,729,040 concentrated in three investments and \$11,371,887 concentrated in two investments, respectively, that each accounted for more than 10% of plan investments.

NOTE 9 - Delinquent Participant Contributions

For the years ended December 31, 2024 and 2023, the Company did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Delinquent Participant Contributions Disclosure under ERISA. Untimely remittances identified on the Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions totaled \$1,379. The Company plans to compensate participants for lost earnings on \$1,299 of delinquent participant contributions in 2025. Additionally, the Company compensated participants for lost earnings on \$80 of delinquent participant contributions in 2024.

NOTE 10 - Form 5500 Reconciliation

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023 to Form 5500:

	<u>2024</u>	<u>2023</u>

The following is a reconciliation of the changes in net assets available for benefits per the financial statements for the year ended December 31, 2024 to Form 5500:
